 June 9, 1989.—Passed Senate by voice vote.
 June 13, 1989.—Referred to House Committee on Post Office and Civil Service.
 June 15, 1989.—Referred to Subcommittee on Census and Population.

MR. LEAHY, MR. DANFORTH, MR. LUGAR, MR. MATSUNAGA, MR. SARBANES, MR. BOND, MR. BOSCHWITZ, MR. BUMPERS, MR. BURDICK, MR. CHAFEE, MR. COCHRAN, MR. CONRAD, MR. CRANSTON, MR. D'AMATO, MR. DASCHLE, MR. DODD, MR. DOLE, MR. DURENBERGER, MR. FOWLER, MR. GLENN, MR. GORTON, MR. GRAHAM, MR. HEFLIN, MR. INOUE, MR. JOHNSTON, MR. KENNEDY, MR. LEVIN, MR. PELL, MR. PRYOR, MR. SHELBY, AND MR. SIMPSON; (ADDED SEPT. 13, 1989) MR. MITCHELL

Designating October 16, 1989, and October 16, 1990, as "World Food Day".

May 18, 1989.—Referred to Senate Committee on the Judiciary.
 June 8, 1989.—Open business meeting, Committee on the Judiciary. Ordered reported to Senate.
 June 8, 1989.—Reported to Senate. No written report.
 June 9, 1989.—Passed Senate by voice vote.
 June 13, 1989.—Referred to House Committee on Post Office and Civil Service.
 June 15, 1989.—Referred to Subcommittee on Census and Population.
 Sept. 28, 1989.—Passed House by voice vote. Committee on Post Office and Civil Service discharged from further consideration.
 Oct. 6, 1989.—Signed by the President. Public Law 101-113.

MR. MITCHELL, MR. BURDICK, MR. BAUCUS, MR. SASSER, MR. SHELBY, MR. SARBANES, MR. CONRAD, MR. LEVIN, MR. CHAFEE, MR. COATS, MR. LAUTENBERG, MS. MIKULSKI, MR. PRYOR, MR. BUMPERS, MR. DECONCINI, MR. COHEN, MR. INOUE, MR. DODD, MR. D'AMATO, MR. JEFFORDS, MR. REID, MR. KERREY, MR. MATSUNAGA, MR. ADAMS, MR. CRANSTON, MR. FOWLER, MR. DASCHLE, MR. SIMPSON, MR. MURKOWSKI, MR. DOMENICI, MR. WARNER, MR. LIEBERMAN, MR. LEAHY, MR. HATFIELD, MR. BENTSEN, MR. GRAHAM, MR. BRADLEY, MR. HUMPHREY, MR. LUGAR, MR. ROBB, MR. WILSON, MR. PACKWOOD, MR. KERRY, MRS. KASSEBAUM, MR. GORTON, MR. MOYNIHAN, MR. KASTEN, MR. NUNN, MR. HATCH, MR. BURNS, MR. HEINZ, MR. BOSCHWITZ, AND MR. PRESSLER

To establish calendar year 1992 as the "Year of Clean Water".

July 19, 1989.—Referred to Senate Committee on the Judiciary.
 Oct. 17, 1989.—Open business meeting. Ordered reported to Senate.
 Oct. 18, 1989.—Reported to Senate. No written report.
 Oct. 20, 1989.—Passed Senate by voice vote.
 Oct. 23, 1989.—Referred to House Committee on Post Office and Civil Service.
 Nov. 1, 1989.—Referred to Subcommittee on Census and Population.

MR. SIMON; (ADDED SEPT. 19, 1989) MR. NUNN, AND MR. CRANSTON; (ADDED SEPT. 21, 1989) MR. DODD; (ADDED SEPT. 27, 1989) MR. STEVENS; (ADDED OCT. 3, 1989) MR. PELL, AND MR. DIXON; (ADDED OCT. 4, 1989) MR. LEVIN, MR. DECONCINI, MR. MURKOWSKI, MR. MATSUNAGA, AND MRS. KASSEBAUM; (ADDED OCT. 12, 1989) MR. RIEGLE, MR. FOWLER, MR. DASCHLE, MR. PRYOR, MR. BOREN, MR. HUMPHREY, MR. PRESSLER, MR. MOYNIHAN, AND MR. D'AMATO; (ADDED OCT. 17, 1989) MR. WILSON, MR. GORTON, MR. SHELBY, MR. COHEN, AND MR. ROBB; (ADDED OCT. 18, 1989) MR. WIRTH, MR. DOMENICI, MR. SARBANES, MR. LIEBERMAN, AND MR. BRADLEY; (ADDED OCT. 20, 1989) MR. KENNEDY, MR. ADAMS, AND MR. INOUE; (ADDED OCT. 25, 1989) MR. PACKWOOD, MR. HEINZ, MR. WARNER, MR. GRAHAM, MR. DANFORTH, MR. DURENBERGER, MR. LAUTENBERG, MR. LUGAR, MR. BOSCHWITZ, MR. KERRY, MR. BOND, MR. DOLE, AND MR. METZENBAUM; (ADDED OCT. 27, 1989) MS. MIKULSKI, MR. KOHL, AND MR. JEFFORDS

Designating November 1989 as "An End to Hunger Education Month".

Sept. 14, 1989.—Referred to Senate Committee on the Judiciary.
Oct. 26, 1989.—Open business meeting. Ordered reported to Senate.
Oct. 26, 1989.—Reported to Senate. No written report.
Oct. 27, 1989.—Passed Senate by voice vote.
Oct. 30, 1989.—Referred to House Committee on Post Office and Civil Service.
Oct. 31, 1989.—Passed House by voice vote. Committee on Post Office and Civil Service discharged from further consideration.
Nov. 14, 1989.—Signed by the President. Public Law 101-151.

SUBJECT INDEX—SUBCOMMITTEE JURISDICTION

Bills are listed under the Subcommittee or Subcommittees to which they have been referred.

CONSERVATION, CREDIT, AND RURAL DEVELOPMENT SUBCOMMITTEE

Soil and water conservation, small watershed program, commodity futures, agricultural credit and rural development matters generally.

COTTON, RICE, AND SUGAR SUBCOMMITTEE

Cotton, rice and sugar matters generally.

DEPARTMENT OPERATIONS, RESEARCH, AND FOREIGN AGRICULTURE SUBCOMMITTEE

Foreign agricultural programs, agency review and analysis generally, research, and pesticides.

DOMESTIC MARKETING, CONSUMER RELATIONS, AND NUTRITION SUBCOMMITTEE

Marketing orders, domestic marketing, food stamps, nutrition, and consumer programs generally.

FORESTS, FAMILY FARMS, AND ENERGY SUBCOMMITTEE

Forestry, family farming, and energy matters generally.

LIVESTOCK, DAIRY, AND POULTRY SUBCOMMITTEE

Livestock, dairy, poultry, and bees generally.

TOBACCO AND PEANUTS SUBCOMMITTEE

Tobacco and peanut matters generally.

WHEAT, SOYBEANS, AND FEED GRAINS SUBCOMMITTEE

Wheat, soybean, and feed grain matters generally.

SUBJECT INDEX

One asterisk denotes reported bills. In the case of cosponsors of House and Senate bills, only the sponsor's name will be listed in the index.

FULL COMMITTEE

Commemoratives:

*H.J.Res. 124.—Traxler, et al.

Crop Quality Reduction Disaster Payments Act:
H.R. 2509.—Schuette.

Earthquake disaster assistance:
*H.R. 3589.—Panetta, et al.

Global Warming Prevention Act:
H.R. 1078.—Schneider, et al.

Settlement of certain loans:
H.R. 2706.—Glickman, et al.

Treatment of cash rent tenants:
*H.R. 3620.—Rhodes, et al.

Trade:

CONSERVATION, CREDIT, AND RURAL DEVELOPMENT SUBCOMMITTEE

General Farm. Bills:

Commodity Exchange Act

Commodity Futures Improvements Act:
*H.R. 2869.—English, et al.

Orderly Markets Act:
H.R. 3662.—Eckart.

Prohibit insider trading:
H.R. 603.—Smith, Iowa.

Public disclosure of commodities sales information; require:
H.R. 602.—Smith, Iowa.

Reauthorize Commodity Exchange Act:
H.R. 466.—de la Garza, et al.

Small Business Preservation and Protection Act:
H.R. 607.—Smith, Iowa.

Conservation

Agricultural and Ground Water Policy Coordination Act:
H.R. 3567.—Grandy, et al.

Conservation Reserve Program Enhancement Act:
H.R. 3829.—Dyson.

Donate conservation reserve acreage to water storage:
H.R. 764.—Anthony, et al.

Global Climate Change Prevention Act:
S. 1610.—Leahy, Senator, et al.

Great Plains conservation program; extend date for contracts:
H.R. 772.—Combest, et al.

National Topsoil Preservation Act:
H.R. 610.—Smith, Iowa, et al.

SUBJECT INDEX

CONSERVATION, CREDIT, AND RURAL DEVELOPMENT SUBCOMMITTEE—Continued

Outlet ditch in Burt County, Nebraska; construct:
H.R. 2416.—Hoagland.

Sodbuster Reform and Moratorium Act:
H.R. 294.—Neal, N.C.

Sustainable Agricultural Adjustment Act:
H.R. 3552.—Jontz, et al.

Wetlands Conservation Amendments Act:
H.R. 1526.—Dorgan, et al.

Wildlife habitats and feeding areas; establish:
H.R. 3132.—Weber, et al.

Consolidated Farm and Rural Development Act

Consolidated Farm and Rural Development Act Amendment:
H.R. 2411.—Coleman, Mo., et al.

Farm Spouse Fairness and Equity Act:
H.R. 2973.—Marlencee, et al.

Limit cash flow requirement:
H.R. 3680.—Hayes, La.

AUTHOR INDEX

ACKERMAN, Gary L. of New York

- H.R. 84 To prohibit certain practices in the raising of calves for veal, and for other purposes.
- H.R. 500 To encourage scientific research and development of technologies relating to recycling, and for other purposes.
- H.R. 514 To establish labeling and advertising requirements for food or drink which are labeled "lite" or "light" or which make similar comparative claims to describe fat, sodium, or calorie content and for other purposes.
- H.R. 578 To amend the Animal Welfare Act to prohibit dog racing and dog training involving the use of live animals as visual lures and to make such Act applicable to facilities that are used for dog racing or dog race training.
- H.R. 677 To establish a coordinated National Nutrition Monitoring and Related Research Program, and a comprehensive plan for the assessment of the nutritional and dietary status of the United States population and the nutritional quality of food consumed in the United States, with the provision for the conduct of scientific research and development in support of such program and plan.
- H.R. 987 To amend the Alaska National Interest Lands Conservation Act, to designate certain lands in the Tongass National Forest as wilderness, and for other purposes.
- H.R. 1078 To establish national policies and support and encourage international agreements that implement energy and natural resource conservation strategies appropriate to preventing the overheating of the Earth's atmosphere, known as the "greenhouse effect".
- H.R. 1387 To provide for the inspection of all commercial seafood destined for human consumption in the United States.
- H.R. 2134 To amend the Federal Meat Inspection Act to authorize the distribution of wholesome meat for human consumption that has been condemned under that Act to charity and public agencies.
- H.R. 2144 To improve forest management in urban areas and other communities, and for other purposes.
- H.R. 2228 To amend the Agricultural Act of 1949 to modify the operation of the price support program applicable to milk.
- H.R. 2345 To amend section 19 of the Animal Welfare Act (7 U.S.C. 2149).
- H.R. 2406 To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 to strengthen the restraints upon clearcutting and certain other cutting practices in the National Forests of the United States.
- H.R. 2734 To inaugurate a comprehensive program of environmental research, development, and demonstration relating to contamination and depletion of ground water and ground water resources; and to establish an Interagency Ground Water Research Committee to improve coordination among Federal agencies and provide assistance for implementation of State management programs.
- H.R. 2766 To amend the Animal Welfare Act to include mice, rats, and birds within the definition of animals protected under the Act.
- H.R. 3143 To establish a national energy policy to reduce global warming, and for other purposes.
- H.R. 3307 To promote political democracy and economic pluralism in Poland and Hungary by assisting those nations during a critical period of transition and abetting the development in those nations of private business sectors, labor market reforms, and democratic institutions; to establish, through these steps, the framework for a composite program of support for East European Democracy; and for other purposes.
- H.J.Res. 271 Relating to responsible trade and conservation of tropical forest resources.

ADAMS, Brock of Washington

- S. 1036 To improve the economic, community, and educational well-being of rural America, and for other purposes.

AKAKA, Daniel K. of Hawaii

- H.R. 84 To prohibit certain practices in the raising of calves for veal, and for other purposes.
- H.R. 1078 To establish national policies and support and encourage international agreements that implement energy and natural resource conservation strategies appropriate to preventing the overheating of the Earth's atmosphere, known as the "greenhouse effect".
- H.R. 3143 To establish a national energy policy to reduce global warming, and for other purposes.
- H.R. 3362 To establish a national policy of "no net loss of forests", to direct the President to work for a declaration of a State of Emergency for Global Forests, to establish forest protection and forest restoration programs as a national priority, to support a global forest resource survey, to create an Endangered Forests Research Initiative, and to initiate a joint United States-Japan effort for global forest restoration.
- H.R. 3567 * To maintain grade, size, and quality standards for fresh papaya.
- H.J.Res. 124 To recognize the 75th anniversary of the Smith-Lever Act of May 8, 1914, and its role in establishing our Nation's system of State Cooperative Extension Services.

ALEXANDER, Bill of Arkansas

- H.R. 764 To amend the Agricultural Act of 1949 to allow producers to devote acreage conservation reserve acreage to water storage.
- H.R. 2209 To enable producers of soybeans to develop, finance, and carry out a nationally coordinated program for soybean promotion, research, and consumer information, and for other purposes.
- H.R. 3382 To provide grants to aid rural business and job creation in rural areas, to provide grants for emergency water assistance projects, and for other purposes.

ANDERSON, Glenn M. of California

- H.R. 84 To prohibit certain practices in the raising of calves for veal, and for other purposes.

ANDREWS, Michael A. of Texas

- H.R. 987 To amend the Alaska National Interest Lands Conservation Act, to designate certain lands in the Tongass National Forest as wilderness, and for other purposes.
- H.R. 2406 To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 to strengthen the restraints upon clearcutting and certain other cutting practices in the National Forests of the United States.
- H.R. 3270 Entitled, "The Farm Animal and Research Facilities Protection Act of 1989".
- H.R. 3382 To provide grants to aid rural business and job creation in rural areas, to provide grants for emergency water assistance projects, and for other purposes.

AUTHOR INDEX

ANNUNZIO, Frank of Illinois

- H.R. 500 To encourage scientific research and development of technologies relating to recycling, and for other purposes.
H.R. 987 To amend the Alaska National Interest Lands Conservation Act, to designate certain lands in the Tongass National Forest as wilderness, and for other purposes.

ANTHONY, Beryl Jr. of Arkansas

- H.R. 764 * To amend the Agricultural Act of 1949 to allow producers to devote acreage conservation reserve acreage to water storage.
H.R. 1387 To provide for the inspection of all commercial seafood destined for human consumption in the United States.
H.R. 2209 To enable producers of soybeans to develop, finance, and carry out a nationally coordinated program for soybean promotion, research, and consumer information, and for other purposes.
H.R. 2467 Entitled the "1988 Disaster Assistance Extension Act".
H.R. 3164 To amend the Rural Electrification Act of 1936 to permit the prepayment and refinancing of Federal financing bank loans made to rural electrification and telephone systems.
H.R. 3382 To provide grants to aid rural business; and job creation in rural areas, to provide grants for emergency water assistance projects, and for other purposes.

ARMEY, Richard K. of Texas

- H.R. 1055 To restore balance among sources of supply for the Nation's sweetener needs, and for other purposes.
H.R. 1232 To amend the Rural Electrification Act of 1936.
H.R. 2386 To amend the Agriculture Act of 1949 to establish eligibility requirements for agricultural commodity price support programs with respect to the delivery of irrigation water.

ASPIN, Les of Wisconsin

- H.R. 1137 To amend the Agricultural Act of 1949 to provide for the modification of the milk price support system contingent on the results of a producer referendum.
H.R. 1138 To amend the Agricultural Act of 1949 to remove the authority to reduce the level of price support for milk for calendar year 1990.
H.R. 1139 To authorize the Secretary of Agriculture to issue a nationwide marketing order applicable to milk and milk products, and for other purposes.

ATKINS, Chester G. of Massachusetts

- H.R. 37 To authorize the water resources research activities of the United States Geological Survey, and for other purposes.
H.R. 37 To authorize the water resources research activities of the United States Geological Survey, and for other purposes.
H.R. 84 To prohibit certain practices in the raising of calves for veal, and for other purposes.
H.R. 89 To improve the protection of endangered species of wildlife in units of the National Forest System, the national park system, and the National Wildlife Refuge System by increasing the maximum fine that may be imposed for violating posted speed limits in such units.
H.R. 425 To amend the Animal Welfare Act with respect to the issuance of temporary restraining orders and injunctions in certain cases.
H.R. 500 To encourage scientific research and development of technologies relating to recycling, and for other purposes.
H.R. 514 To establish labeling and advertising requirements for food or drink which are labeled "lite" or "light" or which make similar comparative claims to describe fat, sodium, or calorie content and for other purposes.
H.R. 764 To amend the Agricultural Act of 1949 to allow producers to devote acreage conservation reserve acreage to water storage.

- H.R. 67 To amend the Alaska National Interest Lands Conservation Act, to designate certain lands in the Tongass National Forest as wilderness, and for other purposes.

- H.R. 1055 To restore balance among sources of supply for the Nation's sweetener needs, and for other purposes.

- H.R. 1078 To establish national policies and support and encourage international agreements that implement energy and natural resource conservation strategies appropriate to preventing the overheating of the Earth's atmosphere, known as the "greenhouse effect".

- H.R. 1729 To amend Federal laws to grant the same rights and privileges afforded to blind individuals who depend on seeing-eye dogs to other disabled individuals who depend on guide, hearing, or service dogs, or other animals, to assist them.

- H.R. 2134 To amend the Federal Meat Inspection Act to authorize the distribution of wholesome meat for human consumption that has been condemned under that Act to charity and public agencies.

- H.R. 2213 To designate certain public lands in the State of Idaho as wilderness, and for other purposes.

- H.R. 2228 To amend the Agricultural Act of 1949 to modify the operation of the price support program applicable to milk.

- H.R. 2386 To amend the Agriculture Act of 1949 to establish eligibility requirements for agricultural commodity price support programs with respect to the delivery of irrigation water.

- H.R. 2734 To inaugurate a comprehensive program of environmental research, development, and demonstration relating to contamination and depletion of ground water and ground water resources; and to establish an Interagency Ground Water Research Committee to improve coordination among Federal agencies and provide assistance for implementation of State management programs.

- H.R. 3099 * To provide for the improved management of the nation's water resources.

- H.R. 3223 To amend the Animal Welfare Act to protect animal research facilities, and for other purposes.

- H.R. 3307 To promote political democracy and economic pluralism in Poland and Hungary by assisting those nations during a critical period of transition and abetting the development in those nations of private business sectors, labor market reforms, and democratic institutions; to establish, through these steps, the framework for a composite program of support for East European Democracy; and for other purposes.

- H.R. 3362 To establish a national policy of "no net loss of forests", to direct the President to work for a declaration of a State of Emergency for Global Forests, to establish forest protection and forest restoration programs as a national priority, to support a global forest resource survey, to create an Endangered Forests Research Initiative, and to initiate a joint United States-Japan effort for global forest restoration.

- H.R. 3514 To establish within the Department of Agriculture an Office of Integrated Pest Management, and for other purposes.

- H.R. 3552 To amend the Agricultural Act of 1949 to foster and encourage a sustainable agricultural system in the United States.

- H.J.Res. 57 Directing the Secretary of Agriculture to conduct a study of the effectiveness of current laws and regulations in protecting dogs and puppies bred and raised for sale to retail pet stores from inhumane treatment and premature shipment.

AUCOIN, Les of Oregon

- H.R. 500 To encourage scientific research and development of technologies relating to recycling, and for other purposes.

- H.R. 829 To make permanent the authority provided under the Temporary Emergency Wildfire Suppression Act.

- H.R. 1078 To establish national policies and support and encourage international agreements that implement energy and natural resource conservation strategies appropriate to preventing the overheating of the Earth's atmosphere, known as the "greenhouse effect".

- H.R. 2134 To amend the Federal Meat Inspection Act to authorize the distribution of wholesome meat for human consumption that has been condemned under that Act to charity and public agencies.

- H.R. 2228 To amend the Agricultural Act of 1949 to modify the operation of the price support program applicable to milk.

- H.R. 3143 * To establish a national energy policy to reduce global warming, and for other purposes.

- H.R. 3164 To amend the Rural Electrification Act of 1936 to permit the prepayment and refinancing of Federal financing bank loans made to rural electrification and telephone systems.

AUTHOR INDEX

AUCOIN, Les of Oregon—Continued

H.R. 3402 To promote political and economic democracy in Poland and Hungary as those countries develop and implement programs of comprehensive economic reform.

BAKER, Richard H. of Louisiana

H.R. 371 To direct a study by the Secretary of Agriculture of the classification of anhydrous ammonia as a poisonous gas for purposes of the Hazardous Materials Transportation Act, and for other purposes.
H.R. 3270 Entitled, "The Farm Animal and Research Facilities Protection Act of 1989".

BARNARD, Doug Jr. of Georgia

H.R. 1055 To restore balance among sources of supply for the Nation's sweetener needs, and for other purposes.
H.R. 3270 Entitled, "The Farm Animal and Research Facilities Protection Act of 1989".
H.R. 3292 To amend the Federal Insecticide, Fungicide, and Rodenticide Act and the Federal Food, Drug, and Cosmetic Act, and for other purposes.
H.R. 3302 To provide grants to aid rural business and job creation in rural areas, to provide grants for emergency water assistance projects, and for other purposes.
H.R. 3307 To provide for the establishment of a coordinated program of promotion and research designed to strengthen the position of the pecan industry in the marketplace, to maintain and expand foreign and domestic markets and uses for improved and native pecans and pecan products, and for other purposes.

BARTLETT, Steve of Texas

H.R. 578 To amend the Animal Welfare Act to prohibit dog racing and dog training involving the use of live animals as visual lures and to make such Act applicable to facilities that are used for dog racing or dog race training.
H.R. 987 To amend the Alaska National Interest Lands Conservation Act, to designate certain lands in the Tongass National Forest as wilderness, and for other purposes.

BARTON, Joe of Texas

H.R. 2467 Entitled the "1988 Disaster Assistance Extension Act".
H.R. 3164 To amend the Rural Electrification Act of 1936 to permit the prepayment and refinancing of Federal financing bank loans made to rural electrification and telephone systems.

BATEMAN, Herbert H. of Virginia

H.R. 2134 To amend the Federal Meat Inspection Act to authorize the distribution of wholesome meat for human consumption that has been condemned under that Act to charity and public agencies.
H.R. 2209 To enable producers of soybeans to develop, finance, and carry out a nationally coordinated program for soybean promotion, research, and consumer information, and for other purposes.
H.R. 3160 To provide additional food assistance to Poland in the form of donated surplus agricultural commodities held in the Commodity Credit Corporation.
H.R. 3164 To amend the Rural Electrification Act of 1936 to permit the prepayment and refinancing of Federal financing bank loans made to rural electrification and telephone systems.
H.R. 3302 To provide grants to aid rural business and job creation in rural areas, to provide grants for emergency water assistance projects, and for other purposes.

BATES, Jim of California

H.R. 37 To authorize the water resources research activities of the United States Geological Survey, and for other purposes.
H.R. 37 To authorize the water resources research activities of the United States Geological Survey, and for other purposes.
H.R. 84 To prohibit certain practices in the raising of calves for veal, and for other purposes.
H.R. 425 To amend the Animal Welfare Act with respect to the issuance of temporary restraining orders and injunctions in certain cases.
H.R. 514 To establish labeling and advertising requirements for food or drink which are labeled "lite" or "light" or which make similar comparative claims to describe fat, sodium, or calorie content and for other purposes.

H.R. 873 To amend title V of the Agricultural Act of 1949 to allow producers to rotate program crop acreage bases to substitute crops.
H.R. 987 To amend the Alaska National Interest Lands Conservation Act, to designate certain lands in the Tongass National Forest as wilderness, and for other purposes.
H.R. 1055 To restore balance among sources of supply for the Nation's sweetener needs, and for other purposes.
H.R. 1232 * To amend the Rural Electrification Act of 1936.
H.R. 2213 To designate certain public lands in the State of Idaho as wilderness, and for other purposes.
H.R. 2345 To amend section 19 of the Animal Welfare Act (7 U.S.C. 2149).
H.R. 2386 To amend the Agriculture Act of 1949 to establish eligibility requirements for agricultural commodity price support programs with respect to the delivery of irrigation water.
H.R. 2734 To inaugurate a comprehensive program of environmental research, development, and demonstration relating to contamination and depletion of ground water and ground water resources; and to establish an Interagency Ground Water Research Committee to improve coordination among Federal agencies and provide assistance for implementation of State management programs.
H.R. 3143 To establish a national energy policy to reduce global warming, and for other purposes.
H.R. 3362 To establish a national policy of "no net loss of forests", to direct the President to work for a declaration of a State of Emergency for Global Forests, to establish forest protection and forest restoration programs as a national priority, to support a global forest resource survey, to create an Endangered Forests Research Initiative, and to initiate a joint United States-Japan effort for global forest restoration.

BAUCUS, Max of Montana

S. 1036 To improve the economic, community, and educational well-being of rural America, and for other purposes.

BEILENSEN, Anthony C. of California

H.R. 37 To authorize the water resources research activities of the United States Geological Survey, and for other purposes.
H.R. 37 To authorize the water resources research activities of the United States Geological Survey, and for other purposes.
H.R. 84 To prohibit certain practices in the raising of calves for veal, and for other purposes.
H.R. 500 To encourage scientific research and development of technologies relating to recycling, and for other purposes.
H.R. 987 To amend the Alaska National Interest Lands Conservation Act, to designate certain lands in the Tongass National Forest as wilderness, and for other purposes.
H.R. 998 To authorize the exchange of certain public lands in California and Nevada.

AUTHOR INDEX

BEILENSON, Anthony C. of California—Continued

- H.R. 1078** To establish national policies and support and encourage international agreements that implement energy and natural resource conservation strategies appropriate to preventing the overheating of the Earth's atmosphere, known as the "greenhouse effect".
- H.R. 2144** To improve forest management in urban areas and other communities, and for other purposes.
- H.R. 2734** To inaugurate a comprehensive program of environmental research, development, and demonstration relating to contamination and depletion of ground water and ground water resources; and to establish an Interagency Ground Water Research Committee to improve coordination among Federal agencies and provide assistance for implementation of State management programs.
- H.R. 3143** To establish a national energy policy to reduce global warming, and for other purposes.
- H.R. 3362** To establish a national policy of "no net loss of forests", to direct the President to work for a declaration of a State of Emergency for Global Forests, to establish forest protection and forest restoration programs as a national priority, to support a global forest resource survey, to create an Endangered Forests Research Initiative, and to initiate a joint United States-Japan effort for global forest restoration.
- H.J.Res. 271** Relating to responsible trade and conservation of tropical forest resources.

BENNETT, Charles E. of Florida

- H.R. 84 *** To prohibit certain practices in the raising of calves for veal, and for other purposes.
- H.R. 89 *** To improve the protection of endangered species of wildlife in units of the National Forest System, the national park system, and the National Wildlife Refuge System by increasing the maximum fine that may be imposed for violating posted speed limits in such units.
- H.R. 987** To amend the Alaska National Interest Lands Conservation Act, to designate certain lands in the Tongass National Forest as wilderness, and for other purposes.
- H.R. 1078** To establish national policies and support and encourage international agreements that implement energy and natural resource conservation strategies appropriate to preventing the overheating of the Earth's atmosphere, known as the "greenhouse effect".
- H.R. 2345** To amend section 19 of the Animal Welfare Act (7 U.S.C. 2149).
- H.R. 2406** To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 to strengthen the restraints upon clearcutting and certain other cutting practices in the National Forests of the United States.
- H.R. 2790 *** To authorize the Secretary of the Interior to study certain lands for potential inclusion in the national park system, the national wild and scenic rivers system, or the national forest system, and for other purposes.

BENTLEY, Helen Delich of Maryland

- H.R. 37** To authorize the water resources research activities of the United States Geological Survey, and for other purposes.
- H.R. 37** To authorize the water resources research activities of the United States Geological Survey, and for other purposes.
- H.R. 84** To prohibit certain practices in the raising of calves for veal, and for other purposes.
- H.R. 371** To direct a study by the Secretary of Agriculture of the classification of anhydrous ammonia as a poisonous gas for purposes of the Hazardous Materials Transportation Act, and for other purposes.
- H.R. 425** To amend the Animal Welfare Act with respect to the issuance of temporary restraining orders and injunctions in certain cases.
- H.R. 500** To encourage scientific research and development of technologies relating to recycling, and for other purposes.
- H.R. 514** To establish labeling and advertising requirements for food or drink which are labeled "lite" or "light" or which make similar comparative claims to describe fat, sodium, or calorie content and for other purposes.

- H.R. 578** To amend the Animal Welfare Act to prohibit dog racing and dog training involving the use of live animals as visual lures and to make such Act applicable to facilities that are used for dog racing or dog race training.
- H.R. 1011** To provide for the establishment of the National Commission on Natural Resources Disasters, to provide for increased planning and cooperation with local firefighting forces in the event of forest fires, and for other purposes.
- H.R. 1232** To amend the Rural Electrification Act of 1936.
- H.R. 1388** To enhance the ability of the Federal Crop Insurance Corporation to encourage the sale of Federal crop insurance to producers of agricultural commodities, and for other purposes.
- H.R. 1450** To amend the Perishable Agricultural Commodities Act, 1930, to require commission merchants, dealers, and brokers to label perishable agricultural commodities with the name of the country of origin of such commodities.
- H.J.Res. 124** To recognize the 75th anniversary of the Smith-Lever Act of May 8, 1914, and its role in establishing our Nation's system of State Cooperative Extension Services.

BENTSEN, Lloyd of Texas

- S. 1036** To improve the economic, community, and educational well-being of rural America, and for other purposes.

BEREUTER, Doug of Nebraska

- H.R. 37** To authorize the water resources research activities of the United States Geological Survey, and for other purposes.
- H.R. 37** To authorize the water resources research activities of the United States Geological Survey, and for other purposes.
- H.R. 371** To direct a study by the Secretary of Agriculture of the classification of anhydrous ammonia as a poisonous gas for purposes of the Hazardous Materials Transportation Act, and for other purposes.
- H.R. 1387** To provide for the inspection of all commercial seafood destined for human consumption in the United States.
- H.R. 1608** To strengthen national nutrition monitoring by requiring the Secretary of Agriculture and the Secretary of Health and Human Services to prepare and implement a ten-year plan to assess the dietary and nutritional status of the United States population, to support research on, and development of, nutrition monitoring, to foster national nutrition education, to establish dietary guidelines, and for other purposes.
- H.R. 1729** To amend Federal laws to grant the same rights and privileges afforded to blind individuals who depend on seeing-eye dogs to other disabled individuals who depend on guide, hearing, or service dogs, or other animals, to assist them.
- H.R. 2113 *** To amend the Consolidated Farm and Rural Development Act to ensure that farmland held by the Farmers Home Administration is sold at fair market value to qualified persons.
- H.R. 2209** To enable producers of soybeans to develop, finance, and carry out a nationally coordinated program for soybean promotion, research, and consumer information, and for other purposes.
- H.R. 2228** To amend the Agricultural Act of 1949 to modify the operation of the price support program applicable to milk.
- H.R. 2258** To minimize the impact of agricultural nitrogen on ground water and surface water quality by establishing a national task force on agricultural best management practices and to amend section 319 of the Clean Water Act.
- H.R. 2388** To expand home ownership opportunities for low- and moderate-income families in rural areas.
- H.R. 2408** To transfer certain programs within the Department of Agriculture to a newly established Rural Development Administration, and for other purposes.
- H.R. 2411** To establish new loan rates applicable for loans made for health care and related facilities under section 307(a)(3) of the Consolidated Farm and Rural Development Act.
- H.R. 2412** To authorize the Secretary of Agriculture to establish and maintain a central receiving facility at the Department of Agriculture for the storage and retrieval of data relating to Federal rural development programs.

AUTHOR INDEX

BEREUTER, Doug of Nebraska—Continued

- H.R. 2881** To amend the Public Health Service Act to establish a program of block grants to the States for the purpose of consolidating Federal programs with respect to maternal and child health.
- H.R. 3048** To designate the Agricultural Research Service, U.S. Department of Agriculture, animal health research building in Clay Center, Nebraska, as the "Virginia D. Smith Animal Health Research Laboratory".
- H.R. 3164** To amend the Rural Electrification Act of 1936 to permit the prepayment and refinancing of Federal financing bank loans made to rural electrification and telephone systems.
- H.R. 3402** To promote political and economic democracy in Poland and Hungary as those countries develop and implement programs of comprehensive economic reform.
- H.R. 3822 *** To amend the United States Grain Standards Act to improve the competitive position of United States grain in international and domestic markets, to facilitate the communication of quality characteristics that final buyers of grain desire, to provide certain incentive to producers of high quality grain, and to improve the quality of farmer-owned and Federally-owned reserve grain stocks, and for other purposes.
- H.Con.Res. 91 *** Expressing the sense of the Congress with regard to supporting increased donations of commodities for international hunger alleviation purposes through purchases of agricultural commodities from the United States and developing countries financed by the Government of Japan.

BERMAN, Howard L. of California

- H.R. 84** To prohibit certain practices in the raising of calves for veal, and for other purposes.
- H.R. 500** To encourage scientific research and development of technologies relating to recycling, and for other purposes.
- H.R. 987** To amend the Alaska National Interest Lands Conservation Act, to designate certain lands in the Tongass National Forest as wilderness, and for other purposes.
- H.R. 998 *** To authorize the exchange of certain public lands in California and Nevada.
- H.R. 1078** To establish national policies and support and encourage international agreements that implement energy and natural resource conservation strategies appropriate to preventing the overheating of the Earth's atmosphere, known as the "greenhouse effect".
- H.R. 2320** To designate certain lands in the State of Nevada as wilderness, and for other purposes.
- H.R. 3307** To promote political democracy and economic pluralism in Poland and Hungary by assisting those nations during a critical period of transition and abetting the development in those nations of private business sectors, labor market reforms, and democratic institutions; to establish, through these steps, the framework for a composite program of support for East European Democracy; and for other purposes.
- H.R. 3589** To amend the Disaster Assistance Act of 1989 to provide assistance to agricultural producers suffering from earthquakes.

BEVILL, Tom of Alabama

- H.R. 2734** To inaugurate a comprehensive program of environmental research, development, and demonstration relating to contamination and depletion of ground water and ground water resources; and to establish an Interagency Ground Water Research Committee to improve coordination among Federal agencies and provide assistance for implementation of State management programs.
- H.R. 3164** To amend the Rural Electrification Act of 1936 to permit the prepayment and refinancing of Federal financing bank loans made to rural electrification and telephone systems.
- H.R. 3270** Entitled, "The Farm Animal and Research Facilities Protection Act of 1989".
- H.R. 3382** To provide grants to aid rural business and job creation in rural areas, to provide grants for emergency water assistance projects, and for other purposes.

- H.J.Res. 124** To recognize the 75th anniversary of the Smith-Lever Act of May 8, 1914, and its role in establishing our Nation's system of State Cooperative Extension Services.

BILBRAY, James H. of Nevada

- H.R. 425** To amend the Animal Welfare Act with respect to the issuance of temporary restraining orders and injunctions in certain cases.
- H.R. 500** To encourage scientific research and development of technologies relating to recycling, and for other purposes.
- H.R. 578** To amend the Animal Welfare Act to prohibit dog racing and dog training involving the use of live animals as visual lures and to make such Act applicable to facilities that are used for dog racing or dog race training.
- H.R. 987** To amend the Alaska National Interest Lands Conservation Act, to designate certain lands in the Tongass National Forest as wilderness, and for other purposes.
- H.R. 1078** To establish national policies and support and encourage international agreements that implement energy and natural resource conservation strategies appropriate to preventing the overheating of the Earth's atmosphere, known as the "greenhouse effect".
- H.R. 2134** To amend the Federal Meat Inspection Act to authorize the distribution of wholesome meat for human consumption that has been condemned under that Act to charity and public agencies.
- H.R. 2320 *** To designate certain lands in the State of Nevada as wilderness, and for other purposes.

BILIRAKIS, Michael of Florida

- H.R. 2209** To enable producers of soybeans to develop, finance, and carry out a nationally coordinated program for soybean promotion, research, and consumer information, and for other purposes.
- H.R. 2258** To minimize the impact of agricultural nitrogen on ground water and surface water quality by establishing a national task force on agricultural best management practices and to amend section 319 of the Clean Water Act.
- H.R. 3270** Entitled, "The Farm Animal and Research Facilities Protection Act of 1989".

BINGAMAN, Jeff of New Mexico

- S. 253 *** To establish a coordinated National Nutrition Monitoring and Related Research Program, and a comprehensive plan for the assessment of the nutritional and dietary status of the United States population and the nutritional quality of food consumed in the United States, with the provision for the conduct of scientific research and development in support of such program and plan.
- S. 1036** To improve the economic, community, and educational well-being of rural America, and for other purposes.

BLAZ, Ben Garrido of Guam

- H.R. 1078** To establish national policies and support and encourage international agreements that implement energy and natural resource conservation strategies appropriate to preventing the overheating of the Earth's atmosphere, known as the "greenhouse effect".
- H.R. 3420** To provide further authority to the Secretary of Agriculture for international forestry cooperation, for tropical forestry cooperation in the South Pacific, and for other purposes.

BLILEY, Thomas J. Jr. of Virginia

- H.R. 425** To amend the Animal Welfare Act with respect to the issuance of temporary restraining orders and injunctions in certain cases.
- H.R. 2881 *** To amend the Public Health Service Act to establish a program of block grants to the States for the purpose of consolidating Federal programs with respect to maternal and child health.

AUTHOR INDEX

BLILEY, Thomas J. Jr. of Virginia—Continued

H.R. 3270 Entitled, "The Farm Animal and Research Facilities Protection Act of 1989".

BOEHLERT, Sherwood L. of New York

- H.R. 37 To authorize the water resources research activities of the United States Geological Survey, and for other purposes.
- H.R. 37 To authorize the water resources research activities of the United States Geological Survey, and for other purposes.
- H.R. 500 To encourage scientific research and development of technologies relating to recycling, and for other purposes.
- H.R. 677 To establish a coordinated National Nutrition Monitoring and Related Research Program, and a comprehensive plan for the assessment of the nutritional and dietary status of the United States population and the nutritional quality of food consumed in the United States, with the provision for the conduct of scientific research and development in support of such program and plan.
- H.R. 987 To amend the Alaska National Interest Lands Conservation Act, to designate certain lands in the Tongass National Forest as wilderness, and for other purposes.
- H.R. 1078 To establish national policies and support and encourage international agreements that implement energy and natural resource conservation strategies appropriate to preventing the overheating of the Earth's atmosphere, known as the "greenhouse effect".
- H.R. 2213 To designate certain public lands in the State of Idaho as wilderness, and for other purposes.
- H.R. 2228 * To amend the Agricultural Act of 1949 to modify the operation of the price support program applicable to milk.
- H.R. 2386 To amend the Agriculture Act of 1949 to establish eligibility requirements for agricultural commodity price support programs with respect to the delivery of irrigation water.

- H.R. 3530 * To improve rural development in the United States.
- H.J.Res. 271 Relating to responsible trade and conservation of tropical forest resources.

BOGGS, Lindy (Mrs. Hale) of Louisiana

H.R. 2144 To improve forest management in urban areas and other communities, and for other purposes.

BONIOR, David E. of Michigan

- H.R. 37 To authorize the water resources research activities of the United States Geological Survey, and for other purposes.
- H.R. 37 To authorize the water resources research activities of the United States Geological Survey, and for other purposes.
- H.R. 89 To improve the protection of endangered species of wildlife in units of the National Forest System, the national park system, and the National Wildlife Refuge System by increasing the maximum fine that may be imposed for violating posted speed limits in such units.
- H.R. 500 To encourage scientific research and development of technologies relating to recycling, and for other purposes.
- H.R. 987 To amend the Alaska National Interest Lands Conservation Act, to designate certain lands in the Tongass National Forest as wilderness, and for other purposes.

H.R. 1387 To provide for the inspection of all commercial seafood destined for human consumption in the United States.

H.R. 1472 To establish the Grand Island National Recreation Area in the State of Michigan, and for other purposes.

H.R. 2144 To improve forest management in urban areas and other communities, and for other purposes.

H.R. 2213 To designate certain public lands in the State of Idaho as wilderness, and for other purposes.

H.R. 2406 To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 to strengthen the restraints upon clearcutting and certain other cutting practices in the National Forests of the United States.

H.R. 3402 To promote political and economic democracy in Poland and Hungary as those countries develop and implement programs of comprehensive economic reform.

H.J.Res. 124 To recognize the 75th anniversary of the Smith-Lever Act of May 8, 1914, and its role in establishing our Nation's system of State Cooperative Extension Services.

BOREN, David L. of Oklahoma

S. 1036 To improve the economic, community, and educational well-being of rural America, and for other purposes.

BORSKI, Robert A. of Pennsylvania

- H.R. 425 To amend the Animal Welfare Act with respect to the issuance of temporary restraining orders and injunctions in certain cases.
- H.R. 677 To establish a coordinated National Nutrition Monitoring and Related Research Program, and a comprehensive plan for the assessment of the nutritional and dietary status of the United States population and the nutritional quality of food consumed in the United States, with the provision for the conduct of scientific research and development in support of such program and plan.
- H.R. 987 To amend the Alaska National Interest Lands Conservation Act, to designate certain lands in the Tongass National Forest as wilderness, and for other purposes.
- H.R. 1055 To restore balance among sources of supply for the Nation's sweetener needs, and for other purposes.
- H.R. 3160 To provide additional food assistance to Poland in the form of donated surplus agricultural commodities held in the Commodity Credit Corporation.
- H.R. 3402 To promote political and economic democracy in Poland and Hungary as those countries develop and implement programs of comprehensive economic reform.

BOSCHWITZ, Rudolph E. of Minnesota

- S. 253 To establish a coordinated National Nutrition Monitoring and Related Research Program, and a comprehensive plan for the assessment of the nutritional and dietary status of the United States population and the nutritional quality of food consumed in the United States, with the provision for the conduct of scientific research and development in support of such program and plan.
- S. 553 To provide for more balance in the stocks of dairy products purchased by the Commodity Credit Corporation.
- S. 1610 To develop a program to determine potential impacts of climate on agriculture and forestry, to provide for the development of policies designed to address issues of potential climate change, with respect both to developing a capacity for agriculture and forestry to adapt to climate change, and to developing innovative ways to ameliorate climate change, and for other purposes.

AUTHOR INDEX

BOSCO, Douglas H. of California

- H.R. 1078** To establish national policies and support and encourage international agreements that implement energy and natural resource conservation strategies appropriate to preventing the overheating of the Earth's atmosphere, known as the "greenhouse effect".

BOUCHER, Rick of Virginia

- H.R. 677** To establish a coordinated National Nutrition Monitoring and Related Research Program, and a comprehensive plan for the assessment of the nutritional and dietary status of the United States population and the nutritional quality of food consumed in the United States, with the provision for the conduct of scientific research and development in support of such program and plan.
- H.R. 987** To amend the Alaska National Interest Lands Conservation Act, to designate certain lands in the Tongass National Forest as wilderness, and for other purposes.
- H.R. 1505** To provide financial assistance for the commercialization of agricultural research, and for other purposes.
- H.R. 2734** To inaugurate a comprehensive program of environmental research, development, and demonstration relating to contamination and depletion of ground water and ground water resources; and to establish an Interagency Ground Water Research Committee to improve coordination among Federal agencies and provide assistance for implementation of State management programs.
- H.R. 3382** To provide grants to aid rural business and job creation in rural areas, to provide grants for emergency water assistance projects, and for other purposes.

BOXER, Barbara of California

- H.R. 500** To encourage scientific research and development of technologies relating to recycling, and for other purposes.
- H.R. 514** To establish labeling and advertising requirements for food or drink which are labeled "lite" or "light" or which make similar comparative claims to describe fat, sodium, or calorie content and for other purposes.
- H.R. 677** To establish a coordinated National Nutrition Monitoring and Related Research Program, and a comprehensive plan for the assessment of the nutritional and dietary status of the United States population and the nutritional quality of food consumed in the United States, with the provision for the conduct of scientific research and development in support of such program and plan.
- H.R. 987** To amend the Alaska National Interest Lands Conservation Act, to designate certain lands in the Tongass National Forest as wilderness, and for other purposes.
- H.R. 1078** To establish national policies and support and encourage international agreements that implement energy and natural resource conservation strategies appropriate to preventing the overheating of the Earth's atmosphere, known as the "greenhouse effect".
- H.R. 1387** To provide for the inspection of all commercial seafood destined for human consumption in the United States.

- H.R. 3099** To provide for the improved management of the nation's water resources.
- H.J.Res. 124** To recognize the 75th anniversary of the Smith-Lever Act of May 8, 1914, and its role in establishing our Nation's system of State Cooperative Extension Services.

BRADLEY, Bill of New Jersey

- S. 253** To establish a coordinated National Nutrition Monitoring and Related Research Program, and a comprehensive plan for the assessment of the nutritional and dietary status of the United States population and the nutritional quality of food consumed in the United States, with the provision for the conduct of scientific research and development in support of such program and plan.

BRENNAN, Joseph E. of Maine

- H.R. 1078** To establish national policies and support and encourage international agreements that implement energy and natural resource conservation strategies appropriate to preventing the overheating of the Earth's atmosphere, known as the "greenhouse effect".

BROOKS, Jack of Texas

- H.R. 3382** To provide grants to aid rural business and job creation in rural areas, to provide grants for emergency water assistance projects, and for other purposes.

BROOMFIELD, Wm. S. of Michigan

- H.R. 84** To prohibit certain practices in the raising of calves for veal, and for other purposes.
- H.R. 3402** To promote political and economic democracy in Poland and Hungary as those countries develop and implement programs of comprehensive economic reform.
- H.R. 3420** To provide further authority to the Secretary of Agriculture for international forestry cooperation, for tropical forestry cooperation in the South Pacific, and for other purposes.
- H.J.Res. 124** To recognize the 75th anniversary of the Smith-Lever Act of May 8, 1914, and its role in establishing our Nation's system of State Cooperative Extension Services.

BROWDER, Glen of Alabama

- H.R. 2209** To enable producers of soybeans to develop, finance, and carry out a nationally coordinated program for soybean promotion, research, and consumer information, and for other purposes.
- H.R. 3164** To amend the Rural Electrification Act of 1936 to permit the prepayment and refinancing of Federal financing bank loans made to rural electrification and telephone systems.
- H.R. 3382** To provide grants to aid rural business and job creation in rural areas, to provide grants for emergency water assistance projects, and for other purposes.

BROWN, George E. Jr. of California

- H.R. 500** To encourage scientific research and development of technologies relating to recycling, and for other purposes.
- H.R. 677 *** To establish a coordinated National Nutrition Monitoring and Related Research Program, and a comprehensive plan for the assessment of the nutritional and dietary status of the United States population and the nutritional quality of food consumed in the United States, with the provision for the conduct of scientific research and development in support of such program and plan.
- H.R. 987** To amend the Alaska National Interest Lands Conservation Act, to designate certain lands in the Tongass National Forest as wilderness, and for other purposes.
- H.R. 1078** To establish national policies and support and encourage international agreements that implement energy and natural resource conservation strategies appropriate to preventing the overheating of the Earth's atmosphere, known as the "greenhouse effect".
- H.R. 1880 *** To authorize a National Agricultural Weather Information System, to establish an Office of Agricultural Weather and Climatology in the U.S. Department of Agriculture, and for other purposes.

AUTHOR INDEX

BROWN, George E. Jr. of California—Continued

- H.R. 2134 To amend the Federal Meat Inspection Act to authorize the distribution of wholesome meat for human consumption that has been condemned under that Act to charity and public agencies.
- H.R. 2209 To enable producers of soybeans to develop, finance, and carry out a nationally coordinated program for soybean promotion, research, and consumer information, and for other purposes.
- H.R. 2467 Entitled the "1988 Disaster Assistance Extension Act".
- H.R. 2734 To inaugurate a comprehensive program of environmental research, development, and demonstration relating to contamination and depletion of ground water and ground water resources; and to establish an Interagency Ground Water Research Committee to improve coordination among Federal agencies and provide assistance for implementation of State management programs.
- H.R. 2869 To amend the Commodity Exchange Act to improve the regulation of futures and options traded under rules and regulations of the Commodity Futures Trading Commission, establish registration standards for all exchange floor traders, restrict practices which may lead to the abuse of outside customers of the marketplace, reinforce development of exchange audit trails to better enable the detection and prevention of such practices, establish higher standards for service on governing boards and disciplinary committees of self regulatory organizations, enhance the international regulation of futures trading, regularize the process of authorizing appropriations for the Commodity Futures Trading Commission, and for other purposes.
- H.R. 3048 To designate the Agricultural Research Service, U.S. Department of Agriculture, animal health research building in Clay Center, Nebraska, as the "Virginia D. Smith Animal Health Research Laboratory".
- H.R. 3099 To provide for the improved management of the nation's water resources.
- H.R. 3153 * To amend the Federal Insecticide, Fungicide, and Rodenticide Act.
- H.R. 3292 To amend the Federal Insecticide, Fungicide, and Rodenticide Act and the Federal Food, Drug, and Cosmetic Act, and for other purposes.
- H.R. 3307 To promote political democracy and economic pluralism in Poland and Hungary by assisting those nations during a critical period of transition and abetting the development in those nations of private business sectors, labor market reforms, and democratic institutions; to establish, through these steps, the framework for a composite program of support for East European Democracy; and for other purposes.
- H.R. 3362 To establish a national policy of "no net loss of forests", to direct the President to work for a declaration of a State of Emergency for Global Forests, to establish forest protection and forest restoration programs as a national priority, to support a global forest resource survey, to create an Endangered Forests Research Initiative, and to initiate a joint United States-Japan effort for global forest restoration.
- H.R. 3369 To develop a comprehensive safety program in order to protect public health and to ensure the wholesomeness of all fish products intended for human consumption in the United States.
- H.R. 3402 To promote political and economic democracy in Poland and Hungary as those countries develop and implement programs of comprehensive economic reform.
- H.R. 3481 To develop a comprehensive safety program in order to protect public health and to ensure the wholesomeness of all fish products intended for human consumption in the United States.
- H.R. 3508 To expand the inspection by the Secretary of Agriculture of the Nation's food supply to ensure the safety and wholesomeness of the Nation's supply of fish, shellfish, and other marine and freshwater aquatic food.
- H.R. 3552 To amend the Agricultural Act of 1949 to foster and encourage a sustainable agricultural system in the United States.
- H.R. 3574 To provide for the coordination of ground water policy within the Department of Agriculture, and for other purposes.
- H.R. 3589 To amend the Disaster Assistance Act of 1989 to provide assistance to agricultural producers suffering from earthquakes.
- H.J.Res. 124 To recognize the 75th anniversary of the Smith-Lever Act of May 8, 1914, and its role in establishing our Nation's system of State Cooperative Extension Services.

BROWN, Hank of Colorado

- H.R. 371 To direct a study by the Secretary of Agriculture of the classification of anhydrous ammonia as a poisonous gas for purposes of the Hazardous Materials Transportation Act, and for other purposes.
- H.R. 873 To amend title V of the Agricultural Act of 1949 to allow producers to rotate program crop acreage bases to substitute crops.
- H.R. 3048 To designate the Agricultural Research Service, U.S. Department of Agriculture, animal health research building in Clay Center, Nebraska, as the "Virginia D. Smith Animal Health Research Laboratory".
- H.R. 3270 Entitled, "The Farm Animal and Research Facilities Protection Act of 1989".
- H.J.Res. 124 To recognize the 75th anniversary of the Smith-Lever Act of May 8, 1914, and its role in establishing our Nation's system of State Cooperative Extension Services.

BRUCE, Terry L. of Illinois

- H.R. 500 To encourage scientific research and development of technologies relating to recycling, and for other purposes.
- H.R. 768 * To amend the United States Warehouse Act to specifically allow States to require grain elevators with Federal warehouse licenses to participate in State grain indemnity funds or to require collateral security.
- H.R. 2042 To amend title V of the Agricultural Act of 1949 to allow producers to provide the appropriate county committees with actual yields for the 1989 and subsequent crop years.
- H.R. 2134 To amend the Federal Meat Inspection Act to authorize the distribution of wholesome meat for human consumption that has been condemned under that Act to charity and public agencies.
- H.R. 2209 To enable producers of soybeans to develop, finance, and carry out a nationally coordinated program for soybean promotion, research, and consumer information, and for other purposes.
- H.R. 2388 To expand home ownership opportunities for low- and moderate-income families in rural areas.
- H.R. 3160 To provide additional food assistance to Poland in the form of donated surplus agricultural commodities held in the Commodity Credit Corporation.
- H.R. 3164 To amend the Rural Electrification Act of 1936 to permit the prepayment and refinancing of Federal financing bank loans made to rural electrification and telephone systems.
- H.R. 3270 Entitled, "The Farm Animal and Research Facilities Protection Act of 1989".
- H.R. 3382 To provide grants to aid rural business and job creation in rural areas, to provide grants for emergency water assistance projects, and for other purposes.
- H.R. 3402 To promote political and economic democracy in Poland and Hungary as those countries develop and implement programs of comprehensive economic reform.

BRYAN, Richard of Nevada

- S. 974 To designate certain lands in the State of Nevada as wilderness, and for other purposes.
- S. 1036 To improve the economic, community, and educational well-being of rural America, and for other purposes.

BRYANT, John of Texas

- H.R. 500 To encourage scientific research and development of technologies relating to recycling, and for other purposes.
- H.R. 772 To amend the Soil Conservation and Domestic Allotment Act to extend the date for entering into contracts under the Great Plains conservation program.
- H.R. 987 To amend the Alaska National Interest Lands Conservation Act, to designate certain lands in the Tongass National Forest as wilderness, and for other purposes.

AUTHOR INDEX

BRYANT, John of Texas—Continued

- H.R. 1078** To establish national policies and support and encourage international agreements that implement energy and natural resource conservation strategies appropriate to preventing the overheating of the Earth's atmosphere, known as the "greenhouse effect".
- H.R. 2134** To amend the Federal Meat Inspection Act to authorize the distribution of wholesome meat for human consumption that has been condemned under that Act to charity and public agencies.
- H.R. 2406 *** To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 to strengthen the restraints upon clearcutting and certain other cutting practices in the National Forests of the United States.
- H.R. 3143** To establish a national energy policy to reduce global warming, and for other purposes.
- H.R. 3362** To establish a national policy of "no net loss of forests", to direct the President to work for a declaration of a State of Emergency for Global Forests, to establish forest protection and forest restoration programs as a national priority, to support a global forest resource survey, to create an Endangered Forests Research Initiative, and to initiate a joint United States-Japan effort for global forest restoration.
- H.R. 3402** To promote political and economic democracy in Poland and Hungary as those countries develop and implement programs of comprehensive economic reform.
- H.R. 3552** To amend the Agricultural Act of 1949 to foster and encourage a sustainable agricultural system in the United States.

BUECHNER, Jack of Missouri

- H.R. 89** To improve the protection of endangered species of wildlife in units of the National Forest System, the national park system, and the National Wildlife Refuge System by increasing the maximum fine that may be imposed for violating posted speed limits in such units.
- H.R. 425** To amend the Animal Welfare Act with respect to the issuance of temporary restraining orders and injunctions in certain cases.
- H.R. 987** To amend the Alaska National Interest Lands Conservation Act, to designate certain lands in the Tongass National Forest as wilderness, and for other purposes.
- H.R. 1078** To establish national policies and support and encourage international agreements that implement energy and natural resource conservation strategies appropriate to preventing the overheating of the Earth's atmosphere, known as the "greenhouse effect".
- H.R. 2209** To enable producers of soybeans to develop, finance, and carry out a nationally coordinated program for soybean promotion, research, and consumer information, and for other purposes.

BUMPERS, Dale of Arkansas

- S. 1036** To improve the economic, community, and educational well-being of rural America, and for other purposes.
- S. 1610** To develop a program to determine potential impacts of climate on agriculture and forestry, to provide for the development of policies designed to address issues of potential climate change, with respect both to developing a capacity for agriculture and forestry to adapt to climate change, and to developing innovative ways to ameliorate climate change, and for other purposes.

BUNNING, Jim of Kentucky

- H.R. 371** To direct a study by the Secretary of Agriculture of the classification of anhydrous ammonia as a poisonous gas for purposes of the Hazardous Materials Transportation Act, and for other purposes.
- H.R. 2209** To enable producers of soybeans to develop, finance, and carry out a nationally coordinated program for soybean promotion, research, and consumer information, and for other purposes.

BURDICK, Quentin N. of North Dakota

- S. 253** To establish a coordinated National Nutrition Monitoring and Related Research Program, and a comprehensive plan for the assessment of the nutritional and dietary status of the United States population and the nutritional quality of food consumed in the United States, with the provision for the conduct of scientific research and development in support of such program and plan.
- S. 1036** To improve the economic, community, and educational well-being of rural America, and for other purposes.

BURNS, Conrad of Montana

- S. 1036** To improve the economic, community, and educational well-being of rural America, and for other purposes.

BURTON, Dan of Indiana

- H.R. 371** To direct a study by the Secretary of Agriculture of the classification of anhydrous ammonia as a poisonous gas for purposes of the Hazardous Materials Transportation Act, and for other purposes.
- H.R. 501** To repeal the minimum adjustments to prices of fluid milk under Federal marketing orders and to establish basing points in various geographical areas of the United States for purposes of determining prices to be paid to milk producers under such orders.
- H.J.Res. 124** To recognize the 75th anniversary of the Smith-Lever Act of May 8, 1914, and its role in establishing our Nation's system of State Cooperative Extension Services.

BUSTAMANTE, Albert G. of Texas

- H.R. 764** To amend the Agricultural Act of 1949 to allow producers to devote acreage conservation reserve acreage to water storage.
- H.R. 987** To amend the Alaska National Interest Lands Conservation Act, to designate certain lands in the Tongass National Forest as wilderness, and for other purposes.
- H.R. 1538** To provide grants and loans to enable rural areas near the international border separating the United States from Mexico to develop plans for the construction and improvement of, and to construct and improve, water and waste disposal facilities.
- H.R. 2388** To expand home ownership opportunities for low- and moderate-income families in rural areas.
- H.R. 3307** To promote political democracy and economic pluralism in Poland and Hungary by assisting those nations during a critical period of transition and abetting the development in those nations of private business sectors, labor market reforms, and democratic institutions; to establish, through these steps, the framework for a composite program of support for East European Democracy; and for other purposes.
- H.R. 3382** To provide grants to aid rural business and job creation in rural areas, to provide grants for emergency water assistance projects, and for other purposes.

BYRON, Beverly B. of Maryland

- H.R. 1388** To enhance the ability of the Federal Crop Insurance Corporation to encourage the sale of Federal crop insurance to producers of agricultural commodities, and for other purposes.
- H.R. 3648** To help Puerto Rico and the Virgin Islands recover from devastation caused by Hurricane Hugo.

CALLAHAN, Sonny of Alabama

- H.R. 3382** To provide grants to aid rural business and job creation in rural areas, to provide grants for emergency water assistance projects, and for other purposes.

AUTHOR INDEX

CALLAHAN, Sonny of Alabama—Continued

- H.R. 3454 • To authorize the Secretary of Agriculture to carry out a Forest Stewardship Assistance Program for owners of nonindustrial private forest land, and for other purposes.

CAMPBELL, Ben Nighthorse of Colorado

- H.R. 37 To authorize the water resources research activities of the United States Geological Survey, and for other purposes.
H.R. 37 To authorize the water resources research activities of the United States Geological Survey, and for other purposes.
H.R. 799 To authorize the Secretary of Agriculture to establish and carry out programs to eradicate the disease of scrapie in the sheep and goat populations of the United States and conduct research regarding scrapie.
H.R. 1729 To amend Federal laws to grant the same rights and privileges afforded to blind individuals who depend on seeing-eye dogs to other disabled individuals who depend on guide, hearing, or service dogs, or other animals, to assist them.
H.R. 2209 To enable producers of soybeans to develop, finance, and carry out a nationally coordinated program for soybean promotion, research, and consumer information, and for other purposes.
H.R. 2257 To amend the Potato Research and Promotion Act to provide improved methods of assessment that will finance a more effective marketing research and promotion program and provide for a more effective consumer information program designed to expand markets for potatoes.
H.R. 3048 To designate the Agricultural Research Service, U.S. Department of Agriculture, animal health research building in Clay Center, Nebraska, as the "Virginia D. Smith Animal Health Research Laboratory".
H.R. 3164 To amend the Rural Electrification Act of 1936 to permit the prepayment and refinancing of Federal financing bank loans made to rural electrification and telephone systems.
H.R. 3270 Entitled, "The Farm Animal and Research Facilities Protection Act of 1989".
H.R. 3292 To amend the Federal Insecticide, Fungicide, and Rodenticide Act and the Federal Food, Drug, and Cosmetic Act, and for other purposes.
H.R. 3824 • To amend the Food Security Act of 1985 to make permanent the prohibition on payment to foreigners of any type of production adjustment payments, price support program loans, or other farm program benefits.

CAMPBELL, Tom of California

- H.R. 37 To authorize the water resources research activities of the United States Geological Survey, and for other purposes.
H.R. 37 To authorize the water resources research activities of the United States Geological Survey, and for other purposes.
H.R. 425 To amend the Animal Welfare Act with respect to the issuance of temporary restraining orders and injunctions in certain cases.
H.R. 1078 To establish national policies and support and encourage international agreements that implement energy and natural resource conservation strategies appropriate to preventing the overheating of the Earth's atmosphere, known as the "greenhouse effect".
H.R. 1232 To amend the Rural Electrification Act of 1936.

CARDIN, Benjamin L. of Maryland

- H.R. 84 To prohibit certain practices in the raising of calves for veal, and for other purposes.
H.R. 425 To amend the Animal Welfare Act with respect to the issuance of temporary restraining orders and injunctions in certain cases.
H.R. 1078 To establish national policies and support and encourage international agreements that implement energy and natural resource conservation strategies appropriate to preventing the overheating of the Earth's atmosphere, known as the "greenhouse effect".
H.R. 1388 To enhance the ability of the Federal Crop Insurance Corporation to encourage the sale of Federal crop insurance to producers of agricultural commodities, and for other purposes.

- H.R. 3307 To promote political democracy and economic pluralism in Poland and Hungary by assisting those nations during a critical period of transition and abetting the development in those nations of private business sectors, labor market reforms, and democratic institutions; to establish, through these steps, the framework for a composite program of support for East European Democracy; and for other purposes.

CARPER, Thomas R. of Delaware

- H.R. 500 To encourage scientific research and development of technologies relating to recycling, and for other purposes.
H.R. 677 To establish a coordinated National Nutrition Monitoring and Related Research Program, and a comprehensive plan for the assessment of the nutritional and dietary status of the United States population and the nutritional quality of food consumed in the United States, with the provision for the conduct of scientific research and development in support of such program and plan.
H.R. 987 To amend the Alaska National Interest Lands Conservation Act, to designate certain lands in the Tongass National Forest as wilderness, and for other purposes.
H.R. 1055 To restore balance among sources of supply for the Nation's sweetener needs, and for other purposes.
H.R. 1078 To establish national policies and support and encourage international agreements that implement energy and natural resource conservation strategies appropriate to preventing the overheating of the Earth's atmosphere, known as the "greenhouse effect".
H.R. 2386 To amend the Agriculture Act of 1949 to establish eligibility requirements for agricultural commodity price support programs with respect to the delivery of irrigation water.

CARR, Bob of Michigan

- H.R. 1472 To establish the Grand Island National Recreation Area in the State of Michigan, and for other purposes.
H.R. 2209 To enable producers of soybeans to develop, finance, and carry out a nationally coordinated program for soybean promotion, research, and consumer information, and for other purposes.
H.J.Res. 124 To recognize the 75th anniversary of the Smith-Lever Act of May 8, 1914, and its role in establishing our Nation's system of State Cooperative Extension Services.

CHAFEE, John H. of Rhode Island

- S. 253 To establish a coordinated National Nutrition Monitoring and Related Research Program, and a comprehensive plan for the assessment of the nutritional and dietary status of the United States population and the nutritional quality of food consumed in the United States, with the provision for the conduct of scientific research and development in support of such program and plan.

CHANDLER, Rod of Washington

- H.R. 84 To prohibit certain practices in the raising of calves for veal, and for other purposes.
H.R. 425 To amend the Animal Welfare Act with respect to the issuance of temporary restraining orders and injunctions in certain cases.

CHAPMAN, Jim of Texas

- H.R. 37 To authorize the water resources research activities of the United States Geological Survey, and for other purposes.
H.R. 37 To authorize the water resources research activities of the United States Geological Survey, and for other purposes.
H.R. 2294 Directing the Secretary of Agriculture to provide an adjustment to permit flexibility in crop acreage bases.

CHAPMAN, Jim of Texas—Continued

- H.R. 2408** To transfer certain programs within the Department of Agriculture to a newly established Rural Development Administration, and for other purposes.
- H.R. 2409** To establish an emergency community water assistance grant program for eligible communities adversely affected by the droughts of 1988 and 1989.
- H.R. 2411** To establish new loan rates applicable for loans made for health care and related facilities under section 307(a)(3) of the Consolidated Farm and Rural Development Act.
- H.R. 2412** To authorize the Secretary of Agriculture to establish and maintain a central receiving facility at the Department of Agriculture for the storage and retrieval of data relating to Federal rural development programs.
- H.R. 2881** To amend the Public Health Service Act to establish a program of block grants to the States for the purpose of consolidating Federal programs with respect to maternal and child health.
- H.R. 3164** To amend the Rural Electrification Act of 1936 to permit the prepayment and refinancing of Federal financing bank loans made to rural electrification and telephone systems.
- H.R. 3382** To provide grants to aid rural business and job creation in rural areas, to provide grants for emergency water assistance projects, and for other purposes.
- H.R. 3387** To provide for the establishment of a coordinated program of promotion and research designed to strengthen the position of the pecan industry in the marketplace, to maintain and expand foreign and domestic markets and uses for improved and native pecans and pecan products, and for other purposes.
- H.R. 3768** To allow the Secretary of the U.S. Department of Agriculture or other appropriate official to protect persons engaged in a lawful hunt within a National Forest or on other lands affected with a Federal interest; establishing an administrative civil remedy against individuals or groups intentionally obstructing, impeding, or interfering with the conduct of a lawful hunt; and for other purposes.
- H.Con.Res. 126** Urging the President to revoke Executive Order 12072, and thereby enabling the Secretary of Agriculture to properly select the location of federal facilities in compliance with the Rural Development Act of 1972.

CHENEY, Dick of Wyoming

- H.J.Res. 124** To recognize the 75th anniversary of the Smith-Lever Act of May 8, 1914, and its role in establishing our Nation's system of State Cooperative Extension Services.

CLARKE, James McClure of North Carolina

- H.R. 677** To establish a coordinated National Nutrition Monitoring and Related Research Program, and a comprehensive plan for the assessment of the nutritional and dietary status of the United States population and the nutritional quality of food consumed in the United States, with the provision for the conduct of scientific research and development in support of such program and plan.
- H.R. 987** To amend the Alaska National Interest Lands Conservation Act, to designate certain lands in the Tongass National Forest as wilderness, and for other purposes.
- H.R. 3420** To provide further authority to the Secretary of Agriculture for international forestry cooperation, for tropical forestry cooperation in the South Pacific, and for other purposes.

CLAY, William (Bill) of Missouri

- H.R. 987** To amend the Alaska National Interest Lands Conservation Act, to designate certain lands in the Tongass National Forest as wilderness, and for other purposes.
- H.R. 1078** To establish national policies and support and encourage international agreements that implement energy and natural resource conservation strategies appropriate to preventing the overheating of the Earth's atmosphere, known as the "greenhouse effect".
- H.R. 2213** To designate certain public lands in the State of Idaho as wilderness, and for other purposes.

CLEMENT, Bob of Tennessee

- H.R. 425** To amend the Animal Welfare Act with respect to the issuance of temporary restraining orders and injunctions in certain cases.
- H.R. 500** To encourage scientific research and development of technologies relating to recycling, and for other purposes.
- H.R. 3768** To allow the Secretary of the U.S. Department of Agriculture or other appropriate official to protect persons engaged in a lawful hunt within a National Forest or on other lands affected with a Federal interest; establishing an administrative civil remedy against individuals or groups intentionally obstructing, impeding, or interfering with the conduct of a lawful hunt; and for other purposes.

CLINGER, William F. Jr. of Pennsylvania

- H.R. 371** To direct a study by the Secretary of Agriculture of the classification of anhydrous ammonia as a poisonous gas for purposes of the Hazardous Materials Transportation Act, and for other purposes.
- H.R. 500** To encourage scientific research and development of technologies relating to recycling, and for other purposes.
- H.R. 1526** To amend the Food Security Act of 1985 with respect to wetlands, and for other purposes.
- H.R. 2258** To minimize the impact of agricultural nitrogen on ground water and surface water quality by establishing a national task force on agricultural best management practices and to amend section 319 of the Clean Water Act.
- H.R. 3164** To amend the Rural Electrification Act of 1936 to permit the prepayment and refinancing of Federal financing bank loans made to rural electrification and telephone systems.
- H.R. 3270** Entitled, "The Farm Animal and Research Facilities Protection Act of 1989".
- H.J.Res. 124** To recognize the 75th anniversary of the Smith-Lever Act of May 8, 1914, and its role in establishing our Nation's system of State Cooperative Extension Services.
- H.Con.Res. 140** Directing the appropriate committees of the Congress to give due consideration to the formulation and advancement of a comprehensive package of legislation dealing with the economic development needs of rural communities at the earliest possible date.

COBLE, Howard of North Carolina

- H.R. 3382** To provide grants to aid rural business and job creation in rural areas, to provide grants for emergency water assistance projects, and for other purposes.

COCHRAN, Thad of Mississippi

- S. 253** To establish a coordinated National Nutrition Monitoring and Related Research Program, and a comprehensive plan for the assessment of the nutritional and dietary status of the United States population and the nutritional quality of food consumed in the United States, with the provision for the conduct of scientific research and development in support of such program and plan.

COELHO, Tony of California

- H.R. 677** To establish a coordinated National Nutrition Monitoring and Related Research Program, and a comprehensive plan for the assessment of the nutritional and dietary status of the United States population and the nutritional quality of food consumed in the United States, with the provision for the conduct of scientific research and development in support of such program and plan.

AUTHOR INDEX

COELHO, Tony of California—Continued

- H.R. 2026 *** To amend the Agricultural Adjustment Act to prohibit the importation of kiwifruit, peaches, pears, nectarines, and plums that do not comply with any grade, size, quality, and maturity provisions of a marketing order applicable under such Act to the respective kind of fruit produced in the United States or with comparable restrictions promulgated under such Act.
- H.R. 2187** To enable producers of fresh mushrooms to develop, finance, and carry out a nationally coordinated program for fresh mushroom promotion, research, and consumer information, and for other purposes.
- H.R. 2257** To amend the Potato Research and Promotion Act to provide improved methods of assessment that will finance a more effective marketing research and promotion program and provide for a more effective consumer information program designed to expand markets for potatoes.

COHEN, William S. of Maine

- S. 253** To establish a coordinated National Nutrition Monitoring and Related Research Program, and a comprehensive plan for the assessment of the nutritional and dietary status of the United States population and the nutritional quality of food consumed in the United States, with the provision for the conduct of scientific research and development in support of such program and plan.

COLEMAN, E. Thomas of Missouri

- H.R. 371** To direct a study by the Secretary of Agriculture of the classification of anhydrous ammonia as a poisonous gas for purposes of the Hazardous Materials Transportation Act, and for other purposes.
- H.R. 466** To reauthorize appropriations to carry out the Commodity Exchange Act.
- H.R. 802** Directing the Secretary of Agriculture to formulate proposals to reduce paperwork and recordkeeping required of agricultural producers, to study the feasibility of establishing an electronic system or network to facilitate such reduction, and for other purposes.
- H.R. 1729** To amend Federal laws to grant the same rights and privileges afforded to blind individuals who depend on seeing-eye dogs to other disabled individuals who depend on guide, hearing, or service dogs, or other animals, to assist them.
- H.R. 2042** To amend title V of the Agricultural Act of 1949 to allow producers to provide the appropriate county committees with actual yields for the 1989 and subsequent crop years.
- H.R. 2209** To enable producers of soybeans to develop, finance, and carry out a nationally coordinated program for soybean promotion, research, and consumer information, and for other purposes.
- H.R. 2408 *** To transfer certain programs within the Department of Agriculture to a newly established Rural Development Administration, and for other purposes.
- H.R. 2409 *** To establish an emergency community water assistance grant program for eligible communities adversely affected by the droughts of 1988 and 1989.
- H.R. 2411 *** To establish new loan rates applicable for loans made for health care and related facilities under section 307(a)(3) of the Consolidated Farm and Rural Development Act.
- H.R. 2412 *** To authorize the Secretary of Agriculture to establish and maintain a central receiving facility at the Department of Agriculture for the storage and retrieval of data relating to Federal rural development programs.
- H.R. 2467** Entitled the "1988 Disaster Assistance Extension Act".
- H.R. 2869** To amend the Commodity Exchange Act to improve the regulation of futures and options traded under rules and regulations of the Commodity Futures Trading Commission, establish registration standards for all exchange floor traders, restrict practices which may lead to the abuse of outside customers of the marketplace, reinforce development of exchange audit trails to better enable the detection and prevention of such practices, establish higher standards for service on governing boards and disciplinary committees of self regulatory organizations, enhance the international regulation of futures trading, regularize the process of authorizing appropriations for the Commodity Futures Trading Commission, and for other purposes.

- H.R. 3048** To designate the Agricultural Research Service, U.S. Department of Agriculture, animal health research building in Clay Center, Nebraska, as the "Virginia D. Smith Animal Health Research Laboratory".
- H.R. 3160 *** To provide additional food assistance to Poland in the form of donated surplus agricultural commodities held in the Commodity Credit Corporation.
- H.R. 3164** To amend the Rural Electrification Act of 1936 to permit the prepayment and refinancing of Federal financing bank loans made to rural electrification and telephone systems.
- H.R. 3270** Entitled, "The Farm Animal and Research Facilities Protection Act of 1989".
- H.R. 3292** To amend the Federal Insecticide, Fungicide, and Rodenticide Act and the Federal Food, Drug, and Cosmetic Act, and for other purposes.
- H.R. 3402** To promote political and economic democracy in Poland and Hungary as those countries develop and implement programs of comprehensive economic reform.
- H.R. 3508** To expand the inspection by the Secretary of Agriculture of the Nation's food supply to ensure the safety and wholesomeness of the Nation's supply of fish, shellfish, and other marine and freshwater aquatic food.
- H.R. 3574** To provide for the coordination of ground water policy within the Department of Agriculture, and for other purposes.
- H.R. 3581** Entitled, "The Rural Economic Development Act of 1989".
- H.Con.Res. 126 *** Urging the President to revoke Executive Order 12072, and thereby enabling the Secretary of Agriculture to properly select the location of federal facilities in compliance with the Rural Development Act of 1972.

COLEMAN, Ronald D. of Texas

- H.R. 500** To encourage scientific research and development of technologies relating to recycling, and for other purposes.
- H.R. 1538** To provide grants and loans to enable rural areas near the international border separating the United States from Mexico to develop plans for the construction and improvement of, and to construct and improve, water and waste disposal facilities.
- H.R. 2320** To designate certain lands in the State of Nevada as wilderness, and for other purposes.
- H.R. 3382** To provide grants to aid rural business and job creation in rural areas, to provide grants for emergency water assistance projects, and for other purposes.

COLLINS, Cardiss of Illinois

- H.R. 37** To authorize the water resources research activities of the United States Geological Survey, and for other purposes.
- H.R. 37** To authorize the water resources research activities of the United States Geological Survey, and for other purposes.
- H.R. 84** To prohibit certain practices in the raising of calves for veal, and for other purposes.
- H.R. 89** To improve the protection of endangered species of wildlife in units of the National Forest System, the national park system, and the National Wildlife Refuge System by increasing the maximum fine that may be imposed for violating posted speed limits in such units.
- H.R. 425** To amend the Animal Welfare Act with respect to the issuance of temporary restraining orders and injunctions in certain cases.
- H.R. 500** To encourage scientific research and development of technologies relating to recycling, and for other purposes.
- H.R. 514** To establish labeling and advertising requirements for food or drink which are labeled "lite" or "light" or which make similar comparative claims to describe fat, sodium, or calorie content and for other purposes.
- H.R. 987** To amend the Alaska National Interest Lands Conservation Act, to designate certain lands in the Tongass National Forest as wilderness, and for other purposes.
- H.R. 1055** To restore balance among sources of supply for the Nation's sweetener needs, and for other purposes.

AUTHOR INDEX

COLLINS, Cardiss of Illinois—Continued

- H.R. 1078** To establish national policies and support and encourage international agreements that implement energy and natural resource conservation strategies appropriate to preventing the overheating of the Earth's atmosphere, known as the "greenhouse effect".
- H.R. 1387** To provide for the inspection of all commercial seafood destined for human consumption in the United States.
- H.R. 2134** To amend the Federal Meat Inspection Act to authorize the distribution of wholesome meat for human consumption that has been condemned under that Act to charity and public agencies.
- H.R. 2228** To amend the Agricultural Act of 1949 to modify the operation of the price support program applicable to milk.
- H.R. 2386** To amend the Agriculture Act of 1949 to establish eligibility requirements for agricultural commodity price support programs with respect to the delivery of irrigation water.
- H.R. 2734** To inaugurate a comprehensive program of environmental research, development, and demonstration relating to contamination and depletion of ground water and ground water resources; and to establish an Interagency Ground Water Research Committee to improve coordination among Federal agencies and provide assistance for implementation of State management programs.
- H.R. 2881** To amend the Public Health Service Act to establish a program of block grants to the States for the purpose of consolidating Federal programs with respect to maternal and child health.
- H.R. 3099** To provide for the improved management of the nation's water resources.
- H.R. 3143** To establish a national energy policy to reduce global warming, and for other purposes.
- H.R. 3362** To establish a national policy of "no net loss of forests", to direct the President to work for a declaration of a State of Emergency for Global Forests, to establish forest protection and forest restoration programs as a national priority, to support a global forest resource survey, to create an Endangered Forests Research Initiative, and to initiate a joint United States-Japan effort for global forest restoration.
- H.J.Res. 124** To recognize the 75th anniversary of the Smith-Lever Act of May 8, 1914, and its role in establishing our Nation's system of State Cooperative Extension Services.

COMBEST, Larry of Texas

- H.R. 371** To direct a study by the Secretary of Agriculture of the classification of anhydrous ammonia as a poisonous gas for purposes of the Hazardous Materials Transportation Act, and for other purposes.
- H.R. 772 *** To amend the Soil Conservation and Domestic Allotment Act to extend the date for entering into contracts under the Great Plains conservation program.
- H.R. 2258** To minimize the impact of agricultural nitrogen on ground water and surface water quality by establishing a national task force on agricultural best management practices and to amend section 319 of the Clean Water Act.
- H.R. 2408** To transfer certain programs within the Department of Agriculture to a newly established Rural Development Administration, and for other purposes.
- H.R. 2409** To establish an emergency community water assistance grant program for eligible communities adversely affected by the droughts of 1988 and 1989.
- H.R. 2411** To establish new loan rates applicable for loans made for health care and related facilities under section 307(a)(3) of the Consolidated Farm and Rural Development Act.
- H.R. 2412** To authorize the Secretary of Agriculture to establish and maintain a central receiving facility at the Department of Agriculture for the storage and retrieval of data relating to Federal rural development programs.
- H.R. 3048** To designate the Agricultural Research Service, U.S. Department of Agriculture, animal health research building in Clay Center, Nebraska, as the "Virginia D. Smith Animal Health Research Laboratory".
- H.R. 3216 *** Entitled the "Disaster Assistance Improvements Act of 1989".
- H.R. 3270** Entitled, "The Farm Animal and Research Facilities Protection Act of 1989".
- H.R. 3292** To amend the Federal Insecticide, Fungicide, and Rodenticide Act and the Federal Food, Drug, and Cosmetic Act, and for other purposes.

- H.Con.Res. 126** Urging the President to revoke Executive Order 12072, and thereby enabling the Secretary of Agriculture to properly select the location of federal facilities in compliance with the Rural Development Act of 1972.

CONDIT, Gary of California

- H.R. 3292** To amend the Federal Insecticide, Fungicide, and Rodenticide Act and the Federal Food, Drug, and Cosmetic Act, and for other purposes.
- H.R. 3589** To amend the Disaster Assistance Act of 1989 to provide assistance to agricultural producers suffering from earthquakes.

CONRAD, Kent of North Dakota

- S. 253** To establish a coordinated National Nutrition Monitoring and Related Research Program, and a comprehensive plan for the assessment of the nutritional and dietary status of the United States population and the nutritional quality of food consumed in the United States, with the provision for the conduct of scientific research and development in support of such program and plan.
- S. 1036** To improve the economic, community, and educational well-being of rural America, and for other purposes.
- S. 1610** To develop a program to determine potential impacts of climate on agriculture and forestry, to provide for the development of policies designed to address issues of potential climate change, with respect both to developing a capacity for agriculture and forestry to adapt to climate change, and to developing innovative ways to ameliorate climate change, and for other purposes.

CONTE, Silvio O. of Massachusetts

- H.R. 425** To amend the Animal Welfare Act with respect to the issuance of temporary restraining orders and injunctions in certain cases.
- H.R. 3048** To designate the Agricultural Research Service, U.S. Department of Agriculture, animal health research building in Clay Center, Nebraska, as the "Virginia D. Smith Animal Health Research Laboratory".

CONYERS, John Jr. of Michigan

- H.R. 37** To authorize the water resources research activities of the United States Geological Survey, and for other purposes.
- H.R. 37** To authorize the water resources research activities of the United States Geological Survey, and for other purposes.
- H.R. 84** To prohibit certain practices in the raising of calves for veal, and for other purposes.
- H.R. 500** To encourage scientific research and development of technologies relating to recycling, and for other purposes.
- H.R. 987** To amend the Alaska National Interest Lands Conservation Act, to designate certain lands in the Tongass National Forest as wilderness, and for other purposes.
- H.R. 1078** To establish national policies and support and encourage international agreements that implement energy and natural resource conservation strategies appropriate to preventing the overheating of the Earth's atmosphere, known as the "greenhouse effect".
- H.R. 1472** To establish the Grand Island National Recreation Area in the State of Michigan, and for other purposes.
- H.J.Res. 124** To recognize the 75th anniversary of the Smith-Lever Act of May 8, 1914, and its role in establishing our Nation's system of State Cooperative Extension Services.

COOPER, Jim of Tennessee

- H.R. 500** To encourage scientific research and development of technologies relating to recycling, and for other purposes.

AUTHOR INDEX

COOPER, Jim of Tennessee—Continued

- H.R. 514 *** To establish labeling and advertising requirements for food or drink which are labeled "lite" or "light" or which make similar comparative claims to describe fat, sodium, or calorie content and for other purposes.
- H.R. 677** To establish a coordinated National Nutrition Monitoring and Related Research Program, and a comprehensive plan for the assessment of the nutritional and dietary status of the United States population and the nutritional quality of food consumed in the United States, with the provision for the conduct of scientific research and development in support of such program and plan.
- H.R. 873** To amend title V of the Agricultural Act of 1949 to allow producers to rotate program crop acreage bases to substitute crops.
- H.R. 987** To amend the Alaska National Interest Lands Conservation Act, to designate certain lands in the Tongass National Forest as wilderness, and for other purposes.
- H.R. 1055** To restore balance among sources of supply for the Nation's sweetener needs, and for other purposes.
- H.R. 2209** To enable producers of soybeans to develop, finance, and carry out a nationally coordinated program for soybean promotion, research, and consumer information, and for other purposes.
- H.R. 3143** To establish a national energy policy to reduce global warming, and for other purposes.
- H.R. 3382** To provide grants to aid rural business and job creation in rural areas, to provide grants for emergency water assistance projects, and for other purposes.
- H.R. 3402** To promote political and economic democracy in Poland and Hungary as those countries develop and implement programs of comprehensive economic reform.

COSTELLO, Jerry F. of Illinois

- H.R. 371** To direct a study by the Secretary of Agriculture of the classification of anhydrous ammonia as a poisonous gas for purposes of the Hazardous Materials Transportation Act, and for other purposes.
- H.R. 500** To encourage scientific research and development of technologies relating to recycling, and for other purposes.
- H.R. 768** To amend the United States Warehouse Act to specifically allow States to require grain elevators with Federal warehouse licenses to participate in State grain indemnity funds or to require collateral security.
- H.R. 2134** To amend the Federal Meat Inspection Act to authorize the distribution of wholesome meat for human consumption that has been condemned under that Act to charity and public agencies.
- H.R. 3382** To provide grants to aid rural business and job creation in rural areas, to provide grants for emergency water assistance projects, and for other purposes.
- H.J.Res. 124** To recognize the 75th anniversary of the Smith-Lever Act of May 8, 1914, and its role in establishing our Nation's system of State Cooperative Extension Services.

COURTER, Jim of New Jersey

- H.R. 987** To amend the Alaska National Interest Lands Conservation Act, to designate certain lands in the Tongass National Forest as wilderness, and for other purposes.
- H.R. 1055** To restore balance among sources of supply for the Nation's sweetener needs, and for other purposes.
- H.R. 3160** To provide additional food assistance to Poland in the form of donated surplus agricultural commodities held in the Commodity Credit Corporation.
- H.J.Res. 124** To recognize the 75th anniversary of the Smith-Lever Act of May 8, 1914, and its role in establishing our Nation's system of State Cooperative Extension Services.

COYNE, William J. of Pennsylvania

- H.R. 987** To amend the Alaska National Interest Lands Conservation Act, to designate certain lands in the Tongass National Forest as wilderness, and for other purposes.

CRAIG, Larry E. of Idaho

- H.R. 146 *** To amend the Federal Insecticide, Fungicide, and Rodenticide Act to permit Federal agencies to use pesticides on public lands without duplicating the research or analyses of the Environmental Protection Agency under that Act.
- H.R. 371** To direct a study by the Secretary of Agriculture of the classification of anhydrous ammonia as a poisonous gas for purposes of the Hazardous Materials Transportation Act, and for other purposes.
- H.R. 1645** To permit timber sales and related activities on National Forest System lands during a 5-year period of study of the status of the Northern Spotted Owl, and for other purposes.
- H.R. 2257** To amend the Potato Research and Promotion Act to provide improved methods of assessment that will finance a more effective marketing research and promotion program and provide for a more effective consumer information program designed to expand markets for potatoes.
- H.R. 2565** To amend the Agricultural Act of 1949 to require the Secretary of Agriculture to exclude the malting barley price from the national weighted market price for barley in determining the payment rate used to calculate deficiency payments for the 1989 crop of barley, and to require the Secretary to establish the target price of barley for the 1990 crop based on all feed and food uses.
- H.R. 3270** Entitled, "The Farm Animal and Research Facilities Protection Act of 1989".
- H.R. 3768** To allow the Secretary of the U.S. Department of Agriculture or other appropriate official to protect persons engaged in a lawful hunt within a National Forest or on other lands affected with a Federal interest; establishing an administrative civil remedy against individuals or groups intentionally obstructing, impeding, or interfering with the conduct of a lawful hunt; and for other purposes.
- H.R. 3827** To authorize any State to prohibit or otherwise restrict the exportation from the United States of unprocessed timber from lands owned or administered by that State.

CRANE, Philip M. of Illinois

- H.R. 1055** To restore balance among sources of supply for the Nation's sweetener needs, and for other purposes.
- H.R. 1232** To amend the Rural Electrification Act of 1936.

CRANSTON, Alan of California

- S. 253** To establish a coordinated National Nutrition Monitoring and Related Research Program, and a comprehensive plan for the assessment of the nutritional and dietary status of the United States population and the nutritional quality of food consumed in the United States, with the provision for the conduct of scientific research and development in support of such program and plan.

CROCKETT, Geo. W. Jr. of Michigan

- H.R. 37** To authorize the water resources research activities of the United States Geological Survey, and for other purposes.
- H.R. 37** To authorize the water resources research activities of the United States Geological Survey, and for other purposes.
- H.R. 500** To encourage scientific research and development of technologies relating to recycling, and for other purposes.
- H.R. 987** To amend the Alaska National Interest Lands Conservation Act, to designate certain lands in the Tongass National Forest as wilderness, and for other purposes.
- H.R. 1078** To establish national policies and support and encourage international agreements that implement energy and natural resource conservation strategies appropriate to preventing the overheating of the Earth's atmosphere, known as the "greenhouse effect".
- H.R. 1472** To establish the Grand Island National Recreation Area in the State of Michigan, and for other purposes.

AUTHOR INDEX

CROCKETT, Geo. W. Jr. of Michigan—Continued

H.J.Res. 124 To recognize the 75th anniversary of the Smith-Lever Act of May 8, 1914, and its role in establishing our Nation's system of State Cooperative Extension Services.

D'AMATO, Alfonse M. of New York

S. 1036 To improve the economic, community, and educational well-being of rural America, and for other purposes.

DANFORTH, John C. of Missouri

S. 1036 To improve the economic, community, and educational well-being of rural America, and for other purposes.

DANNEMEYER, William E. of California

H.R. 2641 To remove aflatoxin contaminated corn in the 1988 or 1989 corn crop from the food chain, to provide indemnification to producers of such corn, and to assure foreign and domestic markets of U.S. corn a safe, high quality product.

H.R. 2737 To require the payment of interest on moneys affected by injunctions on Federal timber sales.

H.R. 3071 To consolidate food inspection functions in the Department of Agriculture.

H.R. 3768 To allow the Secretary of the U.S. Department of Agriculture or other appropriate official to protect persons engaged in a lawful hunt within a National Forest or on other lands affected with a Federal interest; establishing an administrative civil remedy against individuals or groups intentionally obstructing, impeding, or interfering with the conduct of a lawful hunt; and for other purposes.

DARDEN, George (Buddy) of Georgia

H.R. 2209 To enable producers of soybeans to develop, finance, and carry out a nationally coordinated program for soybean promotion, research, and consumer information, and for other purposes.

H.R. 2352 * Entitled the "Nevada Wilderness Protection Act of 1989".

H.R. 3382 To provide grants to aid rural business and job creation in rural areas, to provide grants for emergency water assistance projects, and for other purposes.

H.R. 3387 To provide for the establishment of a coordinated program of promotion and research designed to strengthen the position of the pecan industry in the marketplace, to maintain and expand foreign and domestic markets and uses for improved and native pecans and pecan products, and for other purposes.

DASCHLE, Tom of South Dakota

S. 1036 To improve the economic, community, and educational well-being of rural America, and for other purposes.

S. 1610 To develop a program to determine potential impacts of climate on agriculture and forestry, to provide for the development of policies designed to address issues of potential climate change, with respect both to developing a capacity for agriculture and forestry to adapt to climate change, and to developing innovative ways to ameliorate climate change, and for other purposes.

DAVIS, Robert W. of Michigan

H.R. 371 To direct a study by the Secretary of Agriculture of the classification of anhydrous ammonia as a poisonous gas for purposes of the Hazardous Materials Transportation Act, and for other purposes.

H.R. 1450 To amend the Perishable Agricultural Commodities Act, 1930, to require commission merchants, dealers, and brokers to label perishable agricultural commodities with the name of the country of origin of such commodities.

H.R. 1526 To amend the Food Security Act of 1985 with respect to wetlands, and for other purposes.

H.R. 3768 To allow the Secretary of the U.S. Department of Agriculture or other appropriate official to protect persons engaged in a lawful hunt within a National Forest or on other lands affected with a Federal interest; establishing an administrative civil remedy against individuals or groups intentionally obstructing, impeding, or interfering with the conduct of a lawful hunt; and for other purposes.

H.J.Res. 124 To recognize the 75th anniversary of the Smith-Lever Act of May 8, 1914, and its role in establishing our Nation's system of State Cooperative Extension Services.

DE LA GARZA, E of Texas

H.R. 466 * To reauthorize appropriations to carry out the Commodity Exchange Act.

H.R. 802 Directing the Secretary of Agriculture to formulate proposals to reduce paperwork and recordkeeping required of agricultural producers, to study the feasibility of establishing an electronic system or network to facilitate such reduction, and for other purposes.

H.R. 1608 * To strengthen national nutrition monitoring by requiring the Secretary of Agriculture and the Secretary of Health and Human Services to prepare and implement a ten-year plan to assess the dietary and nutritional status of the United States population, to support research on, and development of, nutrition monitoring, to foster national nutrition education, to establish dietary guidelines, and for other purposes.

H.R. 1880 To authorize a National Agricultural Weather Information System, to establish an Office of Agricultural Weather and Climatology in the U.S. Department of Agriculture, and for other purposes.

H.R. 2042 To amend title V of the Agricultural Act of 1949 to allow producers to provide the appropriate county committees with actual yields for the 1989 and subsequent crop years.

H.R. 2388 To expand home ownership opportunities for low- and moderate-income families in rural areas.

H.R. 2467 * Entitled the "1988 Disaster Assistance Extension Act".

H.R. 2869 To amend the Commodity Exchange Act to improve the regulation of futures and options traded under rules and regulations of the Commodity Futures Trading Commission, establish registration standards for all exchange floor traders, restrict practices which may lead to the abuse of outside customers of the marketplace, reinforce development of exchange audit trails to better enable the detection and prevention of such practices, establish higher standards for service on governing boards and disciplinary committees of self regulatory organizations, enhance the international regulation of futures trading, regularize the process of authorizing appropriations for the Commodity Futures Trading Commission, and for other purposes.

H.R. 3164 * To amend the Rural Electrification Act of 1936 to permit the prepayment and refinancing of Federal financing bank loans made to rural electrification and telephone systems.

H.R. 3270 Entitled, "The Farm Animal and Research Facilities Protection Act of 1989".

H.R. 3292 * To amend the Federal Insecticide, Fungicide, and Rodenticide Act and the Federal Food, Drug, and Cosmetic Act, and for other purposes.

H.R. 3402 To promote political and economic democracy in Poland and Hungary as those countries develop and implement programs of comprehensive economic reform.

H.R. 3508 * To expand the inspection by the Secretary of Agriculture of the Nation's food supply to ensure the safety and wholesomeness of the Nation's supply of fish, shellfish, and other marine and freshwater aquatic food.

H.J.Res. 124 To recognize the 75th anniversary of the Smith-Lever Act of May 8, 1914, and its role in establishing our Nation's system of State Cooperative Extension Services.

AUTHOR INDEX

DE LUGO, Ron of Virgin Islands

- H.R. 37 To authorize the water resources research activities of the United States Geological Survey, and for other purposes.
- H.R. 37 To authorize the water resources research activities of the United States Geological Survey, and for other purposes.
- H.R. 89 To improve the protection of endangered species of wildlife in units of the National Forest System, the national park system, and the National Wildlife Refuge System by increasing the maximum fine that may be imposed for violating posted speed limits in such units.
- H.R. 425 To amend the Animal Welfare Act with respect to the issuance of temporary restraining orders and injunctions in certain cases.
- H.R. 500 To encourage scientific research and development of technologies relating to recycling, and for other purposes.
- H.R. 514 To establish labeling and advertising requirements for food or drink which are labeled "lite" or "light" or which make similar comparative claims to describe fat, sodium, or calorie content and for other purposes.
- H.R. 764 To amend the Agricultural Act of 1949 to allow producers to devote acreage conservation reserve acreage to water storage.
- H.R. 987 To amend the Alaska National Interest Lands Conservation Act, to designate certain lands in the Tongass National Forest as wilderness, and for other purposes.
- H.R. 1078 To establish national policies and support and encourage international agreements that implement energy and natural resource conservation strategies appropriate to preventing the overheating of the Earth's atmosphere, known as the "greenhouse effect".
- H.R. 1137 To amend the Agricultural Act of 1949 to provide for the modification of the milk price support system contingent on the results of a producer referendum.
- H.R. 2134 To amend the Federal Meat Inspection Act to authorize the distribution of wholesome meat for human consumption that has been condemned under that Act to charity and public agencies.
- H.R. 2386 To amend the Agriculture Act of 1949 to establish eligibility requirements for agricultural commodity price support programs with respect to the delivery of irrigation water.
- H.R. 2388 To expand home ownership opportunities for low- and moderate-income families in rural areas.
- H.R. 2734 To inaugurate a comprehensive program of environmental research, development, and demonstration relating to contamination and depletion of ground water and ground water resources; and to establish an Interagency Ground Water Research Committee to improve coordination among Federal agencies and provide assistance for implementation of State management programs.
- H.R. 3648 * To help Puerto Rico and the Virgin Islands recover from devastation caused by Hurricane Hugo.

DECONCINI, Dennis E. of Arizona

- S. 253 To establish a coordinated National Nutrition Monitoring and Related Research Program, and a comprehensive plan for the assessment of the nutritional and dietary status of the United States population and the nutritional quality of food consumed in the United States, with the provision for the conduct of scientific research and development in support of such program and plan.

DEFAZIO, Peter A. of Oregon

- H.R. 37 To authorize the water resources research activities of the United States Geological Survey, and for other purposes.
- H.R. 37 To authorize the water resources research activities of the United States Geological Survey, and for other purposes.
- H.R. 84 To prohibit certain practices in the raising of calves for veal, and for other purposes.
- H.R. 425 To amend the Animal Welfare Act with respect to the issuance of temporary restraining orders and injunctions in certain cases.
- H.R. 500 To encourage scientific research and development of technologies relating to recycling, and for other purposes.
- H.R. 829 To make permanent the authority provided under the Temporary Emergency Wildfire Suppression Act.
- H.R. 987 To amend the Alaska National Interest Lands Conservation Act, to designate certain lands in the Tongass National Forest as wilderness, and for other purposes.

- H.R. 1078 To establish national policies and support and encourage international agreements that implement energy and natural resource conservation strategies appropriate to preventing the overheating of the Earth's atmosphere, known as the "greenhouse effect".
- H.R. 1387 To provide for the inspection of all commercial seafood destined for human consumption in the United States.
- H.R. 2134 To amend the Federal Meat Inspection Act to authorize the distribution of wholesome meat for human consumption that has been condemned under that Act to charity and public agencies.
- H.R. 2386 To amend the Agriculture Act of 1949 to establish eligibility requirements for agricultural commodity price support programs with respect to the delivery of irrigation water.
- H.R. 2388 To expand home ownership opportunities for low- and moderate-income families in rural areas.
- H.R. 3164 To amend the Rural Electrification Act of 1936 to permit the prepayment and refinancing of Federal financing bank loans made to rural electrification and telephone systems.
- H.R. 3382 To provide grants to aid rural business and job creation in rural areas, to provide grants for emergency water assistance projects, and for other purposes.
- H.R. 3552 To amend the Agricultural Act of 1949 to foster and encourage a sustainable agricultural system in the United States.
- H.R. 3827 * To authorize any State to prohibit or otherwise restrict the exportation from the United States of unprocessed timber from lands owned or administered by that State.
- H.R. 3828 * To restrict the export of unprocessed timber from certain Federal lands, and for other purposes.

DELAY, Tom of Texas

- H.R. 3768 To allow the Secretary of the U.S. Department of Agriculture or other appropriate official to protect persons engaged in a lawful hunt within a National Forest or on other lands affected with a Federal interest; establishing an administrative civil remedy against individuals or groups intentionally obstructing, impeding, or interfering with the conduct of a lawful hunt; and for other purposes.

DELLUMS, Ronald V. of California

- H.R. 37 To authorize the water resources research activities of the United States Geological Survey, and for other purposes.
- H.R. 37 To authorize the water resources research activities of the United States Geological Survey, and for other purposes.
- H.R. 84 To prohibit certain practices in the raising of calves for veal, and for other purposes.
- H.R. 425 To amend the Animal Welfare Act with respect to the issuance of temporary restraining orders and injunctions in certain cases.
- H.R. 500 To encourage scientific research and development of technologies relating to recycling, and for other purposes.
- H.R. 578 To amend the Animal Welfare Act to prohibit dog racing and dog training involving the use of live animals as visual lures and to make such Act applicable to facilities that are used for dog racing or dog race training.
- H.R. 677 To establish a coordinated National Nutrition Monitoring and Related Research Program, and a comprehensive plan for the assessment of the nutritional and dietary status of the United States population and the nutritional quality of food consumed in the United States, with the provision for the conduct of scientific research and development in support of such program and plan.
- H.R. 987 To amend the Alaska National Interest Lands Conservation Act, to designate certain lands in the Tongass National Forest as wilderness, and for other purposes.

- H.R. 2213 To designate certain public lands in the State of Idaho as wilderness, and for other purposes.
- H.R. 2345 To amend section 19 of the Animal Welfare Act (7 U.S.C. 2149).

AUTHOR INDEX

DELLUMS, Ronald V. of California—Continued

- H.R. 2386** To amend the Agriculture Act of 1949 to establish eligibility requirements for agricultural commodity price support programs with respect to the delivery of irrigation water.
- H.R. 2734** To inaugurate a comprehensive program of environmental research, development, and demonstration relating to contamination and depletion of ground water and ground water resources; and to establish an Interagency Ground Water Research Committee to improve coordination among Federal agencies and provide assistance for implementation of State management programs.
- H.R. 2746** To amend the Animal Welfare Act to include mice, rats, and birds within the definition of animals protected under the Act.
- H.R. 3099** To provide for the improved management of the nation's water resources.
- H.R. 3143** To establish a national energy policy to reduce global warming, and for other purposes.
- H.R. 3223** To amend the Animal Welfare Act to protect animal research facilities, and for other purposes.
- H.R. 3307** To promote political democracy and economic pluralism in Poland and Hungary by assisting those nations during a critical period of transition and abetting the development in those nations of private business sectors, labour market reforms, and democratic institutions; to establish, through these steps, the framework for a composite program of support for East European Democracy, and for other purposes.
- H.R. 3362** To establish a national policy of "no net loss of forests", to direct the President to work for a declaration of a State of Emergency for Global Forests, to establish forest protection and forest restoration programs as a national priority, to support a global forest resource survey, to create an Endangered Forests Research Initiative, and to initiate a joint United States-Japan effort for global forest restoration.
- H.J.Res. 271** Relating to responsible trade and conservation of tropical forest resources.

DERRICK, Butler of South Carolina

- H.R. 2209** To enable producers of soybeans to develop, finance, and carry out a nationally coordinated program for soybean promotion, research, and consumer information, and for other purposes.
- H.R. 3164** To amend the Rural Electrification Act of 1936 to permit the prepayment and refinancing of Federal financing bank loans made to rural electrification and telephone systems.
- H.R. 3382** To provide grants to aid rural business and job creation in rural areas, to provide grants for emergency water assistance projects, and for other purposes.
- H.R. 3482** To provide disaster assistance to private timber producers for the reestablishment of timber stands necessitated by Hurricane Hugo.
- H.J.Res. 124** To recognize the 75th anniversary of the Smith-Lever Act of May 8, 1914, and its role in establishing our Nation's system of State Cooperative Extension Services.

DEWINE, Michael of Ohio

- H.R. 3402** To promote political and economic democracy in Poland and Hungary as those countries develop and implement programs of comprehensive economic reform.

DICKINSON, William L. of Alabama

- H.R. 2209** To enable producers of soybeans to develop, finance, and carry out a nationally coordinated program for soybean promotion, research, and consumer information, and for other purposes.
- H.R. 3382** To provide grants to aid rural business and job creation in rural areas, to provide grants for emergency water assistance projects, and for other purposes.

DINGELL, John D. of Michigan

- H.R. 1472** To establish the Grand Island National Recreation Area in the State of Michigan, and for other purposes.
- H.R. 2209** To enable producers of soybeans to develop, finance, and carry out a nationally coordinated program for soybean promotion, research, and consumer information, and for other purposes.
- H.R. 3160** To provide additional food assistance to Poland in the form of donated surplus agricultural commodities held in the Commodity Credit Corporation.
- H.R. 3402** To promote political and economic democracy in Poland and Hungary as those countries develop and implement programs of comprehensive economic reform.
- H.R. 3768** To allow the Secretary of the U.S. Department of Agriculture or other appropriate official to protect persons engaged in a lawful hunt within a National Forest or on other lands affected with a Federal interest; establishing an administrative civil remedy against individuals or groups intentionally obstructing, impeding, or interfering with the conduct of a lawful hunt; and for other purposes.
- H.J.Res. 124** To recognize the 75th anniversary of the Smith-Lever Act of May 8, 1914, and its role in establishing our Nation's system of State Cooperative Extension Services.

DIXON, Julian C. of California

- H.R. 84** To prohibit certain practices in the raising of calves for veal, and for other purposes.
- H.R. 425** To amend the Animal Welfare Act with respect to the issuance of temporary restraining orders and injunctions in certain cases.
- H.R. 500** To encourage scientific research and development of technologies relating to recycling, and for other purposes.
- H.R. 987** To amend the Alaska National Interest Lands Conservation Act, to designate certain lands in the Tongass National Forest as wilderness, and for other purposes.
- H.R. 1078** To establish national policies and support and encourage international agreements that implement energy and natural resource conservation strategies appropriate to preventing the overheating of the Earth's atmosphere, known as the "greenhouse effect".
- H.R. 3589** To amend the Disaster Assistance Act of 1989 to provide assistance to agricultural producers suffering from earthquakes.

DONNELLY, Brian J. of Massachusetts

- H.R. 84** To prohibit certain practices in the raising of calves for veal, and for other purposes.
- H.R. 500** To encourage scientific research and development of technologies relating to recycling, and for other purposes.
- H.R. 799** To authorize the Secretary of Agriculture to establish and carry out programs to eradicate the disease of scrapie in the sheep and goat populations of the United States and conduct research regarding scrapie.
- H.R. 987** To amend the Alaska National Interest Lands Conservation Act, to designate certain lands in the Tongass National Forest as wilderness, and for other purposes.
- H.R. 1078** To establish national policies and support and encourage international agreements that implement energy and natural resource conservation strategies appropriate to preventing the overheating of the Earth's atmosphere, known as the "greenhouse effect".
- H.R. 2406** To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 to strengthen the restraints upon clearcutting and certain other cutting practices in the National Forests of the United States.

DORGAN, Byron L. of North Dakota

- H.R. 371** To direct a study by the Secretary of Agriculture of the classification of anhydrous ammonia as a poisonous gas for purposes of the Hazardous Materials Transportation Act, and for other purposes.

AUTHOR INDEX

DORGAN, Byron L. of North Dakota—Continued

- H.R. 772 To amend the Soil Conservation and Domestic Allotment Act to extend the date for entering into contracts under the Great Plains conservation program.
- H.R. 987 To amend the Alaska National Interest Lands Conservation Act, to designate certain lands in the Tongass National Forest as wilderness, and for other purposes.
- H.R. 1387 * To provide for the inspection of all commercial seafood destined for human consumption in the United States.
- H.R. 1505 To provide financial assistance for the commercialization of agricultural research, and for other purposes.
- H.R. 1526 * To amend the Food Security Act of 1985 with respect to wetlands, and for other purposes.
- H.R. 2134 To amend the Federal Meat Inspection Act to authorize the distribution of wholesome meat for human consumption that has been condemned under that Act to charity and public agencies.
- H.R. 2209 To enable producers of soybeans to develop, finance, and carry out a nationally coordinated program for soybean promotion, research, and consumer information, and for other purposes.
- H.R. 2232 Entitled, "Disaster Assistance Act of 1989".
- H.R. 2565 To amend the Agricultural Act of 1949 to require the Secretary of Agriculture to exclude the malting barley price from the national weighted market price for barley in determining the payment rate used to calculate deficiency payments for the 1989 crop of barley, and to require the Secretary to establish the target price of barley for the 1990 crop based on all feed and food uses.
- H.R. 3048 To designate the Agricultural Research Service, U.S. Department of Agriculture, animal health research building in Clay Center, Nebraska, as the "Virginia D. Smith Animal Health Research Laboratory".
- H.R. 3071 To consolidate food inspection functions in the Department of Agriculture.
- H.R. 3164 To amend the Rural Electrification Act of 1936 to permit the prepayment and refinancing of Federal financing bank loans made to rural electrification and telephone systems.
- H.R. 3166 * To provide for the expenditure of appropriated funds in, and the provision of general economic development grants, loans, and loan guarantees to, rural counties on a per capita basis, to require rural areas experiencing substantial reduction in population to be treated as labor surplus areas, to facilitate rural development through the establishment of Rural Development Investment Zones, and to reorganize the Department of Agriculture and centralize responsibility for Federal rural development programs in a newly established Agency for Rural Development.
- H.R. 3382 To provide grants to aid rural business and job creation in rural areas, to provide grants for emergency water assistance projects, and for other purposes.
- H.R. 3508 To expand the inspection by the Secretary of Agriculture of the Nation's food supply to ensure the safety and wholesomeness of the Nation's supply of fish, shellfish, and other marine and freshwater aquatic food.
- H.R. 3552 To amend the Agricultural Act of 1949 to foster and encourage a sustainable agricultural system in the United States.
- H.J.Res. 271 Relating to responsible trade and conservation of tropical forest resources.
- H.Con.Res. 91 Expressing the sense of the Congress with regard to supporting increased donations of commodities for international hunger alleviation purposes through purchases of agricultural commodities from the United States and developing countries financed by the Government of Japan.

DORNAN, Robert K. of California

- H.R. 84 To prohibit certain practices in the raising of calves for veal, and for other purposes.
- H.R. 425 To amend the Animal Welfare Act with respect to the issuance of temporary restraining orders and injunctions in certain cases.
- H.R. 578 * To amend the Animal Welfare Act to prohibit dog racing and dog training involving the use of live animals as visual lures and to make such Act applicable to facilities that are used for dog racing or dog race training.
- H.R. 2881 To amend the Public Health Service Act to establish a program of block grants to the States for the purpose of consolidating Federal programs with respect to maternal and child health.

- H.R. 3223 To amend the Animal Welfare Act to protect animal research facilities, and for other purposes.
- H.J.Res. 57 Directing the Secretary of Agriculture to conduct a study of the effectiveness of current laws and regulations in protecting dogs and puppies bred and raised for sale to retail pet stores from inhumane treatment and premature shipment.

DOUGLAS, Chuck of New Hampshire

- H.R. 500 To encourage scientific research and development of technologies relating to recycling, and for other purposes.
- H.R. 1055 To restore balance among sources of supply for the Nation's sweetener needs, and for other purposes.

DOWNEY, Thomas J. of New York

- H.R. 500 To encourage scientific research and development of technologies relating to recycling, and for other purposes.
- H.R. 987 To amend the Alaska National Interest Lands Conservation Act, to designate certain lands in the Tongass National Forest as wilderness, and for other purposes.
- H.R. 1055 * To restore balance among sources of supply for the Nation's sweetener needs, and for other purposes.
- H.R. 1078 To establish national policies and support and encourage international agreements that implement energy and natural resource conservation strategies appropriate to preventing the overheating of the Earth's atmosphere, known as the "greenhouse effect".

DUNCAN, John J. Jr. of Tennessee

- H.R. 3270 Entitled, "The Farm Animal and Research Facilities Protection Act of 1989".

DURBIN, Richard J. of Illinois

- H.R. 371 To direct a study by the Secretary of Agriculture of the classification of anhydrous ammonia as a poisonous gas for purposes of the Hazardous Materials Transportation Act, and for other purposes.
- H.R. 768 To amend the United States Warehouse Act to specifically allow States to require grain elevators with Federal warehouse licenses to participate in State grain indemnity funds or to require collateral security.
- H.R. 987 To amend the Alaska National Interest Lands Conservation Act, to designate certain lands in the Tongass National Forest as wilderness, and for other purposes.
- H.R. 1387 To provide for the inspection of all commercial seafood destined for human consumption in the United States.
- H.R. 2386 To amend the Agriculture Act of 1949 to establish eligibility requirements for agricultural commodity price support programs with respect to the delivery of irrigation water.
- H.R. 2641 To remove aflatoxin contaminated corn in the 1988 or 1989 corn crop from the food chain, to provide indemnification to producers of such corn, and to assure foreign and domestic markets of U.S. corn a safe, high quality product.
- H.R. 3048 To designate the Agricultural Research Service, U.S. Department of Agriculture, animal health research building in Clay Center, Nebraska, as the "Virginia D. Smith Animal Health Research Laboratory".
- H.R. 3270 Entitled, "The Farm Animal and Research Facilities Protection Act of 1989".
- H.R. 3382 To provide grants to aid rural business and job creation in rural areas, to provide grants for emergency water assistance projects, and for other purposes.
- H.R. 3552 To amend the Agricultural Act of 1949 to foster and encourage a sustainable agricultural system in the United States.

AUTHOR INDEX

DURENBERGER, David of Minnesota

- S. 253 To establish a coordinated National Nutrition Monitoring and Related Research Program, and a comprehensive plan for the assessment of the nutritional and dietary status of the United States population and the nutritional quality of food consumed in the United States, with the provision for the conduct of scientific research and development in support of such program and plan.

DWYER, Bernard J. of New Jersey

- H.R. 37 To authorize the water resources research activities of the United States Geological Survey, and for other purposes.
H.R. 37 To authorize the water resources research activities of the United States Geological Survey, and for other purposes.
H.R. 84 To prohibit certain practices in the raising of calves for veal, and for other purposes.
H.R. 425 To amend the Animal Welfare Act with respect to the issuance of temporary restraining orders and injunctions in certain cases.
H.R. 500 To encourage scientific research and development of technologies relating to recycling, and for other purposes.
H.R. 987 To amend the Alaska National Interest Lands Conservation Act, to designate certain lands in the Tongass National Forest as wilderness, and for other purposes.
H.R. 1078 To establish national policies and support and encourage international agreements that implement energy and natural resource conservation strategies appropriate to preventing the overheating of the Earth's atmosphere, known as the "greenhouse effect".
H.R. 2734 To inaugurate a comprehensive program of environmental research, development, and demonstration relating to contamination and depletion of ground water and ground water resources; and to establish an Interagency Ground Water Research Committee to improve coordination among Federal agencies and provide assistance for implementation of State management programs.
H.R. 3099 To provide for the improved management of the nation's water resources.
H.R. 3143 To establish a national energy policy to reduce global warming, and for other purposes.
H.R. 3223 To amend the Animal Welfare Act to protect animal research facilities, and for other purposes.
H.R. 3307 To promote political democracy and economic pluralism in Poland and Hungary by assisting those nations during a critical period of transition and abetting the development in those nations of private business sectors, labor market reforms, and democratic institutions; to establish, through these steps, the framework for a composite program of support for East European Democracy; and for other purposes.

DYMALLY, Mervyn M. of California

- H.R. 425 To amend the Animal Welfare Act with respect to the issuance of temporary restraining orders and injunctions in certain cases.
H.R. 500 To encourage scientific research and development of technologies relating to recycling, and for other purposes.
H.R. 514 To establish labeling and advertising requirements for food or drink which are labeled "lite" or "light" or which make similar comparative claims to describe fat, sodium, or calorie content and for other purposes.
H.R. 677 To establish a coordinated National Nutrition Monitoring and Related Research Program, and a comprehensive plan for the assessment of the nutritional and dietary status of the United States population and the nutritional quality of food consumed in the United States, with the provision for the conduct of scientific research and development in support of such program and plan.
H.R. 987 To amend the Alaska National Interest Lands Conservation Act, to designate certain lands in the Tongass National Forest as wilderness, and for other purposes.
H.R. 1078 To establish national policies and support and encourage international agreements that implement energy and natural resource conservation strategies appropriate to preventing the overheating of the Earth's atmosphere, known as the "greenhouse effect".
H.R. 1387 To provide for the inspection of all commercial seafood destined for human consumption in the United States.

- H.R. 2134 To amend the Federal Meat Inspection Act to authorize the distribution of wholesome meat for human consumption that has been condemned under that Act to charity and public agencies.
H.R. 2213 To designate certain public lands in the State of Idaho as wilderness, and for other purposes.
H.R. 2228 To amend the Agricultural Act of 1949 to modify the operation of the price support program applicable to milk.
H.R. 2881 To amend the Public Health Service Act to establish a program of block grants to the States for the purpose of consolidating Federal programs with respect to maternal and child health.
H.R. 3099 To provide for the improved management of the nation's water resources.
H.R. 3143 To establish a national energy policy to reduce global warming, and for other purposes.

DYSON, Roy of Maryland

- H.R. 37 To authorize the water resources research activities of the United States Geological Survey, and for other purposes.
H.R. 37 To authorize the water resources research activities of the United States Geological Survey, and for other purposes.
H.R. 371 To direct a study by the Secretary of Agriculture of the classification of anhydrous ammonia as a poisonous gas for purposes of the Hazardous Materials Transportation Act, and for other purposes.
H.R. 500 To encourage scientific research and development of technologies relating to recycling, and for other purposes.
H.R. 1388 * To enhance the ability of the Federal Crop Insurance Corporation to encourage the sale of Federal crop insurance to producers of agricultural commodities, and for other purposes.
H.R. 1505 To provide financial assistance for the commercialization of agricultural research, and for other purposes.
H.R. 2042 To amend title V of the Agricultural Act of 1949 to allow producers to provide the appropriate county committees with actual yields for the 1989 and subsequent crop years.
H.R. 2209 To enable producers of soybeans to develop, finance, and carry out a nationally coordinated program for soybean promotion, research, and consumer information, and for other purposes.
H.R. 2232 Entitled, "Disaster Assistance Act of 1989".
H.R. 2467 Entitled the "1988 Disaster Assistance Extension Act".
H.R. 2869 To amend the Commodity Exchange Act to improve the regulation of futures and options traded under rules and regulations of the Commodity Futures Trading Commission, establish registration standards for all exchange floor traders, restrict practices which may lead to the abuse of outside customers of the marketplace, reinforce development of exchange audit trails to better enable the detection and prevention of such practices, establish higher standards for service on governing boards and disciplinary committees of self regulatory organizations, enhance the international regulation of futures trading, regularize the process of authorizing appropriations for the Commodity Futures Trading Commission, and for other purposes.
H.R. 3048 To designate the Agricultural Research Service, U.S. Department of Agriculture, animal health research building in Clay Center, Nebraska, as the "Virginia D. Smith Animal Health Research Laboratory".
H.R. 3164 To amend the Rural Electrification Act of 1936 to permit the prepayment and refinancing of Federal financing bank loans made to rural electrification and telephone systems.
H.R. 3270 Entitled, "The Farm Animal and Research Facilities Protection Act of 1989".
H.R. 3292 To amend the Federal Insecticide, Fungicide, and Rodenticide Act and the Federal Food, Drug, and Cosmetic Act, and for other purposes.
H.R. 3382 To provide grants to aid rural business and job creation in rural areas, to provide grants for emergency water assistance projects, and for other purposes.
H.R. 3768 To allow the Secretary of the U.S. Department of Agriculture or other appropriate official to protect persons engaged in a lawful hunt within a National Forest or on other lands affected with a Federal interest; establishing an administrative civil remedy against individuals or groups intentionally obstructing, impeding, or interfering with the conduct of a lawful hunt; and for other purposes.
H.R. 3829 * To amend the Food Security Act of 1985 to provide for the extension of the Conservation Reserve Program, and for other purposes.

AUTHOR INDEX

ECKART, Dennis E. of Ohio

- H.R. 37 To authorize the water resources research activities of the United States Geological Survey, and for other purposes.
- H.R. 37 To authorize the water resources research activities of the United States Geological Survey, and for other purposes.
- H.R. 47 To establish a national alternative agricultural products board, a national institute for alternative agricultural products, and an agricultural industrial materials corporation, and for other purposes.
- H.R. 987 To amend the Alaska National Interest Lands Conservation Act, to designate certain lands in the Tongass National Forest as wilderness, and for other purposes.
- H.R. 1367 To provide for the inspection of all commercial seafood destined for human consumption in the United States.
- H.R. 1388 To enhance the ability of the Federal Crop Insurance Corporation to encourage the sale of Federal crop insurance to producers of agricultural commodities, and for other purposes.
- H.R. 2228 To amend the Agricultural Act of 1949 to modify the operation of the price support program applicable to milk.
- H.R. 2386 To amend the Agriculture Act of 1949 to establish eligibility requirements for agricultural commodity price support programs with respect to the delivery of irrigation water.
- H.R. 2388 To expand home ownership opportunities for low- and moderate-income families in rural areas.
- H.R. 2406 To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 to strengthen the restraints upon clearcutting and certain other cutting practices in the National Forests of the United States.
- H.R. 3382 To provide grants to aid rural business and job creation in rural areas, to provide grants for emergency water assistance projects, and for other purposes.
- H.R. 3402 To promote political and economic democracy in Poland and Hungary as those countries develop and implement programs of comprehensive economic reform.
- H.R. 3662 * To amend the Securities Exchange Act of 1934, and for other purposes.

EDWARDS, Don of California

- H.R. 84 To prohibit certain practices in the raising of calves for veal, and for other purposes.
- H.R. 500 To encourage scientific research and development of technologies relating to recycling, and for other purposes.
- H.R. 987 To amend the Alaska National Interest Lands Conservation Act, to designate certain lands in the Tongass National Forest as wilderness, and for other purposes.
- H.R. 1078 To establish national policies and support and encourage international agreements that implement energy and natural resource conservation strategies appropriate to preventing the overheating of the Earth's atmosphere, known as the "greenhouse effect".
- H.R. 2213 To designate certain public lands in the State of Idaho as wilderness, and for other purposes.

EDWARDS, Mickey of Oklahoma

- H.R. 425 To amend the Animal Welfare Act with respect to the issuance of temporary restraining orders and injunctions in certain cases.

EMERSON, Bill of Missouri

- H.R. 47 To establish a national alternative agricultural products board, a national institute for alternative agricultural products, and an agricultural industrial materials corporation, and for other purposes.
- H.R. 371 To direct a study by the Secretary of Agriculture of the classification of anhydrous ammonia as a poisonous gas for purposes of the Hazardous Materials Transportation Act, and for other purposes.
- H.R. 802 Directing the Secretary of Agriculture to formulate proposals to reduce paperwork and recordkeeping required of agricultural producers, to study the feasibility of establishing an electronic system or network to facilitate such reduction, and for other purposes.

- H.R. 1608 To strengthen national nutrition monitoring by requiring the Secretary of Agriculture and the Secretary of Health and Human Services to prepare and implement a ten-year plan to assess the dietary and nutritional status of the United States population, to support research on, and development of, nutrition monitoring, to foster national nutrition education, to establish dietary guidelines, and for other purposes.
- H.R. 1729 To amend Federal laws to grant the same rights and privileges afforded to blind individuals who depend on seeing-eye dogs to other disabled individuals who depend on guide, hearing, or service dogs, or other animals, to assist them.
- H.R. 2042 To amend title V of the Agricultural Act of 1949 to allow producers to provide the appropriate county committees with actual yields for the 1989 and subsequent crop years.
- H.R. 2187 To enable producers of fresh mushrooms to develop, finance, and carry out a nationally coordinated program for fresh mushroom promotion, research, and consumer information, and for other purposes.
- H.R. 2209 To enable producers of soybeans to develop, finance, and carry out a nationally coordinated program for soybean promotion, research, and consumer information, and for other purposes.
- H.R. 2258 To minimize the impact of agricultural nitrogen on ground water and surface water quality by establishing a national task force on agricultural best management practices and to amend section 319 of the Clean Water Act.
- H.R. 2294 Directing the Secretary of Agriculture to provide an adjustment to permit flexibility in crop acreage bases.
- H.R. 2388 To expand home ownership opportunities for low- and moderate-income families in rural areas.
- H.R. 2408 To transfer certain programs within the Department of Agriculture to a newly established Rural Development Administration, and for other purposes.
- H.R. 2409 To establish an emergency community water assistance grant program for eligible communities adversely affected by the droughts of 1988 and 1989.
- H.R. 2411 To establish new loan rates applicable for loans made for health care and related facilities under section 307(a)(3) of the Consolidated Farm and Rural Development Act.
- H.R. 2412 To authorize the Secretary of Agriculture to establish and maintain a central receiving facility at the Department of Agriculture for the storage and retrieval of data relating to Federal rural development programs.
- H.R. 2467 Entitled the "1988 Disaster Assistance Extension Act".
- H.R. 2869 To amend the Commodity Exchange Act to improve the regulation of futures and options traded under rules and regulations of the Commodity Futures Trading Commission, establish registration standards for all exchange floor traders, restrict practices which may lead to the abuse of outside customers of the marketplace, reinforce development of exchange audit trails to better enable the detection and prevention of such practices, establish higher standards for service on governing boards and disciplinary committees of self regulatory organizations, enhance the international regulation of futures trading, regularize the process of authorizing appropriations for the Commodity Futures Trading Commission, and for other purposes.
- H.R. 2973 Amending the Food Security Act of 1985 to provide farm program payment fairness and equity to married couples when both the husband and the wife contribute active personal management or labor to the operation of a farm enterprise, and for other purposes.
- H.R. 3048 To designate the Agricultural Research Service, U.S. Department of Agriculture, animal health research building in Clay Center, Nebraska, as the "Virginia D. Smith Animal Health Research Laboratory".
- H.R. 3164 To amend the Rural Electrification Act of 1936 to permit the prepayment and refinancing of Federal financing bank loans made to rural electrification and telephone systems.
- H.R. 3270 Entitled, "The Farm Animal and Research Facilities Protection Act of 1989".
- H.R. 3292 To amend the Federal Insecticide, Fungicide, and Rodenticide Act and the Federal Food, Drug, and Cosmetic Act, and for other purposes.
- H.R. 3387 To provide for the establishment of a coordinated program of promotion and research designed to strengthen the position of the pecan industry in the marketplace, to maintain and expand foreign and domestic markets and uses for improved and native pecans and pecan products, and for other purposes.

AUTHOR INDEX

EMERSON, Bill of Missouri—Continued

- H.R. 3508** To expand the inspection by the Secretary of Agriculture of the Nation's food supply to ensure the safety and wholesomeness of the Nation's supply of fish, shellfish, and other marine and freshwater aquatic food.
- H.R. 3664** Entitled, "The Omnibus Agricultural Commodity Promotion and Research Act of 1989".
- H.Con.Res. 91** Expressing the sense of the Congress with regard to supporting increased donations of commodities for international hunger alleviation purposes through purchases of agricultural commodities from the United States and developing countries financed by the Government of Japan.
- H.Con.Res. 126** Urging the President to revoke Executive Order 12072, and thereby enabling the Secretary of Agriculture to properly select the location of federal facilities in compliance with the Rural Development Act of 1972.
- H.Con.Res. 140** Directing the appropriate committees of the Congress to give due consideration to the formulation and advancement of a comprehensive package of legislation dealing with the economic development needs of rural communities at the earliest possible date.

ENGEL, Eliot L. of New York

- H.R. 84** To prohibit certain practices in the raising of calves for veal, and for other purposes.
- H.R. 89** To improve the protection of endangered species of wildlife in units of the National Forest System, the national park system, and the National Wildlife Refuge System by increasing the maximum fine that may be imposed for violating posted speed limits in such units.
- H.R. 500** To encourage scientific research and development of technologies relating to recycling, and for other purposes.
- H.R. 1078** To establish national policies and support and encourage international agreements that implement energy and natural resource conservation strategies appropriate to preventing the overheating of the Earth's atmosphere, known as the "greenhouse effect".
- H.R. 2144** To improve forest management in urban areas and other communities, and for other purposes.
- H.R. 3292** To amend the Federal Insecticide, Fungicide, and Rodenticide Act and the Federal Food, Drug, and Cosmetic Act, and for other purposes.

ENGLISH, Glenn of Oklahoma

- H.R. 371** To direct a study by the Secretary of Agriculture of the classification of anhydrous ammonia as a poisonous gas for purposes of the Hazardous Materials Transportation Act, and for other purposes.
- H.R. 466** To reauthorize appropriations to carry out the Commodity Exchange Act.
- H.R. 1505** To provide financial assistance for the commercialization of agricultural research, and for other purposes.
- H.R. 2173 *** To extend disaster assistance to losses due to adverse weather conditions in 1988 or 1989 for those crops planted in 1988 for harvest in 1989.
- H.R. 2209** To enable producers of soybeans to develop, finance, and carry out a nationally coordinated program for soybean promotion, research, and consumer information, and for other purposes.
- H.R. 2232** Entitled, "Disaster Assistance Act of 1989".
- H.R. 2467** Entitled the "1988 Disaster Assistance Extension Act".
- H.R. 2469 *** To limit a previous owner's right of first refusal in the case of fraud or resale for sales of farm property by the Farmers Home Administration and the Farm Credit System.
- H.R. 2869 *** To amend the Commodity Exchange Act to improve the regulation of futures and options traded under rules and regulations of the Commodity Futures Trading Commission, establish registration standards for all exchange floor traders, restrict practices which may lead to the abuse of outside customers of the marketplace, reinforce development of exchange audit trails to better enable the detection and prevention of such practices, establish higher standards for service on governing boards and disciplinary committees of self regulatory organizations, enhance the international regulation of futures trading, regularize the process of authorizing appropriations for the Commodity Futures Trading Commission, and for other purposes.

- H.R. 3048** To designate the Agricultural Research Service, U.S. Department of Agriculture, animal health research building in Clay Center, Nebraska, as the "Virginia D. Smith Animal Health Research Laboratory".
- H.R. 3164** To amend the Rural Electrification Act of 1936 to permit the prepayment and refinancing of Federal financing bank loans made to rural electrification and telephone systems.
- H.R. 3270** Entitled, "The Farm Animal and Research Facilities Protection Act of 1989".
- H.R. 3292** To amend the Federal Insecticide, Fungicide, and Rodenticide Act and the Federal Food, Drug, and Cosmetic Act, and for other purposes.
- H.R. 3508** To expand the inspection by the Secretary of Agriculture of the Nation's food supply to ensure the safety and wholesomeness of the Nation's supply of fish, shellfish, and other marine and freshwater aquatic food.
- H.R. 3564** To amend the Rural Electrification Act of 1936 to make the Rural Electrification Administration and the Rural Telephone Bank more responsive to the needs of rural telephone subscribers, and to accelerate the provision of modern telecommunications technology to rural areas.
- H.R. 3581 *** Entitled, "The Rural Economic Development Act of 1989".

ERDREICH, Ben of Alabama

- H.R. 2144** To improve forest management in urban areas and other communities, and for other purposes.
- H.R. 3382** To provide grants to aid rural business and job creation in rural areas, to provide grants for emergency water assistance projects, and for other purposes.

ESPY, Mike of Mississippi

- H.R. 677** To establish a coordinated National Nutrition Monitoring and Related Research Program, and a comprehensive plan for the assessment of the nutritional and dietary status of the United States population and the nutritional quality of food consumed in the United States, with the provision for the conduct of scientific research and development in support of such program and plan.
- H.R. 2187** To enable producers of fresh mushrooms to develop, finance, and carry out a nationally coordinated program for fresh mushroom promotion, research, and consumer information, and for other purposes.
- H.R. 2209** To enable producers of soybeans to develop, finance, and carry out a nationally coordinated program for soybean promotion, research, and consumer information, and for other purposes.
- H.R. 2258** To minimize the impact of agricultural nitrogen on ground water and surface water quality by establishing a national task force on agricultural best management practices and to amend section 319 of the Clean Water Act.
- H.R. 2388** To expand home ownership opportunities for low- and moderate-income families in rural areas.
- H.R. 2799 *** To amend the Agricultural Act of 1949 to allow the planting of alternate crops on permitted acreage for the 1990 crop year.
- H.R. 2869** To amend the Commodity Exchange Act to improve the regulation of futures and options traded under rules and regulations of the Commodity Futures Trading Commission, establish registration standards for all exchange floor traders, restrict practices which may lead to the abuse of outside customers of the marketplace, reinforce development of exchange audit trails to better enable the detection and prevention of such practices, establish higher standards for service on governing boards and disciplinary committees of self regulatory organizations, enhance the international regulation of futures trading, regularize the process of authorizing appropriations for the Commodity Futures Trading Commission, and for other purposes.
- H.R. 2973** Amending the Food Security Act of 1985 to provide farm program payment fairness and equity to married couples when both the husband and the wife contribute active personal management or labor to the operation of a farm enterprise, and for other purposes.

AUTHOR INDEX

ESPY, Mike of Mississippi—Continued

- H.R. 3048** To designate the Agricultural Research Service, U.S. Department of Agriculture, animal health research building in Clay Center, Nebraska, as the "Virginia D. Smith Animal Health Research Laboratory".

- H.R. 3382** To provide grants to aid rural business and job creation in rural areas, to provide grants for emergency water assistance projects, and for other purposes.
- H.R. 3387** To provide for the establishment of a coordinated program of promotion and research designed to strengthen the position of the pecan industry in the marketplace, to maintain and expand foreign and domestic markets and uses for improved and native pecans and pecan products, and for other purposes.
- H.R. 3402** To promote political and economic democracy in Poland and Hungary as those countries develop and implement programs of comprehensive economic reform.
- H.R. 3508** To expand the inspection by the Secretary of Agriculture of the Nation's food supply to ensure the safety and wholesomeness of the Nation's supply of fish, shellfish, and other marine and freshwater aquatic food.
- H.R. 3519** To amend the Rural Development Act of 1972 to assist rural counties in developing a comprehensive plan for building a renewable community resource base, fostering youth leadership, increasing productivity over time, and becoming integrated into the global economy.
- H.R. 3530** To improve rural development in the United States.
- H.R. 3664** Entitled, "The Omnibus Agricultural Commodity Promotion and Research Act of 1989".
- H.R. 3768** To allow the Secretary of the U.S. Department of Agriculture or other appropriate official to protect persons engaged in a lawful hunt within a National Forest or on other lands affected with a Federal interest; establishing an administrative civil remedy against individuals or groups intentionally obstructing, impeding, or interfering with the conduct of a lawful hunt; and for other purposes.
- H.J.Res. 124** To recognize the 75th anniversary of the Smith-Lever Act of May 8, 1914, and its role in establishing our Nation's system of State Cooperative Extension Services.
- H.Con.Res. 91** Expressing the sense of the Congress with regard to supporting increased donations of commodities for international hunger alleviation purposes through purchases of agricultural commodities from the United States and developing countries financed by the Government of Japan.
- H.Con.Res. 140** Directing the appropriate committees of the Congress to give due consideration to the formulation and advancement of a comprehensive package of legislation dealing with the economic development needs of rural communities at the earliest possible date.

EVANS, Lane of Illinois

- H.R. 37** To authorize the water resources research activities of the United States Geological Survey, and for other purposes.
- H.R. 37** To authorize the water resources research activities of the United States Geological Survey, and for other purposes.
- H.R. 500** To encourage scientific research and development of technologies relating to recycling, and for other purposes.
- H.R. 514** To establish labeling and advertising requirements for food or drink which are labeled "lite" or "light" or which make similar comparative claims to describe fat, sodium, or calorie content and for other purposes.
- H.R. 987** To amend the Alaska National Interest Lands Conservation Act, to designate certain lands in the Tongass National Forest as wilderness, and for other purposes.
- H.R. 1078** To establish national policies and support and encourage international agreements that implement energy and natural resource conservation strategies appropriate to preventing the overheating of the Earth's atmosphere, known as the "greenhouse effect".

- H.R. 1246** To allow subsequent holders of certificates issued under section 107E of the Agricultural Act of 1949 to redeem such certificates in the same manner as original holders of such certificates.
- H.R. 1505** To provide financial assistance for the commercialization of agricultural research, and for other purposes.
- H.R. 2042** To amend title V of the Agricultural Act of 1949 to allow producers to provide the appropriate county committees with actual yields for the 1989 and subsequent crop years.
- H.R. 2386** To amend the Agriculture Act of 1949 to establish eligibility requirements for agricultural commodity price support programs with respect to the delivery of irrigation water.
- H.R. 2406** To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 to strengthen the restraints upon clearcutting and certain other cutting practices in the National Forests of the United States.
- H.R. 2467** Entitled the "1988 Disaster Assistance Extension Act".
- H.R. 2641** To remove aflatoxin contaminated corn in the 1988 or 1989 corn crop from the food chain, to provide indemnification to producers of such corn, and to assure foreign and domestic markets of U.S. corn a safe, high quality product.
- H.R. 3362** To establish a national policy of "no net loss of forests", to direct the President to work for a declaration of a State of Emergency for Global Forests, to establish forest protection and forest restoration programs as a national priority, to support a global forest resource survey, to create an Endangered Forests Research Initiative, and to initiate a joint United States-Japan effort for global forest restoration.
- H.R. 3382** To provide grants to aid rural business and job creation in rural areas, to provide grants for emergency water assistance projects, and for other purposes.
- H.R. 3552** To amend the Agricultural Act of 1949 to foster and encourage a sustainable agricultural system in the United States.

EXON, J. James of Nebraska

- S. 1036** To improve the economic, community, and educational well-being of rural America, and for other purposes.

FALEOMAVEGA, Eni F.H. of American Samoa

- H.R. 500** To encourage scientific research and development of technologies relating to recycling, and for other purposes.
- H.R. 2881** To amend the Public Health Service Act to establish a program of block grants to the States for the purpose of consolidating Federal programs with respect to maternal and child health.
- H.R. 3071** To consolidate food inspection functions in the Department of Agriculture.
- H.R. 3143** To establish a national energy policy to reduce global warming, and for other purposes.
- H.R. 3387** To provide for the establishment of a coordinated program of promotion and research designed to strengthen the position of the pecan industry in the marketplace, to maintain and expand foreign and domestic markets and uses for improved and native pecans and pecan products, and for other purposes.
- H.R. 3420** To provide further authority to the Secretary of Agriculture for international forestry cooperation, for tropical forestry cooperation in the South Pacific, and for other purposes.
- H.R. 3648** To help Puerto Rico and the Virgin Islands recover from devastation caused by Hurricane Hugo.
- H.Con.Res. 91** Expressing the sense of the Congress with regard to supporting increased donations of commodities for international hunger alleviation purposes through purchases of agricultural commodities from the United States and developing countries financed by the Government of Japan.

FASCELL, Dante B. of Florida

- H.R. 37** To authorize the water resources research activities of the United States Geological Survey, and for other purposes.
- H.R. 37** To authorize the water resources research activities of the United States Geological Survey, and for other purposes.

AUTHOR INDEX

FASCELL, Dante B. of Florida—Continued

- H.R. 89** To improve the protection of endangered species of wildlife in units of the National Forest System, the national park system, and the National Wildlife Refuge System by increasing the maximum fine that may be imposed for violating posted speed limits in such units.
- H.R. 500** To encourage scientific research and development of technologies relating to recycling, and for other purposes.
- H.R. 987** To amend the Alaska National Interest Lands Conservation Act, to designate certain lands in the Tongass National Forest as wilderness, and for other purposes.
- H.R. 1776 *** To provide for a nationally coordinated program of research, promotion, and consumer information regarding limes that is designed to expand domestic and foreign markets for limes.
- H.R. 2134** To amend the Federal Meat Inspection Act to authorize the distribution of wholesome meat for human consumption that has been condemned under that Act to charity and public agencies.
- H.R. 3402 *** To promote political and economic democracy in Poland and Hungary as those countries develop and implement programs of comprehensive economic reform.
- H.R. 3508** To expand the inspection by the Secretary of Agriculture of the Nation's food supply to ensure the safety and wholesomeness of the Nation's supply of fish, shellfish, and other marine and freshwater aquatic food.
- H.R. 3664** Entitled, "The Omnibus Agricultural Commodity Promotion and Research Act of 1989".

FAUNTROY, Walter E. of District of Columbia

- H.R. 84** To prohibit certain practices in the raising of calves for veal, and for other purposes.
- H.R. 425** To amend the Animal Welfare Act with respect to the issuance of temporary restraining orders and injunctions in certain cases.
- H.R. 500** To encourage scientific research and development of technologies relating to recycling, and for other purposes.
- H.R. 514** To establish labeling and advertising requirements for food or drink which are labeled "lite" or "light" or which make similar comparative claims to describe fat, sodium, or calorie content and for other purposes.
- H.R. 764** To amend the Agricultural Act of 1949 to allow producers to devote acreage conservation reserve acreage to water storage.
- H.R. 799** To authorize the Secretary of Agriculture to establish and carry out programs to eradicate the disease of scrapie in the sheep and goat populations of the United States and conduct research regarding scrapie.
- H.R. 1055** To restore balance among sources of supply for the Nation's sweetener needs, and for other purposes.
- H.R. 1078** To establish national policies and support and encourage international agreements that implement energy and natural resource conservation strategies appropriate to preventing the overheating of the Earth's atmosphere, known as the "greenhouse effect".
- H.R. 1387** To provide for the inspection of all commercial seafood destined for human consumption in the United States.
- H.R. 2134** To amend the Federal Meat Inspection Act to authorize the distribution of wholesome meat for human consumption that has been condemned under that Act to charity and public agencies.
- H.R. 2345** To amend section 19 of the Animal Welfare Act (7 U.S.C. 2149).
- H.R. 2386** To amend the Agriculture Act of 1949 to establish eligibility requirements for agricultural commodity price support programs with respect to the delivery of irrigation water.
- H.R. 2641** To remove aflatoxin contaminated corn in the 1988 or 1989 corn crop from the food chain, to provide indemnification to producers of such corn, and to assure foreign and domestic markets of U.S. corn a safe, high quality product.
- H.R. 2734** To inaugurate a comprehensive program of environmental research, development, and demonstration relating to contamination and depletion of ground water and ground water resources; and to establish an Interagency Ground Water Research Committee to improve coordination among Federal agencies and provide assistance for implementation of State management programs.
- H.R. 3223** To amend the Animal Welfare Act to protect animal research facilities, and for other purposes.

- H.R. 3387** To provide for the establishment of a coordinated program of promotion and research designed to strengthen the position of the pecan industry in the marketplace, to maintain and expand foreign and domestic markets and uses for improved and native pecans and pecan products, and for other purposes.
- H.J.Res. 124** To recognize the 75th anniversary of the Smith-Lever Act of May 8, 1914, and its role in establishing our Nation's system of State Cooperative Extension Services.
- H.Con.Res. 91** Expressing the sense of the Congress with regard to supporting increased donations of commodities for international hunger alleviation purposes through purchases of agricultural commodities from the United States and developing countries financed by the Government of Japan.

FAWELL, Harris W. of Illinois

- H.R. 500** To encourage scientific research and development of technologies relating to recycling, and for other purposes.
- H.R. 578** To amend the Animal Welfare Act to prohibit dog racing and dog training involving the use of live animals as visual lures and to make such Act applicable to facilities that are used for dog racing or dog race training.
- H.R. 987** To amend the Alaska National Interest Lands Conservation Act, to designate certain lands in the Tongass National Forest as wilderness, and for other purposes.
- H.R. 1055** To restore balance among sources of supply for the Nation's sweetener needs, and for other purposes.
- H.R. 1078** To establish national policies and support and encourage international agreements that implement energy and natural resource conservation strategies appropriate to preventing the overheating of the Earth's atmosphere, known as the "greenhouse effect".
- H.R. 2386** To amend the Agriculture Act of 1949 to establish eligibility requirements for agricultural commodity price support programs with respect to the delivery of irrigation water.
- H.R. 2734** To inaugurate a comprehensive program of environmental research, development, and demonstration relating to contamination and depletion of ground water and ground water resources; and to establish an Interagency Ground Water Research Committee to improve coordination among Federal agencies and provide assistance for implementation of State management programs.

FAZIO, Vic of California

- H.R. 37** To authorize the water resources research activities of the United States Geological Survey, and for other purposes.
- H.R. 37** To authorize the water resources research activities of the United States Geological Survey, and for other purposes.
- H.R. 500** To encourage scientific research and development of technologies relating to recycling, and for other purposes.
- H.R. 677** To establish a coordinated National Nutrition Monitoring and Related Research Program, and a comprehensive plan for the assessment of the nutritional and dietary status of the United States population and the nutritional quality of food consumed in the United States, with the provision for the conduct of scientific research and development in support of such program and plan.
- H.R. 1505** To provide financial assistance for the commercialization of agricultural research, and for other purposes.
- H.R. 3143** To establish a national energy policy to reduce global warming, and for other purposes.
- H.R. 3307** To promote political democracy and economic pluralism in Poland and Hungary by assisting those nations during a critical period of transition and abetting the development in those nations of private business sectors, labor market reforms, and democratic institutions; to establish, through these steps, the framework for a composite program of support for East European Democracy; and for other purposes.
- H.J.Res. 271** Relating to responsible trade and conservation of tropical forest resources.

AUTHOR INDEX

FEIGHAN, Edward F. of Ohio

- H.R. 84 To prohibit certain practices in the raising of calves for veal, and for other purposes.
- H.R. 578 To amend the Animal Welfare Act to prohibit dog racing and dog training involving the use of live animals as visual lures and to make such Act applicable to facilities that are used for dog racing or dog race training.
- H.R. 987 To amend the Alaska National Interest Lands Conservation Act, to designate certain lands in the Tongass National Forest as wilderness, and for other purposes.
- H.R. 1078 To establish national policies and support and encourage international agreements that implement energy and natural resource conservation strategies appropriate to preventing the overheating of the Earth's atmosphere, known as the "greenhouse effect".

FIELDS, Jack of Texas

- H.R. 3768 To allow the Secretary of the U.S. Department of Agriculture or other appropriate official to protect persons engaged in a lawful hunt within a National Forest or on other lands affected with a Federal interest; establishing an administrative civil remedy against individuals or groups intentionally obstructing, impeding, or interfering with the conduct of a lawful hunt; and for other purposes.

FISH, Hamilton Jr. of New York

- H.R. 37 To authorize the water resources research activities of the United States Geological Survey, and for other purposes.
- H.R. 37 To authorize the water resources research activities of the United States Geological Survey, and for other purposes.
- H.R. 84 To prohibit certain practices in the raising of calves for veal, and for other purposes.
- H.R. 89 To improve the protection of endangered species of wildlife in units of the National Forest System, the national park system, and the National Wildlife Refuge System by increasing the maximum fine that may be imposed for violating posted speed limits in such units.
- H.R. 500 To encourage scientific research and development of technologies relating to recycling, and for other purposes.

- H.R. 2144 To improve forest management in urban areas and other communities, and for other purposes.
- H.R. 2187 To enable producers of fresh mushrooms to develop, finance, and carry out a nationally coordinated program for fresh mushroom promotion, research, and consumer information, and for other purposes.
- H.R. 2228 To amend the Agricultural Act of 1949 to modify the operation of the price support program applicable to milk.
- H.R. 2386 * To amend the Agriculture Act of 1949 to establish eligibility requirements for agricultural commodity price support programs with respect to the delivery of irrigation water.
- H.R. 3099 To provide for the improved management of the nation's water resources.
- H.R. 3143 To establish a national energy policy to reduce global warming, and for other purposes.
- H.R. 3402 To promote political and economic democracy in Poland and Hungary as those countries develop and implement programs of comprehensive economic reform.

AUTHOR INDEX

GEKAS, George W. of Pennsylvania

- H.R. 371 To direct a study by the Secretary of Agriculture of the classification of anhydrous ammonia as a poisonous gas for purposes of the Hazardous Materials Transportation Act, and for other purposes.
- H.R. 500 To encourage scientific research and development of technologies relating to recycling, and for other purposes.
- H.R. 1055 To restore balance among sources of supply for the Nation's sweetener needs, and for other purposes.
- H.R. 1526 To amend the Food Security Act of 1985 with respect to wetlands, and for other purposes.
- H.R. 2228 To amend the Agricultural Act of 1949 to modify the operation of the price support program applicable to milk.
- H.R. 3530 To improve rural development in the United States.

GEPHARDT, Richard A. of Missouri

- H.R. 37 To authorize the water resources research activities of the United States Geological Survey, and for other purposes.
- H.R. 37 To authorize the water resources research activities of the United States Geological Survey, and for other purposes.
- H.R. 500 To encourage scientific research and development of technologies relating to recycling, and for other purposes.
- H.R. 3402 To promote political and economic democracy in Poland and Hungary as those countries develop and implement programs of comprehensive economic reform.

GEREN, Pete of Texas

- H.R. 3292 To amend the Federal Insecticide, Fungicide, and Rodenticide Act and the Federal Food, Drug, and Cosmetic Act, and for other purposes.

GIBBONS, Sam of Florida

- H.R. 84 To prohibit certain practices in the raising of calves for veal, and for other purposes.
- H.R. 425 To amend the Animal Welfare Act with respect to the issuance of temporary restraining orders and injunctions in certain cases.
- H.R. 500 To encourage scientific research and development of technologies relating to recycling, and for other purposes.
- H.R. 2345 To amend section 19 of the Animal Welfare Act (7 U.S.C. 2149).

GILLMOR, Paul E. of Ohio

- H.R. 371 To direct a study by the Secretary of Agriculture of the classification of anhydrous ammonia as a poisonous gas for purposes of the Hazardous Materials Transportation Act, and for other purposes.
- H.R. 1505 To provide financial assistance for the commercialization of agricultural research, and for other purposes.
- H.R. 2209 To enable producers of soybeans to develop, finance, and carry out a nationally coordinated program for soybean promotion, research, and consumer information, and for other purposes.
- H.R. 3164 To amend the Rural Electrification Act of 1936 to permit the prepayment and refinancing of Federal financing bank loans made to rural electrification and telephone systems.
- H.R. 3292 To amend the Federal Insecticide, Fungicide, and Rodenticide Act and the Federal Food, Drug, and Cosmetic Act, and for other purposes.
- H.J.Res. 124 To recognize the 75th anniversary of the Smith-Lever Act of May 8, 1914, and its role in establishing our Nation's system of State Cooperative Extension Services.

GILMAN, Benjamin A. of New York

- H.R. 500 To encourage scientific research and development of technologies relating to recycling, and for other purposes.

- H.R. 1078 To establish national policies and support and encourage international agreements that implement energy and natural resource conservation strategies appropriate to preventing the overheating of the Earth's atmosphere, known as the "greenhouse effect".
- H.R. 2134 To amend the Federal Meat Inspection Act to authorize the distribution of wholesome meat for human consumption that has been condemned under that Act to charity and public agencies.
- H.R. 2228 To amend the Agricultural Act of 1949 to modify the operation of the price support program applicable to milk.
- H.R. 3402 To promote political and economic democracy in Poland and Hungary as those countries develop and implement programs of comprehensive economic reform.
- H.R. 3530 To improve rural development in the United States.

GINGRICH, Newt of Georgia

- H.R. 987 To amend the Alaska National Interest Lands Conservation Act, to designate certain lands in the Tongass National Forest as wilderness, and for other purposes.
- H.R. 1055 To restore balance among sources of supply for the Nation's sweetener needs, and for other purposes.
- H.R. 1078 To establish national policies and support and encourage international agreements that implement energy and natural resource conservation strategies appropriate to preventing the overheating of the Earth's atmosphere, known as the "greenhouse effect".
- H.R. 2209 To enable producers of soybeans to develop, finance, and carry out a nationally coordinated program for soybean promotion, research, and consumer information, and for other purposes.

GLENN, John of Ohio

- S. 253 To establish a coordinated National Nutrition Monitoring and Related Research Program, and a comprehensive plan for the assessment of the nutritional and dietary status of the United States population and the nutritional quality of food consumed in the United States, with the provision for the conduct of scientific research and development in support of such program and plan.

GLICKMAN, Dan of Kansas

- H.R. 371 To direct a study by the Secretary of Agriculture of the classification of anhydrous ammonia as a poisonous gas for purposes of the Hazardous Materials Transportation Act, and for other purposes.
- H.R. 802 Directing the Secretary of Agriculture to formulate proposals to reduce paperwork and recordkeeping required of agricultural producers, to study the feasibility of establishing an electronic system or network to facilitate such reduction, and for other purposes.
- H.R. 987 To amend the Alaska National Interest Lands Conservation Act, to designate certain lands in the Tongass National Forest as wilderness, and for other purposes.
- H.R. 1078 To establish national policies and support and encourage international agreements that implement energy and natural resource conservation strategies appropriate to preventing the overheating of the Earth's atmosphere, known as the "greenhouse effect".
- H.R. 1387 To provide for the inspection of all commercial seafood destined for human consumption in the United States.
- H.R. 2042 To amend title V of the Agricultural Act of 1949 to allow producers to provide the appropriate county committees with actual yields for the 1989 and subsequent crop years.
- H.R. 2134 To amend the Federal Meat Inspection Act to authorize the distribution of wholesome meat for human consumption that has been condemned under that Act to charity and public agencies.
- H.R. 2209 * To enable producers of soybeans to develop, finance, and carry out a nationally coordinated program for soybean promotion, research, and consumer information, and for other purposes.
- H.R. 2232 * Entitled, "Disaster Assistance Act of 1989".
- H.R. 2258 To minimize the impact of agricultural nitrogen on ground water and surface water quality by establishing a national task force on agricultural best management practices and to amend section 319 of the Clean Water Act.
- H.R. 2467 Entitled the "1988 Disaster Assistance Extension Act".

AUTHOR INDEX

GLICKMAN, Dan of Kansas—Continued

- H.R. 2641** To remove aflatoxin contaminated corn in the 1988 or 1989 corn crop from the food chain, to provide indemnification to producers of such corn, and to assure foreign and domestic markets of U.S. corn a safe, high quality product.
- H.R. 2706 *** To amend the Food Security Act of 1985 to improve the program under which the Secretary of Agriculture may settle certain loans, and for other purposes.
- H.R. 2869** To amend the Commodity Exchange Act to improve the regulation of futures and options traded under rules and regulations of the Commodity Futures Trading Commission, establish registration standards for all exchange floor traders, restrict practices which may lead to the abuse of outside customers of the marketplace, reinforce development of exchange audit trails to better enable the detection and prevention of such practices, establish higher standards for service on governing boards and disciplinary committees of self regulatory organizations, enhance the international regulation of futures trading, regularize the process of authorizing appropriations for the Commodity Futures Trading Commission, and for other purposes.
- H.R. 3048** To designate the Agricultural Research Service, U.S. Department of Agriculture, animal health research building in Clay Center, Nebraska, as the "Virginia D. Smith Animal Health Research Laboratory".
- H.R. 3270** Entitled, "The Farm Animal and Research Facilities Protection Act of 1989".
- H.R. 3292** To amend the Federal Insecticide, Fungicide, and Rodenticide Act and the Federal Food, Drug, and Cosmetic Act, and for other purposes.
- H.R. 3369 *** To develop a comprehensive safety program in order to protect public health and to ensure the wholesomeness of all fish products intended for human consumption in the United States.
- H.R. 3402** To promote political and economic democracy in Poland and Hungary as those countries develop and implement programs of comprehensive economic reform.
- H.R. 3481 *** To develop a comprehensive safety program in order to protect public health and to ensure the wholesomeness of all fish products intended for human consumption in the United States.
- H.R. 3508** To expand the inspection by the Secretary of Agriculture of the Nation's food supply to ensure the safety and wholesomeness of the Nation's supply of fish, shellfish, and other marine and freshwater aquatic food.
- H.R. 3574** To provide for the coordination of ground water policy within the Department of Agriculture, and for other purposes.

GONZALEZ, Henry B. of Texas

- H.R. 37** To authorize the water resources research activities of the United States Geological Survey, and for other purposes.
- H.R. 37** To authorize the water resources research activities of the United States Geological Survey, and for other purposes.
- H.R. 3402** To promote political and economic democracy in Poland and Hungary as those countries develop and implement programs of comprehensive economic reform.

GOODLING, William F. of Pennsylvania

- H.R. 37** To authorize the water resources research activities of the United States Geological Survey, and for other purposes.
- H.R. 37** To authorize the water resources research activities of the United States Geological Survey, and for other purposes.
- H.R. 578** To amend the Animal Welfare Act to prohibit dog racing and dog training involving the use of live animals as visual lures and to make such Act applicable to facilities that are used for dog racing or dog race training.
- H.R. 1055** To restore balance among sources of supply for the Nation's sweetener needs, and for other purposes.
- H.R. 1526** To amend the Food Security Act of 1985 with respect to wetlands, and for other purposes.
- H.R. 1729 *** To amend Federal laws to grant the same rights and privileges afforded to blind individuals who depend on seeing-eye dogs to other disabled individuals who depend on guide, hearing, or service dogs, or other animals, to assist them.

- H.R. 2209** To enable producers of soybeans to develop, finance, and carry out a nationally coordinated program for soybean promotion, research, and consumer information, and for other purposes.
- H.R. 2386** To amend the Agriculture Act of 1949 to establish eligibility requirements for agricultural commodity price support programs with respect to the delivery of irrigation water.
- H.R. 3270** Entitled, "The Farm Animal and Research Facilities Protection Act of 1989".
- H.J.Res. 124** To recognize the 75th anniversary of the Smith-Lever Act of May 8, 1914, and its role in establishing our Nation's system of State Cooperative Extension Services.

GORDON, Bart of Tennessee

- H.R. 37** To authorize the water resources research activities of the United States Geological Survey, and for other purposes.
- H.R. 37** To authorize the water resources research activities of the United States Geological Survey, and for other purposes.
- H.R. 500** To encourage scientific research and development of technologies relating to recycling, and for other purposes.
- H.R. 514** To establish labeling and advertising requirements for food or drink which are labeled "lite" or "light" or which make similar comparative claims to describe fat, sodium, or calorie content and for other purposes.
- H.R. 987** To amend the Alaska National Interest Lands Conservation Act, to designate certain lands in the Tongass National Forest as wilderness, and for other purposes.
- H.R. 3270** Entitled, "The Farm Animal and Research Facilities Protection Act of 1989".
- H.R. 3382** To provide grants to aid rural business and job creation in rural areas, to provide grants for emergency water assistance projects, and for other purposes.

GORE, Albert Jr. of Tennessee

- S. 253** To establish a coordinated National Nutrition Monitoring and Related Research Program, and a comprehensive plan for the assessment of the nutritional and dietary status of the United States population and the nutritional quality of food consumed in the United States, with the provision for the conduct of scientific research and development in support of such program and plan.
- S. 1036** To improve the economic, community, and educational well-being of rural America, and for other purposes.
- S. 1610** To develop a program to determine potential impacts of climate on agriculture and forestry, to provide for the development of policies designed to address issues of potential climate change, with respect both to developing a capacity for agriculture and forestry to adapt to climate change, and to developing innovative ways to ameliorate climate change, and for other purposes.

GOSS, Porter J. of Florida

- H.R. 3402** To promote political and economic democracy in Poland and Hungary as those countries develop and implement programs of comprehensive economic reform.

GRADISON, Willis D. Jr. of Ohio

- H.R. 1055** To restore balance among sources of supply for the Nation's sweetener needs, and for other purposes.

AUTHOR INDEX

GRAHAM, Bob of Florida

- S. 253** To establish a coordinated National Nutrition Monitoring and Related Research Program, and a comprehensive plan for the assessment of the nutritional and dietary status of the United States population and the nutritional quality of food consumed in the United States, with the provision for the conduct of scientific research and development in support of such program and plan.

GRANDY, Fred of Iowa

- H.R. 371** To direct a study by the Secretary of Agriculture of the classification of anhydrous ammonia as a poisonous gas for purposes of the Hazardous Materials Transportation Act, and for other purposes.
- H.R. 799** To authorize the Secretary of Agriculture to establish and carry out programs to eradicate the disease of scrapie in the sheep and goat populations of the United States and conduct research regarding scrapie.
- H.R. 802** Directing the Secretary of Agriculture to formulate proposals to reduce paperwork and recordkeeping required of agricultural producers, to study the feasibility of establishing an electronic system or network to facilitate such reduction, and for other purposes.
- H.R. 2042** To amend title V of the Agricultural Act of 1949 to allow producers to provide the appropriate county committees with actual yields for the 1989 and subsequent crop years.
- H.R. 2134** To amend the Federal Meat Inspection Act to authorize the distribution of wholesome meat for human consumption that has been condemned under that Act to charity and public agencies.
- H.R. 2209** To enable producers of soybeans to develop, finance, and carry out a nationally coordinated program for soybean promotion, research, and consumer information, and for other purposes.
- H.R. 2258** To minimize the impact of agricultural nitrogen on ground water and surface water quality by establishing a national task force on agricultural best management practices and to amend section 319 of the Clean Water Act.
- H.R. 2388** To expand home ownership opportunities for low- and moderate-income families in rural areas.
- H.R. 2408** To transfer certain programs within the Department of Agriculture to a newly established Rural Development Administration, and for other purposes.
- H.R. 2409** To establish an emergency community water assistance grant program for eligible communities adversely affected by the droughts of 1988 and 1989.
- H.R. 2411** To establish new loan rates applicable for loans made for health care and related facilities under section 307(a)(3) of the Consolidated Farm and Rural Development Act.
- H.R. 2412** To authorize the Secretary of Agriculture to establish and maintain a central receiving facility at the Department of Agriculture for the storage and retrieval of data relating to Federal rural development programs.
- H.R. 2467** Entitled the "1988 Disaster Assistance Extension Act".
- H.R. 2641** To remove aflatoxin contaminated corn in the 1988 or 1989 corn crop from the food chain, to provide indemnification to producers of such corn, and to assure foreign and domestic markets of U.S. corn a safe, high quality product.
- H.R. 2869** To amend the Commodity Exchange Act to improve the regulation of futures and options traded under rules and regulations of the Commodity Futures Trading Commission, establish registration standards for all exchange floor traders, restrict practices which may lead to the abuse of outside customers of the marketplace, reinforce development of exchange audit trails to better enable the detection and prevention of such practices, establish higher standards for service on governing boards and disciplinary committees of self regulatory organizations, enhance the international regulation of futures trading, regularize the process of authorizing appropriations for the Commodity Futures Trading Commission, and for other purposes.
- H.R. 3048** To designate the Agricultural Research Service, U.S. Department of Agriculture, animal health research building in Clay Center, Nebraska, as the "Virginia D. Smith Animal Health Research Laboratory".
- H.R. 3270** Entitled, "The Farm Animal and Research Facilities Protection Act of 1989".
- H.R. 3292** To amend the Federal Insecticide, Fungicide, and Rodenticide Act and the Federal Food, Drug, and Cosmetic Act, and for other purposes.

- H.R. 3382** To provide grants to aid rural business and job creation in rural areas, to provide grants for emergency water assistance projects, and for other purposes.
- H.R. 3574 *** To provide for the coordination of ground water policy within the Department of Agriculture, and for other purposes.
- H.Con.Res. 126** Urging the President to revoke Executive Order 12072, and thereby enabling the Secretary of Agriculture to properly select the location of federal facilities in compliance with the Rural Development Act of 1972.

GRANT, Bill of Florida

- H.R. 1064 *** To amend the Animal Welfare Act to prohibit greyhound racing and greyhound race training unless any visual lures used in such racing or training are of artificial or mechanical construction and to make such Act applicable to facilities that are used for greyhound racing or greyhound race training.
- H.R. 2187** To enable producers of fresh mushrooms to develop, finance, and carry out a nationally coordinated program for fresh mushroom promotion, research, and consumer information, and for other purposes.
- H.R. 2209** To enable producers of soybeans to develop, finance, and carry out a nationally coordinated program for soybean promotion, research, and consumer information, and for other purposes.
- H.R. 2408** To transfer certain programs within the Department of Agriculture to a newly established Rural Development Administration, and for other purposes.
- H.R. 2409** To establish an emergency community water assistance grant program for eligible communities adversely affected by the droughts of 1988 and 1989.
- H.R. 2411** To establish new loan rates applicable for loans made for health care and related facilities under section 307(a)(3) of the Consolidated Farm and Rural Development Act.
- H.R. 2412** To authorize the Secretary of Agriculture to establish and maintain a central receiving facility at the Department of Agriculture for the storage and retrieval of data relating to Federal rural development programs.
- H.R. 2467** Entitled the "1988 Disaster Assistance Extension Act".
- H.R. 3048** To designate the Agricultural Research Service, U.S. Department of Agriculture, animal health research building in Clay Center, Nebraska, as the "Virginia D. Smith Animal Health Research Laboratory".
- H.R. 3270** Entitled, "The Farm Animal and Research Facilities Protection Act of 1989".
- H.R. 3292** To amend the Federal Insecticide, Fungicide, and Rodenticide Act and the Federal Food, Drug, and Cosmetic Act, and for other purposes.
- H.R. 3382** To provide grants to aid rural business and job creation in rural areas, to provide grants for emergency water assistance projects, and for other purposes.
- H.R. 3387** To provide for the establishment of a coordinated program of promotion and research designed to strengthen the position of the pecan industry in the marketplace, to maintain and expand foreign and domestic markets and uses for improved and native pecans and pecan products, and for other purposes.
- H.R. 3768** To allow the Secretary of the U.S. Department of Agriculture or other appropriate official to protect persons engaged in a lawful hunt within a National Forest or on other lands affected with a Federal interest; establishing an administrative civil remedy against individuals or groups intentionally obstructing, impeding, or interfering with the conduct of a lawful hunt; and for other purposes.
- H.Con.Res. 126** Urging the President to revoke Executive Order 12072, and thereby enabling the Secretary of Agriculture to properly select the location of federal facilities in compliance with the Rural Development Act of 1972.

GRASSLEY, Charles E. of Iowa

- S. 1036** To improve the economic, community, and educational well-being of rural America, and for other purposes.

AUTHOR INDEX

GRAY, William H. III of Pennsylvania

- H.R. 1078 To establish national policies and support and encourage international agreements that implement energy and natural resource conservation strategies appropriate to preventing the overheating of the Earth's atmosphere, known as the "greenhouse effect".

GREEN, Bill of New York

- H.R. 987 To amend the Alaska National Interest Lands Conservation Act, to designate certain lands in the Tongass National Forest as wilderness, and for other purposes.
H.R. 1055 To restore balance among sources of supply for the Nation's sweetener needs, and for other purposes.
H.R. 2386 To amend the Agriculture Act of 1949 to establish eligibility requirements for agricultural commodity price support programs with respect to the delivery of irrigation water.

GUARINI, Frank J. of New Jersey

- H.R. 84 To prohibit certain practices in the raising of calves for veal, and for other purposes.
H.R. 425 To amend the Animal Welfare Act with respect to the issuance of temporary restraining orders and injunctions in certain cases.
H.R. 987 To amend the Alaska National Interest Lands Conservation Act, to designate certain lands in the Tongass National Forest as wilderness, and for other purposes.
H.R. 1055 To restore balance among sources of supply for the Nation's sweetener needs, and for other purposes.
H.R. 3402 To promote political and economic democracy in Poland and Hungary as those countries develop and implement programs of comprehensive economic reform.
H.R. 3648 To help Puerto Rico and the Virgin Islands recover from devastation caused by Hurricane Hugo.

GUNDERSON, Steve of Wisconsin

- H.R. 371 To direct a study by the Secretary of Agriculture of the classification of anhydrous ammonia as a poisonous gas for purposes of the Hazardous Materials Transportation Act, and for other purposes.
H.R. 501 To repeal the minimum adjustments to prices of fluid milk under Federal marketing orders and to establish basing points in various geographical areas of the United States for purposes of determining prices to be paid to milk producers under such orders.
H.R. 1645 To permit timber sales and related activities on National Forest System lands during a 5-year period of study of the status of the Northern Spotted Owl, and for other purposes.
H.R. 2209 To enable producers of soybeans to develop, finance, and carry out a nationally coordinated program for soybean promotion, research, and consumer information, and for other purposes.
H.R. 2228 To amend the Agricultural Act of 1949 to modify the operation of the price support program applicable to milk.
H.R. 2257 To amend the Potato Research and Promotion Act to provide improved methods of assessment that will finance a more effective marketing research and promotion program and provide for a more effective consumer information program designed to expand markets for potatoes.
H.R. 2258 To minimize the impact of agricultural nitrogen on ground water and surface water quality by establishing a national task force on agricultural best management practices and to amend section 319 of the Clean Water Act.
H.R. 2294 Directing the Secretary of Agriculture to provide an adjustment to permit flexibility in crop acreage bases.
H.R. 2388 To expand home ownership opportunities for low- and moderate-income families in rural areas.
H.R. 2408 To transfer certain programs within the Department of Agriculture to a newly established Rural Development Administration, and for other purposes.
H.R. 2409 To establish an emergency community water assistance grant program for eligible communities adversely affected by the droughts of 1988 and 1989.

- H.R. 2411 To establish new loan rates applicable for loans made for health care and related facilities under section 307(a)(3) of the Consolidated Farm and Rural Development Act.
H.R. 2412 To authorize the Secretary of Agriculture to establish and maintain a central receiving facility at the Department of Agriculture for the storage and retrieval of data relating to Federal rural development programs.
H.R. 2467 Entitled the "1988 Disaster Assistance Extension Act".
H.R. 3048 To designate the Agricultural Research Service, U.S. Department of Agriculture, animal health research building in Clay Center, Nebraska, as the "Virginia D. Smith Animal Health Research Laboratory".
H.R. 3071 To consolidate food inspection functions in the Department of Agriculture.
H.R. 3132 To amend the Food Security Act of 1985 to require the Secretary of Agriculture to use multiyear set-asides to establish wildlife habitats and feeding areas.
H.R. 3270 Entitled, "The Farm Animal and Research Facilities Protection Act of 1989".
H.R. 3292 To amend the Federal Insecticide, Fungicide, and Rodenticide Act and the Federal Food, Drug, and Cosmetic Act, and for other purposes.
H.R. 3402 To promote political and economic democracy in Poland and Hungary as those countries develop and implement programs of comprehensive economic reform.
H.R. 3581 Entitled, "The Rural Economic Development Act of 1989".
H.Con.Res. 126 Urging the President to revoke Executive Order 12072, and thereby enabling the Secretary of Agriculture to properly select the location of federal facilities in compliance with the Rural Development Act of 1972.

HALL, Ralph M. of Texas

- H.R. 2209 To enable producers of soybeans to develop, finance, and carry out a nationally coordinated program for soybean promotion, research, and consumer information, and for other purposes.
H.R. 2258 To minimize the impact of agricultural nitrogen on ground water and surface water quality by establishing a national task force on agricultural best management practices and to amend section 319 of the Clean Water Act.
H.R. 3382 To provide grants to aid rural business and job creation in rural areas, to provide grants for emergency water assistance projects, and for other purposes.

HALL, Tony P. of Ohio

- H.R. 2134 To amend the Federal Meat Inspection Act to authorize the distribution of wholesome meat for human consumption that has been condemned under that Act to charity and public agencies.

HAMILTON, Lee H. of Indiana

- H.R. 37 To authorize the water resources research activities of the United States Geological Survey, and for other purposes.
H.R. 37 To authorize the water resources research activities of the United States Geological Survey, and for other purposes.
H.R. 47 To establish a national alternative agricultural products board, a national institute for alternative agricultural products, and an agricultural industrial materials corporation, and for other purposes.
H.R. 2209 To enable producers of soybeans to develop, finance, and carry out a nationally coordinated program for soybean promotion, research, and consumer information, and for other purposes.
H.R. 2386 To amend the Agriculture Act of 1949 to establish eligibility requirements for agricultural commodity price support programs with respect to the delivery of irrigation water.
H.R. 2734 To inaugurate a comprehensive program of environmental research, development, and demonstration relating to contamination and depletion of ground water and ground water resources; and to establish an Interagency Ground Water Research Committee to improve coordination among Federal agencies and provide assistance for implementation of State management programs.

AUTHOR INDEX

HAMILTON, Lee H. of Indiana—Continued

- H.R. 3164** To amend the Rural Electrification Act of 1936 to permit the prepayment and refinancing of Federal financing bank loans made to rural electrification and telephone systems.
- H.R. 3482** To promote political and economic democracy in Poland and Hungary as those countries develop and implement programs of comprehensive economic reform.
- H.R. 3552** To amend the Agricultural Act of 1949 to foster and encourage a sustainable agricultural system in the United States.
- H.Con.Res. 140** Directing the appropriate committees of the Congress to give due consideration to the formulation and advancement of a comprehensive package of legislation dealing with the economic development needs of rural communities at the earliest possible date.

HAMMERSCHMIDT, John Paul of Arkansas

- H.R. 37** To authorize the water resources research activities of the United States Geological Survey, and for other purposes.
- H.R. 37** To authorize the water resources research activities of the United States Geological Survey, and for other purposes.
- H.R. 764** To amend the Agricultural Act of 1949 to allow producers to devote acreage conservation reserve acreage to water storage.
- H.R. 1055** To restore balance among sources of supply for the Nation's sweetener needs, and for other purposes.
- H.R. 2209** To enable producers of soybeans to develop, finance, and carry out a nationally coordinated program for soybean promotion, research, and consumer information, and for other purposes.
- H.R. 2258** To minimize the impact of agricultural nitrogen on ground water and surface water quality by establishing a national task force on agricultural best management practices and to amend section 319 of the Clean Water Act.
- H.R. 3164** To amend the Rural Electrification Act of 1936 to permit the prepayment and refinancing of Federal financing bank loans made to rural electrification and telephone systems.
- H.R. 3270** Entitled, "The Farm Animal and Research Facilities Protection Act of 1989".
- H.R. 3382** To provide grants to aid rural business and job creation in rural areas, to provide grants for emergency water assistance projects, and for other purposes.

HANCOCK, Mel of Missouri

- H.R. 2209** To enable producers of soybeans to develop, finance, and carry out a nationally coordinated program for soybean promotion, research, and consumer information, and for other purposes.
- H.R. 3270** Entitled, "The Farm Animal and Research Facilities Protection Act of 1989".
- H.R. 3768** To allow the Secretary of the U.S. Department of Agriculture or other appropriate official to protect persons engaged in a lawful hunt within a National Forest or on other lands affected with a Federal interest; establishing an administrative civil remedy against individuals or groups intentionally obstructing, impeding, or interfering with the conduct of a lawful hunt; and for other purposes.
- H.J.Res. 124** To recognize the 75th anniversary of the Smith-Lever Act of May 8, 1914, and its role in establishing our Nation's system of State Cooperative Extension Services.

HANSEN, James V. of Utah

- H.R. 1501 *** To designate certain public lands in the State of Utah as wilderness, and for other purposes.
- H.R. 3617** To transfer jurisdiction of certain public lands in the State of Utah to the Forest Service, and for other purposes.
- H.R. 3768** To allow the Secretary of the U.S. Department of Agriculture or other appropriate official to protect persons engaged in a lawful hunt within a National Forest or on other lands affected with a Federal interest; establishing an administrative civil remedy against individuals or groups intentionally obstructing, impeding, or interfering with the conduct of a lawful hunt; and for other purposes.

HARKIN, Tom of Iowa

- S. 253** To establish a coordinated National Nutrition Monitoring and Related Research Program, and a comprehensive plan for the assessment of the nutritional and dietary status of the United States population and the nutritional quality of food consumed in the United States, with the provision for the conduct of scientific research and development in support of such program and plan.
- S. 553** To provide for more balance in the stocks of dairy products purchased by the Commodity Credit Corporation.
- S. 1036** To improve the economic, community, and educational well-being of rural America, and for other purposes.
- S. 1610** To develop a program to determine potential impacts of climate on agriculture and forestry, to provide for the development of policies designed to address issues of potential climate change, with respect both to developing a capacity for agriculture and forestry to adapt to climate change, and to developing innovative ways to ameliorate climate change, and for other purposes.

HARRIS, Claude of Alabama

- H.R. 37** To authorize the water resources research activities of the United States Geological Survey, and for other purposes.
- H.R. 37** To authorize the water resources research activities of the United States Geological Survey, and for other purposes.
- H.R. 47** To establish a national alternative agricultural products board, a national institute for alternative agricultural products, and an agricultural industrial materials corporation, and for other purposes.
- H.R. 500** To encourage scientific research and development of technologies relating to recycling, and for other purposes.
- H.R. 802** Directing the Secretary of Agriculture to formulate proposals to reduce paperwork and recordkeeping required of agricultural producers, to study the feasibility of establishing an electronic system or network to facilitate such reduction, and for other purposes.
- H.R. 2209** To enable producers of soybeans to develop, finance, and carry out a nationally coordinated program for soybean promotion, research, and consumer information, and for other purposes.
- H.R. 2388** To expand home ownership opportunities for low- and moderate-income families in rural areas.
- H.R. 2869** To amend the Commodity Exchange Act to improve the regulation of futures and options traded under rules and regulations of the Commodity Futures Trading Commission, establish registration standards for all exchange floor traders, restrict practices which may lead to the abuse of outside customers of the marketplace, reinforce development of exchange audit trails to better enable the detection and prevention of such practices, establish higher standards for service on governing boards and disciplinary committees of self regulatory organizations, enhance the international regulation of futures trading, regularize the process of authorizing appropriations for the Commodity Futures Trading Commission, and for other purposes.
- H.R. 2973** Amending the Food Security Act of 1985 to provide farm program payment fairness and equity to married couples when both the husband and the wife contribute active personal management or labor to the operation of a farm enterprise, and for other purposes.
- H.R. 3048** To designate the Agricultural Research Service, U.S. Department of Agriculture, animal health research building in Clay Center, Nebraska, as the "Virginia D. Smith Animal Health Research Laboratory".
- H.R. 3164** To amend the Rural Electrification Act of 1936 to permit the prepayment and refinancing of Federal financing bank loans made to rural electrification and telephone systems.
- H.R. 3270** Entitled, "The Farm Animal and Research Facilities Protection Act of 1989".
- H.R. 3292** To amend the Federal Insecticide, Fungicide, and Rodenticide Act and the Federal Food, Drug, and Cosmetic Act, and for other purposes.
- H.R. 3382** To provide grants to aid rural business and job creation in rural areas, to provide grants for emergency water assistance projects, and for other purposes.

AUTHOR INDEX

HARRIS, Claude of Alabama—Continued

- H.R. 3387** To provide for the establishment of a coordinated program of promotion and research designed to strengthen the position of the pecan industry in the marketplace, to maintain and expand foreign and domestic markets and uses for improved and native pecans and pecan products, and for other purposes.
- H.R. 3768** To allow the Secretary of the U.S. Department of Agriculture or other appropriate official to protect persons engaged in a lawful hunt within a National Forest or on other lands affected with a Federal interest; establishing an administrative civil remedy against individuals or groups intentionally obstructing, impeding, or interfering with the conduct of a lawful hunt; and for other purposes.

HASTERT, J. Dennis of Illinois

- H.R. 37** To authorize the water resources research activities of the United States Geological Survey, and for other purposes.
- H.R. 37** To authorize the water resources research activities of the United States Geological Survey, and for other purposes.
- H.R. 371** To direct a study by the Secretary of Agriculture of the classification of anhydrous ammonia as a poisonous gas for purposes of the Hazardous Materials Transportation Act, and for other purposes.
- H.R. 2881** To amend the Public Health Service Act to establish a program of block grants to the States for the purpose of consolidating Federal programs with respect to maternal and child health.

HATCHER, Charles of Georgia

- H.R. 514** To establish labeling and advertising requirements for food or drink which are labeled "lite" or "light" or which make similar comparative claims to describe fat, sodium, or calorie content and for other purposes.
- H.R. 1505** To provide financial assistance for the commercialization of agricultural research, and for other purposes.
- H.R. 1541** To amend the Agricultural Act of 1949 with respect to the wheat and feed grains programs, and for other purposes.
- H.R. 1608** To strengthen national nutrition monitoring by requiring the Secretary of Agriculture and the Secretary of Health and Human Services to prepare and implement a ten-year plan to assess the dietary and nutritional status of the United States population, to support research on, and development of, nutrition monitoring, to foster national nutrition education, to establish dietary guidelines, and for other purposes.
- H.R. 2042** To amend title V of the Agricultural Act of 1949 to allow producers to provide the appropriate county committees with actual yields for the 1989 and subsequent crop years.
- H.R. 2187** To enable producers of fresh mushrooms to develop, finance, and carry out a nationally coordinated program for fresh mushroom promotion, research, and consumer information, and for other purposes.
- H.R. 2209** To enable producers of soybeans to develop, finance, and carry out a nationally coordinated program for soybean promotion, research, and consumer information, and for other purposes.
- H.R. 2257** To amend the Potato Research and Promotion Act to provide improved methods of assessment that will finance a more effective marketing research and promotion program and provide for a more effective consumer information program designed to expand markets for potatoes.
- H.R. 2258** To minimize the impact of agricultural nitrogen on ground water and surface water quality by establishing a national task force on agricultural best management practices and to amend section 319 of the Clean Water Act.
- H.R. 2388** To expand home ownership opportunities for low- and moderate-income families in rural areas.
- H.R. 2467** Entitled the "1988 Disaster Assistance Extension Act".

- H.R. 2869** To amend the Commodity Exchange Act to improve the regulation of futures and options traded under rules and regulations of the Commodity Futures Trading Commission, establish registration standards for all exchange floor traders, restrict practices which may lead to the abuse of outside customers of the marketplace, reinforce development of exchange audit trails to better enable the detection and prevention of such practices, establish higher standards for service on governing boards and disciplinary committees of self regulatory organizations, enhance the international regulation of futures trading, regularize the process of authorizing appropriations for the Commodity Futures Trading Commission, and for other purposes.
- H.R. 3048** To designate the Agricultural Research Service, U.S. Department of Agriculture, animal health research building in Clay Center, Nebraska, as the "Virginia D. Smith Animal Health Research Laboratory".
- H.R. 3164** To amend the Rural Electrification Act of 1936 to permit the prepayment and refinancing of Federal financing bank loans made to rural electrification and telephone systems.
- H.R. 3270** Entitled, "The Farm Animal and Research Facilities Protection Act of 1989".
- H.R. 3292** To amend the Federal Insecticide, Fungicide, and Rodenticide Act and the Federal Food, Drug, and Cosmetic Act, and for other purposes.
- H.R. 338*** To provide grants to aid rural business and job creation in rural areas, to provide grants for emergency water assistance projects, and for other purposes.
- H.R. 3387*** To provide for the establishment of a coordinated program of promotion and research designed to strengthen the position of the pecan industry in the marketplace, to maintain and expand foreign and domestic markets and uses for improved and native pecans and pecan products, and for other purposes.
- H.R. 3508** To expand the inspection by the Secretary of Agriculture of the Nation's food supply to ensure the safety and wholesomeness of the Nation's supply of fish, shellfish, and other marine and freshwater aquatic food.
- H.R. 3664*** Entitled, "The Omnibus Agricultural Commodity Promotion and Research Act of 1989".
- H.R. 3768** To allow the Secretary of the U.S. Department of Agriculture or other appropriate official to protect persons engaged in a lawful hunt within a National Forest or on other lands affected with a Federal interest; establishing an administrative civil remedy against individuals or groups intentionally obstructing, impeding, or interfering with the conduct of a lawful hunt; and for other purposes.
- H.J.Res. 124** To recognize the 75th anniversary of the Smith-Lever Act of May 8, 1914, and its role in establishing our Nation's system of State Cooperative Extension Services.
- H.Con.Res. 140** Directing the appropriate committees of the Congress to give due consideration to the formulation and advancement of a comprehensive package of legislation dealing with the economic development needs of rural communities at the earliest possible date.

HAWKINS, Augustus F. of California

- H.R. 84** To prohibit certain practices in the raising of calves for veal, and for other purposes.
- H.R. 500** To encourage scientific research and development of technologies relating to recycling, and for other purposes.
- H.R. 1078** To establish national policies and support and encourage international agreements that implement energy and natural resource conservation strategies appropriate to preventing the overheating of the Earth's atmosphere, known as the "greenhouse effect".
- H.R. 3402** To promote political and economic democracy in Poland and Hungary as those countries develop and implement programs of comprehensive economic reform.

HAYES, Charles A. of Illinois

- H.R. 84** To prohibit certain practices in the raising of calves for veal, and for other purposes.
- H.R. 500** To encourage scientific research and development of technologies relating to recycling, and for other purposes.

AUTHOR INDEX

HAYES, Charles A. of Illinois—Continued

- H.R. 987** To amend the Alaska National Interest Lands Conservation Act, to designate certain lands in the Tongass National Forest as wilderness, and for other purposes.
- H.R. 1078** To establish national policies and support and encourage international agreements that implement energy and natural resource conservation strategies appropriate to preventing the overheating of the Earth's atmosphere, known as the "greenhouse effect".
- H.R. 2345** To amend section 19 of the Animal Welfare Act (7 U.S.C. 2149).
- H.R. 2386** To amend the Agriculture Act of 1949 to establish eligibility requirements for agricultural commodity price support programs with respect to the delivery of irrigation water.
- H.R. 2766** To amend the Animal Welfare Act to include mice, rats, and birds within the definition of animals protected under the Act.
- H.R. 3382** To provide grants to aid rural business and job creation in rural areas, to provide grants for emergency water assistance projects, and for other purposes.

HAYES, James A. of Louisiana

- H.R. 37** To authorize the water resources research activities of the United States Geological Survey, and for other purposes.
- H.R. 37** To authorize the water resources research activities of the United States Geological Survey, and for other purposes.
- H.R. 987** To amend the Alaska National Interest Lands Conservation Act, to designate certain lands in the Tongass National Forest as wilderness, and for other purposes.
- H.R. 2209** To enable producers of soybeans to develop, finance, and carry out a nationally coordinated program for soybean promotion, research, and consumer information, and for other purposes.
- H.R. 3270** Entitled, "The Farm Animal and Research Facilities Protection Act of 1989".
- H.R. 3382** To provide grants to aid rural business and job creation in rural areas, to provide grants for emergency water assistance projects, and for other purposes.
- H.R. 3387** To provide for the establishment of a coordinated program of promotion and research designed to strengthen the position of the pecan industry in the marketplace, to maintain and expand foreign and domestic markets and uses for improved and native pecans and pecan products, and for other purposes.
- H.R. 3680 *** To amend the Consolidated Farm and Rural Development Act to prohibit the Secretary of Agriculture from making or enforcing any rule requiring all borrowers under such Act to demonstrate a positive cash flow, without taking into account the individual characteristics of borrowers.
- H.Con.Res. 91** Expressing the sense of the Congress with regard to supporting increased donations of commodities for international hunger alleviation purposes through purchases of agricultural commodities from the United States and developing countries financed by the Government of Japan.

HEFLIN, Howell of Alabama

- S. 1036** To improve the economic, community, and educational well-being of rural America, and for other purposes.

HEFNER, W. G. (Bill) of North Carolina

- H.R. 500** To encourage scientific research and development of technologies relating to recycling, and for other purposes.
- H.R. 1078** To establish national policies and support and encourage international agreements that implement energy and natural resource conservation strategies appropriate to preventing the overheating of the Earth's atmosphere, known as the "greenhouse effect".
- H.R. 3164** To amend the Rural Electrification Act of 1936 to permit the prepayment and refinancing of Federal financing bank loans made to rural electrification and telephone systems.
- H.R. 3382** To provide grants to aid rural business and job creation in rural areas, to provide grants for emergency water assistance projects, and for other purposes.

- H.J.Res. 124** To recognize the 75th anniversary of the Smith-Lever Act of May 8, 1914, and its role in establishing our Nation's system of State Cooperative Extension Services.

HEINZ, John of Pennsylvania

- S. 253** To establish a coordinated National Nutrition Monitoring and Related Research Program, and a comprehensive plan for the assessment of the nutritional and dietary status of the United States population and the nutritional quality of food consumed in the United States, with the provision for the conduct of scientific research and development in support of such program and plan.
- S. 1610** To develop a program to determine potential impacts of climate on agriculture and forestry, to provide for the development of policies designed to address issues of potential climate change, with respect both to developing a capacity for agriculture and forestry to adapt to climate change, and to developing innovative ways to ameliorate climate change, and for other purposes.

HENRY, Paul B. of Michigan

- H.R. 37** To authorize the water resources research activities of the United States Geological Survey, and for other purposes.
- H.R. 37** To authorize the water resources research activities of the United States Geological Survey, and for other purposes.
- H.R. 500** To encourage scientific research and development of technologies relating to recycling, and for other purposes.
- H.R. 501** To repeal the minimum adjustments to prices of fluid milk under Federal marketing orders and to establish basing points in various geographical areas of the United States for purposes of determining prices to be paid to milk producers under such orders.
- H.R. 677** To establish a coordinated National Nutrition Monitoring and Related Research Program, and a comprehensive plan for the assessment of the nutritional and dietary status of the United States population and the nutritional quality of food consumed in the United States, with the provision for the conduct of scientific research and development in support of such program and plan.
- H.R. 987** To amend the Alaska National Interest Lands Conservation Act, to designate certain lands in the Tongass National Forest as wilderness, and for other purposes.
- H.R. 1450** To amend the Perishable Agricultural Commodities Act, 1930, to require commission merchants, dealers, and brokers to label perishable agricultural commodities with the name of the country of origin of such commodities.
- H.R. 1472** To establish the Grand Island National Recreation Area in the State of Michigan, and for other purposes.
- H.R. 2134** To amend the Federal Meat Inspection Act to authorize the distribution of wholesome meat for human consumption that has been condemned under that Act to charity and public agencies.
- H.R. 2257** To amend the Potato Research and Promotion Act to provide improved methods of assessment that will finance a more effective marketing research and promotion program and provide for a more effective consumer information program designed to expand markets for potatoes.
- H.R. 2386** To amend the Agriculture Act of 1949 to establish eligibility requirements for agricultural commodity price support programs with respect to the delivery of irrigation water.
- H.R. 2734** To inaugurate a comprehensive program of environmental research, development, and demonstration relating to contamination and depletion of ground water and ground water resources; and to establish an Interagency Ground Water Research Committee to improve coordination among Federal agencies and provide assistance for implementation of State management programs.
- H.J.Res. 124** To recognize the 75th anniversary of the Smith-Lever Act of May 8, 1914, and its role in establishing our Nation's system of State Cooperative Extension Services.

AUTHOR INDEX

HERGER, Wally of California

- H.R. 47** To establish a national alternative agricultural products board, a national institute for alternative agricultural products, and an agricultural industrial materials corporation, and for other purposes.
- H.R. 829** To make permanent the authority provided under the Temporary Emergency Wildfire Suppression Act.
- H.R. 1011 *** To provide for the establishment of the National Commission on Natural Resources Disasters, to provide for increased planning and cooperation with local firefighting forces in the event of forest fires, and for other purposes.
- H.R. 1526** To amend the Food Security Act of 1985 with respect to wetlands, and for other purposes.
- H.R. 1645** To permit timber sales and related activities on National Forest System lands during a 5-year period of study of the status of the Northern Spotted Owl, and for other purposes.
- H.R. 2026** To amend the Agricultural Adjustment Act to prohibit the importation of kiwifruit, peaches, pears, nectarines, and plums that do not comply with any grade, size, quality, and maturity provisions of a marketing order applicable under such Act to the respective kind of fruit produced in the United States or with comparable restrictions promulgated under such Act.
- H.R. 2134** To amend the Federal Meat Inspection Act to authorize the distribution of wholesome meat for human consumption that has been condemned under that Act to charity and public agencies.
- H.R. 2209** To enable producers of soybeans to develop, finance, and carry out a nationally coordinated program for soybean promotion, research, and consumer information, and for other purposes.
- H.R. 2258** To minimize the impact of agricultural nitrogen on ground water and surface water quality by establishing a national task force on agricultural best management practices and to amend section 319 of the Clean Water Act.
- H.R. 3048** To designate the Agricultural Research Service, U.S. Department of Agriculture, animal health research building in Clay Center, Nebraska, as the "Virginia D. Smith Animal Health Research Laboratory".
- H.R. 3112 *** To expedite salvage and sanitation harvesting of timber stands located on National Forest System lands.
- H.R. 3270** Entitled, "The Farm Animal and Research Facilities Protection Act of 1989".
- H.R. 3292** To amend the Federal Insecticide, Fungicide, and Rodenticide Act and the Federal Food, Drug, and Cosmetic Act, and for other purposes.
- H.R. 3589** To amend the Disaster Assistance Act of 1989 to provide assistance to agricultural producers suffering from earthquakes.
- H.R. 3768** To allow the Secretary of the U.S. Department of Agriculture or other appropriate official to protect persons engaged in a lawful hunt within a National Forest or on other lands affected with a Federal interest; establishing an administrative civil remedy against individuals or groups intentionally obstructing, impeding, or interfering with the conduct of a lawful hunt; and for other purposes.
- H.Con.Res. 91** Expressing the sense of the Congress with regard to supporting increased donations of commodities for international hunger alleviation purposes through purchases of agricultural commodities from the United States and developing countries financed by the Government of Japan.

HERTEL, Dennis M. of Michigan

- H.R. 1472** To establish the Grand Island National Recreation Area in the State of Michigan, and for other purposes.
- H.R. 2144** To improve forest management in urban areas and other communities, and for other purposes.
- H.R. 2734** To inaugurate a comprehensive program of environmental research, development, and demonstration relating to contamination and depletion of ground water and ground water resources; and to establish an Interagency Ground Water Research Committee to improve coordination among Federal agencies and provide assistance for implementation of State management programs.
- H.R. 3402** To promote political and economic democracy in Poland and Hungary as those countries develop and implement programs of comprehensive economic reform.
- H.J.Res. 124** To recognize the 75th anniversary of the Smith-Lever Act of May 8, 1914, and its role in establishing our Nation's system of State Cooperative Extension Services.

HILER, John of Indiana

- H.R. 371** To direct a study by the Secretary of Agriculture of the classification of anhydrous ammonia as a poisonous gas for purposes of the Hazardous Materials Transportation Act, and for other purposes.
- H.R. 2209** To enable producers of soybeans to develop, finance, and carry out a nationally coordinated program for soybean promotion, research, and consumer information, and for other purposes.
- H.J.Res. 124** To recognize the 75th anniversary of the Smith-Lever Act of May 8, 1914, and its role in establishing our Nation's system of State Cooperative Extension Services.

HOAGLAND, Peter of Nebraska

- H.R. 2209** To enable producers of soybeans to develop, finance, and carry out a nationally coordinated program for soybean promotion, research, and consumer information, and for other purposes.
- H.R. 2416 *** To direct the Secretary of Agriculture to construct an outlet ditch to the Missouri River in Burt County, Nebraska.
- H.R. 2706** To amend the Food Security Act of 1985 to improve the program under which the Secretary of Agriculture may settle certain loans, and for other purposes.
- H.R. 3048** To designate the Agricultural Research Service, U.S. Department of Agriculture, animal health research building in Clay Center, Nebraska, as the "Virginia D. Smith Animal Health Research Laboratory".

HOCHBRUECKNER, George J. of New York

- H.R. 37** To authorize the water resources research activities of the United States Geological Survey, and for other purposes.
- H.R. 37** To authorize the water resources research activities of the United States Geological Survey, and for other purposes.
- H.R. 84** To prohibit certain practices in the raising of calves for veal, and for other purposes.
- H.R. 500 *** To encourage scientific research and development of technologies relating to recycling, and for other purposes.
- H.R. 987** To amend the Alaska National Interest Lands Conservation Act, to designate certain lands in the Tongass National Forest as wilderness, and for other purposes.
- H.R. 1055** To restore balance among sources of supply for the Nation's sweetener needs, and for other purposes.
- H.R. 1078** To establish national policies and support and encourage international agreements that implement energy and natural resource conservation strategies appropriate to preventing the overheating of the Earth's atmosphere, known as the "greenhouse effect".
- H.R. 2734** To inaugurate a comprehensive program of environmental research, development, and demonstration relating to contamination and depletion of ground water and ground water resources; and to establish an Interagency Ground Water Research Committee to improve coordination among Federal agencies and provide assistance for implementation of State management programs.
- H.R. 3099** To provide for the improved management of the nation's water resources.
- H.R. 3362** To establish a national policy of "no net loss of forests", to direct the President to work for a declaration of a State of Emergency for Global Forests, to establish forest protection and forest restoration programs as a national priority, to support a global forest resource survey, to create an Endangered Forests Research Initiative, and to initiate a joint United States-Japan effort for global forest restoration.

HOLLINGS, Ernest F. of South Carolina

- S. 253** To establish a coordinated National Nutrition Monitoring and Related Research Program, and a comprehensive plan for the assessment of the nutritional and dietary status of the United States population and the nutritional quality of food consumed in the United States, with the provision for the conduct of scientific research and development in support of such program and plan.

AUTHOR INDEX

HOLLOWAY, Clyde C. of Louisiana

- H.R. 1011** To provide for the establishment of the National Commission on Natural Resources Disasters, to provide for increased planning and cooperation with local firefighting forces in the event of forest fires, and for other purposes.
- H.R. 3048** To designate the Agricultural Research Service, U.S. Department of Agriculture, animal health research building in Clay Center, Nebraska, as the "Virginia D. Smith Animal Health Research Laboratory".
- H.R. 3270** Entitled, "The Farm Animal and Research Facilities Protection Act of 1989".
- H.R. 3292** To amend the Federal Insecticide, Fungicide, and Rodenticide Act and the Federal Food, Drug, and Cosmetic Act, and for other purposes.
- H.R. 3387** To provide for the establishment of a coordinated program of promotion and research designed to strengthen the position of the pecan industry in the marketplace, to maintain and expand foreign and domestic markets and uses for improved and native pecans and pecan products, and for other purposes.
- H.R. 3768** To allow the Secretary of the U.S. Department of Agriculture or other appropriate official to protect persons engaged in a lawful hunt within a National Forest or on other lands affected with a Federal interest; establishing an administrative civil remedy against individuals or groups intentionally obstructing, impeding, or interfering with the conduct of a lawful hunt; and for other purposes.
- H.J.Res. 124** To recognize the 75th anniversary of the Smith-Lever Act of May 8, 1914, and its role in establishing our Nation's system of State Cooperative Extension Services.
- H.Con.Res. 91** Expressing the sense of the Congress with regard to supporting increased donations of commodities for international hunger alleviation purposes through purchases of agricultural commodities from the United States and developing countries financed by the Government of Japan.

HOPKINS, Larry J. of Kentucky

- H.R. 1608** To strengthen national nutrition monitoring by requiring the Secretary of Agriculture and the Secretary of Health and Human Services to prepare and implement a ten-year plan to assess the dietary and nutritional status of the United States population, to support research on, and development of, nutrition monitoring, to foster national nutrition education, to establish dietary guidelines, and for other purposes.
- H.R. 2209** To enable producers of soybeans to develop, finance, and carry out a nationally coordinated program for soybean promotion, research, and consumer information, and for other purposes.
- H.R. 3048** To designate the Agricultural Research Service, U.S. Department of Agriculture, animal health research building in Clay Center, Nebraska, as the "Virginia D. Smith Animal Health Research Laboratory".
- H.R. 3292** To amend the Federal Insecticide, Fungicide, and Rodenticide Act and the Federal Food, Drug, and Cosmetic Act, and for other purposes.
- H.R. 3382** To provide grants to aid rural business and job creation in rural areas, to provide grants for emergency water assistance projects, and for other purposes.

HORTON, Frank of New York

- H.R. 371** To direct a study by the Secretary of Agriculture of the classification of anhydrous ammonia as a poisonous gas for purposes of the Hazardous Materials Transportation Act, and for other purposes.
- H.R. 500** To encourage scientific research and development of technologies relating to recycling, and for other purposes.
- H.R. 578** To amend the Animal Welfare Act to prohibit dog racing and dog training involving the use of live animals as visual lures and to make such Act applicable to facilities that are used for dog racing or dog race training.
- H.R. 768** To amend the United States Warehouse Act to specifically allow States to require grain elevators with Federal warehouse licenses to participate in State grain indemnity funds or to require collateral security.

- H.R. 1078** To establish national policies and support and encourage international agreements that implement energy and natural resource conservation strategies appropriate to preventing the overheating of the Earth's atmosphere, known as the "greenhouse effect".
- H.R. 1729** To amend Federal laws to grant the same rights and privileges afforded to blind individuals who depend on seeing-eye dogs to other disabled individuals who depend on guide, hearing, or service dogs, or other animals, to assist them.
- H.R. 2228** To amend the Agricultural Act of 1949 to modify the operation of the price support program applicable to milk.
- H.R. 2386** To amend the Agriculture Act of 1949 to establish eligibility requirements for agricultural commodity price support programs with respect to the delivery of irrigation water.
- H.R. 2388** To expand home ownership opportunities for low- and moderate-income families in rural areas.
- H.R. 2734** To inaugurate a comprehensive program of environmental research, development, and demonstration relating to contamination and depletion of ground water and ground water resources; and to establish an Interagency Ground Water Research Committee to improve coordination among Federal agencies and provide assistance for implementation of State management programs.
- H.R. 3387** To provide for the establishment of a coordinated program of promotion and research designed to strengthen the position of the pecan industry in the marketplace, to maintain and expand foreign and domestic markets and uses for improved and native pecans and pecan products, and for other purposes.
- H.J.Res. 124** To recognize the 75th anniversary of the Smith-Lever Act of May 8, 1914, and its role in establishing our Nation's system of State Cooperative Extension Services.
- H.J.Res. 271** Relating to responsible trade and conservation of tropical forest resources.

HOUGHTON, Amo Jr. of New York

- H.R. 500** To encourage scientific research and development of technologies relating to recycling, and for other purposes.
- H.R. 987** To amend the Alaska National Interest Lands Conservation Act, to designate certain lands in the Tongass National Forest as wilderness, and for other purposes.
- H.R. 1078** To establish national policies and support and encourage international agreements that implement energy and natural resource conservation strategies appropriate to preventing the overheating of the Earth's atmosphere, known as the "greenhouse effect".
- H.R. 2228** To amend the Agricultural Act of 1949 to modify the operation of the price support program applicable to milk.
- H.R. 2408** To transfer certain programs within the Department of Agriculture to a newly established Rural Development Administration, and for other purposes.
- H.R. 2409** To establish an emergency community water assistance grant program for eligible communities adversely affected by the droughts of 1988 and 1989.
- H.R. 2411** To establish new loan rates applicable for loans made for health care and related facilities under section 307(a)(3) of the Consolidated Farm and Rural Development Act.
- H.R. 2412** To authorize the Secretary of Agriculture to establish and maintain a central receiving facility at the Department of Agriculture for the storage and retrieval of data relating to Federal rural development programs.
- H.R. 3402** To promote political and economic democracy in Poland and Hungary as those countries develop and implement programs of comprehensive economic reform.
- H.R. 3530** To improve rural development in the United States.
- H.Con.Res. 126** Urging the President to revoke Executive Order 12072, and thereby enabling the Secretary of Agriculture to properly select the location of federal facilities in compliance with the Rural Development Act of 1972.

HOYER, Steny H. of Maryland

- H.R. 1388** To enhance the ability of the Federal Crop Insurance Corporation to encourage the sale of Federal crop insurance to producers of agricultural commodities, and for other purposes.

AUTHOR INDEX

HOYER, Steny H. of Maryland—Continued

- H.R. 3402** To promote political and economic democracy in Poland and Hungary as those countries develop and implement programs of comprehensive economic reform.

HUBBARD, Carroll Jr. of Kentucky

- H.R. 677** To establish a coordinated National Nutrition Monitoring and Related Research Program, and a comprehensive plan for the assessment of the nutritional and dietary status of the United States population and the nutritional quality of food consumed in the United States, with the provision for the conduct of scientific research and development in support of such program and plan.
- H.R. 2144** To improve forest management in urban areas and other communities, and for other purposes.
- H.R. 2209** To enable producers of soybeans to develop, finance, and carry out a nationally coordinated program for soybean promotion, research, and consumer information, and for other purposes.
- H.R. 2388** To expand home ownership opportunities for low- and moderate-income families in rural areas.
- H.R. 3382** To provide grants to aid rural business and job creation in rural areas, to provide grants for emergency water assistance projects, and for other purposes.

HUCKABY, Jerry of Louisiana

- H.R. 2042** To amend title V of the Agricultural Act of 1949 to allow producers to provide the appropriate county committees with actual yields for the 1989 and subsequent crop years.
- H.R. 2209** To enable producers of soybeans to develop, finance, and carry out a nationally coordinated program for soybean promotion, research, and consumer information, and for other purposes.
- H.R. 2258** To minimize the impact of agricultural nitrogen on ground water and surface water quality by establishing a national task force on agricultural best management practices and to amend section 319 of the Clean Water Act.
- H.R. 2467** Entitled the "1988 Disaster Assistance Extension Act".
- H.R. 2869** To amend the Commodity Exchange Act to improve the regulation of futures and options traded under rules and regulations of the Commodity Futures Trading Commission, establish registration standards for all exchange floor traders, restrict practices which may lead to the abuse of outside customers of the marketplace, reinforce development of exchange audit trails to better enable the detection and prevention of such practices, establish higher standards for service on governing boards and disciplinary committees of self regulatory organizations, enhance the international regulation of futures trading, regularize the process of authorizing appropriations for the Commodity Futures Trading Commission, and for other purposes.
- H.R. 3048** To designate the Agricultural Research Service, U.S. Department of Agriculture, animal health research building in Clay Center, Nebraska, as the "Virginia D. Smith Animal Health Research Laboratory".
- H.R. 3164** To amend the Rural Electrification Act of 1936 to permit the prepayment and refinancing of Federal financing bank loans made to rural electrification and telephone systems.
- H.R. 3270** Entitled, "The Farm Animal and Research Facilities Protection Act of 1989".
- H.R. 3292** To amend the Federal Insecticide, Fungicide, and Rodenticide Act and the Federal Food, Drug, and Cosmetic Act, and for other purposes.
- H.R. 3382** To provide grants to aid rural business and job creation in rural areas, to provide grants for emergency water assistance projects, and for other purposes.
- H.R. 3387** To provide for the establishment of a coordinated program of promotion and research designed to strengthen the position of the pecan industry in the marketplace, to maintain and expand foreign and domestic markets and uses for improved and native pecans and pecan products, and for other purposes.
- H.R. 3508** To expand the inspection by the Secretary of Agriculture of the Nation's food supply to ensure the safety and wholesomeness of the Nation's supply of fish, shellfish, and other marine and freshwater aquatic food.

HUGHES, William J. of New Jersey

- H.R. 37** To authorize the water resources research activities of the United States Geological Survey, and for other purposes.
- H.R. 37** To authorize the water resources research activities of the United States Geological Survey, and for other purposes.
- H.R. 425** To amend the Animal Welfare Act with respect to the issuance of temporary restraining orders and injunctions in certain cases.
- H.R. 500** To encourage scientific research and development of technologies relating to recycling, and for other purposes.
- H.R. 987** To amend the Alaska National Interest Lands Conservation Act, to designate certain lands in the Tongass National Forest as wilderness, and for other purposes.
- H.R. 1078** To establish national policies and support and encourage international agreements that implement energy and natural resource conservation strategies appropriate to preventing the overheating of the Earth's atmosphere, known as the "greenhouse effect".
- H.R. 2134** To amend the Federal Meat Inspection Act to authorize the distribution of wholesome meat for human consumption that has been condemned under that Act to charity and public agencies.
- H.R. 2209** To enable producers of soybeans to develop, finance, and carry out a nationally coordinated program for soybean promotion, research, and consumer information, and for other purposes.
- H.R. 2386** To amend the Agriculture Act of 1949 to establish eligibility requirements for agricultural commodity price support programs with respect to the delivery of irrigation water.
- H.R. 2734** To inaugurate a comprehensive program of environmental research, development, and demonstration relating to contamination and depletion of ground water and ground water resources; and to establish an Interagency Ground Water Research Committee to improve coordination among Federal agencies and provide assistance for implementation of State management programs.
- H.R. 3508** To expand the inspection by the Secretary of Agriculture of the Nation's food supply to ensure the safety and wholesomeness of the Nation's supply of fish, shellfish, and other marine and freshwater aquatic food.
- H.R. 3530** To improve rural development in the United States.
- H.Con.Res. 91** Expressing the sense of the Congress with regard to supporting increased donations of commodities for international hunger alleviation purposes through purchases of agricultural commodities from the United States and developing countries financed by the Government of Japan.

HUNTER, Duncan of California

- H.R. 1078** To establish national policies and support and encourage international agreements that implement energy and natural resource conservation strategies appropriate to preventing the overheating of the Earth's atmosphere, known as the "greenhouse effect".
- H.R. 1232** To amend the Rural Electrification Act of 1936.
- H.R. 3768** To allow the Secretary of the U.S. Department of Agriculture or other appropriate official to protect persons engaged in a lawful hunt within a National Forest or on other lands affected with a Federal interest; establishing an administrative civil remedy against individuals or groups intentionally obstructing, impeding, or interfering with the conduct of a lawful hunt; and for other purposes.

HUTTO, Earl of Florida

- H.R. 1776** To provide for a nationally coordinated program of research, promotion, and consumer information regarding limes that is designed to expand domestic and foreign markets for limes.
- H.R. 2209** To enable producers of soybeans to develop, finance, and carry out a nationally coordinated program for soybean promotion, research, and consumer information, and for other purposes.
- H.R. 2790** To authorize the Secretary of the Interior to study certain lands for potential inclusion in the national park system, the national wild and scenic rivers system, or the national forest system, and for other purposes.

AUTHOR INDEX

HUTTO, Earl of Florida—Continued

- H.R. 3270** Entitled, "The Farm Animal and Research Facilities Protection Act of 1989".
H.R. 3382 To provide grants to aid rural business and job creation in rural areas, to provide grants for emergency water assistance projects, and for other purposes.

HYDE, Henry J. of Illinois

- H.R. 500** To encourage scientific research and development of technologies relating to recycling, and for other purposes.
H.R. 1232 To amend the Rural Electrification Act of 1936.
H.R. 1450 To amend the Perishable Agricultural Commodities Act, 1930, to require commission merchants, dealers, and brokers to label perishable agricultural commodities with the name of the country of origin of such commodities.
H.R. 1729 To amend Federal laws to grant the same rights and privileges afforded to blind individuals who depend on seeing-eye dogs to other disabled individuals who depend on guide, hearing, or service dogs, or other animals, to assist them.
H.R. 2881 To amend the Public Health Service Act to establish a program of block grants to the States for the purpose of consolidating Federal programs with respect to maternal and child health.
H.R. 3402 To promote political and economic democracy in Poland and Hungary as those countries develop and implement programs of comprehensive economic reform.
H.Con.Res. 91 Expressing the sense of the Congress with regard to supporting increased donations of commodities for international hunger alleviation purposes through purchases of agricultural commodities from the United States and developing countries financed by the Government of Japan.

INHOFE, James M. of Oklahoma

- H.R. 3270** Entitled, "The Farm Animal and Research Facilities Protection Act of 1989".
H.J.Res. 124 To recognize the 75th anniversary of the Smith-Lever Act of May 8, 1914, and its role in establishing our Nation's system of State Cooperative Extension Services.

IRELAND, Andy of Florida

- H.R. 987** To amend the Alaska National Interest Lands Conservation Act, to designate certain lands in the Tongass National Forest as wilderness, and for other purposes.
H.R. 1776 To provide for a nationally coordinated program of research, promotion, and consumer information regarding limes that is designed to expand domestic and foreign markets for limes.
H.R. 2209 To enable producers of soybeans to develop, finance, and carry out a nationally coordinated program for soybean promotion, research, and consumer information, and for other purposes.

JACOBS, Andrew Jr. of Indiana

- H.R. 84** To prohibit certain practices in the raising of calves for veal, and for other purposes.
H.R. 425 To amend the Animal Welfare Act with respect to the issuance of temporary restraining orders and injunctions in certain cases.
H.R. 578 To amend the Animal Welfare Act to prohibit dog racing and dog training involving the use of live animals as visual lures and to make such Act applicable to facilities that are used for dog racing or dog race training.
H.R. 987 To amend the Alaska National Interest Lands Conservation Act, to designate certain lands in the Tongass National Forest as wilderness, and for other purposes.
H.R. 1729 To amend Federal laws to grant the same rights and privileges afforded to blind individuals who depend on seeing-eye dogs to other disabled individuals who depend on guide, hearing, or service dogs, or other animals, to assist them.

- H.R. 2209** To enable producers of soybeans to develop, finance, and carry out a nationally coordinated program for soybean promotion, research, and consumer information, and for other purposes.
H.R. 2345 To amend section 19 of the Animal Welfare Act (7 U.S.C. 2149).
H.R. 2766 To amend the Animal Welfare Act to include mice, rats, and birds within the definition of animals protected under the Act.
H.R. 3164 To amend the Rural Electrification Act of 1936 to permit the prepayment and refinancing of Federal financing bank loans made to rural electrification and telephone systems.
H.Con.Res. 4 * Condemning the use of rapid decompression as a method of animal euthanasia.

JAMES, Craig T. of Florida

- H.R. 1776** To provide for a nationally coordinated program of research, promotion, and consumer information regarding limes that is designed to expand domestic and foreign markets for limes.
H.R. 2881 To amend the Public Health Service Act to establish a program of block grants to the States for the purpose of consolidating Federal programs with respect to maternal and child health.
H.R. 3292 To amend the Federal Insecticide, Fungicide, and Rodenticide Act and the Federal Food, Drug, and Cosmetic Act, and for other purposes.

JEFFORDS, Jim of Vermont

- S. 1610** To develop a program to determine potential impacts of climate on agriculture and forestry, to provide for the development of policies designed to address issues of potential climate change, with respect both to developing a capacity for agriculture and forestry to adapt to climate change, and to developing innovative ways to ameliorate climate change, and for other purposes.

JENKINS, Ed of Georgia

- H.R. 2209** To enable producers of soybeans to develop, finance, and carry out a nationally coordinated program for soybean promotion, research, and consumer information, and for other purposes.
H.R. 2419 * To authorize the Secretary of Agriculture to exchange certain property in the Chattahoochee National Forest for the construction of facilities in the National Forest.
H.R. 3270 Entitled, "The Farm Animal and Research Facilities Protection Act of 1989".
H.R. 3382 To provide grants to aid rural business and job creation in rural areas, to provide grants for emergency water assistance projects, and for other purposes.
H.R. 3387 To provide for the establishment of a coordinated program of promotion and research designed to strengthen the position of the pecan industry in the marketplace, to maintain and expand foreign and domestic markets and uses for improved and native pecans and pecan products, and for other purposes.

JOHNSON, Nancy L. of Connecticut

- H.R. 37** To authorize the water resources research activities of the United States Geological Survey, and for other purposes.
H.R. 37 To authorize the water resources research activities of the United States Geological Survey, and for other purposes.
H.R. 514 To establish labeling and advertising requirements for food or drink which are labeled "lite" or "light" or which make similar comparative claims to describe fat, sodium, or calorie content and for other purposes.
H.R. 1055 To restore balance among sources of supply for the Nation's sweetener needs, and for other purposes.
H.R. 2228 To amend the Agricultural Act of 1949 to modify the operation of the price support program applicable to milk.

AUTHOR INDEX

JOHNSON, Nancy L. of Connecticut—Continued

- H.R. 2386** To amend the Agriculture Act of 1949 to establish eligibility requirements for agricultural commodity price support programs with respect to the delivery of irrigation water.
- H.Con.Res. 91** Expressing the sense of the Congress with regard to supporting increased donations of commodities for international hunger alleviation purposes through purchases of agricultural commodities from the United States and developing countries financed by the Government of Japan.

JOHNSON, Tim of South Dakota

- H.R. 371** To direct a study by the Secretary of Agriculture of the classification of anhydrous ammonia as a poisonous gas for purposes of the Hazardous Materials Transportation Act, and for other purposes.
- H.R. 768** To amend the United States Warehouse Act to specifically allow States to require grain elevators with Federal warehouse licenses to participate in State grain indemnity funds or to require collateral security.
- H.R. 772** To amend the Soil Conservation and Domestic Allotment Act to extend the date for entering into contracts under the Great Plains conservation program.
- H.R. 799** To authorize the Secretary of Agriculture to establish and carry out programs to eradicate the disease of scrapie in the sheep and goat populations of the United States and conduct research regarding scrapie.
- H.R. 829** To make permanent the authority provided under the Temporary Emergency Wildfire Suppression Act.
- H.R. 1078** To establish national policies and support and encourage international agreements that implement energy and natural resource conservation strategies appropriate to preventing the overheating of the Earth's atmosphere, known as the "greenhouse effect".
- H.R. 1137** To amend the Agricultural Act of 1949 to provide for the modification of the milk price support system contingent on the results of a producer referendum.
- H.R. 1138** To amend the Agricultural Act of 1949 to remove the authority to reduce the level of price support for milk for calendar year 1990.
- H.R. 1139** To authorize the Secretary of Agriculture to issue a nationwide marketing order applicable to milk and milk products, and for other purposes.
- H.R. 1245 *** To amend the Agricultural Act of 1949 to set the target price for oats at \$2.52 per bushel for the 1990 crop and to clarify the administration of the feed grain crop acreage base provisions of such Act.
- H.R. 1246** To allow subsequent holders of certificates issued under section 107E of the Agricultural Act of 1949 to redeem such certificates in the same manner as original holders of such certificates.
- H.R. 1387** To provide for the inspection of all commercial seafood destined for human consumption in the United States.
- H.R. 1450** To amend the Perishable Agricultural Commodities Act, 1930, to require commission merchants, dealers, and brokers to label perishable agricultural commodities with the name of the country of origin of such commodities.
- H.R. 1505** To provide financial assistance for the commercialization of agricultural research, and for other purposes.
- H.R. 1526** To amend the Food Security Act of 1985 with respect to wetlands, and for other purposes.
- H.R. 2042** To amend title V of the Agricultural Act of 1949 to allow producers to provide the appropriate county committees with actual yields for the 1989 and subsequent crop years.
- H.R. 2134** To amend the Federal Meat Inspection Act to authorize the distribution of wholesome meat for human consumption that has been condemned under that Act to charity and public agencies.
- H.R. 2209** To enable producers of soybeans to develop, finance, and carry out a nationally coordinated program for soybean promotion, research, and consumer information, and for other purposes.
- H.R. 2228** To amend the Agricultural Act of 1949 to modify the operation of the price support program applicable to milk.
- H.R. 2232** Entitled, "Disaster Assistance Act of 1989".
- H.R. 2257** To amend the Potato Research and Promotion Act to provide improved methods of assessment that will finance a more effective marketing research and promotion program and provide for a more effective consumer information program designed to expand markets for potatoes.
- H.R. 2258** To minimize the impact of agricultural nitrogen on ground water and surface water quality by establishing a national task force on agricultural best management practices and to amend section 319 of the Clean Water Act.
- H.R. 2467** Entitled the "1988 Disaster Assistance Extension Act".
- H.R. 2469** To limit a previous owner's right of first refusal in the case of fraud or resale for sales of farm property by the Farmers Home Administration and the Farm Credit System.
- H.R. 2565** To amend the Agricultural Act of 1949 to require the Secretary of Agriculture to exclude the malting barley price from the national weighted market price for barley in determining the payment rate used to calculate deficiency payments for the 1989 crop of barley, and to require the Secretary to establish the target price of barley for the 1990 crop based on all feed and food uses.
- H.R. 2706** To amend the Food Security Act of 1985 to improve the program under which the Secretary of Agriculture may settle certain loans, and for other purposes.
- H.R. 2869** To amend the Commodity Exchange Act to improve the regulation of futures and options traded under rules and regulations of the Commodity Futures Trading Commission, establish registration standards for all exchange floor traders, restrict practices which may lead to the abuse of outside customers of the marketplace, reinforce development of exchange audit trails to better enable the detection and prevention of such practices, establish higher standards for service on governing boards and disciplinary committees of self regulatory organizations, enhance the international regulation of futures trading, regularize the process of authorizing appropriations for the Commodity Futures Trading Commission, and for other purposes.
- H.R. 3071** To consolidate food inspection functions in the Department of Agriculture.
- H.R. 3132** To amend the Food Security Act of 1985 to require the Secretary of Agriculture to use multiyear set-asides to establish wildlife habitats and feeding areas.
- H.R. 3164** To amend the Rural Electrification Act of 1936 to permit the prepayment and refinancing of Federal financing bank loans made to rural electrification and telephone systems.
- H.R. 3270** Entitled, "The Farm Animal and Research Facilities Protection Act of 1989".
- H.R. 3292** To amend the Federal Insecticide, Fungicide, and Rodenticide Act and the Federal Food, Drug, and Cosmetic Act, and for other purposes.
- H.R. 3382** To provide grants to aid rural business and job creation in rural areas, to provide grants for emergency water assistance projects, and for other purposes.
- H.R. 3402** To promote political and economic democracy in Poland and Hungary as those countries develop and implement programs of comprehensive economic reform.
- H.R. 3508** To expand the inspection by the Secretary of Agriculture of the Nation's food supply to ensure the safety and wholesomeness of the Nation's supply of fish, shellfish, and other marine and freshwater aquatic food.
- H.R. 3552** To amend the Agricultural Act of 1949 to foster and encourage a sustainable agricultural system in the United States.
- H.R. 3768** To allow the Secretary of the U.S. Department of Agriculture or other appropriate official to protect persons engaged in a lawful hunt within a National Forest or on other lands affected with a Federal interest; establishing an administrative civil remedy against individuals or groups intentionally obstructing, impeding, or interfering with the conduct of a lawful hunt; and for other purposes.
- H.J.Res. 124** To recognize the 75th anniversary of the Smith-Lever Act of May 8, 1914, and its role in establishing our Nation's system of State Cooperative Extension Services.

AUTHOR INDEX

JOHNSTON, Harry A. II of Florida

- H.R. 1078** To establish national policies and support and encourage international agreements that implement energy and natural resource conservation strategies appropriate to preventing the overheating of the Earth's atmosphere, known as the "greenhouse effect".

- H.R. 1078** To establish national policies and support and encourage international agreements that implement energy and natural resource conservation strategies appropriate to preventing the overheating of the Earth's atmosphere, known as the "greenhouse effect".
- H.R. 2228** To amend the Agricultural Act of 1949 to modify the operation of the price support program applicable to milk.
- H.R. 2406** To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 to strengthen the restraints upon clearcutting and certain other cutting practices in the National Forests of the United States.
- H.R. 3143** To establish a national energy policy to reduce global warming, and for other purposes.
- H.R. 3402** To promote political and economic democracy in Poland and Hungary as those countries develop and implement programs of comprehensive economic reform.

KASTEN, Robert of Wisconsin

- S. 553** To provide for more balance in the stocks of dairy products purchased by the Commodity Credit Corporation.
- S. 1610** To develop a program to determine potential impacts of climate on agriculture and forestry, to provide for the development of policies designed to address issues of potential climate change, with respect both to developing a capacity for agriculture and forestry to adapt to climate change, and to developing innovative ways to ameliorate climate change, and for other purposes.

KASTENMEIER, Robert W. of Wisconsin

- H.R. 425** To amend the Animal Welfare Act with respect to the issuance of temporary restraining orders and injunctions in certain cases.
- H.R. 987** To amend the Alaska National Interest Lands Conservation Act, to designate certain lands in the Tongass National Forest as wilderness, and for other purposes.
- H.R. 1078** To establish national policies and support and encourage international agreements that implement energy and natural resource conservation strategies appropriate to preventing the overheating of the Earth's atmosphere, known as the "greenhouse effect".
- H.R. 1137 *** To amend the Agricultural Act of 1949 to provide for the modification of the milk price support system contingent on the results of a producer referendum.
- H.R. 1138** To amend the Agricultural Act of 1949 to remove the authority to reduce the level of price support for milk for calendar year 1990.
- H.R. 1139 *** To authorize the Secretary of Agriculture to issue a nationwide marketing order applicable to milk and milk products, and for other purposes.
- H.R. 1557 *** To regulate the use of genetically-engineered animals in agricultural activities, and for other purposes.
- H.R. 2134** To amend the Federal Meat Inspection Act to authorize the distribution of wholesome meat for human consumption that has been condemned under that Act to charity and public agencies.
- H.R. 2209** To enable producers of soybeans to develop, finance, and carry out a nationally coordinated program for soybean promotion, research, and consumer information, and for other purposes.
- H.R. 2228** To amend the Agricultural Act of 1949 to modify the operation of the price support program applicable to milk.
- H.R. 3164** To amend the Rural Electrification Act of 1936 to permit the prepayment and refinancing of Federal financing bank loans made to rural electrification and telephone systems.
- H.R. 3362** To establish a national policy of "no net loss of forests", to direct the President to work for a declaration of a State of Emergency for Global Forests, to establish forest protection and forest restoration programs as a national priority, to support a global forest resource survey, to create an Endangered Forests Research Initiative, and to initiate a joint United States-Japan effort for global forest restoration.

AUTHOR INDEX

KASTENMEIER, Robert W. of Wisconsin—Continued

H.R. 3382 To provide grants to aid rural business and job creation in rural areas, to provide grants for emergency water assistance projects, and for other purposes.

KENNEDY, Edward M. of Massachusetts

S. 253 To establish a coordinated National Nutrition Monitoring and Related Research Program, and a comprehensive plan for the assessment of the nutritional and dietary status of the United States population and the nutritional quality of food consumed in the United States, with the provision for the conduct of scientific research and development in support of such program and plan.

KENNEDY, Joseph P. II of Massachusetts

H.R. 84 To prohibit certain practices in the raising of calves for veal, and for other purposes.

H.R. 500 To encourage scientific research and development of technologies relating to recycling, and for other purposes.

H.R. 1055 To restore balance among sources of supply for the Nation's sweetener needs, and for other purposes.

H.R. 1078 To establish national policies and support and encourage international agreements that implement energy and natural resource conservation strategies appropriate to preventing the overheating of the Earth's atmosphere, known as the "greenhouse effect".

H.R. 3382 To provide grants to aid rural business and job creation in rural areas, to provide grants for emergency water assistance projects, and for other purposes.

KENNELLY, Barbara B. of Connecticut

H.R. 37 To authorize the water resources research activities of the United States Geological Survey, and for other purposes.

H.R. 37 To authorize the water resources research activities of the United States Geological Survey, and for other purposes.

H.R. 987 To amend the Alaska National Interest Lands Conservation Act, to designate certain lands in the Tongass National Forest as wilderness, and for other purposes.

H.R. 3402 To promote political and economic democracy in Poland and Hungary as those countries develop and implement programs of comprehensive economic reform.

KERREY, Bob of Nebraska

S. 1036 To improve the economic, community, and educational well-being of rural America, and for other purposes.

KERRY, John F. of Massachusetts

S. 253 To establish a coordinated National Nutrition Monitoring and Related Research Program, and a comprehensive plan for the assessment of the nutritional and dietary status of the United States population and the nutritional quality of food consumed in the United States, with the provision for the conduct of scientific research and development in support of such program and plan.

KILDEE, Dale E. of Michigan

H.R. 89 To improve the protection of endangered species of wildlife in units of the National Forest System, the national park system, and the National Wildlife Refuge System by increasing the maximum fine that may be imposed for violating posted speed limits in such units.

H.R. 425 To amend the Animal Welfare Act with respect to the issuance of temporary restraining orders and injunctions in certain cases.

H.R. 987 To amend the Alaska National Interest Lands Conservation Act, to designate certain lands in the Tongass National Forest as wilderness, and for other purposes.

H.R. 1387 To provide for the inspection of all commercial seafood destined for human consumption in the United States.

H.R. 1472 * To establish the Grand Island National Recreation Area in the State of Michigan, and for other purposes.

H.R. 2134 To amend the Federal Meat Inspection Act to authorize the distribution of wholesome meat for human consumption that has been condemned under that Act to charity and public agencies.

H.R. 2386 To amend the Agriculture Act of 1949 to establish eligibility requirements for agricultural commodity price support programs with respect to the delivery of irrigation water.

H.R. 3307 To promote political democracy and economic pluralism in Poland and Hungary by assisting those nations during a critical period of transition and abetting the development in those nations of private business sectors, labor market reforms, and democratic institutions; to establish, through these steps, the framework for a composite program of support for East European Democracy; and for other purposes.

H.R. 3382 To provide grants to aid rural business and job creation in rural areas, to provide grants for emergency water assistance projects, and for other purposes.

H.J.Res. 124 To recognize the 75th anniversary of the Smith-Lever Act of May 8, 1914, and its role in establishing our Nation's system of State Cooperative Extension Services.

H.Con.Res. 140 Directing the appropriate committees of the Congress to give due consideration to the formulation and advancement of a comprehensive package of legislation dealing with the economic development needs of rural communities at the earliest possible date.

KLECZKA, Gerald D. of Wisconsin

H.R. 425 To amend the Animal Welfare Act with respect to the issuance of temporary restraining orders and injunctions in certain cases.

H.R. 1078 To establish national policies and support and encourage international agreements that implement energy and natural resource conservation strategies appropriate to preventing the overheating of the Earth's atmosphere, known as the "greenhouse effect".

H.R. 2345 To amend section 19 of the Animal Welfare Act (7 U.S.C. 2149).

H.R. 3402 To promote political and economic democracy in Poland and Hungary as those countries develop and implement programs of comprehensive economic reform.

KOHL, Herbert of Wisconsin

S. 1036 To improve the economic, community, and educational well-being of rural America, and for other purposes.

KOLBE, Jim of Arizona

H.R. 37 To authorize the water resources research activities of the United States Geological Survey, and for other purposes.

H.R. 37 To authorize the water resources research activities of the United States Geological Survey, and for other purposes.

H.R. 1078 To establish national policies and support and encourage international agreements that implement energy and natural resource conservation strategies appropriate to preventing the overheating of the Earth's atmosphere, known as the "greenhouse effect".

H.R. 3270 Entitled, "The Farm Animal and Research Facilities Protection Act of 1989".

KOLTER, Joe of Pennsylvania

H.R. 37 To authorize the water resources research activities of the United States Geological Survey, and for other purposes.

AUTHOR INDEX

KOLTER, Joe of Pennsylvania—Continued

- H.R. 37 To authorize the water resources research activities of the United States Geological Survey, and for other purposes.
- H.R. 371 To direct a study by the Secretary of Agriculture of the classification of anhydrous ammonia as a poisonous gas for purposes of the Hazardous Materials Transportation Act, and for other purposes.
- H.R. 425 To amend the Animal Welfare Act with respect to the issuance of temporary restraining orders and injunctions in certain cases.
- H.R. 987 To amend the Alaska National Interest Lands Conservation Act, to designate certain lands in the Tongass National Forest as wilderness, and for other purposes.

- H.R. 1011 To provide for the establishment of the National Commission on Natural Resources Disasters, to provide for increased planning and cooperation with local firefighting forces in the event of forest fires, and for other purposes.
- H.R. 1232 To amend the Rural Electrification Act of 1936.
- H.R. 1450 To amend the Perishable Agricultural Commodities Act, 1930, to require commission merchants, dealers, and brokers to label perishable agricultural commodities with the name of the country of origin of such commodities.
- H.R. 2065 To provide for studies and planning activities for improvement of tropical forest management, including forest management of insular areas and jurisdictions and public lands of the United States, and for other purposes.
- H.R. 2228 To amend the Agricultural Act of 1949 to modify the operation of the price support program applicable to milk.
- H.R. 2388 To expand home ownership opportunities for low- and moderate-income families in rural areas.
- H.R. 2766 To amend the Animal Welfare Act to include mice, rats, and birds within the definition of animals protected under the Act.
- H.R. 3071 To consolidate food inspection functions in the Department of Agriculture.
- H.R. 3132 To amend the Food Security Act of 1985 to require the Secretary of Agriculture to use multiyear set-asides to establish wildlife habitats and feeding areas.
- H.R. 3402 To promote political and economic democracy in Poland and Hungary as those countries develop and implement programs of comprehensive economic reform.
- H.R. 3420 * To provide further authority to the Secretary of Agriculture for international forestry cooperation, for tropical forestry cooperation in the South Pacific, and for other purposes.
- H.R. 3589 To amend the Disaster Assistance Act of 1989 to provide assistance to agricultural producers suffering from earthquakes.

AUTHOR INDEX

LAGOMARSINO, Robert J. of California—Continued

- H.R. 3768** To allow the Secretary of the U.S. Department of Agriculture or other appropriate official to protect persons engaged in a lawful hunt within a National Forest or on other lands affected with a Federal interest; establishing an administrative civil remedy against individuals or groups intentionally obstructing, impeding, or interfering with the conduct of a lawful hunt; and for other purposes.
- H.J.Res. 124** To recognize the 75th anniversary of the Smith-Lever Act of May 8, 1914, and its role in establishing our Nation's system of State Cooperative Extension Services.
- H.J.Res. 271** Relating to responsible trade and conservation of tropical forest resources.

LANCASTER, H. Martin of North Carolina

- H.R. 466** To reauthorize appropriations to carry out the Commodity Exchange Act.
- H.R. 500** To encourage scientific research and development of technologies relating to recycling, and for other purposes.
- H.R. 514** To establish labeling and advertising requirements for food or drink which are labeled "lite" or "light" or which make similar comparative claims to describe fat, sodium, or calorie content and for other purposes.
- H.R. 1078** To establish national policies and support and encourage international agreements that implement energy and natural resource conservation strategies appropriate to preventing the overheating of the Earth's atmosphere, known as the "greenhouse effect".
- H.R. 1450** To amend the Perishable Agricultural Commodities Act, 1930, to require commission merchants, dealers, and brokers to label perishable agricultural commodities with the name of the country of origin of such commodities.
- H.R. 2134** To amend the Federal Meat Inspection Act to authorize the distribution of wholesome meat for human consumption that has been condemned under that Act to charity and public agencies.
- H.R. 2257** To amend the Potato Research and Promotion Act to provide improved methods of assessment that will finance a more effective marketing research and promotion program and provide for a more effective consumer information program designed to expand markets for potatoes.
- H.R. 2258** To minimize the impact of agricultural nitrogen on ground water and surface water quality by establishing a national task force on agricultural best management practices and to amend section 319 of the Clean Water Act.
- H.R. 2294** Directing the Secretary of Agriculture to provide an adjustment to permit flexibility in crop acreage bases.
- H.R. 2388** To expand home ownership opportunities for low- and moderate-income families in rural areas.
- H.R. 2467** Entitled the "1988 Disaster Assistance Extension Act".
- H.R. 2869** To amend the Commodity Exchange Act to improve the regulation of futures and options traded under rules and regulations of the Commodity Futures Trading Commission, establish registration standards for all exchange floor traders, restrict practices which may lead to the abuse of outside customers of the marketplace, reinforce development of exchange audit trails to better enable the detection and prevention of such practices, establish higher standards for service on governing boards and disciplinary committees of self regulatory organizations, enhance the international regulation of futures trading, regularize the process of authorizing appropriations for the Commodity Futures Trading Commission, and for other purposes.
- H.R. 2881** To amend the Public Health Service Act to establish a program of block grants to the States for the purpose of consolidating Federal programs with respect to maternal and child health.
- H.R. 3048** To designate the Agricultural Research Service, U.S. Department of Agriculture, animal health research building in Clay Center, Nebraska, as the "Virginia D. Smith Animal Health Research Laboratory".
- H.R. 3071** To consolidate food inspection functions in the Department of Agriculture.
- H.R. 3143** To establish a national energy policy to reduce global warming, and for other purposes.
- H.R. 3160** To provide additional food assistance to Poland in the form of donated surplus agricultural commodities held in the Commodity Credit Corporation.

- H.R. 3164** To amend the Rural Electrification Act of 1936 to permit the prepayment and refinancing of Federal financing bank loans made to rural electrification and telephone systems.
- H.R. 3270** Entitled, "The Farm Animal and Research Facilities Protection Act of 1989".
- H.R. 3292** To amend the Federal Insecticide, Fungicide, and Rodenticide Act and the Federal Food, Drug, and Cosmetic Act, and for other purposes.
- H.R. 3382** To provide grants to aid rural business and job creation in rural areas, to provide grants for emergency water assistance projects, and for other purposes.
- H.R. 3387** To provide for the establishment of a coordinated program of promotion and research designed to strengthen the position of the pecan industry in the marketplace, to maintain and expand foreign and domestic markets and uses for improved and native pecans and pecan products, and for other purposes.
- H.R. 3402** To promote political and economic democracy in Poland and Hungary as those countries develop and implement programs of comprehensive economic reform.
- H.R. 3508** To expand the inspection by the Secretary of Agriculture of the Nation's food supply to ensure the safety and wholesomeness of the Nation's supply of fish, shellfish, and other marine and freshwater aquatic food.
- H.R. 3552** To amend the Agricultural Act of 1949 to foster and encourage a sustainable agricultural system in the United States.
- H.J.Res. 124** To recognize the 75th anniversary of the Smith-Lever Act of May 8, 1914, and its role in establishing our Nation's system of State Cooperative Extension Services.

LANTOS, Tom of California

- H.R. 84** To prohibit certain practices in the raising of calves for veal, and for other purposes.
- H.R. 500** To encourage scientific research and development of technologies relating to recycling, and for other purposes.
- H.R. 987** To amend the Alaska National Interest Lands Conservation Act, to designate certain lands in the Tongass National Forest as wilderness, and for other purposes.
- H.R. 1078** To establish national policies and support and encourage international agreements that implement energy and natural resource conservation strategies appropriate to preventing the overheating of the Earth's atmosphere, known as the "greenhouse effect".
- H.R. 2213** To designate certain public lands in the State of Idaho as wilderness, and for other purposes.
- H.R. 2320** To designate certain lands in the State of Nevada as wilderness, and for other purposes.
- H.R. 2345** To amend section 19 of the Animal Welfare Act (7 U.S.C. 2149).
- H.R. 3143** To establish a national energy policy to reduce global warming, and for other purposes.
- H.R. 3307 *** To promote political democracy and economic pluralism in Poland and Hungary by assisting those nations during a critical period of transition and abetting the development in those nations of private business sectors, labor market reforms, and democratic institutions; to establish, through these steps, the framework for a composite program of support for East European Democracy; and for other purposes.
- H.R. 3402** To promote political and economic democracy in Poland and Hungary as those countries develop and implement programs of comprehensive economic reform.

LAUGHLIN, Greg of Texas

- H.R. 371** To direct a study by the Secretary of Agriculture of the classification of anhydrous ammonia as a poisonous gas for purposes of the Hazardous Materials Transportation Act, and for other purposes.
- H.R. 2134** To amend the Federal Meat Inspection Act to authorize the distribution of wholesome meat for human consumption that has been condemned under that Act to charity and public agencies.
- H.R. 3216** Entitled the "Disaster Assistance Improvements Act of 1989".

AUTHOR INDEX

LAUGHLIN, Greg of Texas—Continued

- H.R. 3170 Entitled, "The Farm Animal and Research Facilities Protection Act of 1989".
- H.R. 3292 To amend the Federal Insecticide, Fungicide, and Rodenticide Act and the Federal Food, Drug, and Cosmetic Act, and for other purposes.
- H.R. 3382 To provide grants to aid rural business and job creation in rural areas, to provide grants for emergency water assistance projects, and for other purposes.

LEACH, Jim of Iowa

- H.R. 371 To direct a study by the Secretary of Agriculture of the classification of anhydrous ammonia as a poisonous gas for purposes of the Hazardous Materials Transportation Act, and for other purposes.
- H.R. 764 To amend the Agricultural Act of 1949 to allow producers to devote acreage conservation reserve acreage to water storage.
- H.R. 789 * To authorize the Secretary of Agriculture to establish and carry out programs to eradicate the disease of scrapie in the sheep and goat populations of the United States and conduct research regarding scrapie.
- H.R. 2299 To enable producers of soybeans to develop, finance, and carry out a nationally coordinated program for soybean promotion, research, and consumer information, and for other purposes.
- H.R. 3426 To provide further authority to the Secretary of Agriculture for international forestry cooperation, for tropical forestry cooperation in the South Pacific, and for other purposes.

LEAHY, Patrick J. of Vermont

- S. 253 To establish a coordinated National Nutrition Monitoring and Related Research Program, and a comprehensive plan for the assessment of the nutritional and dietary status of the United States population and the nutritional quality of food consumed in the United States, with the provision for the conduct of scientific research and development in support of such program and plan.
- S. 953 * To provide for more balance in the stocks of dairy products purchased by the Commodity Credit Corporation.
- S. 1036 * To improve the economic, community, and educational well-being of rural America, and for other purposes.
- S. 1444 * To develop a program to determine potential impacts of climate on agriculture and forestry, to provide for the development of policies designed to address issues of potential climate change, with respect both to developing a capacity for agriculture and forestry to adapt to climate change, and to developing innovative ways to ameliorate climate change, and for other purposes.

LEATH, Marvin of Texas

- H.R. 371 To direct a study by the Secretary of Agriculture of the classification of anhydrous ammonia as a poisonous gas for purposes of the Hazardous Materials Transportation Act, and for other purposes.
- H.R. 764 To amend the Agricultural Act of 1949 to allow producers to devote acreage conservation reserve acreage to water storage.
- H.R. 772 To amend the Soil Conservation and Domestic Allotment Act to extend the date for entering into contracts under the Great Plains conservation program.
- H.R. 2388 To expand home ownership opportunities for low- and moderate-income families in rural areas.
- H.R. 3382 To provide grants to aid rural business and job creation in rural areas, to provide grants for emergency water assistance projects, and for other purposes.

LEHMAN, Richard H. of California

- H.R. 84 To prohibit certain practices in the raising of calves for veal, and for other purposes.

- H.R. 371 To direct a study by the Secretary of Agriculture of the classification of anhydrous ammonia as a poisonous gas for purposes of the Hazardous Materials Transportation Act, and for other purposes.
- H.R. 677 To establish a coordinated National Nutrition Monitoring and Related Research Program, and a comprehensive plan for the assessment of the nutritional and dietary status of the United States population and the nutritional quality of food consumed in the United States, with the provision for the conduct of scientific research and development in support of such program and plan.
- H.R. 829 To make permanent the authority provided under the Temporary Emergency Wildfire Suppression Act.
- H.R. 987 To amend the Alaska National Interest Lands Conservation Act, to designate certain lands in the Tongass National Forest as wilderness, and for other purposes.
- H.R. 1078 To establish national policies and support and encourage international agreements that implement energy and natural resource conservation strategies appropriate to preventing the overheating of the Earth's atmosphere, known as the "greenhouse effect".
- H.R. 2352 Entitled the "Nevada Wilderness Protection Act of 1989".
- H.J.Res. 124 To recognize the 75th anniversary of the Smith-Lever Act of May 8, 1914, and its role in establishing our Nation's system of State Cooperative Extension Services.

LEHMAN, William of Florida

- H.R. 89 To improve the protection of endangered species of wildlife in units of the National Forest System, the national park system, and the National Wildlife Refuge System by increasing the maximum fine that may be imposed for violating posted speed limits in such units.

- H.R. 1078 To establish national policies and support and encourage international agreements that implement energy and natural resource conservation strategies appropriate to preventing the overheating of the Earth's atmosphere, known as the "greenhouse effect".
- H.R. 1776 To provide for a nationally coordinated program of research, promotion, and consumer information regarding limes that is designed to expand domestic and foreign markets for limes.
- H.R. 2213 To designate certain public lands in the State of Idaho as wilderness, and for other purposes.
- H.R. 3143 To establish a national energy policy to reduce global warming, and for other purposes.

LELAND, Mickey of Texas

- H.R. 677 To establish a coordinated National Nutrition Monitoring and Related Research Program, and a comprehensive plan for the assessment of the nutritional and dietary status of the United States population and the nutritional quality of food consumed in the United States, with the provision for the conduct of scientific research and development in support of such program and plan.
- H.R. 987 To amend the Alaska National Interest Lands Conservation Act, to designate certain lands in the Tongass National Forest as wilderness, and for other purposes.
- H.R. 2134 To amend the Federal Meat Inspection Act to authorize the distribution of wholesome meat for human consumption that has been condemned under that Act to charity and public agencies.
- H.R. 2228 To amend the Agricultural Act of 1949 to modify the operation of the price support program applicable to milk.
- H.Con.Res. 91 Expressing the sense of the Congress with regard to supporting increased donations of commodities for international hunger alleviation purposes through purchases of agricultural commodities from the United States and developing countries financed by the Government of Japan.

AUTHOR INDEX

LENT, Norman F. of New York

- H.R. 3402** To promote political and economic democracy in Poland and Hungary as those countries develop and implement programs of comprehensive economic reform.

LEVIN, Carl of Michigan

- S. 1036** To improve the economic, community, and educational well-being of rural America, and for other purposes.

LEVIN, Sander M. of Michigan

- H.R. 987** To amend the Alaska National Interest Lands Conservation Act, to designate certain lands in the Tongass National Forest as wilderness, and for other purposes.
- H.R. 1387** To provide for the inspection of all commercial seafood destined for human consumption in the United States.
- H.R. 1472** To establish the Grand Island National Recreation Area in the State of Michigan, and for other purposes.
- H.R. 3402** To promote political and economic democracy in Poland and Hungary as those countries develop and implement programs of comprehensive economic reform.
- H.J.Res. 124** To recognize the 75th anniversary of the Smith-Lever Act of May 8, 1914, and its role in establishing our Nation's system of State Cooperative Extension Services.

LEVINE, Mel of California

- H.R. 37** To authorize the water resources research activities of the United States Geological Survey, and for other purposes.
- H.R. 37** To authorize the water resources research activities of the United States Geological Survey, and for other purposes.
- H.R. 987** To amend the Alaska National Interest Lands Conservation Act, to designate certain lands in the Tongass National Forest as wilderness, and for other purposes.
- H.R. 998** To authorize the exchange of certain public lands in California and Nevada.
- H.R. 1078** To establish national policies and support and encourage international agreements that implement energy and natural resource conservation strategies appropriate to preventing the overheating of the Earth's atmosphere, known as the "greenhouse effect".
- H.R. 2213** To designate certain public lands in the State of Idaho as wilderness, and for other purposes.
- H.R. 2320** To designate certain lands in the State of Nevada as wilderness, and for other purposes.
- H.R. 3307** To promote political democracy and economic pluralism in Poland and Hungary by assisting those nations during a critical period of transition and abetting the development in those nations of private business sectors, labor market reforms, and democratic institutions; to establish, through these steps, the framework for a composite program of support for East European Democracy; and for other purposes.

LEWIS, Jerry of California

- H.R. 578** To amend the Animal Welfare Act to prohibit dog racing and dog training involving the use of live animals as visual lures and to make such Act applicable to facilities that are used for dog racing or dog race training.
- H.R. 1645** To permit timber sales and related activities on National Forest System lands during a 5-year period of study of the status of the Northern Spotted Owl, and for other purposes.
- H.R. 3589** To amend the Disaster Assistance Act of 1989 to provide assistance to agricultural producers suffering from earthquakes.
- H.J.Res. 124** To recognize the 75th anniversary of the Smith-Lever Act of May 8, 1914, and its role in establishing our Nation's system of State Cooperative Extension Services.

LEWIS, John of Georgia

- H.R. 37** To authorize the water resources research activities of the United States Geological Survey, and for other purposes.
- H.R. 37** To authorize the water resources research activities of the United States Geological Survey, and for other purposes.
- H.R. 425** To amend the Animal Welfare Act with respect to the issuance of temporary restraining orders and injunctions in certain cases.
- H.R. 500** To encourage scientific research and development of technologies relating to recycling, and for other purposes.
- H.R. 514** To establish labeling and advertising requirements for food or drink which are labeled "lite" or "light" or which make similar comparative claims to describe fat, sodium, or calorie content and for other purposes.
- H.R. 987** To amend the Alaska National Interest Lands Conservation Act, to designate certain lands in the Tongass National Forest as wilderness, and for other purposes.
- H.R. 1055** To restore balance among sources of supply for the Nation's sweetener needs, and for other purposes.
- H.R. 1078** To establish national policies and support and encourage international agreements that implement energy and natural resource conservation strategies appropriate to preventing the overheating of the Earth's atmosphere, known as the "greenhouse effect".
- H.R. 1387** To provide for the inspection of all commercial seafood destined for human consumption in the United States.
- H.R. 2134** To amend the Federal Meat Inspection Act to authorize the distribution of wholesome meat for human consumption that has been condemned under that Act to charity and public agencies.
- H.R. 2209** To enable producers of soybeans to develop, finance, and carry out a nationally coordinated program for soybean promotion, research, and consumer information, and for other purposes.
- H.R. 2213** To designate certain public lands in the State of Idaho as wilderness, and for other purposes.
- H.R. 2734** To inaugurate a comprehensive program of environmental research, development, and demonstration relating to contamination and depletion of ground water and ground water resources; and to establish an Interagency Ground Water Research Committee to improve coordination among Federal agencies and provide assistance for implementation of State management programs.
- H.R. 2881** To amend the Public Health Service Act to establish a program of block grants to the States for the purpose of consolidating Federal programs with respect to maternal and child health.
- H.R. 3099** To provide for the improved management of the nation's water resources.
- H.R. 3143** To establish a national energy policy to reduce global warming, and for other purposes.
- H.R. 3382** To provide grants to aid rural business and job creation in rural areas, to provide grants for emergency water assistance projects, and for other purposes.
- H.R. 3387** To provide for the establishment of a coordinated program of promotion and research designed to strengthen the position of the pecan industry in the marketplace, to maintain and expand foreign and domestic markets and uses for improved and native pecans and pecan products, and for other purposes.

LEWIS, Tom of Florida

- H.R. 425** To amend the Animal Welfare Act with respect to the issuance of temporary restraining orders and injunctions in certain cases.
- H.R. 1450** To amend the Perishable Agricultural Commodities Act, 1930, to require commission merchants, dealers, and brokers to label perishable agricultural commodities with the name of the country of origin of such commodities.
- H.R. 1776** To provide for a nationally coordinated program of research, promotion, and consumer information regarding limes that is designed to expand domestic and foreign markets for limes.
- H.R. 1880** To authorize a National Agricultural Weather Information System, to establish an Office of Agricultural Weather and Climatology in the U.S. Department of Agriculture, and for other purposes.
- H.R. 2209** To enable producers of soybeans to develop, finance, and carry out a nationally coordinated program for soybean promotion, research, and consumer information, and for other purposes.

AUTHOR INDEX

LEWIS, Tom of Florida—Continued

- H.R. 2258 To minimize the impact of agricultural nitrogen on ground water and surface water quality by establishing a national task force on agricultural best management practices and to amend section 319 of the Clean Water Act.
- H.R. 3048 To designate the Agricultural Research Service, U.S. Department of Agriculture, animal health research building in Clay Center, Nebraska, as the "Virginia D. Smith Animal Health Research Laboratory".
- H.R. 3270 Entitled, "The Farm Animal and Research Facilities Protection Act of 1989".
- H.R. 3292 To amend the Federal Insecticide, Fungicide, and Rodenticide Act and the Federal Food, Drug, and Cosmetic Act, and for other purposes.
- H.R. 3387 To provide for the establishment of a coordinated program of promotion and research designed to strengthen the position of the pecan industry in the marketplace, to maintain and expand foreign and domestic markets and uses for improved and native pecans and pecan products, and for other purposes.
- H.R. 3664 Entitled, "The Omnibus Agricultural Commodity Promotion and Research Act of 1989".

LIEBERMAN, Joe of Connecticut

- S. 253 To establish a coordinated National Nutrition Monitoring and Related Research Program, and a comprehensive plan for the assessment of the nutritional and dietary status of the United States population and the nutritional quality of food consumed in the United States, with the provision for the conduct of scientific research and development in support of such program and plan.
- S. 1610 To develop a program to determine potential impacts on agriculture and forestry, to provide for the development of research designed to address issues of potential climate change, with respect both to developing a capacity for agriculture and forestry to adapt to climate change, and to developing innovative ways to ameliorate climate change, and for other purposes.

LIGHTFOOT, Jim of Iowa

- H.R. 371 To direct a study by the Secretary of Agriculture of the classification of anhydrous ammonia as a poisonous gas for purposes of the Hazardous Materials Transportation Act, and for other purposes.
- H.R. 501 To repeal the minimum adjustments to prices of fluid milk under Federal marketing orders and to establish basing points in various geographical areas of the United States for purposes of determining prices to be paid to milk producers under such orders.
- H.R. 799 To authorize the Secretary of Agriculture to establish and carry out programs to eradicate the disease of scrapie in the sheep and goat populations of the United States and conduct research regarding scrapie.
- H.R. 2209 To enable producers of soybeans to develop, finance, and carry out a nationally coordinated program for soybean promotion, research, and consumer information, and for other purposes.
- H.R. 3270 Entitled, "The Farm Animal and Research Facilities Protection Act of 1989".
- H.R. 3382 To provide grants to aid rural business and job creation in rural areas, to provide grants for emergency water assistance projects, and for other purposes.
- H.R. 3420 To provide further authority to the Secretary of Agriculture for international forestry cooperation, for tropical forestry cooperation in the South Pacific, and for other purposes.
- H.R. 3768 To allow the Secretary of the U.S. Department of Agriculture or other appropriate official to protect persons engaged in a lawful hunt within a National Forest or on other lands affected with a Federal interest; establishing an administrative civil remedy against individuals or groups intentionally obstructing, impeding, or interfering with the conduct of a lawful hunt; and for other purposes.

LIPINSKI, William O. of Illinois

- H.R. 37 To authorize the water resources research activities of the United States Geological Survey, and for other purposes.
- H.R. 37 To authorize the water resources research activities of the United States Geological Survey, and for other purposes.
- H.R. 84 To prohibit certain practices in the raising of calves for veal, and for other purposes.
- H.R. 89 To improve the protection of endangered species of wildlife in units of the National Forest System, the national park system, and the National Wildlife Refuge System by increasing the maximum fine that may be imposed for violating posted speed limits in such units.
- H.R. 500 To encourage scientific research and development of technologies relating to recycling, and for other purposes.
- H.R. 987 To amend the Alaska National Interest Lands Conservation Act, to designate certain lands in the Tongass National Forest as wilderness, and for other purposes.
- H.R. 1055 To restore balance among sources of supply for the Nation's sweetener needs, and for other purposes.
- H.R. 1078 To establish national policies and support and encourage international agreements that implement energy and natural resource conservation strategies appropriate to preventing the overheating of the Earth's atmosphere, known as the "greenhouse effect".
- H.R. 2144 To improve forest management in urban areas and other communities, and for other purposes.
- H.R. 2345 To amend section 19 of the Animal Welfare Act (7 U.S.C. 2149).
- H.R. 2386 To amend the Agriculture Act of 1949 to establish eligibility requirements for agricultural commodity price support programs with respect to the delivery of irrigation water.
- H.R. 2406 To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 to strengthen the restraints upon clearcutting and certain other cutting practices in the National Forests of the United States.
- H.R. 2734 To inaugurate a comprehensive program of environmental research, development, and demonstration relating to contamination and depletion of ground water and ground water resources; and to establish an Interagency Ground Water Research Committee to improve coordination among Federal agencies and provide assistance for implementation of State management programs.
- H.R. 2766 To amend the Animal Welfare Act to include mice, rats, and birds within the definition of animals protected under the Act.
- H.R. 3160 To provide additional food assistance to Poland in the form of donated surplus agricultural commodities held in the Commodity Credit Corporation.
- H.R. 3514 To establish within the Department of Agriculture an Office of Integrated Pest Management, and for other purposes.
- H.J.Res. 271 Relating to responsible trade and conservation of tropical forest resources.

LLOYD, Marilyn of Tennessee

- H.R. 2134 To amend the Federal Meat Inspection Act to authorize the distribution of wholesome meat for human consumption that has been condemned under that Act to charity and public agencies.
- H.R. 3223 To amend the Animal Welfare Act to protect animal research facilities, and for other purposes.
- H.R. 3382 To provide grants to aid rural business and job creation in rural areas, to provide grants for emergency water assistance projects, and for other purposes.
- H.J.Res. 57 * Directing the Secretary of Agriculture to conduct a study of the effectiveness of current laws and regulations in protecting dogs and puppies bred and raised for sale to retail pet stores from inhumane treatment and premature shipment.

LONG, Jill of Indiana

- H.R. 2042 To amend title V of the Agricultural Act of 1949 to allow producers to provide the appropriate county committees with actual yields for the 1989 and subsequent crop years.

AUTHOR INDEX

LONG, Jill of Indiana—Continued

- H.R. 2386** To amend the Agriculture Act of 1949 to establish eligibility requirements for agricultural commodity price support programs with respect to the delivery of irrigation water.
- H.R. 2641** To remove aflatoxin contaminated corn in the 1988 or 1989 corn crop from the food chain, to provide indemnification to producers of such corn, and to assure foreign and domestic markets of U.S. corn a safe, high quality product.
- H.R. 2869** To amend the Commodity Exchange Act to improve the regulation of futures and options traded under rules and regulations of the Commodity Futures Trading Commission, establish registration standards for all exchange floor traders, restrict practices which may lead to the abuse of outside customers of the marketplace, reinforce development of exchange audit trails to better enable the detection and prevention of such practices, establish higher standards for service on governing boards and disciplinary committees of self regulatory organizations, enhance the international regulation of futures trading, regularize the process of authorizing appropriations for the Commodity Futures Trading Commission, and for other purposes.
- H.R. 3048** To designate the Agricultural Research Service, U.S. Department of Agriculture, animal health research building in Clay Center, Nebraska, as the "Virginia D. Smith Animal Health Research Laboratory".
- H.R. 3270** Entitled, "The Farm Animal and Research Facilities Protection Act of 1989".
- H.R. 3292** To amend the Federal Insecticide, Fungicide, and Rodenticide Act and the Federal Food, Drug, and Cosmetic Act, and for other purposes.
- H.R. 3382** To provide grants to aid rural business and job creation in rural areas, to provide grants for emergency water assistance projects, and for other purposes.

LOTT, Trent of Mississippi

- S. 1036** To improve the economic, community, and educational well-being of rural America, and for other purposes.

LOWEY, Nita M. of New York

- H.R. 37** To authorize the water resources research activities of the United States Geological Survey, and for other purposes.
- H.R. 37** To authorize the water resources research activities of the United States Geological Survey, and for other purposes.
- H.R. 84** To prohibit certain practices in the raising of calves for veal, and for other purposes.
- H.R. 500** To encourage scientific research and development of technologies relating to recycling, and for other purposes.
- H.R. 578** To amend the Animal Welfare Act to prohibit dog racing and dog training involving the use of live animals as visual lures and to make such Act applicable to facilities that are used for dog racing or dog race training.
- H.R. 987** To amend the Alaska National Interest Lands Conservation Act, to designate certain lands in the Tongass National Forest as wilderness, and for other purposes.
- H.R. 1078** To establish national policies and support and encourage international agreements that implement energy and natural resource conservation strategies appropriate to preventing the overheating of the Earth's atmosphere, known as the "greenhouse effect".
- H.R. 3099** To provide for the improved management of the nation's water resources.

LUGAR, Richard G. of Indiana

- S. 553** To provide for more balance in the stocks of dairy products purchased by the Commodity Credit Corporation.
- S. 1610** To develop a program to determine potential impacts of climate on agriculture and forestry, to provide for the development of policies designed to address issues of potential climate change, with respect both to developing a capacity for agriculture and forestry to adapt to climate change, and to developing innovative ways to ameliorate climate change, and for other purposes.

LUKENS, Donald E. "Buz" of Ohio

- H.R. 37** To authorize the water resources research activities of the United States Geological Survey, and for other purposes.
- H.R. 37** To authorize the water resources research activities of the United States Geological Survey, and for other purposes.
- H.R. 47** To establish a national alternative agricultural products board, a national institute for alternative agricultural products, and an agricultural industrial materials corporation, and for other purposes.
- H.R. 371** To direct a study by the Secretary of Agriculture of the classification of anhydrous ammonia as a poisonous gas for purposes of the Hazardous Materials Transportation Act, and for other purposes.
- H.R. 501** To repeal the minimum adjustments to prices of fluid milk under Federal marketing orders and to establish basing points in various geographical areas of the United States for purposes of determining prices to be paid to milk producers under such orders.
- H.R. 873** To amend title V of the Agricultural Act of 1949 to allow producers to rotate program crop acreage bases to substitute crops.
- H.R. 1645** To permit timber sales and related activities on National Forest System lands during a 5-year period of study of the status of the Northern Spotted Owl, and for other purposes.
- H.R. 2209** To enable producers of soybeans to develop, finance, and carry out a nationally coordinated program for soybean promotion, research, and consumer information, and for other purposes.
- H.R. 2973** Amending the Food Security Act of 1985 to provide farm program payment fairness and equity to married couples when both the husband and the wife contribute active personal management or labor to the operation of a farm enterprise, and for other purposes.
- H.R. 3132** To amend the Food Security Act of 1985 to require the Secretary of Agriculture to use multiyear set-asides to establish wildlife habitats and feeding areas.
- H.R. 3768** To allow the Secretary of the U.S. Department of Agriculture or other appropriate official to protect persons engaged in a lawful hunt within a National Forest or on other lands affected with a Federal interest; establishing an administrative civil remedy against individuals or groups intentionally obstructing, impeding, or interfering with the conduct of a lawful hunt; and for other purposes.
- H.J.Res. 124** To recognize the 75th anniversary of the Smith-Lever Act of May 8, 1914, and its role in establishing our Nation's system of State Cooperative Extension Services.

MACHTLEY, Ronald K. of Rhode Island

- H.R. 500** To encourage scientific research and development of technologies relating to recycling, and for other purposes.
- H.R. 987** To amend the Alaska National Interest Lands Conservation Act, to designate certain lands in the Tongass National Forest as wilderness, and for other purposes.
- H.R. 1055** To restore balance among sources of supply for the Nation's sweetener needs, and for other purposes.
- H.R. 1078** To establish national policies and support and encourage international agreements that implement energy and natural resource conservation strategies appropriate to preventing the overheating of the Earth's atmosphere, known as the "greenhouse effect".
- H.R. 1232** To amend the Rural Electrification Act of 1936.
- H.R. 2386** To amend the Agriculture Act of 1949 to establish eligibility requirements for agricultural commodity price support programs with respect to the delivery of irrigation water.
- H.R. 2734** To inaugurate a comprehensive program of environmental research, development, and demonstration relating to contamination and depletion of ground water and ground water resources; and to establish an Interagency Ground Water Research Committee to improve coordination among Federal agencies and provide assistance for implementation of State management programs.

AUTHOR INDEX

MADIGAN, Edward R. of Illinois

- H.R. 371** To direct a study by the Secretary of Agriculture of the classification of anhydrous ammonia as a poisonous gas for purposes of the Hazardous Materials Transportation Act, and for other purposes.
- H.R. 466** To reauthorize appropriations to carry out the Commodity Exchange Act.
- H.R. 768** To amend the United States Warehouse Act to specifically allow States to require grain elevators with Federal warehouse licenses to participate in State grain indemnity funds or to require collateral security.
- H.R. 802** Directing the Secretary of Agriculture to formulate proposals to reduce paperwork and recordkeeping required of agricultural producers, to study the feasibility of establishing an electronic system or network to facilitate such reduction, and for other purposes.
- H.R. 1387** To provide for the inspection of all commercial seafood destined for human consumption in the United States.
- H.R. 1608** To strengthen national nutrition monitoring by requiring the Secretary of Agriculture and the Secretary of Health and Human Services to prepare and implement a ten-year plan to assess the dietary and nutritional status of the United States population, to support research on, and development of, nutrition monitoring, to foster national nutrition education, to establish dietary guidelines, and for other purposes.
- H.R. 2042** To amend title V of the Agricultural Act of 1949 to allow producers to provide the appropriate county committees with actual yields for the 1989 and subsequent crop years.
- H.R. 2134** To amend the Federal Meat Inspection Act to authorize the distribution of wholesome meat for human consumption that has been condemned under that Act to charity and public agencies.
- H.R. 2258** To minimize the impact of agricultural nitrogen on ground water and surface water quality by establishing a national task force on agricultural best management practices and to amend section 319 of the Clean Water Act.
- H.R. 2467** Entitled the "1988 Disaster Assistance Extension Act".
- H.R. 2691 *** To establish a National Institute for Agricultural Product Technology and to authorize the Institute to implement and carry out a program for applied research and development of new product uses for agricultural commodities, for the development of new production and processing methods and new industrial products using agricultural commodities, and for other purposes.
- H.R. 3048** To designate the Agricultural Research Service, U.S. Department of Agriculture, animal health research building in Clay Center, Nebraska, as the "Virginia D. Smith Animal Health Research Laboratory".
- H.R. 3270** Entitled, "The Farm Animal and Research Facilities Protection Act of 1989".
- H.R. 3292** To amend the Federal Insecticide, Fungicide, and Rodenticide Act and the Federal Food, Drug, and Cosmetic Act, and for other purposes.
- H.R. 3402** To promote political and economic democracy in Poland and Hungary as those countries develop and implement programs of comprehensive economic reform.
- H.R. 3420** To provide further authority to the Secretary of Agriculture for international forestry cooperation, for tropical forestry cooperation in the South Pacific, and for other purposes.
- H.R. 3508** To expand the inspection by the Secretary of Agriculture of the Nation's food supply to ensure the safety and wholesomeness of the Nation's supply of fish, shellfish, and other marine and freshwater aquatic food.
- H.J.Res. 124** To recognize the 75th anniversary of the Smith-Lever Act of May 8, 1914, and its role in establishing our Nation's system of State Cooperative Extension Services.

MANTON, Thomas J. of New York

- H.R. 37** To authorize the water resources research activities of the United States Geological Survey, and for other purposes.
- H.R. 37** To authorize the water resources research activities of the United States Geological Survey, and for other purposes.
- H.R. 84** To prohibit certain practices in the raising of calves for veal, and for other purposes.

- H.R. 89** To improve the protection of endangered species of wildlife in units of the National Forest System, the national park system, and the National Wildlife Refuge System by increasing the maximum fine that may be imposed for violating posted speed limits in such units.
- H.R. 500** To encourage scientific research and development of technologies relating to recycling, and for other purposes.
- H.R. 578** To amend the Animal Welfare Act to prohibit dog racing and dog training involving the use of live animals as visual lures and to make such Act applicable to facilities that are used for dog racing or dog race training.
- H.R. 2228** To amend the Agricultural Act of 1949 to modify the operation of the price support program applicable to milk.
- H.R. 2345** To amend section 19 of the Animal Welfare Act (7 U.S.C. 2149).
- H.R. 2734** To inaugurate a comprehensive program of environmental research, development, and demonstration relating to contamination and depletion of ground water and ground water resources; and to establish an Interagency Ground Water Research Committee to improve coordination among Federal agencies and provide assistance for implementation of State management programs.
- H.R. 3402** To promote political and economic democracy in Poland and Hungary as those countries develop and implement programs of comprehensive economic reform.

MARKEY, Edward J. of Massachusetts

- H.R. 84** To prohibit certain practices in the raising of calves for veal, and for other purposes.
- H.R. 578** To amend the Animal Welfare Act to prohibit dog racing and dog training involving the use of live animals as visual lures and to make such Act applicable to facilities that are used for dog racing or dog race training.
- H.R. 677** To establish a coordinated National Nutrition Monitoring and Related Research Program, and a comprehensive plan for the assessment of the nutritional and dietary status of the United States population and the nutritional quality of food consumed in the United States, with the provision for the conduct of scientific research and development in support of such program and plan.
- H.R. 987** To amend the Alaska National Interest Lands Conservation Act, to designate certain lands in the Tongass National Forest as wilderness, and for other purposes.
- H.R. 1078** To establish national policies and support and encourage international agreements that implement energy and natural resource conservation strategies appropriate to preventing the overheating of the Earth's atmosphere, known as the "greenhouse effect".
- H.R. 3402** To promote political and economic democracy in Poland and Hungary as those countries develop and implement programs of comprehensive economic reform.

MARLENEE, Ron of Montana

- H.R. 370** To direct the Office of Technology Assessment to conduct a study of the effects of the reclassification of anhydrous ammonia as a poisonous gas, to limit the authority of the Secretary of Transportation to take any action regarding such reclassification until after completion of such study, and for other purposes.
- H.R. 371** To direct a study by the Secretary of Agriculture of the classification of anhydrous ammonia as a poisonous gas for purposes of the Hazardous Materials Transportation Act, and for other purposes.
- H.R. 799** To authorize the Secretary of Agriculture to establish and carry out programs to eradicate the disease of scrapie in the sheep and goat populations of the United States and conduct research regarding scrapie.
- H.R. 802 *** Directing the Secretary of Agriculture to formulate proposals to reduce paperwork and recordkeeping required of agricultural producers, to study the feasibility of establishing an electronic system or network to facilitate such reduction, and for other purposes.
- H.R. 829** To make permanent the authority provided under the Temporary Emergency Wildfire Suppression Act.
- H.R. 1011** To provide for the establishment of the National Commission on Natural Resources Disasters, to provide for increased planning and cooperation with local firefighting forces in the event of forest fires, and for other purposes.

AUTHOR INDEX

MARLENEE, Ron of Montana—Continued

- H.R. 1736** To amend the Disaster Assistance Act of 1988 to protect winter wheat producers from yield losses on their 1989 crops caused by drought conditions.
- H.R. 2042** To amend title V of the Agricultural Act of 1949 to allow producers to provide the appropriate county committees with actual yields for the 1989 and subsequent crop years.
- H.R. 2065** To provide for studies and planning activities for improvement of tropical forest management, including forest management of insular areas and jurisdictions and public lands of the United States, and for other purposes.
- H.R. 2209** To enable producers of soybeans to develop, finance, and carry out a nationally coordinated program for soybean promotion, research, and consumer information, and for other purposes.
- H.R. 2232** Entitled, "Disaster Assistance Act of 1989".
- H.R. 2257** To amend the Potato Research and Promotion Act to provide improved methods of assessment that will finance a more effective marketing research and promotion program and provide for a more effective consumer information program designed to expand markets for potatoes.
- H.R. 2408** To transfer certain programs within the Department of Agriculture to a newly established Rural Development Administration, and for other purposes.
- H.R. 2409** To establish an emergency community water assistance grant program for eligible communities adversely affected by the droughts of 1988 and 1989.
- H.R. 2411** To establish new loan rates applicable for loans made for health care and related facilities under section 307(a)(3) of the Consolidated Farm and Rural Development Act.
- H.R. 2412** To authorize the Secretary of Agriculture to establish and maintain a central receiving facility at the Department of Agriculture for the storage and retrieval of data relating to Federal rural development programs.
- H.R. 2467** Entitled the "1988 Disaster Assistance Extension Act".
- H.R. 2869** To amend the Commodity Exchange Act to improve the regulation of futures and options traded under rules and regulations of the Commodity Futures Trading Commission, establish registration standards for all exchange floor traders, restrict practices which may lead to the abuse of outside customers of the marketplace, reinforce development of exchange audit trails to better enable the detection and prevention of such practices, establish higher standards for service on governing boards and disciplinary committees of self regulatory organizations, enhance the international regulation of futures trading, regularize the process of authorizing appropriations for the Commodity Futures Trading Commission, and for other purposes.
- H.R. 2973 *** Amending the Food Security Act of 1985 to provide farm program payment fairness and equity to married couples when both the husband and the wife contribute active personal management or labor to the operation of a farm enterprise, and for other purposes.
- H.R. 3048** To designate the Agricultural Research Service, U.S. Department of Agriculture, animal health research building in Clay Center, Nebraska, as the "Virginia D. Smith Animal Health Research Laboratory".
- H.R. 3270** Entitled, "The Farm Animal and Research Facilities Protection Act of 1989".
- H.R. 3292** To amend the Federal Insecticide, Fungicide, and Rodenticide Act and the Federal Food, Drug, and Cosmetic Act, and for other purposes.
- H.R. 3635 *** Directing the Secretary of Agriculture to treat equally all producers of agricultural commodities who replanted a crop following a disaster, and to operate a program for the removal and disposition of wheat and feed grains which have been sprout-damaged, and for other purposes.
- H.R. 3768 *** To allow the Secretary of the U.S. Department of Agriculture or other appropriate official to protect persons engaged in a lawful hunt within a National Forest or on other lands affected with a Federal interest; establishing an administrative civil remedy against individuals or groups intentionally obstructing, impeding, or interfering with the conduct of a lawful hunt; and for other purposes.
- H.Con.Res. 126** Urging the President to revoke Executive Order 12072, and thereby enabling the Secretary of Agriculture to properly select the location of federal facilities in compliance with the Rural Development Act of 1972.

MARTIN, David O'B. of New York

- H.R. 2228** To amend the Agricultural Act of 1949 to modify the operation of the price support program applicable to milk.
- H.R. 2257** To amend the Potato Research and Promotion Act to provide improved methods of assessment that will finance a more effective marketing research and promotion program and provide for a more effective consumer information program designed to expand markets for potatoes.
- H.R. 3270** Entitled, "The Farm Animal and Research Facilities Protection Act of 1989".
- H.R. 3292** To amend the Federal Insecticide, Fungicide, and Rodenticide Act and the Federal Food, Drug, and Cosmetic Act, and for other purposes.
- H.R. 3530** To improve rural development in the United States.

MARTIN, Lynn of Illinois

- H.R. 37** To authorize the water resources research activities of the United States Geological Survey, and for other purposes.
- H.R. 37** To authorize the water resources research activities of the United States Geological Survey, and for other purposes.
- H.R. 47** To establish a national alternative agricultural products board, a national institute for alternative agricultural products, and an agricultural industrial materials corporation, and for other purposes.
- H.R. 371** To direct a study by the Secretary of Agriculture of the classification of anhydrous ammonia as a poisonous gas for purposes of the Hazardous Materials Transportation Act, and for other purposes.
- H.R. 466** To reauthorize appropriations to carry out the Commodity Exchange Act.
- H.R. 768** To amend the United States Warehouse Act to specifically allow States to require grain elevators with Federal warehouse licenses to participate in State grain indemnity funds or to require collateral security.
- H.R. 2042** To amend title V of the Agricultural Act of 1949 to allow producers to provide the appropriate county committees with actual yields for the 1989 and subsequent crop years.
- H.R. 2209** To enable producers of soybeans to develop, finance, and carry out a nationally coordinated program for soybean promotion, research, and consumer information, and for other purposes.
- H.R. 2228** To amend the Agricultural Act of 1949 to modify the operation of the price support program applicable to milk.
- H.R. 2386** To amend the Agriculture Act of 1949 to establish eligibility requirements for agricultural commodity price support programs with respect to the delivery of irrigation water.
- H.R. 3402** To promote political and economic democracy in Poland and Hungary as those countries develop and implement programs of comprehensive economic reform.
- H.J.Res. 124** To recognize the 75th anniversary of the Smith-Lever Act of May 8, 1914, and its role in establishing our Nation's system of State Cooperative Extension Services.
- H.Con.Res. 91** Expressing the sense of the Congress with regard to supporting increased donations of commodities for international hunger alleviation purposes through purchases of agricultural commodities from the United States and developing countries financed by the Government of Japan.
- H.Con.Res. 140** Directing the appropriate committees of the Congress to give due consideration to the formulation and advancement of a comprehensive package of legislation dealing with the economic development needs of rural communities at the earliest possible date.

MARTINEZ, Matthew G. of California

- H.R. 84** To prohibit certain practices in the raising of calves for veal, and for other purposes.
- H.R. 425** To amend the Animal Welfare Act with respect to the issuance of temporary restraining orders and injunctions in certain cases.
- H.R. 500** To encourage scientific research and development of technologies relating to recycling, and for other purposes.

AUTHOR INDEX

MARTINEZ, Matthew G. of California—Continued

- H.R. 514 To establish labeling and advertising requirements for food or drink which are labeled "lite" or "light" or which make similar comparative claims to describe fat, sodium, or calorie content and for other purposes.
- H.R. 987 To amend the Alaska National Interest Lands Conservation Act, to designate certain lands in the Tongass National Forest as wilderness, and for other purposes.
- H.R. 1055 To restore balance among sources of supply for the Nation's sweetener needs, and for other purposes.
- H.R. 1078 To establish national policies and support and encourage international agreements that implement energy and natural resource conservation strategies appropriate to preventing the overheating of the Earth's atmosphere, known as the "greenhouse effect".
- H.R. 1387 To provide for the inspection of all commercial seafood destined for human consumption in the United States.
- H.R. 2345 To amend section 19 of the Animal Welfare Act (7 U.S.C. 2149).
- H.R. 2766 To amend the Animal Welfare Act to include mice, rats, and birds within the definition of animals protected under the Act.
- H.R. 3143 To establish a national energy policy to reduce global warming, and for other purposes.

MATSUI, Robert T. of California

- H.R. 500 To encourage scientific research and development of technologies relating to recycling, and for other purposes.
- H.R. 987 To amend the Alaska National Interest Lands Conservation Act, to designate certain lands in the Tongass National Forest as wilderness, and for other purposes.
- H.R. 1078 To establish national policies and support and encourage international agreements that implement energy and natural resource conservation strategies appropriate to preventing the overheating of the Earth's atmosphere, known as the "greenhouse effect".
- H.R. 2134 To amend the Federal Meat Inspection Act to authorize the distribution of wholesome meat for human consumption that has been condemned under that Act to charity and public agencies.

MATSUNAGA, Spark M. of Hawaii

- S. 253 To establish a coordinated National Nutrition Monitoring and Related Research Program, and a comprehensive plan for the assessment of the nutritional and dietary status of the United States population and the nutritional quality of food consumed in the United States, with the provision for the conduct of scientific research and development in support of such program and plan.
- S. 1036 To improve the economic, community, and educational well-being of rural America, and for other purposes.
- S. 1610 To develop a program to determine potential impacts of climate on agriculture and forestry, to provide for the development of policies designed to address issues of potential climate change, with respect both to developing a capacity for agriculture and forestry to adapt to climate change, and to developing innovative ways to ameliorate climate change, and for other purposes.

MAVROULES, Nicholas of Massachusetts

- H.R. 84 To prohibit certain practices in the raising of calves for veal, and for other purposes.
- H.R. 987 To amend the Alaska National Interest Lands Conservation Act, to designate certain lands in the Tongass National Forest as wilderness, and for other purposes.
- H.R. 1078 To establish national policies and support and encourage international agreements that implement energy and natural resource conservation strategies appropriate to preventing the overheating of the Earth's atmosphere, known as the "greenhouse effect".
- H.R. 2345 To amend section 19 of the Animal Welfare Act (7 U.S.C. 2149).
- H.J.Res. 271 Relating to responsible trade and conservation of tropical forest resources.

MAZZOLI, Romano L. of Kentucky

- H.R. 677 To establish a coordinated National Nutrition Monitoring and Related Research Program, and a comprehensive plan for the assessment of the nutritional and dietary status of the United States population and the nutritional quality of food consumed in the United States, with the provision for the conduct of scientific research and development in support of such program and plan.
- H.R. 2144 To improve forest management in urban areas and other communities, and for other purposes.

MCCANDLESS, Alfred A.(Al) of California

- H.R. 858 * To amend the Perishable Agricultural Commodities Act of 1930 (7 U.S.C. 499b) to require clear country of origin labeling on imported perishable agricultural products.

MCCLOSKEY, Frank of Indiana

- H.R. 677 To establish a coordinated National Nutrition Monitoring and Related Research Program, and a comprehensive plan for the assessment of the nutritional and dietary status of the United States population and the nutritional quality of food consumed in the United States, with the provision for the conduct of scientific research and development in support of such program and plan.
- H.R. 2042 To amend title V of the Agricultural Act of 1949 to allow producers to provide the appropriate county committees with actual yields for the 1989 and subsequent crop years.
- H.R. 3552 To amend the Agricultural Act of 1949 to foster and encourage a sustainable agricultural system in the United States.
- H.R. 3806 * To provide for an improved and expanded program of competitive grants for agricultural, food, and environmental research.

MCCOLLUM, Bill of Florida

- H.R. 1776 To provide for a nationally coordinated program of research, promotion, and consumer information regarding limes that is designed to expand domestic and foreign markets for limes.
- H.R. 2790 To authorize the Secretary of the Interior to study certain lands for potential inclusion in the national park system, the national wild and scenic rivers system, or the national forest system, and for other purposes.

MCCONNELL, Mitch of Kentucky

- S. 1036 To improve the economic, community, and educational well-being of rural America, and for other purposes.

MCCRERY, Jim of Louisiana

- H.R. 2258 To minimize the impact of agricultural nitrogen on ground water and surface water quality by establishing a national task force on agricultural best management practices and to amend section 319 of the Clean Water Act.
- H.R. 3768 To allow the Secretary of the U.S. Department of Agriculture or other appropriate official to protect persons engaged in a lawful hunt within a National Forest or on other lands affected with a Federal interest; establishing an administrative civil remedy against individuals or groups intentionally obstructing, impeding, or interfering with the conduct of a lawful hunt; and for other purposes.

AUTHOR INDEX

MCCURDY, Dave of Oklahoma

- H.R. 987 To amend the Alaska National Interest Lands Conservation Act, to designate certain lands in the Tongass National Forest as wilderness, and for other purposes.
- H.R. 2134 To amend the Federal Meat Inspection Act to authorize the distribution of wholesome meat for human consumption that has been condemned under that Act to charity and public agencies.
- H.R. 3270 Entitled, "The Farm Animal and Research Facilities Protection Act of 1989".

MCDADE, Joseph M. of Pennsylvania

- H.R. 371 To direct a study by the Secretary of Agriculture of the classification of anhydrous ammonia as a poisonous gas for purposes of the Hazardous Materials Transportation Act, and for other purposes.
- H.R. 2228 To amend the Agricultural Act of 1949 to modify the operation of the price support program applicable to milk.
- H.R. 2388 * To expand home ownership opportunities for low- and moderate-income families in rural areas.

MCDERMOTT, Jim of Washington

- H.R. 37 To authorize the water resources research activities of the United States Geological Survey, and for other purposes.
- H.R. 37 To authorize the water resources research activities of the United States Geological Survey, and for other purposes.
- H.R. 1078 To establish national policies and support and encourage international agreements that implement energy and natural resource conservation strategies appropriate to preventing the overheating of the Earth's atmosphere, known as the "greenhouse effect".
- H.R. 2213 To designate certain public lands in the State of Idaho as wilderness, and for other purposes.
- H.R. 3143 To establish a national energy policy to reduce global warming, and for other purposes.

MCEWEN, Bob of Ohio

- H.R. 37 To authorize the water resources research activities of the United States Geological Survey, and for other purposes.
- H.R. 37 To authorize the water resources research activities of the United States Geological Survey, and for other purposes.
- H.R. 281 * To amend the Food Security Act of 1985 to authorize and direct the Secretary of Agriculture to establish a strategic forage reserve comprised of multiyear set-aside acreage.
- H.R. 371 To direct a study by the Secretary of Agriculture of the classification of anhydrous ammonia as a poisonous gas for purposes of the Hazardous Materials Transportation Act, and for other purposes.
- H.R. 1505 To provide financial assistance for the commercialization of agricultural research, and for other purposes.
- H.R. 1541 To amend the Agricultural Act of 1949 with respect to the wheat and feed grains programs, and for other purposes.
- H.R. 2258 To minimize the impact of agricultural nitrogen on ground water and surface water quality by establishing a national task force on agricultural best management practices and to amend section 319 of the Clean Water Act.
- H.R. 2294 Directing the Secretary of Agriculture to provide an adjustment to permit flexibility in crop acreage bases.
- H.R. 2388 To expand home ownership opportunities for low- and moderate-income families in rural areas.
- H.R. 3164 To amend the Rural Electrification Act of 1936 to permit the prepayment and refinancing of Federal financing bank loans made to rural electrification and telephone systems.
- H.R. 3382 To provide grants to aid rural business and job creation in rural areas, to provide grants for emergency water assistance projects, and for other purposes.
- H.Con.Res. 91 Expressing the sense of the Congress with regard to supporting increased donations of commodities for international hunger alleviation purposes through purchases of agricultural commodities from the United States and developing countries financed by the Government of Japan.

MCGRATH, Raymond J. of New York

- H.R. 37 To authorize the water resources research activities of the United States Geological Survey, and for other purposes.
- H.R. 37 To authorize the water resources research activities of the United States Geological Survey, and for other purposes.
- H.R. 84 To prohibit certain practices in the raising of calves for veal, and for other purposes.
- H.R. 425 To amend the Animal Welfare Act with respect to the issuance of temporary restraining orders and injunctions in certain cases.
- H.R. 578 To amend the Animal Welfare Act to prohibit dog racing and dog training involving the use of live animals as visual lures and to make such Act applicable to facilities that are used for dog racing or dog race training.
- H.R. 2734 To inaugurate a comprehensive program of environmental research, development, and demonstration relating to contamination and depletion of ground water and ground water resources; and to establish an Interagency Ground Water Research Committee to improve coordination among Federal agencies and provide assistance for implementation of State management programs.

MCHUGH, Matthew F. of New York

- H.R. 37 To authorize the water resources research activities of the United States Geological Survey, and for other purposes.
- H.R. 37 To authorize the water resources research activities of the United States Geological Survey, and for other purposes.
- H.R. 987 To amend the Alaska National Interest Lands Conservation Act, to designate certain lands in the Tongass National Forest as wilderness, and for other purposes.
- H.R. 2228 To amend the Agricultural Act of 1949 to modify the operation of the price support program applicable to milk.
- H.R. 2345 To amend section 19 of the Animal Welfare Act (7 U.S.C. 2149).
- H.J.Res. 124 To recognize the 75th anniversary of the Smith-Lever Act of May 8, 1914, and its role in establishing our Nation's system of State Cooperative Extension Services.

MCMILLAN, J. Alex of North Carolina

- H.R. 987 To amend the Alaska National Interest Lands Conservation Act, to designate certain lands in the Tongass National Forest as wilderness, and for other purposes.
- H.R. 3482 To provide disaster assistance to private timber producers for the reestablishment of timber stands necessitated by Hurricane Hugo.

MCMILLEN, C. Thomas of Maryland

- H.R. 1388 To enhance the ability of the Federal Crop Insurance Corporation to encourage the sale of Federal crop insurance to producers of agricultural commodities, and for other purposes.
- H.R. 2734 To inaugurate a comprehensive program of environmental research, development, and demonstration relating to contamination and depletion of ground water and ground water resources; and to establish an Interagency Ground Water Research Committee to improve coordination among Federal agencies and provide assistance for implementation of State management programs.

MCNULTY, Michael R. of New York

- H.R. 500 To encourage scientific research and development of technologies relating to recycling, and for other purposes.
- H.R. 514 To establish labeling and advertising requirements for food or drink which are labeled "lite" or "light" or which make similar comparative claims to describe fat, sodium, or calorie content and for other purposes.

AUTHOR INDEX

MCNULTY, Michael R. of New York—Continued

- H.R. 2228** To amend the Agricultural Act of 1949 to modify the operation of the price support program applicable to milk.
- H.R. 3160** To provide additional food assistance to Poland in the form of donated surplus agricultural commodities held in the Commodity Credit Corporation.
- H.R. 3307** To promote political democracy and economic pluralism in Poland and Hungary by assisting those nations during a critical period of transition and abetting the development in those nations of private business sectors, labor market reforms, and democratic institutions; to establish, through these steps, the framework for a composite program of support for East European Democracy; and for other purposes.

METZENBAUM, Howard M. of Ohio

- S. 1036** To improve the economic, community, and educational well-being of rural America, and for other purposes.

MEYERS, Jan of Kansas

- H.R. 37** To authorize the water resources research activities of the United States Geological Survey, and for other purposes.
- H.R. 37** To authorize the water resources research activities of the United States Geological Survey, and for other purposes.
- H.R. 425** To amend the Animal Welfare Act with respect to the issuance of temporary restraining orders and injunctions in certain cases.
- H.R. 1078** To establish national policies and support and encourage international agreements that implement energy and natural resource conservation strategies appropriate to preventing the overheating of the Earth's atmosphere, known as the "greenhouse effect".
- H.R. 1232** To amend the Rural Electrification Act of 1936.
- H.R. 3048** To designate the Agricultural Research Service, U.S. Department of Agriculture, animal health research building in Clay Center, Nebraska, as the "Virginia D. Smith Animal Health Research Laboratory".
- H.R. 3402** To promote political and economic democracy in Poland and Hungary as those countries develop and implement programs of comprehensive economic reform.

MFUME, Kweisi of Maryland

- H.R. 84** To prohibit certain practices in the raising of calves for veal, and for other purposes.
- H.R. 514** To establish labeling and advertising requirements for food or drink which are labeled "lite" or "light" or which make similar comparative claims to describe fat, sodium, or calorie content and for other purposes.
- H.R. 1388** To enhance the ability of the Federal Crop Insurance Corporation to encourage the sale of Federal crop insurance to producers of agricultural commodities, and for other purposes.

MICHEL, Robert H. of Illinois

- H.R. 3402** To promote political and economic democracy in Poland and Hungary as those countries develop and implement programs of comprehensive economic reform.

MIKULSKI, Barbara of Maryland

- S. 1036** To improve the economic, community, and educational well-being of rural America, and for other purposes.

MILLER, Clarence E. of Ohio

- H.R. 425** To amend the Animal Welfare Act with respect to the issuance of temporary restraining orders and injunctions in certain cases.
- H.R. 2213** To designate certain public lands in the State of Idaho as wilderness, and for other purposes.

MILLER, George of California

- H.R. 37** To authorize the water resources research activities of the United States Geological Survey, and for other purposes.
- H.R. 37** To authorize the water resources research activities of the United States Geological Survey, and for other purposes.
- H.R. 84** To prohibit certain practices in the raising of calves for veal, and for other purposes.
- H.R. 500** To encourage scientific research and development of technologies relating to recycling, and for other purposes.
- H.R. 987** To amend the Alaska National Interest Lands Conservation Act, to designate certain lands in the Tongass National Forest as wilderness, and for other purposes.
- H.R. 1078** To establish national policies and support and encourage international agreements that implement energy and natural resource conservation strategies appropriate to preventing the overheating of the Earth's atmosphere, known as the "greenhouse effect".
- H.R. 2386** To amend the Agriculture Act of 1949 to establish eligibility requirements for agricultural commodity price support programs with respect to the delivery of irrigation water.
- H.R. 3099** To provide for the improved management of the nation's water resources.
- H.R. 3648** To help Puerto Rico and the Virgin Islands recover from devastation caused by Hurricane Hugo.
- H.J.Res. 271** Relating to responsible trade and conservation of tropical forest resources.

MILLER, John of Washington

- H.R. 425** To amend the Animal Welfare Act with respect to the issuance of temporary restraining orders and injunctions in certain cases.
- H.R. 500** To encourage scientific research and development of technologies relating to recycling, and for other purposes.
- H.R. 987** To amend the Alaska National Interest Lands Conservation Act, to designate certain lands in the Tongass National Forest as wilderness, and for other purposes.
- H.R. 1078** To establish national policies and support and encourage international agreements that implement energy and natural resource conservation strategies appropriate to preventing the overheating of the Earth's atmosphere, known as the "greenhouse effect".
- H.R. 2213** To designate certain public lands in the State of Idaho as wilderness, and for other purposes.
- H.R. 3402** To promote political and economic democracy in Poland and Hungary as those countries develop and implement programs of comprehensive economic reform.

MINETA, Norman Y. of California

- H.R. 37** To authorize the water resources research activities of the United States Geological Survey, and for other purposes.
- H.R. 37** To authorize the water resources research activities of the United States Geological Survey, and for other purposes.
- H.R. 500** To encourage scientific research and development of technologies relating to recycling, and for other purposes.
- H.R. 514** To establish labeling and advertising requirements for food or drink which are labeled "lite" or "light" or which make similar comparative claims to describe fat, sodium, or calorie content and for other purposes.

AUTHOR INDEX

MINETA, Norman Y. of California—Continued

- H.R. 677** To establish a coordinated National Nutrition Monitoring and Related Research Program, and a comprehensive plan for the assessment of the nutritional and dietary status of the United States population and the nutritional quality of food consumed in the United States, with the provision for the conduct of scientific research and development in support of such program and plan.
- H.R. 987** To amend the Alaska National Interest Lands Conservation Act, to designate certain lands in the Tongass National Forest as wilderness, and for other purposes.
- H.R. 1078** To establish national policies and support and encourage international agreements that implement energy and natural resource conservation strategies appropriate to preventing the overheating of the Earth's atmosphere, known as the "greenhouse effect".
- H.R. 2406** To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 to strengthen the restraints upon clearcutting and certain other cutting practices in the National Forests of the United States.
- H.R. 2734** To inaugurate a comprehensive program of environmental research, development, and demonstration relating to contamination and depletion of ground water and ground water resources; and to establish an Interagency Ground Water Research Committee to improve coordination among Federal agencies and provide assistance for implementation of State management programs.
- H.J.Res. 271** Relating to responsible trade and conservation of tropical forest resources.

MITCHELL, George J. of Maine

- S. 1036** To improve the economic, community, and educational well-being of rural America, and for other purposes.

MOAKLEY, Joe of Massachusetts

- H.R. 500** To encourage scientific research and development of technologies relating to recycling, and for other purposes.
- H.R. 514** To establish labeling and advertising requirements for food or drink which are labeled "lite" or "light" or which make similar comparative claims to describe fat, sodium, or calorie content and for other purposes.
- H.R. 677** To establish a coordinated National Nutrition Monitoring and Related Research Program, and a comprehensive plan for the assessment of the nutritional and dietary status of the United States population and the nutritional quality of food consumed in the United States, with the provision for the conduct of scientific research and development in support of such program and plan.
- H.R. 987** To amend the Alaska National Interest Lands Conservation Act, to designate certain lands in the Tongass National Forest as wilderness, and for other purposes.
- H.R. 1055** To restore balance among sources of supply for the Nation's sweetener needs, and for other purposes.
- H.R. 1078** To establish national policies and support and encourage international agreements that implement energy and natural resource conservation strategies appropriate to preventing the overheating of the Earth's atmosphere, known as the "greenhouse effect".
- H.R. 2134** To amend the Federal Meat Inspection Act to authorize the distribution of wholesome meat for human consumption that has been condemned under that Act to charity and public agencies.
- H.J.Res. 124** To recognize the 75th anniversary of the Smith-Lever Act of May 8, 1914, and its role in establishing our Nation's system of State Cooperative Extension Services.

MOLLOHAN, Alan B. of West Virginia

- H.R. 84** To prohibit certain practices in the raising of calves for veal, and for other purposes.
- H.R. 425** To amend the Animal Welfare Act with respect to the issuance of temporary restraining orders and injunctions in certain cases.
- H.R. 2134** To amend the Federal Meat Inspection Act to authorize the distribution of wholesome meat for human consumption that has been condemned under that Act to charity and public agencies.

- H.R. 2881** To amend the Public Health Service Act to establish a program of block grants to the States for the purpose of consolidating Federal programs with respect to maternal and child health.
- H.R. 3382** To provide grants to aid rural business and job creation in rural areas, to provide grants for emergency water assistance projects, and for other purposes.
- H.J.Res. 124** To recognize the 75th anniversary of the Smith-Lever Act of May 8, 1914, and its role in establishing our Nation's system of State Cooperative Extension Services.

MONTGOMERY, G. V. (Sonny) of Mississippi

- H.R. 2209** To enable producers of soybeans to develop, finance, and carry out a nationally coordinated program for soybean promotion, research, and consumer information, and for other purposes.
- H.R. 3382** To provide grants to aid rural business and job creation in rural areas, to provide grants for emergency water assistance projects, and for other purposes.

MOODY, Jim of Wisconsin

- H.R. 425** To amend the Animal Welfare Act with respect to the issuance of temporary restraining orders and injunctions in certain cases.
- H.R. 677** To establish a coordinated National Nutrition Monitoring and Related Research Program, and a comprehensive plan for the assessment of the nutritional and dietary status of the United States population and the nutritional quality of food consumed in the United States, with the provision for the conduct of scientific research and development in support of such program and plan.
- H.R. 987** To amend the Alaska National Interest Lands Conservation Act, to designate certain lands in the Tongass National Forest as wilderness, and for other purposes.
- H.R. 1055** To restore balance among sources of supply for the Nation's sweetener needs, and for other purposes.
- H.R. 1078** To establish national policies and support and encourage international agreements that implement energy and natural resource conservation strategies appropriate to preventing the overheating of the Earth's atmosphere, known as the "greenhouse effect".
- H.R. 2144** To improve forest management in urban areas and other communities, and for other purposes.
- H.R. 2209** To enable producers of soybeans to develop, finance, and carry out a nationally coordinated program for soybean promotion, research, and consumer information, and for other purposes.
- H.R. 2213** To designate certain public lands in the State of Idaho as wilderness, and for other purposes.
- H.R. 3382** To provide grants to aid rural business and job creation in rural areas, to provide grants for emergency water assistance projects, and for other purposes.

MOORHEAD, Carlos J. of California

- H.R. 3402** To promote political and economic democracy in Poland and Hungary as those countries develop and implement programs of comprehensive economic reform.

MORELLA, Constance A. of Maryland

- H.R. 37** To authorize the water resources research activities of the United States Geological Survey, and for other purposes.
- H.R. 37** To authorize the water resources research activities of the United States Geological Survey, and for other purposes.
- H.R. 84** To prohibit certain practices in the raising of calves for veal, and for other purposes.
- H.R. 500** To encourage scientific research and development of technologies relating to recycling, and for other purposes.

AUTHOR INDEX

MORELLA, Constance A. of Maryland—Continued

- H.R. 677** To establish a coordinated National Nutrition Monitoring and Related Research Program, and a comprehensive plan for the assessment of the nutritional and dietary status of the United States population and the nutritional quality of food consumed in the United States, with the provision for the conduct of scientific research and development in support of such program and plan.
- H.R. 987** To amend the Alaska National Interest Lands Conservation Act, to designate certain lands in the Tongass National Forest as wilderness, and for other purposes.

- H.R. 2213** To designate certain public lands in the State of Idaho as wilderness, and for other purposes.
- H.R. 2320** To designate certain lands in the State of Nevada as wilderness, and for other purposes.
- H.R. 2386** To amend the Agriculture Act of 1949 to establish eligibility requirements for agricultural commodity price support programs with respect to the delivery of irrigation water.
- H.R. 3099** To provide for the improved management of the nation's water resources.
- H.J.Res. 271** Relating to responsible trade and conservation of tropical forest resources.

MORRISON, Sid of Washington

- H.R. 829** To make permanent the authority provided under the Temporary Emergency Wildfire Suppression Act.
- H.R. 1011** To provide for the establishment of the National Commission on Natural Resources Disasters, to provide for increased planning and cooperation with local firefighting forces in the event of forest fires, and for other purposes.

- H.R. 1368** To amend the joint resolution entitled a "Joint Resolution to authorize the Secretary of Agriculture to sell timber within the Tongass National Forest", and for other purposes.
- H.R. 2498** To transfer certain programs within the Department of Agriculture to a newly established Rural Development Administration, and for other purposes.
- H.R. 2409** To establish an emergency community water assistance grant program for eligible communities adversely affected by the droughts of 1988 and 1989.
- H.R. 2411** To establish new loan rates applicable for loans made for health care and related facilities under section 307(a)(3) of the Consolidated Farm and Rural Development Act.
- H.R. 2412** To authorize the Secretary of Agriculture to establish and maintain a central receiving facility at the Department of Agriculture for the storage and retrieval of data relating to Federal rural development programs.
- H.R. 2734** To inaugurate a comprehensive program of environmental research, development, and demonstration relating to contamination and depletion of ground water and ground water resources; and to establish an Interagency Ground Water Research Committee to improve coordination among Federal agencies and provide assistance for implementation of State management programs.
- H.R. 2973** Amending the Food Security Act of 1985 to provide farm program payment fairness and equity to married couples when both the husband and the wife contribute active personal management or labor to the operation of a farm enterprise, and for other purposes.
- H.R. 3048** To designate the Agricultural Research Service, U.S. Department of Agriculture, animal health research building in Clay Center, Nebraska, as the "Virginia D. Smith Animal Health Research Laboratory".
- H.R. 3270** Entitled, "The Farm Animal and Research Facilities Protection Act of 1989".
- H.R. 3292** To amend the Federal Insecticide, Fungicide, and Rodenticide Act and the Federal Food, Drug, and Cosmetic Act, and for other purposes.
- H.R. 3454** To authorize the Secretary of Agriculture to carry out a Forest Stewardship Assistance Program for owners of nonindustrial private forest land, and for other purposes.
- H.R. 3508** To expand the inspection by the Secretary of Agriculture of the Nation's food supply to ensure the safety and wholesomeness of the Nation's supply of fish, shellfish, and other marine and freshwater aquatic food.
- H.R. 3514** To establish within the Department of Agriculture an Office of Integrated Pest Management, and for other purposes.
- H.R. 3519** To amend the Rural Development Act of 1972 to assist rural counties in developing a comprehensive plan for building a renewable community resource base, fostering youth leadership, increasing productivity over time, and becoming integrated into the global economy.
- H.R. 3574** To provide for the coordination of ground water policy within the Department of Agriculture, and for other purposes.
- H.Con.Res. 126** Urging the President to revoke Executive Order 12072, and thereby enabling the Secretary of Agriculture to properly select the location of federal facilities in compliance with the Rural Development Act of 1972.

MOYNIHAN, Daniel Patrick of New York

- S. 253** To establish a coordinated National Nutrition Monitoring and Related Research Program, and a comprehensive plan for the assessment of the nutritional and dietary status of the United States population and the nutritional quality of food consumed in the United States, with the provision for the conduct of scientific research and development in support of such program and plan.

MRAZEK, Robert J. of New York

- H.R. 37** To authorize the water resources research activities of the United States Geological Survey, and for other purposes.
- H.R. 37** To authorize the water resources research activities of the United States Geological Survey, and for other purposes.

AUTHOR INDEX

MRAZEK, Robert J. of New York—Continued

- H.R. 84 To prohibit certain practices in the raising of calves for veal, and for other purposes.
- H.R. 425 To amend the Animal Welfare Act with respect to the issuance of temporary restraining orders and injunctions in certain cases.
- H.R. 500 To encourage scientific research and development of technologies relating to recycling, and for other purposes.
- H.R. 514 To establish labeling and advertising requirements for food or drink which are labeled "lite" or "light" or which make similar comparative claims to describe fat, sodium, or calorie content and for other purposes.
- H.R. 578 To amend the Animal Welfare Act to prohibit dog racing and dog training involving the use of live animals as visual lures and to make such Act applicable to facilities that are used for dog racing or dog race training.
- H.R. 764 To amend the Agricultural Act of 1949 to allow producers to devote acreage conservation reserve acreage to water storage.
- H.R. 987 * To amend the Alaska National Interest Lands Conservation Act, to designate certain lands in the Tongass National Forest as wilderness, and for other purposes.
- H.R. 1055 To restore balance among sources of supply for the Nation's sweetener needs, and for other purposes.
- H.R. 1078 To establish national policies and support and encourage international agreements that implement energy and natural resource conservation strategies appropriate to preventing the overheating of the Earth's atmosphere, known as the "greenhouse effect".
- H.R. 2734 To inaugurate a comprehensive program of environmental research, development, and demonstration relating to contamination and depletion of ground water and ground water resources; and to establish an Interagency Ground Water Research Committee to improve coordination among Federal agencies and provide assistance for implementation of State management programs.
- H.R. 3362 To establish a national policy of "no net loss of forests", to direct the President to work for a declaration of a State of Emergency for Global Forests, to establish forest protection and forest restoration programs as a national priority, to support a global forest resource survey, to create an Endangered Forests Research Initiative, and to initiate a joint United States-Japan effort for global forest restoration.

MURPHY, Austin J. of Pennsylvania

- H.R. 371 To direct a study by the Secretary of Agriculture of the classification of anhydrous ammonia as a poisonous gas for purposes of the Hazardous Materials Transportation Act, and for other purposes.
- H.R. 677 To establish a coordinated National Nutrition Monitoring and Related Research Program, and a comprehensive plan for the assessment of the nutritional and dietary status of the United States population and the nutritional quality of food consumed in the United States, with the provision for the conduct of scientific research and development in support of such program and plan.
- H.R. 3382 To provide grants to aid rural business and job creation in rural areas, to provide grants for emergency water assistance projects, and for other purposes.
- H.R. 3530 To improve rural development in the United States.
- H.R. 3768 To allow the Secretary of the U.S. Department of Agriculture or other appropriate official to protect persons engaged in a lawful hunt within a National Forest or on other lands affected with a Federal interest; establishing an administrative civil remedy against individuals or groups intentionally obstructing, impeding, or interfering with the conduct of a lawful hunt; and for other purposes.

MURTHA, John P. of Pennsylvania

- H.R. 37 To authorize the water resources research activities of the United States Geological Survey, and for other purposes.
- H.R. 37 To authorize the water resources research activities of the United States Geological Survey, and for other purposes.
- H.R. 371 To direct a study by the Secretary of Agriculture of the classification of anhydrous ammonia as a poisonous gas for purposes of the Hazardous Materials Transportation Act, and for other purposes.
- H.R. 1526 To amend the Food Security Act of 1985 with respect to wetlands, and for other purposes.

- H.J.Res. 124 To recognize the 75th anniversary of the Smith-Lever Act of May 8, 1914, and its role in establishing our Nation's system of State Cooperative Extension Services.

MYERS, John T. of Indiana

- H.R. 2209 To enable producers of soybeans to develop, finance, and carry out a nationally coordinated program for soybean promotion, research, and consumer information, and for other purposes.
- H.R. 3048 To designate the Agricultural Research Service, U.S. Department of Agriculture, animal health research building in Clay Center, Nebraska, as the "Virginia D. Smith Animal Health Research Laboratory".
- H.R. 3164 To amend the Rural Electrification Act of 1936 to permit the prepayment and refinancing of Federal financing bank loans made to rural electrification and telephone systems.
- H.R. 3270 Entitled, "The Farm Animal and Research Facilities Protection Act of 1989".

NAGLE, David R. of Iowa

- H.R. 371 To direct a study by the Secretary of Agriculture of the classification of anhydrous ammonia as a poisonous gas for purposes of the Hazardous Materials Transportation Act, and for other purposes.
- H.R. 799 To authorize the Secretary of Agriculture to establish and carry out programs to eradicate the disease of scrapie in the sheep and goat populations of the United States and conduct research regarding scrapie.
- H.R. 802 Directing the Secretary of Agriculture to formulate proposals to reduce paperwork and recordkeeping required of agricultural producers, to study the feasibility of establishing an electronic system or network to facilitate such reduction, and for other purposes.
- H.R. 1505 To provide financial assistance for the commercialization of agricultural research, and for other purposes.
- H.R. 2042 To amend title V of the Agricultural Act of 1949 to allow producers to provide the appropriate county committees with actual yields for the 1989 and subsequent crop years.
- H.R. 2209 To enable producers of soybeans to develop, finance, and carry out a nationally coordinated program for soybean promotion, research, and consumer information, and for other purposes.
- H.R. 2213 To designate certain public lands in the State of Idaho as wilderness, and for other purposes.
- H.R. 2467 Entitled the "1988 Disaster Assistance Extension Act".
- H.R. 2706 To amend the Food Security Act of 1985 to improve the program under which the Secretary of Agriculture may settle certain loans, and for other purposes.
- H.R. 2869 To amend the Commodity Exchange Act to improve the regulation of futures and options traded under rules and regulations of the Commodity Futures Trading Commission, establish registration standards for all exchange floor traders, restrict practices which may lead to the abuse of outside customers of the marketplace, reinforce development of exchange audit trails to better enable the detection and prevention of such practices, establish higher standards for service on governing boards and disciplinary committees of self regulatory organizations, enhance the international regulation of futures trading, regularize the process of authorizing appropriations for the Commodity Futures Trading Commission, and for other purposes.
- H.R. 3048 To designate the Agricultural Research Service, U.S. Department of Agriculture, animal health research building in Clay Center, Nebraska, as the "Virginia D. Smith Animal Health Research Laboratory".
- H.R. 3270 Entitled, "The Farm Animal and Research Facilities Protection Act of 1989".
- H.R. 3292 To amend the Federal Insecticide, Fungicide, and Rodenticide Act and the Federal Food, Drug, and Cosmetic Act, and for other purposes.
- H.R. 3402 To promote political and economic democracy in Poland and Hungary as those countries develop and implement programs of comprehensive economic reform.
- H.R. 3552 To amend the Agricultural Act of 1949 to foster and encourage a sustainable agricultural system in the United States.

AUTHOR INDEX

NATCHER, William H. of Kentucky

- H.R. 2209** To enable producers of soybeans to develop, finance, and carry out a nationally coordinated program for soybean promotion, research, and consumer information, and for other purposes.
- H.R. 3048** To designate the Agricultural Research Service, U.S. Department of Agriculture, animal health research building in Clay Center, Nebraska, as the "Virginia D. Smith Animal Health Research Laboratory".
- H.J.Res. 124** To recognize the 75th anniversary of the Smith-Lever Act of May 8, 1914, and its role in establishing our Nation's system of State Cooperative Extension Services.

NEAL, Richard E. of Massachusetts

- H.R. 3071** To consolidate food inspection functions in the Department of Agriculture.
- H.R. 3307** To promote political democracy and economic pluralism in Poland and Hungary by assisting those nations during a critical period of transition and abetting the development in those nations of private business sectors, labor market reforms, and democratic institutions; to establish, through these steps, the framework for a composite program of support for East European Democracy; and for other purposes.
- H.J.Res. 124** To recognize the 75th anniversary of the Smith-Lever Act of May 8, 1914, and its role in establishing our Nation's system of State Cooperative Extension Services.

NEAL, Stephen L. of North Carolina

- H.R. 37** To authorize the water resources research activities of the United States Geological Survey, and for other purposes.
- H.R. 37** To authorize the water resources research activities of the United States Geological Survey, and for other purposes.
- H.R. 294 *** To amend the Food Security Act of 1985 to provide an additional exemption to program ineligibility for production on highly erodible land, and to provide a two-year moratorium on that program ineligibility while its effects are studied.
- H.R. 425** To amend the Animal Welfare Act with respect to the issuance of temporary restraining orders and injunctions in certain cases.
- H.R. 500** To encourage scientific research and development of technologies relating to recycling, and for other purposes.
- H.R. 677** To establish a coordinated National Nutrition Monitoring and Related Research Program, and a comprehensive plan for the assessment of the nutritional and dietary status of the United States population and the nutritional quality of food consumed in the United States, with the provision for the conduct of scientific research and development in support of such program and plan.
- H.R. 987** To amend the Alaska National Interest Lands Conservation Act, to designate certain lands in the Tongass National Forest as wilderness, and for other purposes.
- H.R. 1078** To establish national policies and support and encourage international agreements that implement energy and natural resource conservation strategies appropriate to preventing the overheating of the Earth's atmosphere, known as the "greenhouse effect".
- H.R. 1526** To amend the Food Security Act of 1985 with respect to wetlands, and for other purposes.
- H.R. 1729** To amend Federal laws to grant the same rights and privileges afforded to blind individuals who depend on seeing-eye dogs to other disabled individuals who depend on guide, hearing, or service dogs, or other animals, to assist them.
- H.R. 2144** To improve forest management in urban areas and other communities, and for other purposes.
- H.R. 2386** To amend the Agriculture Act of 1949 to establish eligibility requirements for agricultural commodity price support programs with respect to the delivery of irrigation water.
- H.R. 3270** Entitled, "The Farm Animal and Research Facilities Protection Act of 1989".

- H.R. 3362** To establish a national policy of "no net loss of forests", to direct the President to work for a declaration of a State of Emergency for Global Forests, to establish forest protection and forest restoration programs as a national priority, to support a global forest resource survey, to create an Endangered Forests Research Initiative, and to initiate a joint United States-Japan effort for global forest restoration.
- H.R. 3382** To provide grants to aid rural business and job creation in rural areas, to provide grants for emergency water assistance projects, and for other purposes.
- H.R. 3508** To expand the inspection by the Secretary of Agriculture of the Nation's food supply to ensure the safety and wholesomeness of the Nation's supply of fish, shellfish, and other marine and freshwater aquatic food.

NELSON, Bill of Florida

- H.R. 37** To authorize the water resources research activities of the United States Geological Survey, and for other purposes.
- H.R. 37** To authorize the water resources research activities of the United States Geological Survey, and for other purposes.
- H.R. 84** To prohibit certain practices in the raising of calves for veal, and for other purposes.
- H.R. 677** To establish a coordinated National Nutrition Monitoring and Related Research Program, and a comprehensive plan for the assessment of the nutritional and dietary status of the United States population and the nutritional quality of food consumed in the United States, with the provision for the conduct of scientific research and development in support of such program and plan.
- H.R. 987** To amend the Alaska National Interest Lands Conservation Act, to designate certain lands in the Tongass National Forest as wilderness, and for other purposes.
- H.R. 1078** To establish national policies and support and encourage international agreements that implement energy and natural resource conservation strategies appropriate to preventing the overheating of the Earth's atmosphere, known as the "greenhouse effect".
- H.R. 1776** To provide for a nationally coordinated program of research, promotion, and consumer information regarding limes that is designed to expand domestic and foreign markets for limes.
- H.R. 1880** To authorize a National Agricultural Weather Information System, to establish an Office of Agricultural Weather and Climatology in the U.S. Department of Agriculture, and for other purposes.
- H.R. 2734** To inaugurate a comprehensive program of environmental research, development, and demonstration relating to contamination and depletion of ground water and ground water resources; and to establish an Interagency Ground Water Research Committee to improve coordination among Federal agencies and provide assistance for implementation of State management programs.
- H.R. 3382** To provide grants to aid rural business and job creation in rural areas, to provide grants for emergency water assistance projects, and for other purposes.

NIELSON, Howard C. of Utah

- H.R. 371** To direct a study by the Secretary of Agriculture of the classification of anhydrous ammonia as a poisonous gas for purposes of the Hazardous Materials Transportation Act, and for other purposes.
- H.R. 1645** To permit timber sales and related activities on National Forest System lands during a 5-year period of study of the status of the Northern Spotted Owl, and for other purposes.
- H.R. 2737** To require the payment of interest on moneys affected by injunctions on Federal timber sales.
- H.R. 3270** Entitled, "The Farm Animal and Research Facilities Protection Act of 1989".
- H.R. 3292** To amend the Federal Insecticide, Fungicide, and Rodenticide Act and the Federal Food, Drug, and Cosmetic Act, and for other purposes.
- H.R. 3402** To promote political and economic democracy in Poland and Hungary as those countries develop and implement programs of comprehensive economic reform.
- H.R. 3617 *** To transfer jurisdiction of certain public lands in the State of Utah to the Forest Service, and for other purposes.

AUTHOR INDEX

NIELSON, Howard C. of Utah—Continued

- H.R. 3768** To allow the Secretary of the U.S. Department of Agriculture or other appropriate official to protect persons engaged in a lawful hunt within a National Forest or on other lands affected with a Federal interest; establishing an administrative civil remedy against individuals or groups intentionally obstructing, impeding, or interfering with the conduct of a lawful hunt; and for other purposes.
- H.Con.Res. 140** Directing the appropriate committees of the Congress to give due consideration to the formulation and advancement of a comprehensive package of legislation dealing with the economic development needs of rural communities at the earliest possible date.

NOWAK, Henry J. of New York

- H.R. 425** To amend the Animal Welfare Act with respect to the issuance of temporary restraining orders and injunctions in certain cases.
- H.R. 500** To encourage scientific research and development of technologies relating to recycling, and for other purposes.
- H.R. 677** To establish a coordinated National Nutrition Monitoring and Related Research Program, and a comprehensive plan for the assessment of the nutritional and dietary status of the United States population and the nutritional quality of food consumed in the United States, with the provision for the conduct of scientific research and development in support of such program and plan.
- H.R. 1078** To establish national policies and support and encourage international agreements that implement energy and natural resource conservation strategies appropriate to preventing the overheating of the Earth's atmosphere, known as the "greenhouse effect".
- H.R. 1387** To provide for the inspection of all commercial seafood destined for human consumption in the United States.
- H.R. 3307** To promote political democracy and economic pluralism in Poland and Hungary by assisting those nations during a critical period of transition and abetting the development in those nations of private business sectors, labor market reforms, and democratic institutions; to establish, through these steps, the framework for a composite program of support for East European Democracy; and for other purposes.
- H.R. 3402** To promote political and economic democracy in Poland and Hungary as those countries develop and implement programs of comprehensive economic reform.
- H.Con.Res. 158 *** Relating to a White House conference on water resources.

NUNN, Sam of Georgia

- S. 253** To establish a coordinated National Nutrition Monitoring and Related Research Program, and a comprehensive plan for the assessment of the nutritional and dietary status of the United States population and the nutritional quality of food consumed in the United States, with the provision for the conduct of scientific research and development in support of such program and plan.

OAKAR, Mary Rose of Ohio

- H.R. 500** To encourage scientific research and development of technologies relating to recycling, and for other purposes.

OBERSTAR, James L. of Minnesota

- H.R. 84** To prohibit certain practices in the raising of calves for veal, and for other purposes.
- H.R. 599 *** To prevent ground water contamination by pesticides.
- H.R. 1078** To establish national policies and support and encourage international agreements that implement energy and natural resource conservation strategies appropriate to preventing the overheating of the Earth's atmosphere, known as the "greenhouse effect".
- H.R. 1137** To amend the Agricultural Act of 1949 to provide for the modification of the milk price support system contingent on the results of a producer referendum.

- H.R. 1138** To amend the Agricultural Act of 1949 to remove the authority to reduce the level of price support for milk for calendar year 1990.
- H.R. 1139** To authorize the Secretary of Agriculture to issue a nationwide marketing order applicable to milk and milk products, and for other purposes.
- H.R. 2209** To enable producers of soybeans to develop, finance, and carry out a nationally coordinated program for soybean promotion, research, and consumer information, and for other purposes.
- H.R. 2228** To amend the Agricultural Act of 1949 to modify the operation of the price support program applicable to milk.
- H.R. 3132** To amend the Food Security Act of 1985 to require the Secretary of Agriculture to use multiyear set-asides to establish wildlife habitats and feeding areas.
- H.R. 3164** To amend the Rural Electrification Act of 1936 to permit the prepayment and refinancing of Federal financing bank loans made to rural electrification and telephone systems.
- H.R. 3270** Entitled, "The Farm Animal and Research Facilities Protection Act of 1989".
- H.R. 3382** To provide grants to aid rural business and job creation in rural areas, to provide grants for emergency water assistance projects, and for other purposes.

OBEY, David R. of Wisconsin

- H.R. 501** To repeal the minimum adjustments to prices of fluid milk under Federal marketing orders and to establish basing points in various geographical areas of the United States for purposes of determining prices to be paid to milk producers under such orders.
- H.R. 1137** To amend the Agricultural Act of 1949 to provide for the modification of the milk price support system contingent on the results of a producer referendum.
- H.R. 1138 *** To amend the Agricultural Act of 1949 to remove the authority to reduce the level of price support for milk for calendar year 1990.
- H.R. 1139** To authorize the Secretary of Agriculture to issue a nationwide marketing order applicable to milk and milk products, and for other purposes.
- H.R. 2209** To enable producers of soybeans to develop, finance, and carry out a nationally coordinated program for soybean promotion, research, and consumer information, and for other purposes.
- H.R. 2228** To amend the Agricultural Act of 1949 to modify the operation of the price support program applicable to milk.
- H.R. 3382** To provide grants to aid rural business and job creation in rural areas, to provide grants for emergency water assistance projects, and for other purposes.
- H.R. 3402** To promote political and economic democracy in Poland and Hungary as those countries develop and implement programs of comprehensive economic reform.

OLIN, Jim of Virginia

- H.R. 371** To direct a study by the Secretary of Agriculture of the classification of anhydrous ammonia as a poisonous gas for purposes of the Hazardous Materials Transportation Act, and for other purposes.
- H.R. 500** To encourage scientific research and development of technologies relating to recycling, and for other purposes.
- H.R. 1078** To establish national policies and support and encourage international agreements that implement energy and natural resource conservation strategies appropriate to preventing the overheating of the Earth's atmosphere, known as the "greenhouse effect".
- H.R. 1526** To amend the Food Security Act of 1985 with respect to wetlands, and for other purposes.
- H.R. 2144** To improve forest management in urban areas and other communities, and for other purposes.
- H.R. 2209** To enable producers of soybeans to develop, finance, and carry out a nationally coordinated program for soybean promotion, research, and consumer information, and for other purposes.

AUTHOR INDEX

OLIN, Jim of Virginia—Continued

- H.R. 3298** To minimize the impact of agricultural nitrogen on ground water and surface water quality by establishing a national task force on agricultural best management practices and to amend section 319 of the Clean Water Act.
- H.R. 3296** Directing the Secretary of Agriculture to provide an adjustment to permit flexibility in crop acreage bases.
- H.R. 3869** To amend the Commodity Exchange Act to improve the regulation of futures and options traded under rules and regulations of the Commodity Futures Trading Commission, establish registration standards for all exchange floor traders, restrict practices which may lead to the abuse of outside customers of the marketplace, reinforce development of exchange audit trails to better enable the detection and prevention of such practices, establish higher standards for service on governing boards and disciplinary committees of self regulatory organizations, enhance the international regulation of futures trading, regularize the process of authorizing appropriations for the Commodity Futures Trading Commission, and for other purposes.
- H.R. 3968** To designate the Agricultural Research Service, U.S. Department of Agriculture, animal health research building in Clay Center, Nebraska, as the "Virginia D. Smith Animal Health Research Laboratory".
- H.R. 3966** To amend the Rural Electrification Act of 1936 to permit the prepayment and refinancing of Federal financing bank loans made to rural electrification and telephone systems.
- H.R. 3276** Entitled, "The Farm Animal and Research Facilities Protection Act of 1989".
- H.R. 3262** To amend the Federal Insecticide, Fungicide, and Rodenticide Act and the Federal Food, Drug, and Cosmetic Act, and for other purposes.
- H.R. 3852** To promote political and economic democracy in Poland and Hungary as those countries develop and implement programs of comprehensive economic reform.
- H.R. 3848** To expand the inspection by the Secretary of Agriculture of the Nation's food supply to ensure the safety and wholesomeness of the Nation's supply of fish, shellfish, and other marine and freshwater aquatic food.
- H.R. 3574** To provide for the coordination of ground water policy within the Department of Agriculture, and for other purposes.

ORTIZ, Solomon P. of Texas

- H.R. 487 *** To enhance the prospects for economic development in rural areas by allowing municipal corporations to acquire through eminent domain utility facilities of rural water supply or sewer service corporations.
- H.R. 1538 *** To provide grants and loans to enable rural areas near the international border separating the United States from Mexico to develop plans for the construction and improvement of, and to construct and improve, water and waste disposal facilities.
- H.R. 3362** To provide grants to aid rural business and job creation in rural areas, to provide grants for emergency water assistance projects, and for other purposes.

OWENS, Major D. of New York

- H.R. 37** To authorize the water resources research activities of the United States Geological Survey, and for other purposes.
- H.R. 37** To authorize the water resources research activities of the United States Geological Survey, and for other purposes.
- H.R. 84** To prohibit certain practices in the raising of calves for veal, and for other purposes.
- H.R. 89** To improve the protection of endangered species of wildlife in units of the National Forest System, the national park system, and the National Wildlife Refuge System by increasing the maximum fine that may be imposed for violating posted speed limits in such units.
- H.R. 423** To amend the Animal Welfare Act with respect to the issuance of temporary restraining orders and injunctions in certain cases.
- H.R. 588** To encourage scientific research and development of technologies relating to recycling, and for other purposes.

- H.R. 514** To establish labeling and advertising requirements for food or drink which are labeled "low" or "light" or which make similar comparative claims to describe fat, sodium, or calorie content and for other purposes.
- H.R. 987** To amend the Alaska National Interest Lands Conservation Act, to designate certain lands in the Tongass National Forest as wilderness, and for other purposes.
- H.R. 1078** To establish national policies and support and encourage international agreements that implement energy and natural resource conservation strategies appropriate to preventing the overheating of the Earth's atmosphere, known as the "greenhouse effect".
- H.R. 1387** To provide for the inspection of all commercial seafood destined for human consumption in the United States.
- H.R. 1505** To provide financial assistance for the commercialization of agricultural research, and for other purposes.
- H.R. 2345** To amend section 19 of the Animal Welfare Act (7 U.S.C. 2149).
- H.R. 2386** To amend the Agriculture Act of 1949 to establish eligibility requirements for agricultural commodity prior support programs with respect to the delivery of irrigation water.
- H.R. 2734** To inaugurate a comprehensive program of environmental research, development, and demonstration relating to contamination and depletion of ground water and ground water resources; and to establish an Interagency Ground Water Research Committee to improve coordination among Federal agencies and provide assistance for implementation of State management programs.
- H.R. 2766** To amend the Animal Welfare Act to include mice, rats, and birds within the definition of animals protected under the Act.
- H.R. 3143** To establish a national energy policy to reduce global warming, and for other purposes.
- H.R. 3387** To promote political democracy and economic pluralism in Poland and Hungary by assisting those nations during a critical period of transition and shoring the development in those nations of private business sectors, labor market reforms, and democratic institutions; to establish, through these steps, the framework for a composite program of support for East European Democracy; and for other purposes.
- H.R. 3362** To establish a national policy of "no net loss of forests", to direct the President to work for a declaration of a State of Emergency for Global Forests, to establish forest protection and forest restoration programs as a national priority, to support a global forest resource survey, to create an Endangered Forests Research Initiative, and to initiate a joint United States-Japan effort for global forest restoration.
- H.R. 385. 271** Relating to responsible trade and conservation of tropical forest resources.

OWENS, Wayne of Utah

- H.R. 37** To authorize the water resources research activities of the United States Geological Survey, and for other purposes.
- H.R. 37** To authorize the water resources research activities of the United States Geological Survey, and for other purposes.
- H.R. 84** To prohibit certain practices in the raising of calves for veal, and for other purposes.
- H.R. 89** To improve the protection of endangered species of wildlife in units of the National Forest System, the national park system, and the National Wildlife Refuge System by increasing the maximum fine that may be imposed for violating posted speed limits in such units.
- H.R. 588** To encourage scientific research and development of technologies relating to recycling, and for other purposes.
- H.R. 847 *** To effect an exchange of lands between the United States Forest Service and the Salt Lake City Corporation within the State of Utah, and for other purposes.
- H.R. 987** To amend the Alaska National Interest Lands Conservation Act, to designate certain lands in the Tongass National Forest as wilderness, and for other purposes.
- H.R. 1078** To establish national policies and support and encourage international agreements that implement energy and natural resource conservation strategies appropriate to preventing the overheating of the Earth's atmosphere, known as the "greenhouse effect".
- H.R. 1557** To regulate the use of genetically-engineered animals in agricultural activities, and for other purposes.

AUTHOR INDEX

OWENS, Wayne of Utah—Continued

- H.R. 1729 To amend Federal laws to grant the same rights and privileges afforded to blind individuals who depend on seeing-eye dogs to other disabled individuals who depend on guide, hearing, or service dogs, or other animals, to assist them.
- H.R. 2134 To amend the Federal Meat Inspection Act to authorize the distribution of wholesome meat for human consumption that has been condemned under that Act to charity and public agencies.
- H.R. 2213 To designate certain public lands in the State of Idaho as wilderness, and for other purposes.
- H.R. 2258 To minimize the impact of agricultural nitrogen on ground water and surface water quality by establishing a national task force on agricultural best management practices and to amend section 319 of the Clean Water Act.
- H.R. 2734 To inaugurate a comprehensive program of environmental research, development, and demonstration relating to contamination and depletion of ground water and ground water resources; and to establish an Interagency Ground Water Research Committee to improve coordination among Federal agencies and provide assistance for implementation of State management programs.
- H.R. 3071 To consolidate food inspection functions in the Department of Agriculture.
- H.R. 3099 To provide for the improved management of the nation's water resources.
- H.R. 3143 To establish a national energy policy to reduce global warming, and for other purposes.
- H.R. 3362 To establish a national policy of "no net loss of forests", to direct the President to work for a declaration of a State of Emergency for Global Forests, to establish forest protection and forest restoration programs as a national priority, to support a global forest resource survey, to create an Endangered Forests Research Initiative, and to initiate a joint United States-Japan effort for global forest restoration.
- H.R. 3617 To transfer jurisdiction of certain public lands in the State of Utah to the Forest Service, and for other purposes.
- H.R. 3768 To allow the Secretary of the U.S. Department of Agriculture or other appropriate official to protect persons engaged in a lawful hunt within a National Forest or on other lands affected with a Federal interest; establishing an administrative civil remedy against individuals or groups intentionally obstructing, impeding, or interfering with the conduct of a lawful hunt; and for other purposes.

PACKARD, Ron of California

- H.R. 37 To authorize the water resources research activities of the United States Geological Survey, and for other purposes.
- H.R. 37 To authorize the water resources research activities of the United States Geological Survey, and for other purposes.
- H.R. 3768 To allow the Secretary of the U.S. Department of Agriculture or other appropriate official to protect persons engaged in a lawful hunt within a National Forest or on other lands affected with a Federal interest; establishing an administrative civil remedy against individuals or groups intentionally obstructing, impeding, or interfering with the conduct of a lawful hunt; and for other purposes.

PALLONE, Frank Jr. of New Jersey

- H.R. 84 To prohibit certain practices in the raising of calves for veal, and for other purposes.
- H.R. 89 To improve the protection of endangered species of wildlife in units of the National Forest System, the national park system, and the National Wildlife Refuge System by increasing the maximum fine that may be imposed for violating posted speed limits in such units.
- H.R. 425 To amend the Animal Welfare Act with respect to the issuance of temporary restraining orders and injunctions in certain cases.
- H.R. 500 To encourage scientific research and development of technologies relating to recycling, and for other purposes.
- H.R. 514 To establish labeling and advertising requirements for food or drink which are labeled "lite" or "light" or which make similar comparative claims to describe fat, sodium, or calorie content and for other purposes.

- H.R. 987 To amend the Alaska National Interest Lands Conservation Act, to designate certain lands in the Tongass National Forest as wilderness, and for other purposes.
- H.R. 1078 To establish national policies and support and encourage international agreements that implement energy and natural resource conservation strategies appropriate to preventing the overheating of the Earth's atmosphere, known as the "greenhouse effect".
- H.R. 2213 To designate certain public lands in the State of Idaho as wilderness, and for other purposes.
- H.R. 2734 To inaugurate a comprehensive program of environmental research, development, and demonstration relating to contamination and depletion of ground water and ground water resources; and to establish an Interagency Ground Water Research Committee to improve coordination among Federal agencies and provide assistance for implementation of State management programs.
- H.R. 3143 To establish a national energy policy to reduce global warming, and for other purposes.
- H.R. 3292 To amend the Federal Insecticide, Fungicide, and Rodenticide Act and the Federal Food, Drug, and Cosmetic Act, and for other purposes.

PANETTA, Leon E. of California

- H.R. 1078 To establish national policies and support and encourage international agreements that implement energy and natural resource conservation strategies appropriate to preventing the overheating of the Earth's atmosphere, known as the "greenhouse effect".
- H.R. 1608 To strengthen national nutrition monitoring by requiring the Secretary of Agriculture and the Secretary of Health and Human Services to prepare and implement a ten-year plan to assess the dietary and nutritional status of the United States population, to support research on, and development of, nutrition monitoring, to foster national nutrition education, to establish dietary guidelines, and for other purposes.
- H.R. 2187 * To enable producers of fresh mushrooms to develop, finance, and carry out a nationally coordinated program for fresh mushroom promotion, research, and consumer information, and for other purposes.
- H.R. 2467 Entitled the "1988 Disaster Assistance Extension Act".
- H.R. 2869 To amend the Commodity Exchange Act to improve the regulation of futures and options traded under rules and regulations of the Commodity Futures Trading Commission, establish registration standards for all exchange floor traders, restrict practices which may lead to the abuse of outside customers of the marketplace, reinforce development of exchange audit trails to better enable the detection and prevention of such practices, establish higher standards for service on governing boards and disciplinary committees of self regulatory organizations, enhance the international regulation of futures trading, regularize the process of authorizing appropriations for the Commodity Futures Trading Commission, and for other purposes.
- H.R. 3048 To designate the Agricultural Research Service, U.S. Department of Agriculture, animal health research building in Clay Center, Nebraska, as the "Virginia D. Smith Animal Health Research Laboratory".
- H.R. 3099 To provide for the improved management of the nation's water resources.
- H.R. 3292 To amend the Federal Insecticide, Fungicide, and Rodenticide Act and the Federal Food, Drug, and Cosmetic Act, and for other purposes.
- H.R. 3589 * To amend the Disaster Assistance Act of 1989 to provide assistance to agricultural producers suffering from earthquakes.
- H.R. 3664 Entitled, "The Omnibus Agricultural Commodity Promotion and Research Act of 1989".

PARKER, Mike of Mississippi

- H.R. 1505 To provide financial assistance for the commercialization of agricultural research, and for other purposes.
- H.R. 2209 To enable producers of soybeans to develop, finance, and carry out a nationally coordinated program for soybean promotion, research, and consumer information, and for other purposes.

AUTHOR INDEX

PARKER, Mike of Mississippi—Continued

- H.R. 3164** To amend the Rural Electrification Act of 1936 to permit the prepayment and refinancing of Federal financing bank loans made to rural electrification and telephone systems.
- H.R. 3382** To provide grants to aid rural business and job creation in rural areas, to provide grants for emergency water assistance projects, and for other purposes.

PARRIS, Stan of Virginia

- H.R. 37** To authorize the water resources research activities of the United States Geological Survey, and for other purposes.
- H.R. 37** To authorize the water resources research activities of the United States Geological Survey, and for other purposes.
- H.R. 371** To direct a study by the Secretary of Agriculture of the classification of anhydrous ammonia as a poisonous gas for purposes of the Hazardous Materials Transportation Act, and for other purposes.
- H.R. 2881** To amend the Public Health Service Act to establish a program of block grants to the States for the purpose of consolidating Federal programs with respect to maternal and child health.
- H.R. 3768** To allow the Secretary of the U.S. Department of Agriculture or other appropriate official to protect persons engaged in a lawful hunt within a National Forest or on other lands affected with a Federal interest; establishing an administrative civil remedy against individuals or groups intentionally obstructing, impeding, or interfering with the conduct of a lawful hunt; and for other purposes.

PASHAYAN, Charles Jr. of California

- H.R. 1880** To authorize a National Agricultural Weather Information System, to establish an Office of Agricultural Weather and Climatology in the U.S. Department of Agriculture, and for other purposes.
- H.R. 3270** Entitled, "The Farm Animal and Research Facilities Protection Act of 1989".
- H.R. 3292** To amend the Federal Insecticide, Fungicide, and Rodenticide Act and the Federal Food, Drug, and Cosmetic Act, and for other purposes.
- H.R. 3514 *** To establish within the Department of Agriculture an Office of Integrated Pest Management, and for other purposes.
- H.R. 3768** To allow the Secretary of the U.S. Department of Agriculture or other appropriate official to protect persons engaged in a lawful hunt within a National Forest or on other lands affected with a Federal interest; establishing an administrative civil remedy against individuals or groups intentionally obstructing, impeding, or interfering with the conduct of a lawful hunt; and for other purposes.

PATTERSON, Elizabeth J. of South Carolina

- H.R. 84** To prohibit certain practices in the raising of calves for veal, and for other purposes.
- H.R. 987** To amend the Alaska National Interest Lands Conservation Act, to designate certain lands in the Tongass National Forest as wilderness, and for other purposes.
- H.R. 2209** To enable producers of soybeans to develop, finance, and carry out a nationally coordinated program for soybean promotion, research, and consumer information, and for other purposes.
- H.R. 2406** To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 to strengthen the restraints upon clearcutting and certain other cutting practices in the National Forests of the United States.
- H.R. 3382** To provide grants to aid rural business and job creation in rural areas, to provide grants for emergency water assistance projects, and for other purposes.
- H.R. 3482** To provide disaster assistance to private timber producers for the reestablishment of timber stands necessitated by Hurricane Hugo.
- H.J.Res. 124** To recognize the 75th anniversary of the Smith-Lever Act of May 8, 1914, and its role in establishing our Nation's system of State Cooperative Extension Services.

PAXON, Bill of New York

- H.R. 2228** To amend the Agricultural Act of 1949 to modify the operation of the price support program applicable to milk.
- H.R. 3768** To allow the Secretary of the U.S. Department of Agriculture or other appropriate official to protect persons engaged in a lawful hunt within a National Forest or on other lands affected with a Federal interest; establishing an administrative civil remedy against individuals or groups intentionally obstructing, impeding, or interfering with the conduct of a lawful hunt; and for other purposes.

PAYNE, Donald M. of New Jersey

- H.R. 1078** To establish national policies and support and encourage international agreements that implement energy and natural resource conservation strategies appropriate to preventing the overheating of the Earth's atmosphere, known as the "greenhouse effect".
- H.R. 1729** To amend Federal laws to grant the same rights and privileges afforded to blind individuals who depend on seeing-eye dogs to other disabled individuals who depend on guide, hearing, or service dogs, or other animals, to assist them.
- H.R. 2134** To amend the Federal Meat Inspection Act to authorize the distribution of wholesome meat for human consumption that has been condemned under that Act to charity and public agencies.
- H.R. 2881** To amend the Public Health Service Act to establish a program of block grants to the States for the purpose of consolidating Federal programs with respect to maternal and child health.
- H.R. 3164** To amend the Rural Electrification Act of 1936 to permit the prepayment and refinancing of Federal financing bank loans made to rural electrification and telephone systems.

PAYNE, Lewis F. Jr. of Virginia

- H.R. 84** To prohibit certain practices in the raising of calves for veal, and for other purposes.
- H.R. 1388** To enhance the ability of the Federal Crop Insurance Corporation to encourage the sale of Federal crop insurance to producers of agricultural commodities, and for other purposes.
- H.R. 2209** To enable producers of soybeans to develop, finance, and carry out a nationally coordinated program for soybean promotion, research, and consumer information, and for other purposes.
- H.R. 3223** To amend the Animal Welfare Act to protect animal research facilities, and for other purposes.
- H.R. 3382** To provide grants to aid rural business and job creation in rural areas, to provide grants for emergency water assistance projects, and for other purposes.
- H.R. 3530** To improve rural development in the United States.
- H.R. 3768** To allow the Secretary of the U.S. Department of Agriculture or other appropriate official to protect persons engaged in a lawful hunt within a National Forest or on other lands affected with a Federal interest; establishing an administrative civil remedy against individuals or groups intentionally obstructing, impeding, or interfering with the conduct of a lawful hunt; and for other purposes.

PEASE, Donald J. of Ohio

- H.R. 37** To authorize the water resources research activities of the United States Geological Survey, and for other purposes.
- H.R. 37** To authorize the water resources research activities of the United States Geological Survey, and for other purposes.
- H.R. 987** To amend the Alaska National Interest Lands Conservation Act, to designate certain lands in the Tongass National Forest as wilderness, and for other purposes.
- H.R. 1055** To restore balance among sources of supply for the Nation's sweetener needs, and for other purposes.

AUTHOR INDEX

PEASE, Donald J. of Ohio—Continued

- H.R. 1078** To establish national policies and support and encourage international agreements that implement energy and natural resource conservation strategies appropriate to preventing the overheating of the Earth's atmosphere, known as the "greenhouse effect".
- H.R. 3164** To amend the Rural Electrification Act of 1936 to permit the prepayment and refinancing of Federal financing bank loans made to rural electrification and telephone systems.

PELL, Claiborne of Rhode Island

- S. 253** To establish a coordinated National Nutrition Monitoring and Related Research Program, and a comprehensive plan for the assessment of the nutritional and dietary status of the United States population and the nutritional quality of food consumed in the United States, with the provision for the conduct of scientific research and development in support of such program and plan.
- S. 1610** To develop a program to determine potential impacts of climate on agriculture and forestry, to provide for the development of policies designed to address issues of potential climate change, with respect both to developing a capacity for agriculture and forestry to adapt to climate change, and to developing innovative ways to ameliorate climate change, and for other purposes.

PELOSI, Nancy of California

- H.R. 37** To authorize the water resources research activities of the United States Geological Survey, and for other purposes.
- H.R. 37** To authorize the water resources research activities of the United States Geological Survey, and for other purposes.
- H.R. 64** To prohibit certain practices in the raising of calves for veal, and for other purposes.
- H.R. 89** To improve the protection of endangered species of wildlife in units of the National Forest System, the national park system, and the National Wildlife Refuge System by increasing the maximum fine that may be imposed for violating posted speed limits in such units.
- H.R. 425** To amend the Animal Welfare Act with respect to the issuance of temporary restraining orders and injunctions in certain cases.
- H.R. 500** To encourage scientific research and development of technologies relating to recycling, and for other purposes.
- H.R. 987** To amend the Alaska National Interest Lands Conservation Act, to designate certain lands in the Tongass National Forest as wilderness, and for other purposes.
- H.R. 1078** To establish national policies and support and encourage international agreements that implement energy and natural resource conservation strategies appropriate to preventing the overheating of the Earth's atmosphere, known as the "greenhouse effect".
- H.R. 2134** To amend the Federal Meat Inspection Act to authorize the distribution of wholesome meat for human consumption that has been condemned under that Act to charity and public agencies.
- H.R. 2144** To improve forest management in urban areas and other communities, and for other purposes.
- H.R. 2213** To designate certain public lands in the State of Idaho as wilderness, and for other purposes.
- H.R. 2320** To designate certain lands in the State of Nevada as wilderness, and for other purposes.
- H.R. 2386** To amend the Agriculture Act of 1949 to establish eligibility requirements for agricultural commodity price support programs with respect to the delivery of irrigation water.
- H.R. 3143** To establish a national energy policy to reduce global warming, and for other purposes.
- H.R. 3307** To promote political democracy and economic pluralism in Poland and Hungary by assisting those nations during a critical period of transition and abetting the development in those nations of private business sectors, labor market reforms, and democratic institutions; to establish, through these steps, the framework for a composite program of support for East European Democracy; and for other purposes.
- H.J.Res. 271** Relating to responsible trade and conservation of tropical forest resources.

PENNY, Timothy J. of Minnesota

- H.R. 37** To authorize the water resources research activities of the United States Geological Survey, and for other purposes.
- H.R. 37** To authorize the water resources research activities of the United States Geological Survey, and for other purposes.
- H.R. 371** To direct a study by the Secretary of Agriculture of the classification of anhydrous ammonia as a poisonous gas for purposes of the Hazardous Materials Transportation Act, and for other purposes.
- H.R. 500** To encourage scientific research and development of technologies relating to recycling, and for other purposes.
- H.R. 677** To establish a coordinated National Nutrition Monitoring and Related Research Program, and a comprehensive plan for the assessment of the nutritional and dietary status of the United States population and the nutritional quality of food consumed in the United States, with the provision for the conduct of scientific research and development in support of such program and plan.
- H.R. 764** To amend the Agricultural Act of 1949 to allow producers to devote acreage conservation reserve acreage to water storage.
- H.R. 1505 *** To provide financial assistance for the commercialization of agricultural research, and for other purposes.
- H.R. 1526** To amend the Food Security Act of 1985 with respect to wetlands, and for other purposes.
- H.R. 2042** To amend title V of the Agricultural Act of 1949 to allow producers to provide the appropriate county committees with actual yields for the 1989 and subsequent crop years.
- H.R. 2134** To amend the Federal Meat Inspection Act to authorize the distribution of wholesome meat for human consumption that has been condemned under that Act to charity and public agencies.
- H.R. 2209** To enable producers of soybeans to develop, finance, and carry out a nationally coordinated program for soybean promotion, research, and consumer information, and for other purposes.
- H.R. 2228** To amend the Agricultural Act of 1949 to modify the operation of the price support program applicable to milk.
- H.R. 2257** To amend the Potato Research and Promotion Act to provide improved methods of assessment that will finance a more effective marketing research and promotion program and provide for a more effective consumer information program designed to expand markets for potatoes.
- H.R. 2294** Directing the Secretary of Agriculture to provide an adjustment to permit flexibility in crop acreage bases.
- H.R. 2386** To amend the Agriculture Act of 1949 to establish eligibility requirements for agricultural commodity price support programs with respect to the delivery of irrigation water.
- H.R. 2706** To amend the Food Security Act of 1985 to improve the program under which the Secretary of Agriculture may settle certain loans, and for other purposes.
- H.R. 2869** To amend the Commodity Exchange Act to improve the regulation of futures and options traded under rules and regulations of the Commodity Futures Trading Commission, establish registration standards for all exchange floor traders, restrict practices which may lead to the abuse of outside customers of the marketplace, reinforce development of exchange audit trails to better enable the detection and prevention of such practices, establish higher standards for service on governing boards and disciplinary committees of self regulatory organizations, enhance the international regulation of futures trading, regularize the process of authorizing appropriations for the Commodity Futures Trading Commission, and for other purposes.
- H.R. 3048** To designate the Agricultural Research Service, U.S. Department of Agriculture, animal health research building in Clay Center, Nebraska, as the "Virginia D. Smith Animal Health Research Laboratory".
- H.R. 3071 *** To consolidate food inspection functions in the Department of Agriculture.
- H.R. 3132** To amend the Food Security Act of 1985 to require the Secretary of Agriculture to use multiyear set-asides to establish wildlife habitats and feeding areas.
- H.R. 3160** To provide additional food assistance to Poland in the form of donated surplus agricultural commodities held in the Commodity Credit Corporation.
- H.R. 3164** To amend the Rural Electrification Act of 1936 to permit the prepayment and refinancing of Federal financing bank loans made to rural electrification and telephone systems.

AUTHOR INDEX

PENNY, Timothy J. of Minnesota—Continued

- H.R. 3270 Entitled, "The Farm Animal and Research Facilities Protection Act of 1989".
- H.R. 3292 To amend the Federal Insecticide, Fungicide, and Rodenticide Act and the Federal Food, Drug, and Cosmetic Act, and for other purposes.
- H.R. 3382 To provide grants to aid rural business and job creation in rural areas, to provide grants for emergency water assistance projects, and for other purposes.
- H.R. 3402 To promote political and economic democracy in Poland and Hungary as those countries develop and implement programs of comprehensive economic reform.
- H.R. 3744 * Entitled, "The Minnesota Family Investment Plan".
- H.J.Res. 271 Relating to responsible trade and conservation of tropical forest resources.
- H.Con.Res. 91 Expressing the sense of the Congress with regard to supporting increased donations of commodities for international hunger alleviation purposes through purchases of agricultural commodities from the United States and developing countries financed by the Government of Japan.

PEPPER, Claude of Florida

- H.R. 37 To authorize the water resources research activities of the United States Geological Survey, and for other purposes.
- H.R. 37 To authorize the water resources research activities of the United States Geological Survey, and for other purposes.
- H.R. 84 To prohibit certain practices in the raising of calves for veal, and for other purposes.
- H.R. 500 To encourage scientific research and development of technologies relating to recycling, and for other purposes.
- H.R. 1078 To establish national policies and support and encourage international agreements that implement energy and natural resource conservation strategies appropriate to preventing the overheating of the Earth's atmosphere, known as the "greenhouse effect".

PERKINS, Carl C. of Kentucky

- H.R. 677 To establish a coordinated National Nutrition Monitoring and Related Research Program, and a comprehensive plan for the assessment of the nutritional and dietary status of the United States population and the nutritional quality of food consumed in the United States, with the provision for the conduct of scientific research and development in support of such program and plan.
- H.R. 768 To amend the United States Warehouse Act to specifically allow States to require grain elevators with Federal warehouse licenses to participate in State grain indemnity funds or to require collateral security.
- H.R. 987 To amend the Alaska National Interest Lands Conservation Act, to designate certain lands in the Tongass National Forest as wilderness, and for other purposes.
- H.R. 3164 To amend the Rural Electrification Act of 1936 to permit the prepayment and refinancing of Federal financing bank loans made to rural electrification and telephone systems.
- H.R. 3382 To provide grants to aid rural business and job creation in rural areas, to provide grants for emergency water assistance projects, and for other purposes.

PETRI, Thomas E. of Wisconsin

- H.R. 37 To authorize the water resources research activities of the United States Geological Survey, and for other purposes.
- H.R. 37 To authorize the water resources research activities of the United States Geological Survey, and for other purposes.
- H.R. 371 To direct a study by the Secretary of Agriculture of the classification of anhydrous ammonia as a poisonous gas for purposes of the Hazardous Materials Transportation Act, and for other purposes.
- H.R. 501 To repeal the minimum adjustments to prices of fluid milk under Federal marketing orders and to establish basing points in various geographical areas of the United States for purposes of determining prices to be paid to milk producers under such orders.

- H.R. 987 To amend the Alaska National Interest Lands Conservation Act, to designate certain lands in the Tongass National Forest as wilderness, and for other purposes.
- H.R. 1139 To authorize the Secretary of Agriculture to issue a nationwide marketing order applicable to milk and milk products, and for other purposes.
- H.R. 1450 To amend the Perishable Agricultural Commodities Act, 1930, to require commission merchants, dealers, and brokers to label perishable agricultural commodities with the name of the country of origin of such commodities.
- H.R. 2209 To enable producers of soybeans to develop, finance, and carry out a nationally coordinated program for soybean promotion, research, and consumer information, and for other purposes.
- H.R. 2386 To amend the Agriculture Act of 1949 to establish eligibility requirements for agricultural commodity price support programs with respect to the delivery of irrigation water.
- H.R. 3071 To consolidate food inspection functions in the Department of Agriculture.

PICKETT, Owen B. of Virginia

- H.R. 3382 To provide grants to aid rural business and job creation in rural areas, to provide grants for emergency water assistance projects, and for other purposes.

PICKLE, J. J. of Texas

- H.R. 500 To encourage scientific research and development of technologies relating to recycling, and for other purposes.
- H.R. 3270 Entitled, "The Farm Animal and Research Facilities Protection Act of 1989".

PORTER, John Edward of Illinois

- H.R. 84 To prohibit certain practices in the raising of calves for veal, and for other purposes.
- H.R. 500 To encourage scientific research and development of technologies relating to recycling, and for other purposes.
- H.R. 987 To amend the Alaska National Interest Lands Conservation Act, to designate certain lands in the Tongass National Forest as wilderness, and for other purposes.
- H.R. 1055 To restore balance among sources of supply for the Nation's sweetener needs, and for other purposes.
- H.R. 1078 To establish national policies and support and encourage international agreements that implement energy and natural resource conservation strategies appropriate to preventing the overheating of the Earth's atmosphere, known as the "greenhouse effect".
- H.R. 2144 To improve forest management in urban areas and other communities, and for other purposes.
- H.R. 2389 * To amend the Agricultural Act of 1949 to repeal the sugar price support program.
- H.J.Res. 271 Relating to responsible trade and conservation of tropical forest resources.

POSHARD, Glenn of Illinois

- H.R. 500 To encourage scientific research and development of technologies relating to recycling, and for other purposes.
- H.R. 768 To amend the United States Warehouse Act to specifically allow States to require grain elevators with Federal warehouse licenses to participate in State grain indemnity funds or to require collateral security.
- H.R. 1505 To provide financial assistance for the commercialization of agricultural research, and for other purposes.
- H.R. 2144 To improve forest management in urban areas and other communities, and for other purposes.
- H.R. 2388 To expand home ownership opportunities for low- and moderate-income families in rural areas.

AUTHOR INDEX

POSHARD, Glenn of Illinois—Continued

H.R. 3768 To allow the Secretary of the U.S. Department of Agriculture or other appropriate official to protect persons engaged in a lawful hunt within a National Forest or on other lands affected with a Federal interest; establishing an administrative civil remedy against individuals or groups intentionally obstructing, impeding, or interfering with the conduct of a lawful hunt; and for other purposes.

PRESSLER, Larry of South Dakota

S. 1036 To improve the economic, community, and educational well-being of rural America, and for other purposes.

PRICE, David E. of North Carolina

H.R. 500 To encourage scientific research and development of technologies relating to recycling, and for other purposes.

H.R. 514 To establish labeling and advertising requirements for food or drink which are labeled "lite" or "light" or which make similar comparative claims to describe fat, sodium, or calorie content and for other purposes.

H.R. 677 To establish a coordinated National Nutrition Monitoring and Related Research Program, and a comprehensive plan for the assessment of the nutritional and dietary status of the United States population and the nutritional quality of food consumed in the United States, with the provision for the conduct of scientific research and development in support of such program and plan.

H.R. 987 To amend the Alaska National Interest Lands Conservation Act, to designate certain lands in the Tongass National Forest as wilderness, and for other purposes.

H.R. 1078 To establish national policies and support and encourage international agreements that implement energy and natural resource conservation strategies appropriate to preventing the overheating of the Earth's atmosphere, known as the "greenhouse effect".

H.R. 2213 To designate certain public lands in the State of Idaho as wilderness, and for other purposes.

H.R. 2734 To inaugurate a comprehensive program of environmental research, development, and demonstration relating to contamination and depletion of ground water and ground water resources; and to establish an Interagency Ground Water Research Committee to improve coordination among Federal agencies and provide assistance for implementation of State management programs.

H.R. 3164 To amend the Rural Electrification Act of 1936 to permit the prepayment and refinancing of Federal financing bank loans made to rural electrification and telephone systems.

H.R. 3270 Entitled, "The Farm Animal and Research Facilities Protection Act of 1989".

PRYOR, David of Arkansas

S. 1036 To improve the economic, community, and educational well-being of rural America, and for other purposes.

PURSELL, Carl D. of Michigan

H.R. 89 To improve the protection of endangered species of wildlife in units of the National Forest System, the national park system, and the National Wildlife Refuge System by increasing the maximum fine that may be imposed for violating posted speed limits in such units.

H.R. 425 To amend the Animal Welfare Act with respect to the issuance of temporary restraining orders and injunctions in certain cases.

H.R. 1450 To amend the Perishable Agricultural Commodities Act, 1930, to require commission merchants, dealers, and brokers to label perishable agricultural commodities with the name of the country of origin of such commodities.

H.R. 1472 To establish the Grand Island National Recreation Area in the State of Michigan, and for other purposes.

H.J.Res. 124 To recognize the 75th anniversary of the Smith-Lever Act of May 8, 1914, and its role in establishing our Nation's system of State Cooperative Extension Services.

QUILLEN, James H. of Tennessee

H.R. 3270 Entitled, "The Farm Animal and Research Facilities Protection Act of 1989".

H.R. 3768 To allow the Secretary of the U.S. Department of Agriculture or other appropriate official to protect persons engaged in a lawful hunt within a National Forest or on other lands affected with a Federal interest; establishing an administrative civil remedy against individuals or groups intentionally obstructing, impeding, or interfering with the conduct of a lawful hunt; and for other purposes.

RAHALL, Nick Joe II of West Virginia

H.R. 84 To prohibit certain practices in the raising of calves for veal, and for other purposes.

H.R. 425 To amend the Animal Welfare Act with respect to the issuance of temporary restraining orders and injunctions in certain cases.

H.R. 987 To amend the Alaska National Interest Lands Conservation Act, to designate certain lands in the Tongass National Forest as wilderness, and for other purposes.

H.R. 3382 To provide grants to aid rural business and job creation in rural areas, to provide grants for emergency water assistance projects, and for other purposes.

RANGEL, Charles B. of New York

H.R. 84 To prohibit certain practices in the raising of calves for veal, and for other purposes.

H.R. 500 To encourage scientific research and development of technologies relating to recycling, and for other purposes.

H.R. 514 To establish labeling and advertising requirements for food or drink which are labeled "lite" or "light" or which make similar comparative claims to describe fat, sodium, or calorie content and for other purposes.

H.R. 987 To amend the Alaska National Interest Lands Conservation Act, to designate certain lands in the Tongass National Forest as wilderness, and for other purposes.

H.R. 1505 To provide financial assistance for the commercialization of agricultural research, and for other purposes.

H.R. 2134 To amend the Federal Meat Inspection Act to authorize the distribution of wholesome meat for human consumption that has been condemned under that Act to charity and public agencies.

H.R. 2388 To expand home ownership opportunities for low- and moderate-income families in rural areas.

H.R. 2737 To require the payment of interest on moneys affected by injunctions on Federal timber sales.

H.R. 3143 To establish a national energy policy to reduce global warming, and for other purposes.

H.R. 3648 To help Puerto Rico and the Virgin Islands recover from devastation caused by Hurricane Hugo.

RAVENEL, Arthur Jr. of South Carolina

H.R. 84 To prohibit certain practices in the raising of calves for veal, and for other purposes.

H.R. 500 To encourage scientific research and development of technologies relating to recycling, and for other purposes.

H.R. 578 To amend the Animal Welfare Act to prohibit dog racing and dog training involving the use of live animals as visual lures and to make such Act applicable to facilities that are used for dog racing or dog race training.

H.R. 987 To amend the Alaska National Interest Lands Conservation Act, to designate certain lands in the Tongass National Forest as wilderness, and for other purposes.

AUTHOR INDEX

RAVENEL, Arthur Jr. of South Carolina—Continued

- H.R. 1078 To establish national policies and support and encourage international agreements that implement energy and natural resource conservation strategies appropriate to preventing the overheating of the Earth's atmosphere, known as the "greenhouse effect".
- H.R. 2209 To enable producers of soybeans to develop, finance, and carry out a nationally coordinated program for soybean promotion, research, and consumer information, and for other purposes.
- H.R. 2345 To amend section 19 of the Animal Welfare Act (7 U.S.C. 2149).
- H.R. 3382 To provide grants to aid rural business and job creation in rural areas, to provide grants for emergency water assistance projects, and for other purposes.
- H.R. 3482 To provide disaster assistance to private timber producers for the reestablishment of timber stands necessitated by Hurricane Hugo.
- H.R. 3540 To amend the Disaster Assistance Act of 1989 to clarify provisions relating to disaster payments for nonprogram crops on acres in Presidential disaster areas due to Hurricane Hugo, and for other purposes.

RAY, Richard of Georgia

- H.R. 514 To establish labeling and advertising requirements for food or drink which are labeled "lite" or "light" or which make similar comparative claims to describe fat, sodium, or calorie content and for other purposes.
- H.R. 677 To establish a coordinated National Nutrition Monitoring and Related Research Program, and a comprehensive plan for the assessment of the nutritional and dietary status of the United States population and the nutritional quality of food consumed in the United States, with the provision for the conduct of scientific research and development in support of such program and plan.
- H.R. 802 Directing the Secretary of Agriculture to formulate proposals to reduce paperwork and recordkeeping required of agricultural producers, to study the feasibility of establishing an electronic system or network to facilitate such reduction, and for other purposes.
- H.R. 1526 To amend the Food Security Act of 1985 with respect to wetlands, and for other purposes.
- H.R. 2209 To enable producers of soybeans to develop, finance, and carry out a nationally coordinated program for soybean promotion, research, and consumer information, and for other purposes.
- H.R. 3164 To amend the Rural Electrification Act of 1936 to permit the prepayment and refinancing of Federal financing bank loans made to rural electrification and telephone systems.
- H.R. 3382 To provide grants to aid rural business and job creation in rural areas, to provide grants for emergency water assistance projects, and for other purposes.
- H.R. 3387 To provide for the establishment of a coordinated program of promotion and research designed to strengthen the position of the pecan industry in the marketplace, to maintain and expand foreign and domestic markets and uses for improved and native pecans and pecan products, and for other purposes.
- H.R. 3514 To establish within the Department of Agriculture an Office of Integrated Pest Management, and for other purposes.

REGULA, Ralph of Ohio

- H.R. 37 To authorize the water resources research activities of the United States Geological Survey, and for other purposes.
- H.R. 37 To authorize the water resources research activities of the United States Geological Survey, and for other purposes.
- H.R. 89 To improve the protection of endangered species of wildlife in units of the National Forest System, the national park system, and the National Wildlife Refuge System by increasing the maximum fine that may be imposed for violating posted speed limits in such units.

REID, Harry of Nevada

- S. 974 * To designate certain lands in the State of Nevada as wilderness, and for other purposes.

RHODES, John J. III of Arizona

- H.R. 1078 To establish national policies and support and encourage international agreements that implement energy and natural resource conservation strategies appropriate to preventing the overheating of the Earth's atmosphere, known as the "greenhouse effect".
- H.R. 3270 Entitled, "The Farm Animal and Research Facilities Protection Act of 1989".
- H.R. 3382 To provide grants to aid rural business and job creation in rural areas, to provide grants for emergency water assistance projects, and for other purposes.
- H.R. 3420 To provide further authority to the Secretary of Agriculture for international forestry cooperation, for tropical forestry cooperation in the South Pacific, and for other purposes.
- H.R. 3620 * To clarify the Food Security Act of 1985.

RICHARDSON, Bill of New Mexico

- H.R. 37 To authorize the water resources research activities of the United States Geological Survey, and for other purposes.
- H.R. 37 To authorize the water resources research activities of the United States Geological Survey, and for other purposes.
- H.R. 987 To amend the Alaska National Interest Lands Conservation Act, to designate certain lands in the Tongass National Forest as wilderness, and for other purposes.
- H.R. 1078 To establish national policies and support and encourage international agreements that implement energy and natural resource conservation strategies appropriate to preventing the overheating of the Earth's atmosphere, known as the "greenhouse effect".
- H.R. 2734 To inaugurate a comprehensive program of environmental research, development, and demonstration relating to contamination and depletion of ground water and ground water resources; and to establish an Interagency Ground Water Research Committee to improve coordination among Federal agencies and provide assistance for implementation of State management programs.
- H.R. 3143 To establish a national energy policy to reduce global warming, and for other purposes.
- H.R. 3270 Entitled, "The Farm Animal and Research Facilities Protection Act of 1989".
- H.R. 3382 To provide grants to aid rural business and job creation in rural areas, to provide grants for emergency water assistance projects, and for other purposes.
- H.R. 3768 To allow the Secretary of the U.S. Department of Agriculture or other appropriate official to protect persons engaged in a lawful hunt within a National Forest or on other lands affected with a Federal interest; establishing an administrative civil remedy against individuals or groups intentionally obstructing, impeding, or interfering with the conduct of a lawful hunt; and for other purposes.

RIDGE, Thomas J. of Pennsylvania

- H.R. 37 To authorize the water resources research activities of the United States Geological Survey, and for other purposes.
- H.R. 37 To authorize the water resources research activities of the United States Geological Survey, and for other purposes.
- H.R. 371 To direct a study by the Secretary of Agriculture of the classification of anhydrous ammonia as a poisonous gas for purposes of the Hazardous Materials Transportation Act, and for other purposes.
- H.R. 500 To encourage scientific research and development of technologies relating to recycling, and for other purposes.
- H.R. 987 To amend the Alaska National Interest Lands Conservation Act, to designate certain lands in the Tongass National Forest as wilderness, and for other purposes.
- H.R. 1526 To amend the Food Security Act of 1985 with respect to wetlands, and for other purposes.
- H.R. 2228 To amend the Agricultural Act of 1949 to modify the operation of the price support program applicable to milk.

AUTHOR INDEX

RIDGE, Thomas J. of Pennsylvania—Continued

- H.R. 2386 To amend the Agriculture Act of 1949 to establish eligibility requirements for agricultural commodity price support programs with respect to the delivery of irrigation water.
- H.R. 2388 To expand home ownership opportunities for low- and moderate-income families in rural areas.
- H.R. 3164 To amend the Rural Electrification Act of 1936 to permit the prepayment and refinancing of Federal financing bank loans made to rural electrification and telephone systems.
- H.R. 3382 To provide grants to aid rural business and job creation in rural areas, to provide grants for emergency water assistance projects, and for other purposes.
- H.R. 3530 To improve rural development in the United States.
- H.R. 3768 To allow the Secretary of the U.S. Department of Agriculture or other appropriate official to protect persons engaged in a lawful hunt within a National Forest or on other lands affected with a Federal interest; establishing an administrative civil remedy against individuals or groups intentionally obstructing, impeding, or interfering with the conduct of a lawful hunt; and for other purposes.

RIEGLE, Donald W. Jr. of Michigan

- S. 253 To establish a coordinated National Nutrition Monitoring and Related Research Program, and a comprehensive plan for the assessment of the nutritional and dietary status of the United States population and the nutritional quality of food consumed in the United States, with the provision for the conduct of scientific research and development in support of such program and plan.
- S. 1036 To improve the economic, community, and educational well-being of rural America, and for other purposes.

RINALDO, Matthew J. of New Jersey

- H.R. 84 To prohibit certain practices in the raising of calves for veal, and for other purposes.
- H.R. 425 To amend the Animal Welfare Act with respect to the issuance of temporary restraining orders and injunctions in certain cases.
- H.R. 500 To encourage scientific research and development of technologies relating to recycling, and for other purposes.
- H.R. 578 To amend the Animal Welfare Act to prohibit dog racing and dog training involving the use of live animals as visual lures and to make such Act applicable to facilities that are used for dog racing or dog race training.
- H.R. 987 To amend the Alaska National Interest Lands Conservation Act, to designate certain lands in the Tongass National Forest as wilderness, and for other purposes.
- H.R. 1387 To provide for the inspection of all commercial seafood destined for human consumption in the United States.
- H.R. 2134 To amend the Federal Meat Inspection Act to authorize the distribution of wholesome meat for human consumption that has been condemned under that Act to charity and public agencies.
- H.R. 2386 To amend the Agriculture Act of 1949 to establish eligibility requirements for agricultural commodity price support programs with respect to the delivery of irrigation water.
- H.R. 2406 To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 to strengthen the restraints upon clearcutting and certain other cutting practices in the National Forests of the United States.
- H.R. 2734 To inaugurate a comprehensive program of environmental research, development, and demonstration relating to contamination and depletion of ground water and ground water resources; and to establish an Interagency Ground Water Research Committee to improve coordination among Federal agencies and provide assistance for implementation of State management programs.
- H.R. 2766 To amend the Animal Welfare Act to include mice, rats, and birds within the definition of animals protected under the Act.
- H.R. 3071 To consolidate food inspection functions in the Department of Agriculture.
- H.R. 3099 To provide for the improved management of the nation's water resources.

RITTER, Don of Pennsylvania

- H.R. 371 To direct a study by the Secretary of Agriculture of the classification of anhydrous ammonia as a poisonous gas for purposes of the Hazardous Materials Transportation Act, and for other purposes.
- H.R. 764 To amend the Agricultural Act of 1949 to allow producers to devote acreage conservation reserve acreage to water storage.
- H.R. 2209 To enable producers of soybeans to develop, finance, and carry out a nationally coordinated program for soybean promotion, research, and consumer information, and for other purposes.
- H.R. 3270 Entitled, "The Farm Animal and Research Facilities Protection Act of 1989".

ROBERTS, Pat of Kansas

- H.R. 47 To establish a national alternative agricultural products board, a national institute for alternative agricultural products, and an agricultural industrial materials corporation, and for other purposes.
- H.R. 370 To direct the Office of Technology Assessment to conduct a study of the effects of the reclassification of anhydrous ammonia as a poisonous gas, to limit the authority of the Secretary of Transportation to take any action regarding such reclassification until after completion of such study, and for other purposes.
- H.R. 371 To direct a study by the Secretary of Agriculture of the classification of anhydrous ammonia as a poisonous gas for purposes of the Hazardous Materials Transportation Act, and for other purposes.
- H.R. 802 Directing the Secretary of Agriculture to formulate proposals to reduce paperwork and recordkeeping required of agricultural producers, to study the feasibility of establishing an electronic system or network to facilitate such reduction, and for other purposes.
- H.R. 1541 To amend the Agricultural Act of 1949 with respect to the wheat and feed grains programs, and for other purposes.
- H.R. 1608 To strengthen national nutrition monitoring by requiring the Secretary of Agriculture and the Secretary of Health and Human Services to prepare and implement a ten-year plan to assess the dietary and nutritional status of the United States population, to support research on, and development of, nutrition monitoring, to foster national nutrition education, to establish dietary guidelines, and for other purposes.
- H.R. 1736 * To amend the Disaster Assistance Act of 1988 to protect winter wheat producers from yield losses on their 1989 crops caused by drought conditions.
- H.R. 1880 To authorize a National Agricultural Weather Information System, to establish an Office of Agricultural Weather and Climatology in the U.S. Department of Agriculture, and for other purposes.
- H.R. 2042 To amend title V of the Agricultural Act of 1949 to allow producers to provide the appropriate county committees with actual yields for the 1989 and subsequent crop years.
- H.R. 2209 To enable producers of soybeans to develop, finance, and carry out a nationally coordinated program for soybean promotion, research, and consumer information, and for other purposes.
- H.R. 2294 Directing the Secretary of Agriculture to provide an adjustment to permit flexibility in crop acreage bases.
- H.R. 2408 To transfer certain programs within the Department of Agriculture to a newly established Rural Development Administration, and for other purposes.
- H.R. 2409 To establish an emergency community water assistance grant program for eligible communities adversely affected by the droughts of 1988 and 1989.
- H.R. 2411 To establish new loan rates applicable for loans made for health care and related facilities under section 307(a)(3) of the Consolidated Farm and Rural Development Act.
- H.R. 2412 To authorize the Secretary of Agriculture to establish and maintain a central receiving facility at the Department of Agriculture for the storage and retrieval of data relating to Federal rural development programs.
- H.R. 2467 Entitled the "1988 Disaster Assistance Extension Act".

AUTHOR INDEX

ROBERTS, Pat of Kansas—Continued

- H.R. 2869** To amend the Commodity Exchange Act to improve the regulation of futures and options traded under rules and regulations of the Commodity Futures Trading Commission, establish registration standards for all exchange floor traders, restrict practices which may lead to the abuse of outside customers of the marketplace, reinforce development of exchange audit trails to better enable the detection and prevention of such practices, establish higher standards for service on governing boards and disciplinary committees of self regulatory organizations, enhance the international regulation of futures trading, regularize the process of authorizing appropriations for the Commodity Futures Trading Commission, and for other purposes.
- H.R. 2973** Amending the Food Security Act of 1985 to provide farm program payment fairness and equity to married couples when both the husband and the wife contribute active personal management or labor to the operation of a farm enterprise, and for other purposes.
- H.R. 3048 *** To designate the Agricultural Research Service, U.S. Department of Agriculture, animal health research building in Clay Center, Nebraska, as the "Virginia D. Smith Animal Health Research Laboratory".
- H.R. 3071** To consolidate food inspection functions in the Department of Agriculture.
- H.R. 3132** To amend the Food Security Act of 1985 to require the Secretary of Agriculture to use multiyear set-asides to establish wildlife habitats and feeding areas.
- H.R. 3164** To amend the Rural Electrification Act of 1936 to permit the prepayment and refinancing of Federal financing bank loans made to rural electrification and telephone systems.
- H.R. 3222 *** To amend the Disaster Assistance Act of 1989.
- H.R. 3270** Entitled, "The Farm Animal and Research Facilities Protection Act of 1989".
- H.R. 3292** To amend the Federal Insecticide, Fungicide, and Rodenticide Act and the Federal Food, Drug, and Cosmetic Act, and for other purposes.
- H.R. 3402** To promote political and economic democracy in Poland and Hungary as those countries develop and implement programs of comprehensive economic reform.
- H.R. 3508** To expand the inspection by the Secretary of Agriculture of the Nation's food supply to ensure the safety and wholesomeness of the Nation's supply of fish, shellfish, and other marine and freshwater aquatic food.
- H.R. 3574** To provide for the coordination of ground water policy within the Department of Agriculture, and for other purposes.
- H.J.Res. 124** To recognize the 75th anniversary of the Smith-Lever Act of May 8, 1914, and its role in establishing our Nation's system of State Cooperative Extension Services.
- H.Con.Res. 126** Urging the President to revoke Executive Order 12072, and thereby enabling the Secretary of Agriculture to properly select the location of federal facilities in compliance with the Rural Development Act of 1972.

ROBINSON, Tommy F. of Arkansas

- H.R. 425** To amend the Animal Welfare Act with respect to the issuance of temporary restraining orders and injunctions in certain cases.
- H.R. 500** To encourage scientific research and development of technologies relating to recycling, and for other purposes.
- H.R. 764** To amend the Agricultural Act of 1949 to allow producers to devote acreage conservation reserve acreage to water storage.
- H.R. 1505** To provide financial assistance for the commercialization of agricultural research, and for other purposes.
- H.R. 2213** To designate certain public lands in the State of Idaho as wilderness, and for other purposes.
- H.R. 2294** Directing the Secretary of Agriculture to provide an adjustment to permit flexibility in crop acreage bases.
- H.R. 2408** To transfer certain programs within the Department of Agriculture to a newly established Rural Development Administration, and for other purposes.
- H.R. 2409** To establish an emergency community water assistance grant program for eligible communities adversely affected by the droughts of 1988 and 1989.
- H.R. 2411** To establish new loan rates applicable for loans made for health care and related facilities under section 307(a)(3) of the Consolidated Farm and Rural Development Act.

- H.R. 2412** To authorize the Secretary of Agriculture to establish and maintain a central receiving facility at the Department of Agriculture for the storage and retrieval of data relating to Federal rural development programs.
- H.R. 3164** To amend the Rural Electrification Act of 1936 to permit the prepayment and refinancing of Federal financing bank loans made to rural electrification and telephone systems.
- H.R. 3768** To allow the Secretary of the U.S. Department of Agriculture or other appropriate official to protect persons engaged in a lawful hunt within a National Forest or on other lands affected with a Federal interest; establishing an administrative civil remedy against individuals or groups intentionally obstructing, impeding, or interfering with the conduct of a lawful hunt; and for other purposes.
- H.Con.Res. 126** Urging the President to revoke Executive Order 12072, and thereby enabling the Secretary of Agriculture to properly select the location of federal facilities in compliance with the Rural Development Act of 1972.

ROCKEFELLER, Jay of West Virginia

- S. 253** To establish a coordinated National Nutrition Monitoring and Related Research Program, and a comprehensive plan for the assessment of the nutritional and dietary status of the United States population and the nutritional quality of food consumed in the United States, with the provision for the conduct of scientific research and development in support of such program and plan.

ROE, Robert A. of New Jersey

- H.R. 37** To authorize the water resources research activities of the United States Geological Survey, and for other purposes.
- H.R. 37** To authorize the water resources research activities of the United States Geological Survey, and for other purposes.
- H.R. 425** To amend the Animal Welfare Act with respect to the issuance of temporary restraining orders and injunctions in certain cases.
- H.R. 500** To encourage scientific research and development of technologies relating to recycling, and for other purposes.
- H.R. 677** To establish a coordinated National Nutrition Monitoring and Related Research Program, and a comprehensive plan for the assessment of the nutritional and dietary status of the United States population and the nutritional quality of food consumed in the United States, with the provision for the conduct of scientific research and development in support of such program and plan.
- H.R. 987** To amend the Alaska National Interest Lands Conservation Act, to designate certain lands in the Tongass National Forest as wilderness, and for other purposes.
- H.R. 1078** To establish national policies and support and encourage international agreements that implement energy and natural resource conservation strategies appropriate to preventing the overheating of the Earth's atmosphere, known as the "greenhouse effect".
- H.R. 1387** To provide for the inspection of all commercial seafood destined for human consumption in the United States.
- H.R. 1729** To amend Federal laws to grant the same rights and privileges afforded to blind individuals who depend on seeing-eye dogs to other disabled individuals who depend on guide, hearing, or service dogs, or other animals, to assist them.
- H.R. 2144** To improve forest management in urban areas and other communities, and for other purposes.
- H.R. 2258** To minimize the impact of agricultural nitrogen on ground water and surface water quality by establishing a national task force on agricultural best management practices and to amend section 319 of the Clean Water Act.
- H.R. 2734** To inaugurate a comprehensive program of environmental research, development, and demonstration relating to contamination and depletion of ground water and ground water resources; and to establish an Interagency Ground Water Research Committee to improve coordination among Federal agencies and provide assistance for implementation of State management programs.
- H.R. 2766** To amend the Animal Welfare Act to include mice, rats, and birds within the definition of animals protected under the Act.

AUTHOR INDEX

ROE, Robert A. of New Jersey—Continued

- H.R. 3160** To provide additional food assistance to Poland in the form of donated surplus agricultural commodities held in the Commodity Credit Corporation.
- H.R. 3387** To provide for the establishment of a coordinated program of promotion and research designed to strengthen the position of the pecan industry in the marketplace, to maintain and expand foreign and domestic markets and uses for improved and native pecans and pecan products, and for other purposes.
- H.J.Res. 124** To recognize the 75th anniversary of the Smith-Lever Act of May 8, 1914, and its role in establishing our Nation's system of State Cooperative Extension Services.

ROGERS, Harold of Kentucky

- H.R. 2388** To expand home ownership opportunities for low- and moderate-income families in rural areas.
- H.R. 3270** Entitled, "The Farm Animal and Research Facilities Protection Act of 1989".
- H.R. 3382** To provide grants to aid rural business and job creation in rural areas, to provide grants for emergency water assistance projects, and for other purposes.
- H.Con.Res. 140** Directing the appropriate committees of the Congress to give due consideration to the formulation and advancement of a comprehensive package of legislation dealing with the economic development needs of rural communities at the earliest possible date.

ROHRBACHER, Dana of California

- H.R. 1645** To permit timber sales and related activities on National Forest System lands during a 5-year period of study of the status of the Northern Spotted Owl, and for other purposes.
- H.R. 2881** To amend the Public Health Service Act to establish a program of block grants to the States for the purpose of consolidating Federal programs with respect to maternal and child health.

ROS-LEHTINEN, Illeana of Florida

- H.R. 3402** To promote political and economic democracy in Poland and Hungary as those countries develop and implement programs of comprehensive economic reform.

ROSE, Charles of North Carolina

- H.R. 500** To encourage scientific research and development of technologies relating to recycling, and for other purposes.
- H.R. 987** To amend the Alaska National Interest Lands Conservation Act, to designate certain lands in the Tongass National Forest as wilderness, and for other purposes.
- H.R. 1078** To establish national policies and support and encourage international agreements that implement energy and natural resource conservation strategies appropriate to preventing the overheating of the Earth's atmosphere, known as the "greenhouse effect".
- H.R. 2257** To amend the Potato Research and Promotion Act to provide improved methods of assessment that will finance a more effective marketing research and promotion program and provide for a more effective consumer information program designed to expand markets for potatoes.
- H.R. 2345 *** To amend section 19 of the Animal Welfare Act (7 U.S.C. 2149).
- H.R. 2467** Entitled the "1988 Disaster Assistance Extension Act".

- H.R. 2869** To amend the Commodity Exchange Act to improve the regulation of futures and options traded under rules and regulations of the Commodity Futures Trading Commission, establish registration standards for all exchange floor traders, restrict practices which may lead to the abuse of outside customers of the marketplace, reinforce development of exchange audit trails to better enable the detection and prevention of such practices, establish higher standards for service on governing boards and disciplinary committees of self regulatory organizations, enhance the international regulation of futures trading, regularize the process of authorizing appropriations for the Commodity Futures Trading Commission, and for other purposes.
- H.R. 3048** To designate the Agricultural Research Service, U.S. Department of Agriculture, animal health research building in Clay Center, Nebraska, as the "Virginia D. Smith Animal Health Research Laboratory".
- H.R. 3164** To amend the Rural Electrification Act of 1936 to permit the prepayment and refinancing of Federal financing bank loans made to rural electrification and telephone systems.
- H.R. 3223 *** To amend the Animal Welfare Act to protect animal research facilities, and for other purposes.
- H.R. 3292** To amend the Federal Insecticide, Fungicide, and Rodenticide Act and the Federal Food, Drug, and Cosmetic Act, and for other purposes.
- H.R. 3382** To provide grants to aid rural business and job creation in rural areas, to provide grants for emergency water assistance projects, and for other purposes.
- H.R. 3402** To promote political and economic democracy in Poland and Hungary as those countries develop and implement programs of comprehensive economic reform.

ROSTENKOWSKI, Dan of Illinois

- H.R. 3402** To promote political and economic democracy in Poland and Hungary as those countries develop and implement programs of comprehensive economic reform.

ROTH, Toby of Wisconsin

- H.R. 425 *** To amend the Animal Welfare Act with respect to the issuance of temporary restraining orders and injunctions in certain cases.
- H.R. 501 *** To repeal the minimum adjustments to prices of fluid milk under Federal marketing orders and to establish basing points in various geographical areas of the United States for purposes of determining prices to be paid to milk producers under such orders.
- H.R. 2973** Amending the Food Security Act of 1985 to provide farm program payment fairness and equity to married couples when both the husband and the wife contribute active personal management or labor to the operation of a farm enterprise, and for other purposes.

ROUKEMA, Marge of New Jersey

- H.R. 37** To authorize the water resources research activities of the United States Geological Survey, and for other purposes.
- H.R. 37** To authorize the water resources research activities of the United States Geological Survey, and for other purposes.
- H.R. 987** To amend the Alaska National Interest Lands Conservation Act, to designate certain lands in the Tongass National Forest as wilderness, and for other purposes.
- H.R. 1055** To restore balance among sources of supply for the Nation's sweetener needs, and for other purposes.
- H.R. 2386** To amend the Agriculture Act of 1949 to establish eligibility requirements for agricultural commodity price support programs with respect to the delivery of irrigation water.
- H.R. 3048** To designate the Agricultural Research Service, U.S. Department of Agriculture, animal health research building in Clay Center, Nebraska, as the "Virginia D. Smith Animal Health Research Laboratory".
- H.R. 3803** To require the Secretary of Agriculture to conduct a study relating to forest resources and open space in the States of New York, New Jersey, and Pennsylvania.

AUTHOR INDEX

ROWLAND, J. Roy of Georgia

- H.R. 2209** To enable producers of soybeans to develop, finance, and carry out a nationally coordinated program for soybean promotion, research, and consumer information, and for other purposes.
- H.R. 3270** Entitled, "The Farm Animal and Research Facilities Protection Act of 1989".
- H.R. 3387** To provide for the establishment of a coordinated program of promotion and research designed to strengthen the position of the pecan industry in the marketplace, to maintain and expand foreign and domestic markets and uses for improved and native pecans and pecan products, and for other purposes.

ROWLAND, John G. of Connecticut

- H.R. 37** To authorize the water resources research activities of the United States Geological Survey, and for other purposes.
- H.R. 37** To authorize the water resources research activities of the United States Geological Survey, and for other purposes.
- H.R. 1055** To restore balance among sources of supply for the Nation's sweetener needs, and for other purposes.
- H.R. 1078** To establish national policies and support and encourage international agreements that implement energy and natural resource conservation strategies appropriate to preventing the overheating of the Earth's atmosphere, known as the "greenhouse effect".

ROYBAL, Edward R. of California

- H.R. 500** To encourage scientific research and development of technologies relating to recycling, and for other purposes.
- H.R. 987** To amend the Alaska National Interest Lands Conservation Act, to designate certain lands in the Tongass National Forest as wilderness, and for other purposes.
- H.R. 1078** To establish national policies and support and encourage international agreements that implement energy and natural resource conservation strategies appropriate to preventing the overheating of the Earth's atmosphere, known as the "greenhouse effect".

RUSSO, Marty of Illinois

- H.R. 84** To prohibit certain practices in the raising of calves for veal, and for other purposes.
- H.R. 425** To amend the Animal Welfare Act with respect to the issuance of temporary restraining orders and injunctions in certain cases.

SABO, Martin Olav of Minnesota

- H.R. 84** To prohibit certain practices in the raising of calves for veal, and for other purposes.
- H.R. 500** To encourage scientific research and development of technologies relating to recycling, and for other purposes.
- H.R. 987** To amend the Alaska National Interest Lands Conservation Act, to designate certain lands in the Tongass National Forest as wilderness, and for other purposes.
- H.R. 1139** To authorize the Secretary of Agriculture to issue a nationwide marketing order applicable to milk and milk products, and for other purposes.
- H.R. 3143** To establish a national energy policy to reduce global warming, and for other purposes.
- H.R. 3362** To establish a national policy of "no net loss of forests", to direct the President to work for a declaration of a State of Emergency for Global Forests, to establish forest protection and forest restoration programs as a national priority, to support a global forest resource survey, to create an Endangered Forests Research Initiative, and to initiate a joint United States-Japan effort for global forest restoration.
- H.R. 3514** To establish within the Department of Agriculture an Office of Integrated Pest Management, and for other purposes.

SAIKI, Patricia F. of Hawaii

- H.R. 500** To encourage scientific research and development of technologies relating to recycling, and for other purposes.
- H.R. 514** To establish labeling and advertising requirements for food or drink which are labeled "lite" or "light" or which make similar comparative claims to describe fat, sodium, or calorie content and for other purposes.
- H.R. 1078** To establish national policies and support and encourage international agreements that implement energy and natural resource conservation strategies appropriate to preventing the overheating of the Earth's atmosphere, known as the "greenhouse effect".
- H.R. 2065** To provide for studies and planning activities for improvement of tropical forest management, including forest management of insular areas and jurisdictions and public lands of the United States, and for other purposes.
- H.R. 2881** To amend the Public Health Service Act to establish a program of block grants to the States for the purpose of consolidating Federal programs with respect to maternal and child health.
- H.R. 3071** To consolidate food inspection functions in the Department of Agriculture.
- H.R. 3143** To establish a national energy policy to reduce global warming, and for other purposes.
- H.R. 3420** To provide further authority to the Secretary of Agriculture for international forestry cooperation, for tropical forestry cooperation in the South Pacific, and for other purposes.
- H.J.Res. 271** Relating to responsible trade and conservation of tropical forest resources.

SANFORD, Terry of North Carolina

- S. 1036** To improve the economic, community, and educational well-being of rural America, and for other purposes.

SANGMEISTER, George E. of Illinois

- H.R. 1078** To establish national policies and support and encourage international agreements that implement energy and natural resource conservation strategies appropriate to preventing the overheating of the Earth's atmosphere, known as the "greenhouse effect".

SARBANES, Paul S. of Maryland

- S. 1036** To improve the economic, community, and educational well-being of rural America, and for other purposes.

SARPALIUS, Bill of Texas

- H.R. 371** To direct a study by the Secretary of Agriculture of the classification of anhydrous ammonia as a poisonous gas for purposes of the Hazardous Materials Transportation Act, and for other purposes.
- H.R. 772** To amend the Soil Conservation and Domestic Allotment Act to extend the date for entering into contracts under the Great Plains conservation program.
- H.R. 2232** Entitled, "Disaster Assistance Act of 1989".
- H.R. 2251 *** Entitled, "Disaster Assistance Act of 1989".
- H.R. 2294** Directing the Secretary of Agriculture to provide an adjustment to permit flexibility in crop acreage bases.
- H.R. 2467** Entitled the "1988 Disaster Assistance Extension Act".
- H.R. 2869** To amend the Commodity Exchange Act to improve the regulation of futures and options traded under rules and regulations of the Commodity Futures Trading Commission, establish registration standards for all exchange floor traders, restrict practices which may lead to the abuse of outside customers of the marketplace, reinforce development of exchange audit trails to better enable the detection and prevention of such practices, establish higher standards for service on governing boards and disciplinary committees of self regulatory organizations, enhance the international regulation of futures trading, regularize the process of authorizing appropriations for the Commodity Futures Trading Commission, and for other purposes.

AUTHOR INDEX

SARPALIUS, Bill of Texas—Continued

- H.R. 3048** To designate the Agricultural Research Service, U.S. Department of Agriculture, animal health research building in Clay Center, Nebraska, as the "Virginia D. Smith Animal Health Research Laboratory".
- H.R. 3164** To amend the Rural Electrification Act of 1936 to permit the prepayment and refinancing of Federal financing bank loans made to rural electrification and telephone systems.
- H.R. 3270** Entitled, "The Farm Animal and Research Facilities Protection Act of 1989".
- H.R. 3292** To amend the Federal Insecticide, Fungicide, and Rodenticide Act and the Federal Food, Drug, and Cosmetic Act, and for other purposes.
- H.R. 3382** To provide grants to aid rural business and job creation in rural areas, to provide grants for emergency water assistance projects, and for other purposes.
- H.R. 3402** To promote political and economic democracy in Poland and Hungary as those countries develop and implement programs of comprehensive economic reform.
- H.J.Res. 124** To recognize the 75th anniversary of the Smith-Lever Act of May 8, 1914, and its role in establishing our Nation's system of State Cooperative Extension Services.

SASSER, Jim of Tennessee

- S. 253** To establish a coordinated National Nutrition Monitoring and Related Research Program, and a comprehensive plan for the assessment of the nutritional and dietary status of the United States population and the nutritional quality of food consumed in the United States, with the provision for the conduct of scientific research and development in support of such program and plan.
- S. 1036** To improve the economic, community, and educational well-being of rural America, and for other purposes.

SAVAGE, Gus of Illinois

- H.R. 84** To prohibit certain practices in the raising of calves for veal, and for other purposes.
- H.R. 500** To encourage scientific research and development of technologies relating to recycling, and for other purposes.
- H.R. 1078** To establish national policies and support and encourage international agreements that implement energy and natural resource conservation strategies appropriate to preventing the overheating of the Earth's atmosphere, known as the "greenhouse effect".
- H.R. 2228** To amend the Agriculture Act of 1949 to modify the operation of the price support program applicable to milk.
- H.R. 3382** To provide grants to aid rural business and job creation in rural areas, to provide grants for emergency water assistance projects, and for other purposes.
- H.J.Res. 124** To recognize the 75th anniversary of the Smith-Lever Act of May 8, 1914, and its role in establishing our Nation's system of State Cooperative Extension Services.

SAWYER, Thomas C. of Ohio

- H.R. 37** To authorize the water resources research activities of the United States Geological Survey, and for other purposes.
- H.R. 37** To authorize the water resources research activities of the United States Geological Survey, and for other purposes.

SAXTON, Jim of New Jersey

- H.R. 37** To authorize the water resources research activities of the United States Geological Survey, and for other purposes.
- H.R. 37** To authorize the water resources research activities of the United States Geological Survey, and for other purposes.
- H.R. 425** To amend the Animal Welfare Act with respect to the issuance of temporary restraining orders and injunctions in certain cases.

- H.R. 500** To encourage scientific research and development of technologies relating to recycling, and for other purposes.
- H.R. 578** To amend the Animal Welfare Act to prohibit dog racing and dog training involving the use of live animals as visual lures and to make such Act applicable to facilities that are used for dog racing or dog race training.
- H.R. 1450** To amend the Perishable Agricultural Commodities Act, 1930, to require commission merchants, dealers, and brokers to label perishable agricultural commodities with the name of the country of origin of such commodities.
- H.R. 2386** To amend the Agriculture Act of 1949 to establish eligibility requirements for agricultural commodity price support programs with respect to the delivery of irrigation water.
- H.J.Res. 271** Relating to responsible trade and conservation of tropical forest resources.

SCHAEFER, Dan of Colorado

- H.R. 3768** To allow the Secretary of the U.S. Department of Agriculture or other appropriate official to protect persons engaged in a lawful hunt within a National Forest or on other lands affected with a Federal interest; establishing an administrative civil remedy against individuals or groups intentionally obstructing, impeding, or interfering with the conduct of a lawful hunt; and for other purposes.

SCHEUER, James H. of New York

- H.R. 37** To authorize the water resources research activities of the United States Geological Survey, and for other purposes.
- H.R. 37** To authorize the water resources research activities of the United States Geological Survey, and for other purposes.
- H.R. 84** To prohibit certain practices in the raising of calves for veal, and for other purposes.
- H.R. 500** To encourage scientific research and development of technologies relating to recycling, and for other purposes.
- H.R. 987** To amend the Alaska National Interest Lands Conservation Act, to designate certain lands in the Tongass National Forest as wilderness, and for other purposes.
- H.R. 1078** To establish national policies and support and encourage international agreements that implement energy and natural resource conservation strategies appropriate to preventing the overheating of the Earth's atmosphere, known as the "greenhouse effect".
- H.R. 2144** To improve forest management in urban areas and other communities, and for other purposes.
- H.R. 2213** To designate certain public lands in the State of Idaho as wilderness, and for other purposes.
- H.R. 2386** To amend the Agriculture Act of 1949 to establish eligibility requirements for agricultural commodity price support programs with respect to the delivery of irrigation water.
- H.R. 2406** To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 to strengthen the restraints upon clearcutting and certain other cutting practices in the National Forests of the United States.
- H.R. 2734 *** To inaugurate a comprehensive program of environmental research, development, and demonstration relating to contamination and depletion of ground water and ground water resources; and to establish an Interagency Ground Water Research Committee to improve coordination among Federal agencies and provide assistance for implementation of State management programs.
- H.R. 3143** To establish a national energy policy to reduce global warming, and for other purposes.
- H.R. 3362 *** To establish a national policy of "no net loss of forests", to direct the President to work for a declaration of a State of Emergency for Global Forests, to establish forest protection and forest restoration programs as a national priority, to support a global forest resource survey, to create an Endangered Forests Research Initiative, and to initiate a joint United States-Japan effort for global forest restoration.

AUTHOR INDEX

SCHNEIDER, Claudine of Rhode Island

- H.R. 84 To prohibit certain practices in the raising of calves for veal, and for other purposes.
- H.R. 500 To encourage scientific research and development of technologies relating to recycling, and for other purposes.
- H.R. 987 To amend the Alaska National Interest Lands Conservation Act, to designate certain lands in the Tongass National Forest as wilderness, and for other purposes.
- H.R. 1055 To restore balance among sources of supply for the Nation's sweetener needs, and for other purposes.
- H.R. 1078 * To establish national policies and support and encourage international agreements that implement energy and natural resource conservation strategies appropriate to preventing the overheating of the Earth's atmosphere, known as the "greenhouse effect".
- H.R. 2144 To improve forest management in urban areas and other communities, and for other purposes.
- H.R. 2386 To amend the Agriculture Act of 1949 to establish eligibility requirements for agricultural commodity price support programs with respect to the delivery of irrigation water.
- H.R. 2734 To inaugurate a comprehensive program of environmental research, development, and demonstration relating to contamination and depletion of ground water and ground water resources; and to establish an Interagency Ground Water Research Committee to improve coordination among Federal agencies and provide assistance for implementation of State management programs.
- H.R. 3362 To establish a national policy of "no net loss of forests", to direct the President to work for a declaration of a State of Emergency for Global Forests, to establish forest protection and forest restoration programs as a national priority, to support a global forest resource survey, to create an Endangered Forests Research Initiative, and to initiate a joint United States-Japan effort for global forest restoration.
- H.R. 3508 To expand the inspection by the Secretary of Agriculture of the Nation's food supply to ensure the safety and wholesomeness of the Nation's supply of fish, shellfish, and other marine and freshwater aquatic food.
- H.R. 3552 To amend the Agricultural Act of 1949 to foster and encourage a sustainable agricultural system in the United States.
- H.J.Res. 271 * Relating to responsible trade and conservation of tropical forest resources.

SCHROEDER, Patricia of Colorado

- H.R. 2134 To amend the Federal Meat Inspection Act to authorize the distribution of wholesome meat for human consumption that has been condemned under that Act to charity and public agencies.
- H.R. 2228 To amend the Agricultural Act of 1949 to modify the operation of the price support program applicable to milk.

SCHUETTE, Bill of Michigan

- H.R. 47 To establish a national alternative agricultural products board, a national institute for alternative agricultural products, and an agricultural industrial materials corporation, and for other purposes.
- H.R. 365 To provide for a White House Conference on Rural Development and Agriculture.
- H.R. 371 To direct a study by the Secretary of Agriculture of the classification of anhydrous ammonia as a poisonous gas for purposes of the Hazardous Materials Transportation Act, and for other purposes.
- H.R. 829 To make permanent the authority provided under the Temporary Emergency Wildfire Suppression Act.
- H.R. 1011 To provide for the establishment of the National Commission on Natural Resources Disasters, to provide for increased planning and cooperation with local firefighting forces in the event of forest fires, and for other purposes.
- H.R. 1472 To establish the Grand Island National Recreation Area in the State of Michigan, and for other purposes.
- H.R. 1505 To provide financial assistance for the commercialization of agricultural research, and for other purposes.

- H.R. 1608 To strengthen national nutrition monitoring by requiring the Secretary of Agriculture and the Secretary of Health and Human Services to prepare and implement a ten-year plan to assess the dietary and nutritional status of the United States population, to support research on, and development of, nutrition monitoring, to foster national nutrition education, to establish dietary guidelines, and for other purposes.
- H.R. 2042 To amend title V of the Agricultural Act of 1949 to allow producers to provide the appropriate county committees with actual yields for the 1989 and subsequent crop years.
- H.R. 2209 To enable producers of soybeans to develop, finance, and carry out a nationally coordinated program for soybean promotion, research, and consumer information, and for other purposes.
- H.R. 2257 To amend the Potato Research and Promotion Act to provide improved methods of assessment that will finance a more effective marketing research and promotion program and provide for a more effective consumer information program designed to expand markets for potatoes.
- H.R. 2258 To minimize the impact of agricultural nitrogen on ground water and surface water quality by establishing a national task force on agricultural best management practices and to amend section 319 of the Clean Water Act.
- H.R. 2408 To transfer certain programs within the Department of Agriculture to a newly established Rural Development Administration, and for other purposes.
- H.R. 2409 To establish an emergency community water assistance grant program for eligible communities adversely affected by the droughts of 1988 and 1989.
- H.R. 2411 To establish new loan rates applicable for loans made for health care and related facilities under section 307(a)(3) of the Consolidated Farm and Rural Development Act.
- H.R. 2412 To authorize the Secretary of Agriculture to establish and maintain a central receiving facility at the Department of Agriculture for the storage and retrieval of data relating to Federal rural development programs.
- H.R. 2467 Entitled the "1988 Disaster Assistance Extension Act".
- H.R. 2509 * Entitled the "Crop Quality Reduction Disaster Payments Act".
- H.R. 2641 To remove aflatoxin contaminated corn in the 1988 or 1989 corn crop from the food chain, to provide indemnification to producers of such corn, and to assure foreign and domestic markets of U.S. corn a safe, high quality product.
- H.R. 2973 Amending the Food Security Act of 1985 to provide farm program payment fairness and equity to married couples when both the husband and the wife contribute active personal management or labor to the operation of a farm enterprise, and for other purposes.
- H.R. 3048 To designate the Agricultural Research Service, U.S. Department of Agriculture, animal health research building in Clay Center, Nebraska, as the "Virginia D. Smith Animal Health Research Laboratory".
- H.R. 3071 To consolidate food inspection functions in the Department of Agriculture.
- H.R. 3270 Entitled, "The Farm Animal and Research Facilities Protection Act of 1989".
- H.R. 3292 To amend the Federal Insecticide, Fungicide, and Rodenticide Act and the Federal Food, Drug, and Cosmetic Act, and for other purposes.
- H.R. 3402 To promote political and economic democracy in Poland and Hungary as those countries develop and implement programs of comprehensive economic reform.
- H.R. 3508 To expand the inspection by the Secretary of Agriculture of the Nation's food supply to ensure the safety and wholesomeness of the Nation's supply of fish, shellfish, and other marine and freshwater aquatic food.
- H.R. 3635 Directing the Secretary of Agriculture to treat equally all producers of agricultural commodities who replanted a crop following a disaster, and to operate a program for the removal and disposition of wheat and feed grains which have been sprout-damaged, and for other purposes.
- H.J.Res. 124 To recognize the 75th anniversary of the Smith-Lever Act of May 8, 1914, and its role in establishing our Nation's system of State Cooperative Extension Services.
- H.J.Res. 271 Relating to responsible trade and conservation of tropical forest resources.

SCHUETTE, Bill of Michigan—Continued

- H.Con.Res. 126** Urging the President to revoke Executive Order 12072, and thereby enabling the Secretary of Agriculture to properly select the location of federal facilities in compliance with the Rural Development Act of 1972.
- H.Con.Res. 140** Directing the appropriate committees of the Congress to give due consideration to the formulation and advancement of a comprehensive package of legislation dealing with the economic development needs of rural communities at the earliest possible date.

SCHULZE, Richard T. of Pennsylvania

- H.R. 2187** To enable producers of fresh mushrooms to develop, finance, and carry out a nationally coordinated program for fresh mushroom promotion, research, and consumer information, and for other purposes.
- H.R. 3664** Entitled, "The Omnibus Agricultural Commodity Promotion and Research Act of 1989".
- H.R. 3768** To allow the Secretary of the U.S. Department of Agriculture or other appropriate official to protect persons engaged in a lawful hunt within a National Forest or on other lands affected with a Federal interest; establishing an administrative civil remedy against individuals or groups intentionally obstructing, impeding, or interfering with the conduct of a lawful hunt; and for other purposes.

SCHUMER, Charles E. of New York

- H.R. 500** To encourage scientific research and development of technologies relating to recycling, and for other purposes.
- H.R. 514** To establish labeling and advertising requirements for food or drink which are labeled "lite" or "light" or which make similar comparative claims to describe fat, sodium, or calorie content and for other purposes.
- H.R. 987** To amend the Alaska National Interest Lands Conservation Act, to designate certain lands in the Tongass National Forest as wilderness, and for other purposes.
- H.R. 1078** To establish national policies and support and encourage international agreements that implement energy and natural resource conservation strategies appropriate to preventing the overheating of the Earth's atmosphere, known as the "greenhouse effect".

SENSENBRENNER, F. James Jr. of Wisconsin

- H.R. 500** To encourage scientific research and development of technologies relating to recycling, and for other purposes.
- H.R. 1387** To provide for the inspection of all commercial seafood destined for human consumption in the United States.
- H.R. 1450 *** To amend the Perishable Agricultural Commodities Act, 1930, to require commission merchants, dealers, and brokers to label perishable agricultural commodities with the name of the country of origin of such commodities.
- H.Con.Res. 91** Expressing the sense of the Congress with regard to supporting increased donations of commodities for international hunger alleviation purposes through purchases of agricultural commodities from the United States and developing countries financed by the Government of Japan.

SHARP, Philip R. of Indiana

- H.R. 987** To amend the Alaska National Interest Lands Conservation Act, to designate certain lands in the Tongass National Forest as wilderness, and for other purposes.
- H.R. 2042** To amend title V of the Agricultural Act of 1949 to allow producers to provide the appropriate county committees with actual yields for the 1989 and subsequent crop years.
- H.R. 2144** To improve forest management in urban areas and other communities, and for other purposes.

- H.R. 2386** To amend the Agriculture Act of 1949 to establish eligibility requirements for agricultural commodity price support programs with respect to the delivery of irrigation water.

SHAW, E. Clay Jr. of Florida

- H.R. 37** To authorize the water resources research activities of the United States Geological Survey, and for other purposes.
- H.R. 37** To authorize the water resources research activities of the United States Geological Survey, and for other purposes.
- H.R. 94** To prohibit certain practices in the raising of calves for veal, and for other purposes.
- H.R. 425** To amend the Animal Welfare Act with respect to the issuance of temporary restraining orders and injunctions in certain cases.
- H.R. 578** To amend the Animal Welfare Act to prohibit dog racing and dog training involving the use of live animals as visual lures and to make such Act applicable to facilities that are used for dog racing or dog race training.

SHAYS, Christopher of Connecticut

- H.R. 37** To authorize the water resources research activities of the United States Geological Survey, and for other purposes.
- H.R. 37** To authorize the water resources research activities of the United States Geological Survey, and for other purposes.
- H.R. 94** To prohibit certain practices in the raising of calves for veal, and for other purposes.
- H.R. 425** To amend the Animal Welfare Act with respect to the issuance of temporary restraining orders and injunctions in certain cases.
- H.R. 500** To encourage scientific research and development of technologies relating to recycling, and for other purposes.
- H.R. 578** To amend the Animal Welfare Act to prohibit dog racing and dog training involving the use of live animals as visual lures and to make such Act applicable to facilities that are used for dog racing or dog race training.
- H.R. 677** To establish a coordinated National Nutrition Monitoring and Related Research Program, and a comprehensive plan for the assessment of the nutritional and dietary status of the United States population and the nutritional quality of food consumed in the United States, with the provision for the conduct of scientific research and development in support of such program and plan.
- H.R. 987** To amend the Alaska National Interest Lands Conservation Act, to designate certain lands in the Tongass National Forest as wilderness, and for other purposes.
- H.R. 1078** To establish national policies and support and encourage international agreements that implement energy and natural resource conservation strategies appropriate to preventing the overheating of the Earth's atmosphere, known as the "greenhouse effect".
- H.R. 2386** To amend the Agriculture Act of 1949 to establish eligibility requirements for agricultural commodity price support programs with respect to the delivery of irrigation water.
- H.R. 2734** To inaugurate a comprehensive program of environmental research, development, and demonstration relating to contamination and depletion of ground water and ground water resources, and to establish an Interagency Ground Water Research Committee to improve coordination among Federal agencies and provide assistance for implementation of State management programs.
- H.R. 2869** To amend the Commodity Exchange Act to improve the regulation of futures and options traded under rules and regulations of the Commodity Futures Trading Commission, establish registration standards for all exchange floor traders, restrict practices which may lead to the abuse of outside customers of the marketplace, reinforce development of exchange audit trails to better enable the detection and prevention of such practices, establish higher standards for service on governing boards and disciplinary committees of self regulatory organizations, enhance the international regulation of futures trading, regularize the process of authorizing appropriations for the Commodity Futures Trading Commission, and for other purposes.

AUTHOR INDEX

CHICKLEY, Richard of Indiana

- S. 1036 To improve the economic, community, and educational well-being of rural America, and for other purposes.

COO, NORMAN E., Norman D. of California

- H.R. 371 To direct a study to the Secretary of Agriculture of the classification of antituberculous ammonia as a poisonous gas for purposes of the Hazardous Materials Transportation Act, and for other purposes.
- H.R. 3801 To provide for the establishment of the National Commission on Natural Resources Disasters, to provide for increased planning and cooperation with local firefighting forces in the event of forest fires, and for other purposes.
- H.R. 3802 To permit timber sales and related activities on National Forest System lands during a 5-year period of study of the status of the Northern Spotted Owl, and for other purposes.
- H.R. 3880 To amend the Public Health Service Act to establish a program of blood grants to the States for the purpose of consolidating testing programs with respect to maternal and child health.
- H.R. 3890 To amend the Federal Insecticide, Fungicide, and Rodenticide Act and the Federal Food, Drug, and Cosmetic Act, and for other purposes.
- H.R. 3899 To amend the Disaster Assistance Act of 1983 to provide assistance to agricultural producers suffering from earthquakes.
- H.R. 3908 To allow the Secretary of the U.S. Department of Agriculture or other appropriate official to permit persons engaged in a lawful hunt within a National Forest or on other lands affected with a Federal interest, establishing an administrative civil remedy against individuals or groups intentionally obstructing, impeding, or interfering with the conduct of a lawful hunt, and for other purposes.

COLEMAN, Gary of Minnesota

- H.R. 380 To encourage scientific research and development of technologies relating to recycling, and for other purposes.
- H.R. 387 To amend the Alaska National Interest Lands Conservation Act, to designate certain lands in the Tongass National Forest as wilderness, and for other purposes.
- H.R. 3878 To establish national policies and support and encourage international agreements that implement energy and natural resource conservation strategies appropriate to preventing the overheating of the Earth's atmosphere, known as the "greenhouse effect".
- H.R. 3910 To amend the Food Security Act of 1985 with respect to wetlands, and for other purposes.
- H.R. 3930 To enable producers of soybeans to develop, finance, and carry out a nationally coordinated program for soybean promotion, research, and consumer information, and for other purposes.
- H.R. 3933 To designate certain public lands in the State of Idaho as wilderness, and for other purposes.
- H.R. 3938 To amend the Agricultural Act of 1949 to modify the operation of the price support program applicable to milk.
- H.R. 3960 To amend the Forest and Rangeland Renewable Resources Planning Act of 1976 to strengthen the requirements upon consulting and certain other acting practices in the National Forests of the United States.
- H.R. 3980 To establish a national energy policy to reduce global warming, and for other purposes.
- H.R. 3988 To amend the Rural Electrification Act of 1936 to permit the procurement and refinancing of Federal financing back loans made to rural electrification and telephone systems.
- H.R. 3987 To promote political democracy and economic pluralism in Poland and Hungary by assisting those nations during a critical period of transition and assisting the development in those nations of private business sectors, labor market reforms, and democratic institutions; to assist, through those steps, the framework for a composite program of support for East European Democracy; and for other purposes.
- H.R. 3990 To promote political and economic democracy in Poland and Hungary by those countries developing and implementing programs of comprehensive economic reform.

SIMON, Paul of Illinois

- S. 283 To establish a coordinated National Nutrition Monitoring and Related Research Program, and a comprehensive plan for the assessment of the nutritional and dietary status of the United States population and the nutritional quality of food consumed in the United States, with the provision for the conduct of scientific research and development in support of such program and plan.
- S. 936 To improve the economic, community, and educational well-being of rural America, and for other purposes.

STEWART, Norman of Virginia

- H.R. 3392 To provide grants to aid rural business and job creation in rural areas, to provide grants for emergency water assistance projects, and for other purposes.

STAGGS, David E. of Colorado

- H.R. 388 To encourage scientific research and development of technologies relating to recycling, and for other purposes.
- H.R. 377 To establish a coordinated National Nutrition Monitoring and Related Research Program, and a comprehensive plan for the assessment of the nutritional and dietary status of the United States population and the nutritional quality of food consumed in the United States, with the provision for the conduct of scientific research and development in support of such program and plan.
- H.R. 3878 To establish national policies and support and encourage international agreements that implement energy and natural resource conservation strategies appropriate to preventing the overheating of the Earth's atmosphere, known as the "greenhouse effect".
- H.R. 3736 To inaugurate a comprehensive program of environmental research, development, and demonstration relating to contamination and depletion of ground water and ground water resources, and to establish an Interagency Ground Water Research Committee to improve coordination among Federal agencies and provide assistance for implementation of water management programs.

STEEN, Joe of New Mexico

- H.R. 371 To direct a study by the Secretary of Agriculture of the classification of antituberculous ammonia as a poisonous gas for purposes of the Hazardous Materials Transportation Act, and for other purposes.
- H.R. 3280 To enable producers of soybeans, to develop, finance, and carry out a nationally coordinated program for soybean promotion, research, and consumer information, and for other purposes.
- H.R. 3860 To designate the Agricultural Research Service, U.S. Department of Agriculture, animal health research building in Clay Center, Nebraska, as the "Virginia D. Smith Animal Health Research Laboratory".
- H.R. 3278 Enacted, "The Farm Animal and Research Facilities Protection Act of 1987".
- H.R. 3387 To provide for the establishment of a coordinated program of promotion and research designed to strengthen the position of the peanut industry in the marketplace, to maintain and expand foreign and domestic markets and use for improved and native peanuts and peanut products, and for other purposes.
- H.R. 3760 To allow the Secretary of the U.S. Department of Agriculture or other appropriate official to permit persons engaged in a lawful hunt within a National Forest or on other lands affected with a Federal interest, establishing an administrative civil remedy against individuals or groups intentionally obstructing, impeding, or interfering with the conduct of a lawful hunt, and for other purposes.
- H.R. 3386 To recognize the 75th anniversary of the Smith-Lever Act of May 8, 1914, and its role in establishing our Nation's system of State Cooperative Extension Services.

AUTHOR INDEX

SKELTON, Ike of Missouri

- H.R. 371 To direct a study by the Secretary of Agriculture of the classification of anhydrous ammonia as a poisonous gas for purposes of the Hazardous Materials Transportation Act, and for other purposes.

- H.R. 2412 To authorize the Secretary of Agriculture to establish and maintain a central receiving facility at the Department of Agriculture for the storage and retrieval of data relating to Federal rural development programs.
- H.R. 3071 To consolidate food inspection functions in the Department of Agriculture.
- H.R. 3164 To amend the Rural Electrification Act of 1936 to permit the prepayment and refinancing of Federal financing bank loans made to rural electrification and telephone systems.
- H.R. 3382 To provide grants to aid rural business and job creation in rural areas, to provide grants for emergency water assistance projects, and for other purposes.
- H.J.Res. 124 To recognize the 75th anniversary of the Smith-Lever Act of May 8, 1914, and its role in establishing our Nation's system of State Cooperative Extension Services.
- H.Con.Res. 126 Urging the President to revoke Executive Order 12072, and thereby enabling the Secretary of Agriculture to properly select the locations of Federal facilities in compliance with the Rural Development Act of 1972.

SLATTERY, Jim of Kansas

- H.R. 371 To direct a study by the Secretary of Agriculture of the classification of anhydrous ammonia as a poisonous gas for purposes of the Hazardous Materials Transportation Act, and for other purposes.
- H.R. 500 To encourage scientific research and development of technologies relating to recycling, and for other purposes.
- H.R. 514 To establish labeling and advertising requirements for food or drink which are labeled "low" or "light" or which make similar comparative claims to describe fat, sodium, or calorie content and for other purposes.
- H.R. 764 To amend the Agricultural Act of 1949 to allow producers to devote acreage conservation reserve acreage to water storage.
- H.R. 873 To amend title V of the Agricultural Act of 1949 to allow producers to rotate program crop acreage bases to substitute crops.
- H.R. 987 To amend the Alaska National Interest Lands Conservation Act, to designate certain lands in the Tongass National Forest as wilderness, and for other purposes.
- H.R. 1078 To establish national policies and support and encourage international agreements that implement energy and natural resource conservation strategies appropriate to preventing the overheating of the Earth's atmosphere, known as the "greenhouse effect".
- H.R. 1266 To allow subsequent holders of certificates issued under section 107E of the Agricultural Act of 1949 to redeem such certificates in the same manner as original holders of such certificates.
- H.R. 1505 To provide financial assistance for the commercialization of agricultural research, and for other purposes.
- H.R. 1729 To amend Federal laws to grant the same rights and privileges afforded to blind individuals who depend on seeing-eye dogs to other disabled individuals who depend on guide, hearing, or service dogs, or other animals, to assist them.
- H.R. 2134 To amend the Federal Meat Inspection Act to authorize the distribution of wholesome meat for human consumption that has been condemned under that Act to charity and public agencies.

- H.R. 2209 To enable producers of soybeans to develop, finance, and carry out a nationally coordinated program for soybean promotion, research, and consumer information, and for other purposes.
- H.R. 2467 Entitled the "1988 Disaster Assistance Extension Act".
- H.R. 3164 To amend the Rural Electrification Act of 1936 to permit the prepayment and refinancing of Federal financing bank loans made to rural electrification and telephone systems.
- H.R. 3223 To amend the Animal Welfare Act to protect animal research facilities, and for other purposes.
- H.R. 3270 Entitled, "The Farm Animal and Research Facilities Protection Act of 1989".
- H.R. 3382 To provide grants to aid rural business and job creation in rural areas, to provide grants for emergency water assistance projects, and for other purposes.
- H.J.Res. 57 Directing the Secretary of Agriculture to conduct a study of the effectiveness of current laws and regulations in protecting dogs and puppies bred and raised for sale to retail pet stores from inhumane treatment and premature shipment.
- H.Con.Res. 140 Directing the appropriate committees of the Congress to give due consideration to the formulation and advancement of a comprehensive package of legislation dealing with the economic development needs of rural communities at the earliest possible date.

SLAUGHTER, Louise McIntosh of New York

- H.R. 37 To authorize the water resources research activities of the United States Geological Survey, and for other purposes.
- H.R. 37 To authorize the water resources research activities of the United States Geological Survey, and for other purposes.
- H.R. 500 To encourage scientific research and development of technologies relating to recycling, and for other purposes.
- H.R. 1078 To establish national policies and support and encourage international agreements that implement energy and natural resource conservation strategies appropriate to preventing the overheating of the Earth's atmosphere, known as the "greenhouse effect".
- H.R. 1387 To provide for the inspection of all commercial seafood destined for human consumption in the United States.
- H.R. 2144 To improve forest management in urban areas and other communities, and for other purposes.
- H.R. 2213 To designate certain public lands in the State of Idaho as wilderness, and for other purposes.
- H.R. 2228 To amend the Agricultural Act of 1949 to modify the operation of the price support program applicable to milk.
- H.R. 3530 To improve rural development in the United States.
- H.R. 3552 To amend the Agricultural Act of 1949 to foster and encourage a sustainable agricultural system in the United States.

SMITH, Christopher H. of New Jersey

- H.R. 37 To authorize the water resources research activities of the United States Geological Survey, and for other purposes.
- H.R. 37 To authorize the water resources research activities of the United States Geological Survey, and for other purposes.
- H.R. 500 To encourage scientific research and development of technologies relating to recycling, and for other purposes.
- H.R. 987 To amend the Alaska National Interest Lands Conservation Act, to designate certain lands in the Tongass National Forest as wilderness, and for other purposes.
- H.R. 2881 To amend the Public Health Service Act to establish a program of block grants to the States for the purpose of consolidating Federal programs with respect to maternal and child health.
- H.R. 3402 To promote political and economic democracy in Poland and Hungary as those countries develop and implement programs of comprehensive economic reform.

SMITH, Denny of Oregon

- H.R. 371 To direct a study by the Secretary of Agriculture of the classification of anhydrous ammonia as a poisonous gas for purposes of the Hazardous Materials Transportation Act, and for other purposes.

AUTHOR INDEX

SMITH, Denny of Oregon—Continued

- H.R. 1645 To permit timber sales and related activities on National Forest System lands during a 5-year period of study of the status of the Northern Spotted Owl, and for other purposes.
- H.R. 2257 To amend the Potato Research and Promotion Act to provide improved methods of assessment that will finance a more effective marketing research and promotion program and provide for a more effective consumer information program designed to expand markets for potatoes.
- H.R. 2737 * To require the payment of interest on moneys affected by injunctions on Federal timber sales.

SMITH, Lamar S. of Texas

- H.R. 799 To authorize the Secretary of Agriculture to establish and carry out programs to eradicate the disease of scrapie in the sheep and goat populations of the United States and conduct research regarding scrapie.
- H.R. 2734 To inaugurate a comprehensive program of environmental research, development, and demonstration relating to contamination and depletion of ground water and ground water resources; and to establish an Interagency Ground Water Research Committee to improve coordination among Federal agencies and provide assistance for implementation of State management programs.
- H.R. 3270 Entitled, "The Farm Animal and Research Facilities Protection Act of 1989".

SMITH, Larkin of Mississippi

- H.R. 2134 To amend the Federal Meat Inspection Act to authorize the distribution of wholesome meat for human consumption that has been condemned under that Act to charity and public agencies.
- H.R. 2209 To enable producers of soybeans to develop, finance, and carry out a nationally coordinated program for soybean promotion, research, and consumer information, and for other purposes.
- H.R. 2467 Entitled the "1988 Disaster Assistance Extension Act".

SMITH, Lawrence J. of Florida

- H.R. 37 To authorize the water resources research activities of the United States Geological Survey, and for other purposes.
- H.R. 37 To authorize the water resources research activities of the United States Geological Survey, and for other purposes.
- H.R. 84 To prohibit certain practices in the raising of calves for veal, and for other purposes.
- H.R. 89 To improve the protection of endangered species of wildlife in units of the National Forest System, the national park system, and the National Wildlife Refuge System by increasing the maximum fine that may be imposed for violating posted speed limits in such units.
- H.R. 425 To amend the Animal Welfare Act with respect to the issuance of temporary restraining orders and injunctions in certain cases.
- H.R. 500 To encourage scientific research and development of technologies relating to recycling, and for other purposes.
- H.R. 514 To establish labeling and advertising requirements for food or drink which are labeled "lite" or "light" or which make similar comparative claims to describe fat, sodium, or calorie content and for other purposes.
- H.R. 578 To amend the Animal Welfare Act to prohibit dog racing and dog training involving the use of live animals as visual lures and to make such Act applicable to facilities that are used for dog racing or dog race training.
- H.R. 1078 To establish national policies and support and encourage international agreements that implement energy and natural resource conservation strategies appropriate to preventing the overheating of the Earth's atmosphere, known as the "greenhouse effect".
- H.R. 1387 To provide for the inspection of all commercial seafood destined for human consumption in the United States.
- H.R. 2134 * To amend the Federal Meat Inspection Act to authorize the distribution of wholesome meat for human consumption that has been condemned under that Act to charity and public agencies.

- H.R. 2213 To designate certain public lands in the State of Idaho as wilderness, and for other purposes.
- H.R. 2734 To inaugurate a comprehensive program of environmental research, development, and demonstration relating to contamination and depletion of ground water and ground water resources; and to establish an Interagency Ground Water Research Committee to improve coordination among Federal agencies and provide assistance for implementation of State management programs.
- H.R. 3223 To amend the Animal Welfare Act to protect animal research facilities, and for other purposes.
- H.J.Res. 271 Relating to responsible trade and conservation of tropical forest resources.

SMITH, Neal of Iowa

- H.R. 602 * To amend the Commodity Exchange Act to require public disclosure of certain information relating to sales of commodities for export, and for other purposes.
- H.R. 603 * To amend the Commodity Exchange Act to prohibit insider trading.
- H.R. 604 * To amend the Poultry Products Inspection Act to reestablish minimum inspection and processing standards.
- H.R. 607 * To amend the Small Business Act to assist and protect small businesses and to protect small businesses against unreasonable use of economic power by major meatpacking companies, and for other purposes.
- H.R. 608 * To clarify the eligibility of certain small businesses for loans under the Small Business Act, to aid, protect, and preserve small businesses in meat production and marketing, and for other purposes.
- H.R. 609 * To develop natural resources, to provide meaningful employment opportunities producing assets of lasting value, and to enhance the environment, through a program providing incentives to State, local, and Federal agencies to plant trees on public lands.
- H.R. 610 * To require the Secretary of the Interior to establish a program to insure the stockpiling and replacement of topsoil on public lands and other lands which are moved or covered by surface mining projects, reclamation projects, and other Federal and federally assisted projects, and for other purposes.
- H.R. 3382 To provide grants to aid rural business and job creation in rural areas, to provide grants for emergency water assistance projects, and for other purposes.

SMITH, Peter of Vermont

- H.R. 37 To authorize the water resources research activities of the United States Geological Survey, and for other purposes.
- H.R. 37 To authorize the water resources research activities of the United States Geological Survey, and for other purposes.
- H.R. 500 To encourage scientific research and development of technologies relating to recycling, and for other purposes.
- H.R. 987 To amend the Alaska National Interest Lands Conservation Act, to designate certain lands in the Tongass National Forest as wilderness, and for other purposes.
- H.R. 1078 To establish national policies and support and encourage international agreements that implement energy and natural resource conservation strategies appropriate to preventing the overheating of the Earth's atmosphere, known as the "greenhouse effect".
- H.R. 2228 To amend the Agricultural Act of 1949 to modify the operation of the price support program applicable to milk.
- H.R. 2388 To expand home ownership opportunities for low- and moderate-income families in rural areas.
- H.R. 3530 To improve rural development in the United States.
- H.J.Res. 271 Relating to responsible trade and conservation of tropical forest resources.
- H.Con.Res. 140 Directing the appropriate committees of the Congress to give due consideration to the formulation and advancement of a comprehensive package of legislation dealing with the economic development needs of rural communities at the earliest possible date.

AUTHOR INDEX

SMITH, Robert C. of New Hampshire

- H.R. 84 To prohibit certain practices in the raising of calves for veal, and for other purposes.
- H.R. 425 To amend the Animal Welfare Act with respect to the issuance of temporary restraining orders and injunctions in certain cases.
- H.R. 578 To amend the Animal Welfare Act to prohibit dog racing and dog training involving the use of live animals as visual lures and to make such Act applicable to facilities that are used for dog racing or dog race training.
- H.R. 967 To amend the Alaska National Interest Lands Conservation Act, to designate certain lands in the Tongass National Forest as wilderness, and for other purposes.
- H.R. 1055 To restore balance among sources of supply for the Nation's sweetener needs, and for other purposes.
- H.R. 2734 To inaugurate a comprehensive program of environmental research, development, and demonstration relating to contamination and depletion of ground water and ground water resources; and to establish an Interagency Ground Water Research Committee to improve coordination among Federal agencies and provide assistance for implementation of State management programs.
- H.R. 3223 To amend the Animal Welfare Act to protect animal research facilities, and for other purposes.

SMITH, Robert F. (Bob) of Oregon

- H.R. 371 To direct a study by the Secretary of Agriculture of the classification of anhydrous ammonia as a poisonous gas for purposes of the Hazardous Materials Transportation Act, and for other purposes.
- H.R. 802 Directing the Secretary of Agriculture to formulate proposals to reduce paperwork and recordkeeping required of agricultural producers, to study the feasibility of establishing an electronic system or network to facilitate such reduction, and for other purposes.
- H.R. 829 To make permanent the authority provided under the Temporary Emergency Wildfire Suppression Act.
- H.R. 1011 To provide for the establishment of the National Commission on Natural Resources Disasters, to provide for increased planning and cooperation with local firefighting forces in the event of forest fires, and for other purposes.
- H.R. 1645 * To permit timber sales and related activities on National Forest System lands during a 5-year period of study of the status of the Northern Spotted Owl, and for other purposes.
- H.R. 2134 To amend the Federal Meat Inspection Act to authorize the distribution of wholesome meat for human consumption that has been condemned under that Act to charity and public agencies.
- H.R. 2209 To enable producers of soybeans to develop, finance, and carry out a nationally coordinated program for soybean promotion, research, and consumer information, and for other purposes.
- H.R. 2257 To amend the Potato Research and Promotion Act to provide improved methods of assessment that will finance a more effective marketing research and promotion program and provide for a more effective consumer information program designed to expand markets for potatoes.
- H.R. 2737 To require the payment of interest on moneys affected by injunctions on Federal timber sales.
- H.R. 2973 Amending the Food Security Act of 1985 to provide farm program payment fairness and equity to married couples when both the husband and the wife contribute active personal management or labor to the operation of a farm enterprise, and for other purposes.
- H.R. 3048 To designate the Agricultural Research Service, U.S. Department of Agriculture, animal health research building in Clay Center, Nebraska, as the "Virginia D. Smith Animal Health Research Laboratory".
- H.R. 3164 To amend the Rural Electrification Act of 1936 to permit the prepayment and refinancing of Federal financing bank loans made to rural electrification and telephone systems.
- H.R. 3270 Entitled, "The Farm Animal and Research Facilities Protection Act of 1989".
- H.R. 3292 To amend the Federal Insecticide, Fungicide, and Rodenticide Act and the Federal Food, Drug, and Cosmetic Act, and for other purposes.
- H.R. 3382 To provide grants to aid rural business and job creation in rural areas, to provide grants for emergency water assistance projects, and for other purposes.

- H.R. 3508 To expand the inspection by the Secretary of Agriculture of the Nation's food supply to ensure the safety and wholesomeness of the Nation's supply of fish, shellfish, and other marine and freshwater aquatic food.
- H.R. 3635 Directing the Secretary of Agriculture to treat equally all producers of agricultural commodities who replanted a crop following a disaster, and to operate a program for the removal and disposition of wheat and feed grains which have been sprout-damaged, and for other purposes.
- H.R. 3768 To allow the Secretary of the U.S. Department of Agriculture or other appropriate official to protect persons engaged in a lawful hunt within a National Forest or on other lands affected with a Federal interest; establishing an administrative civil remedy against individuals or groups intentionally obstructing, impeding, or interfering with the conduct of a lawful hunt; and for other purposes.

SMITH, Virginia of Nebraska

- H.R. 47 * To establish a national alternative agricultural products board, a national institute for alternative agricultural products, and an agricultural industrial materials corporation, and for other purposes.
- H.R. 365 * To provide for a White House Conference on Rural Development and Agriculture.
- H.R. 370 * To direct the Office of Technology Assessment to conduct a study of the effects of the reclassification of anhydrous ammonia as a poisonous gas, to limit the authority of the Secretary of Transportation to take any action regarding such reclassification until after completion of such study, and for other purposes.
- H.R. 371 * To direct a study by the Secretary of Agriculture of the classification of anhydrous ammonia as a poisonous gas for purposes of the Hazardous Materials Transportation Act, and for other purposes.
- H.R. 2209 To enable producers of soybeans to develop, finance, and carry out a nationally coordinated program for soybean promotion, research, and consumer information, and for other purposes.
- H.R. 2257 To amend the Potato Research and Promotion Act to provide improved methods of assessment that will finance a more effective marketing research and promotion program and provide for a more effective consumer information program designed to expand markets for potatoes.
- H.R. 2294 Directing the Secretary of Agriculture to provide an adjustment to permit flexibility in crop acreage bases.
- H.R. 2394 * To provide assistance to producers affected by extreme weather conditions.
- H.R. 2408 To transfer certain programs within the Department of Agriculture to a newly established Rural Development Administration, and for other purposes.
- H.R. 2409 To establish an emergency community water assistance grant program for eligible communities adversely affected by the droughts of 1988 and 1989.
- H.R. 2411 To establish new loan rates applicable for loans made for health care and related facilities under section 307(a)(3) of the Consolidated Farm and Rural Development Act.
- H.R. 2412 To authorize the Secretary of Agriculture to establish and maintain a central receiving facility at the Department of Agriculture for the storage and retrieval of data relating to Federal rural development programs.
- H.R. 2735 * To amend the Rural Electrification Act of 1936 to allow the prepayment of certain loans.
- H.R. 2973 Amending the Food Security Act of 1985 to provide farm program payment fairness and equity to married couples when both the husband and the wife contribute active personal management or labor to the operation of a farm enterprise, and for other purposes.
- H.R. 3222 To amend the Disaster Assistance Act of 1989.
- H.R. 3270 Entitled, "The Farm Animal and Research Facilities Protection Act of 1989".
- H.R. 3292 To amend the Federal Insecticide, Fungicide, and Rodenticide Act and the Federal Food, Drug, and Cosmetic Act, and for other purposes.
- H.J.Res. 124 To recognize the 75th anniversary of the Smith-Lever Act of May 8, 1914, and its role in establishing our Nation's system of State Cooperative Extension Services.

AUTHOR INDEX

SMITH, Virginia of Nebraska—Continued

- H.Con.Res. 126** Urging the President to revoke Executive Order 12072, and thereby enabling the Secretary of Agriculture to properly select the location of federal facilities in compliance with the Rural Development Act of 1972.
- H.Con.Res. 140** Directing the appropriate committees of the Congress to give due consideration to the formulation and advancement of a comprehensive package of legislation dealing with the economic development needs of rural communities at the earliest possible date.

SNOWE, Olympia J. of Maine

- H.R. 500** To encourage scientific research and development of technologies relating to recycling, and for other purposes.
- H.R. 1078** To establish national policies and support and encourage international agreements that implement energy and natural resource conservation strategies appropriate to preventing the overheating of the Earth's atmosphere, known as the "greenhouse effect".
- H.R. 2257** To amend the Potato Research and Promotion Act to provide improved methods of assessment that will finance a more effective marketing research and promotion program and provide for a more effective consumer information program designed to expand markets for potatoes.
- H.R. 3530** To improve rural development in the United States.

SOLARZ, Stephen J. of New York

- H.R. 425** To amend the Animal Welfare Act with respect to the issuance of temporary restraining orders and injunctions in certain cases.
- H.R. 500** To encourage scientific research and development of technologies relating to recycling, and for other purposes.
- H.R. 987** To amend the Alaska National Interest Lands Conservation Act, to designate certain lands in the Tongass National Forest as wilderness, and for other purposes.
- H.R. 1055** To restore balance among sources of supply for the Nation's sweetener needs, and for other purposes.
- H.R. 1078** To establish national policies and support and encourage international agreements that implement energy and natural resource conservation strategies appropriate to preventing the overheating of the Earth's atmosphere, known as the "greenhouse effect".
- H.R. 3307** To promote political democracy and economic pluralism in Poland and Hungary by assisting those nations during a critical period of transition and abetting the development in those nations of private business sectors, labor market reforms, and democratic institutions; to establish, through these steps, the framework for a composite program of support for East European Democracy; and for other purposes.
- H.R. 3402** To promote political and economic democracy in Poland and Hungary as those countries develop and implement programs of comprehensive economic reform.
- H.R. 3420** To provide further authority to the Secretary of Agriculture for international forestry cooperation, for tropical forestry cooperation in the South Pacific, and for other purposes.
- H.R. 3726 *** Authorizing the Secretary of State to establish a program of Federally-guaranteed loans to certain refugees.

SPECTER, Arlen of Pennsylvania

- S. 1036** To improve the economic, community, and educational well-being of rural America, and for other purposes.

SPENCE, Floyd of South Carolina

- H.R. 500** To encourage scientific research and development of technologies relating to recycling, and for other purposes.
- H.R. 2209** To enable producers of soybeans to develop, finance, and carry out a nationally coordinated program for soybean promotion, research, and consumer information, and for other purposes.

- H.R. 3382** To provide grants to aid rural business and job creation in rural areas, to provide grants for emergency water assistance projects, and for other purposes.
- H.R. 3482** To provide disaster assistance to private timber producers for the reestablishment of timber stands necessitated by Hurricane Hugo.

SPRATT, John M. Jr. of South Carolina

- H.R. 37** To authorize the water resources research activities of the United States Geological Survey, and for other purposes.
- H.R. 37** To authorize the water resources research activities of the United States Geological Survey, and for other purposes.
- H.R. 500** To encourage scientific research and development of technologies relating to recycling, and for other purposes.
- H.R. 1078** To establish national policies and support and encourage international agreements that implement energy and natural resource conservation strategies appropriate to preventing the overheating of the Earth's atmosphere, known as the "greenhouse effect".
- H.R. 1505** To provide financial assistance for the commercialization of agricultural research, and for other purposes.
- H.R. 2209** To enable producers of soybeans to develop, finance, and carry out a nationally coordinated program for soybean promotion, research, and consumer information, and for other purposes.
- H.R. 3164** To amend the Rural Electrification Act of 1936 to permit the prepayment and refinancing of Federal financing bank loans made to rural electrification and telephone systems.
- H.R. 3382** To provide grants to aid rural business and job creation in rural areas, to provide grants for emergency water assistance projects, and for other purposes.
- H.R. 3482** To provide disaster assistance to private timber producers for the reestablishment of timber stands necessitated by Hurricane Hugo.
- H.J.Res. 124** To recognize the 75th anniversary of the Smith-Lever Act of May 8, 1914, and its role in establishing our Nation's system of State Cooperative Extension Services.

STAGGERS, Harley O. Jr. of West Virginia

- H.R. 514** To establish labeling and advertising requirements for food or drink which are labeled "lite" or "light" or which make similar comparative claims to describe fat, sodium, or calorie content and for other purposes.
- H.R. 1526** To amend the Food Security Act of 1985 with respect to wetlands, and for other purposes.
- H.R. 1576 *** To modify the boundary of the Cranberry Wilderness, located in the Monongahela National Forest, West Virginia.
- H.R. 2187** To enable producers of fresh mushrooms to develop, finance, and carry out a nationally coordinated program for fresh mushroom promotion, research, and consumer information, and for other purposes.
- H.R. 2869** To amend the Commodity Exchange Act to improve the regulation of futures and options traded under rules and regulations of the Commodity Futures Trading Commission, establish registration standards for all exchange floor traders, restrict practices which may lead to the abuse of outside customers of the marketplace, reinforce development of exchange audit trails to better enable the detection and prevention of such practices, establish higher standards for service on governing boards and disciplinary committees of self regulatory organizations, enhance the international regulation of futures trading, regularize the process of authorizing appropriations for the Commodity Futures Trading Commission, and for other purposes.
- H.R. 3048** To designate the Agricultural Research Service, U.S. Department of Agriculture, animal health research building in Clay Center, Nebraska, as the "Virginia D. Smith Animal Health Research Laboratory".
- H.R. 3270** Entitled, "The Farm Animal and Research Facilities Protection Act of 1989".
- H.R. 3292** To amend the Federal Insecticide, Fungicide, and Rodenticide Act and the Federal Food, Drug, and Cosmetic Act, and for other purposes.

AUTHOR INDEX

STAGGERS, Harley O. Jr. of West Virginia—Continued

- H.R. 3382** To provide grants to aid rural business and job creation in rural areas, to provide grants for emergency water assistance projects, and for other purposes.
- H.R. 3435 *** To improve the delivery of water and waste water services in rural areas.
- H.R. 3519 *** To amend the Rural Development Act of 1972 to assist rural counties in developing a comprehensive plan for building a renewable community resource base, fostering youth leadership, increasing productivity over time, and becoming integrated into the global economy.
- H.R. 3542** To amend the Food Stamp Act of 1977 to require that certain children's clothing allowances, and certain costs associated with seeing eye dogs and hearing dogs, be deducted from income for purposes of determining benefits, and for other purposes.
- H.J.Res. 124** To recognize the 75th anniversary of the Smith-Lever Act of May 8, 1914, and its role in establishing our Nation's system of State Cooperative Extension Services.

STALLINGS, Richard H. of Idaho

- H.R. 371** To direct a study by the Secretary of Agriculture of the classification of anhydrous ammonia as a poisonous gas for purposes of the Hazardous Materials Transportation Act, and for other purposes.
- H.R. 768** To amend the United States Warehouse Act to specifically allow States to require grain elevators with Federal warehouse licenses to participate in State grain indemnity funds or to require collateral security.
- H.R. 799** To authorize the Secretary of Agriculture to establish and carry out programs to eradicate the disease of scrapie in the sheep and goat populations of the United States and conduct research regarding scrapie.
- H.R. 1245** To amend the Agricultural Act of 1949 to set the target price for oats at \$2.52 per bushel for the 1990 crop and to clarify the administration of the feed grain crop acreage base provisions of such Act.
- H.R. 1450** To amend the Perishable Agricultural Commodities Act, 1930, to require commission merchants, dealers, and brokers to label perishable agricultural commodities with the name of the country of origin of such commodities.
- H.R. 1505** To provide financial assistance for the commercialization of agricultural research, and for other purposes.
- H.R. 2042** To amend title V of the Agricultural Act of 1949 to allow producers to provide the appropriate county committees with actual yields for the 1989 and subsequent crop years.
- H.R. 2257 *** To amend the Potato Research and Promotion Act to provide improved methods of assessment that will finance a more effective marketing research and promotion program and provide for a more effective consumer information program designed to expand markets for potatoes.
- H.R. 2258** To minimize the impact of agricultural nitrogen on ground water and surface water quality by establishing a national task force on agricultural best management practices and to amend section 319 of the Clean Water Act.
- H.R. 2467** Entitled the "1988 Disaster Assistance Extension Act".
- H.R. 2565 *** To amend the Agricultural Act of 1949 to require the Secretary of Agriculture to exclude the malting barley price from the national weighted market price for barley in determining the payment rate used to calculate deficiency payments for the 1989 crop of barley, and to require the Secretary to establish the target price of barley for the 1990 crop based on all feed and food uses.
- H.R. 2734** To inaugurate a comprehensive program of environmental research, development, and demonstration relating to contamination and depletion of ground water and ground water resources; and to establish an Interagency Ground Water Research Committee to improve coordination among Federal agencies and provide assistance for implementation of State management programs.

- H.R. 2869** To amend the Commodity Exchange Act to improve the regulation of futures and options traded under rules and regulations of the Commodity Futures Trading Commission, establish registration standards for all exchange floor traders, restrict practices which may lead to the abuse of outside customers of the marketplace, reinforce development of exchange audit trails to better enable the detection and prevention of such practices, establish higher standards for service on governing boards and disciplinary committees of self regulatory organizations, enhance the international regulation of futures trading, regularize the process of authorizing appropriations for the Commodity Futures Trading Commission, and for other purposes.
- H.R. 3048** To designate the Agricultural Research Service, U.S. Department of Agriculture, animal health research building in Clay Center, Nebraska, as the "Virginia D. Smith Animal Health Research Laboratory".
- H.R. 3071** To consolidate food inspection functions in the Department of Agriculture.
- H.R. 3270** Entitled, "The Farm Animal and Research Facilities Protection Act of 1989".
- H.R. 3292** To amend the Federal Insecticide, Fungicide, and Rodenticide Act and the Federal Food, Drug, and Cosmetic Act, and for other purposes.
- H.R. 3382** To provide grants to aid rural business and job creation in rural areas, to provide grants for emergency water assistance projects, and for other purposes.
- H.R. 3402** To promote political and economic democracy in Poland and Hungary as those countries develop and implement programs of comprehensive economic reform.
- H.R. 3508** To expand the inspection by the Secretary of Agriculture of the Nation's food supply to ensure the safety and wholesomeness of the Nation's supply of fish, shellfish, and other marine and freshwater aquatic food.
- H.R. 3664** Entitled, "The Omnibus Agricultural Commodity Promotion and Research Act of 1989".
- H.R. 3827** To authorize any State to prohibit or otherwise restrict the exportation from the United States of unprocessed timber from lands owned or administered by that State.
- H.R. 3828** To restrict the export of unprocessed timber from certain Federal lands, and for other purposes.

STANGELAND, Arlan of Minnesota

- H.R. 37** To authorize the water resources research activities of the United States Geological Survey, and for other purposes.
- H.R. 37** To authorize the water resources research activities of the United States Geological Survey, and for other purposes.
- H.R. 371** To direct a study by the Secretary of Agriculture of the classification of anhydrous ammonia as a poisonous gas for purposes of the Hazardous Materials Transportation Act, and for other purposes.
- H.R. 400 *** To provide that each State must establish a workfare program, and require participation therein by all residents of the State who are receiving benefits or assistance under the aid to families with dependent children, food stamp, and public housing programs, as a condition of the State's eligibility for Federal assistance in connection with those programs.
- H.R. 802** Directing the Secretary of Agriculture to formulate proposals to reduce paperwork and recordkeeping required of agricultural producers, to study the feasibility of establishing an electronic system or network to facilitate such reduction, and for other purposes.
- H.R. 1541 *** To amend the Agricultural Act of 1949 with respect to the wheat and feed grains programs, and for other purposes.
- H.R. 2016 *** To provide for a marketing loan program for the 1991 through 1995 crops of wheat, feed grains, soybeans, and sunflowers.
- H.R. 2209** To enable producers of soybeans to develop, finance, and carry out a nationally coordinated program for soybean promotion, research, and consumer information, and for other purposes.
- H.R. 2258 *** To minimize the impact of agricultural nitrogen on ground water and surface water quality by establishing a national task force on agricultural best management practices and to amend section 319 of the Clean Water Act.

AUTHOR INDEX

STANGELAND, Arlan of Minnesota—Continued

- H.R. 3048 To designate the Agricultural Research Service, U.S. Department of Agriculture, animal health research building in Clay Center, Nebraska, as the "Virginia D. Smith Animal Health Research Laboratory".
- H.R. 3132 To amend the Food Security Act of 1985 to require the Secretary of Agriculture to use multiyear set-asides to establish wildlife habitats and feeding areas.
- H.R. 3164 To amend the Rural Electrification Act of 1936 to permit the prepayment and refinancing of Federal financing bank loans made to rural electrification and telephone systems.
- H.R. 3270 Entitled, "The Farm Animal and Research Facilities Protection Act of 1989".
- H.R. 3292 To amend the Federal Insecticide, Fungicide, and Rodenticide Act and the Federal Food, Drug, and Cosmetic Act, and for other purposes.
- H.R. 3508 To expand the inspection by the Secretary of Agriculture of the Nation's food supply to ensure the safety and wholesomeness of the Nation's supply of fish, shellfish, and other marine and freshwater aquatic food.
- H.R. 3768 To allow the Secretary of the U.S. Department of Agriculture or other appropriate official to protect persons engaged in a lawful hunt within a National Forest or on other lands affected with a Federal interest; establishing an administrative civil remedy against individuals or groups intentionally obstructing, impeding, or interfering with the conduct of a lawful hunt; and for other purposes.

STARK, Fortney Pete of California

- H.R. 514 To establish labeling and advertising requirements for food or drink which are labeled "lite" or "light" or which make similar comparative claims to describe fat, sodium, or calorie content and for other purposes.
- H.R. 578 To amend the Animal Welfare Act to prohibit dog racing and dog training involving the use of live animals as visual lures and to make such Act applicable to facilities that are used for dog racing or dog race training.
- H.R. 677 To establish a coordinated National Nutrition Monitoring and Related Research Program, and a comprehensive plan for the assessment of the nutritional and dietary status of the United States population and the nutritional quality of food consumed in the United States, with the provision for the conduct of scientific research and development in support of such program and plan.
- H.R. 987 To amend the Alaska National Interest Lands Conservation Act, to designate certain lands in the Tongass National Forest as wilderness, and for other purposes.
- H.R. 1078 To establish national policies and support and encourage international agreements that implement energy and natural resource conservation strategies appropriate to preventing the overheating of the Earth's atmosphere, known as the "greenhouse effect".
- H.R. 1232 To amend the Rural Electrification Act of 1936.
- H.R. 2134 To amend the Federal Meat Inspection Act to authorize the distribution of wholesome meat for human consumption that has been condemned under that Act to charity and public agencies.
- H.R. 2213 To designate certain public lands in the State of Idaho as wilderness, and for other purposes.
- H.R. 3589 To amend the Disaster Assistance Act of 1989 to provide assistance to agricultural producers suffering from earthquakes.

STENHOLM, Charles W. of Texas

- H.R. 772 To amend the Soil Conservation and Domestic Allotment Act to extend the date for entering into contracts under the Great Plains conservation program.
- H.R. 802 Directing the Secretary of Agriculture to formulate proposals to reduce paperwork and recordkeeping required of agricultural producers, to study the feasibility of establishing an electronic system or network to facilitate such reduction, and for other purposes.
- H.R. 1387 To provide for the inspection of all commercial seafood destined for human consumption in the United States.

H.R. 1608 To strengthen national nutrition monitoring by requiring the Secretary of Agriculture and the Secretary of Health and Human Services to prepare and implement a ten-year plan to assess the dietary and nutritional status of the United States population, to support research on, and development of, nutrition monitoring, to foster national nutrition education, to establish dietary guidelines, and for other purposes.

H.R. 2042 To amend title V of the Agricultural Act of 1949 to allow producers to provide the appropriate county committees with actual yields for the 1989 and subsequent crop years.

H.R. 2134 To amend the Federal Meat Inspection Act to authorize the distribution of wholesome meat for human consumption that has been condemned under that Act to charity and public agencies.

H.R. 2209 To enable producers of soybeans to develop, finance, and carry out a nationally coordinated program for soybean promotion, research, and consumer information, and for other purposes.

H.R. 2251 Entitled, "Disaster Assistance Act of 1989".

H.R. 2294 * Directing the Secretary of Agriculture to provide an adjustment to permit flexibility in crop acreage bases.

H.R. 2467 Entitled the "1988 Disaster Assistance Extension Act".

H.R. 2799 To amend the Agricultural Act of 1949 to allow the planting of alternate crops on permitted acreage for the 1990 crop year.

H.R. 2869 To amend the Commodity Exchange Act to improve the regulation of futures and options traded under rules and regulations of the Commodity Futures Trading Commission, establish registration standards for all exchange floor traders, restrict practices which may lead to the abuse of outside customers of the marketplace, reinforce development of exchange audit trails to better enable the detection and prevention of such practices, establish higher standards for service on governing boards and disciplinary committees of self regulatory organizations, enhance the international regulation of futures trading, regularize the process of authorizing appropriations for the Commodity Futures Trading Commission, and for other purposes.

H.R. 3048 To designate the Agricultural Research Service, U.S. Department of Agriculture, animal health research building in Clay Center, Nebraska, as the "Virginia D. Smith Animal Health Research Laboratory".

H.R. 3164 To amend the Rural Electrification Act of 1936 to permit the prepayment and refinancing of Federal financing bank loans made to rural electrification and telephone systems.

H.R. 3216 Entitled the "Disaster Assistance Improvements Act of 1989".

H.R. 3270 * Entitled, "The Farm Animal and Research Facilities Protection Act of 1989".

H.R. 3292 To amend the Federal Insecticide, Fungicide, and Rodenticide Act and the Federal Food, Drug, and Cosmetic Act, and for other purposes.

H.R. 3382 To provide grants to aid rural business and job creation in rural areas, to provide grants for emergency water assistance projects, and for other purposes.

H.R. 3402 To promote political and economic democracy in Poland and Hungary as those countries develop and implement programs of comprehensive economic reform.

H.R. 3508 To expand the inspection by the Secretary of Agriculture of the Nation's food supply to ensure the safety and wholesomeness of the Nation's supply of fish, shellfish, and other marine and freshwater aquatic food.

H.R. 3514 To establish within the Department of Agriculture an Office of Integrated Pest Management, and for other purposes.

H.R. 3574 To provide for the coordination of ground water policy within the Department of Agriculture, and for other purposes.

H.J.Res. 124 To recognize the 75th anniversary of the Smith-Lever Act of May 8, 1914, and its role in establishing our Nation's system of State Cooperative Extension Services.

STOKES, Louis of Ohio

H.R. 84 To prohibit certain practices in the raising of calves for veal, and for other purposes.

H.R. 425 To amend the Animal Welfare Act with respect to the issuance of temporary restraining orders and injunctions in certain cases.

H.R. 500 To encourage scientific research and development of technologies relating to recycling, and for other purposes.

AUTHOR INDEX

STOKES, Louis of Ohio—Continued

- H.R. 1078** To establish national policies and support and encourage international agreements that implement energy and natural resource conservation strategies appropriate to preventing the overheating of the Earth's atmosphere, known as the "greenhouse effect".

STUDDS, Gerry E. of Massachusetts

- H.R. 37** To authorize the water resources research activities of the United States Geological Survey, and for other purposes.
H.R. 37 To authorize the water resources research activities of the United States Geological Survey, and for other purposes.
H.R. 84 To prohibit certain practices in the raising of calves for veal, and for other purposes.
H.R. 500 To encourage scientific research and development of technologies relating to recycling, and for other purposes.
H.R. 514 To establish labeling and advertising requirements for food or drink which are labeled "lite" or "light" or which make similar comparative claims to describe fat, sodium, or calorie content and for other purposes.
H.R. 1078 To establish national policies and support and encourage international agreements that implement energy and natural resource conservation strategies appropriate to preventing the overheating of the Earth's atmosphere, known as the "greenhouse effect".
H.R. 2213 To designate certain public lands in the State of Idaho as wilderness, and for other purposes.
H.R. 3099 To provide for the improved management of the nation's water resources.
H.R. 3143 To establish a national energy policy to reduce global warming, and for other purposes.

STUMP, Bob of Arizona

- H.R. 3270** Entitled, "The Farm Animal and Research Facilities Protection Act of 1989".
H.R. 3387 To provide for the establishment of a coordinated program of promotion and research designed to strengthen the position of the pecan industry in the marketplace, to maintain and expand foreign and domestic markets and uses for improved and native pecans and pecan products, and for other purposes.
H.R. 3620 To clarify the Food Security Act of 1985.
H.R. 3768 To allow the Secretary of the U.S. Department of Agriculture or other appropriate official to protect persons engaged in a lawful hunt within a National Forest or on other lands affected with a Federal interest; establishing an administrative civil remedy against individuals or groups intentionally obstructing, impeding, or interfering with the conduct of a lawful hunt; and for other purposes.

SUNDQUIST, Don of Tennessee

- H.R. 2209** To enable producers of soybeans to develop, finance, and carry out a nationally coordinated program for soybean promotion, research, and consumer information, and for other purposes.
H.R. 3270 Entitled, "The Farm Animal and Research Facilities Protection Act of 1989".
H.R. 3292 To amend the Federal Insecticide, Fungicide, and Rodenticide Act and the Federal Food, Drug, and Cosmetic Act, and for other purposes.
H.J.Res. 124 To recognize the 75th anniversary of the Smith-Lever Act of May 8, 1914, and its role in establishing our Nation's system of State Cooperative Extension Services.

SWIFT, Al of Washington

- H.R. 2766** To amend the Animal Welfare Act to include mice, rats, and birds within the definition of animals protected under the Act.
H.R. 3402 To promote political and economic democracy in Poland and Hungary as those countries develop and implement programs of comprehensive economic reform.

SYNAR, Mike of Oklahoma

- H.R. 987** To amend the Alaska National Interest Lands Conservation Act, to designate certain lands in the Tongass National Forest as wilderness, and for other purposes.
H.R. 2187 To enable producers of fresh mushrooms to develop, finance, and carry out a nationally coordinated program for fresh mushroom promotion, research, and consumer information, and for other purposes.
H.R. 2209 To enable producers of soybeans to develop, finance, and carry out a nationally coordinated program for soybean promotion, research, and consumer information, and for other purposes.
H.R. 3164 To amend the Rural Electrification Act of 1936 to permit the prepayment and refinancing of Federal financing bank loans made to rural electrification and telephone systems.
H.R. 3387 To provide for the establishment of a coordinated program of promotion and research designed to strengthen the position of the pecan industry in the marketplace, to maintain and expand foreign and domestic markets and uses for improved and native pecans and pecan products, and for other purposes.
H.R. 3402 To promote political and economic democracy in Poland and Hungary as those countries develop and implement programs of comprehensive economic reform.

TALLON, Robin of South Carolina

- H.R. 500** To encourage scientific research and development of technologies relating to recycling, and for other purposes.
H.R. 831 To provide that the Department of Agriculture shall be known as the Department of Agriculture and Rural Development, to transfer the administration of certain conservation programs from the Farmers Home Administration to the Soil Conservation Service, to establish the Rural Development Administration within the Department of Agriculture and Rural Development, to transfer the administration of certain rural housing programs from the Farmers Home Administration to the Rural Development Administration, to provide that the Farmers Home Administration shall be known as the Farm Administration, and for other purposes.
H.R. 987 To amend the Alaska National Interest Lands Conservation Act, to designate certain lands in the Tongass National Forest as wilderness, and for other purposes.
H.R. 1078 To establish national policies and support and encourage international agreements that implement energy and natural resource conservation strategies appropriate to preventing the overheating of the Earth's atmosphere, known as the "greenhouse effect".
H.R. 1505 To provide financial assistance for the commercialization of agricultural research, and for other purposes.
H.R. 1608 To strengthen national nutrition monitoring by requiring the Secretary of Agriculture and the Secretary of Health and Human Services to prepare and implement a ten-year plan to assess the dietary and nutritional status of the United States population, to support research on, and development of, nutrition monitoring, to foster national nutrition education, to establish dietary guidelines, and for other purposes.
H.R. 2187 To enable producers of fresh mushrooms to develop, finance, and carry out a nationally coordinated program for fresh mushroom promotion, research, and consumer information, and for other purposes.
H.R. 2209 To enable producers of soybeans to develop, finance, and carry out a nationally coordinated program for soybean promotion, research, and consumer information, and for other purposes.
H.R. 2258 To minimize the impact of agricultural nitrogen on ground water and surface water quality by establishing a national task force on agricultural best management practices and to amend section 319 of the Clean Water Act.
H.R. 2294 Directing the Secretary of Agriculture to provide an adjustment to permit flexibility in crop acreage bases.
H.R. 2467 Entitled the "1988 Disaster Assistance Extension Act".

AUTHOR INDEX

TALLON, Robin of South Carolina—Continued

- H.R. 2869** To amend the Commodity Exchange Act to improve the regulation of futures and options traded under rules and regulations of the Commodity Futures Trading Commission, establish registration standards for all exchange floor traders, restrict practices which may lead to the abuse of outside customers of the marketplace, reinforce development of exchange audit trails to better enable the detection and prevention of such practices, establish higher standards for service on governing boards and disciplinary committees of self regulatory organizations, enhance the international regulation of futures trading, regularize the process of authorizing appropriations for the Commodity Futures Trading Commission, and for other purposes.
- H.R. 3048** To designate the Agricultural Research Service, U.S. Department of Agriculture, animal health research building in Clay Center, Nebraska, as the "Virginia D. Smith Animal Health Research Laboratory".
- H.R. 3071** To consolidate food inspection functions in the Department of Agriculture.
- H.R. 3164** To amend the Rural Electrification Act of 1936 to permit the prepayment and refinancing of Federal financing bank loans made to rural electrification and telephone systems.
- H.R. 3270** Entitled, "The Farm Animal and Research Facilities Protection Act of 1989".
- H.R. 3292** To amend the Federal Insecticide, Fungicide, and Rodenticide Act and the Federal Food, Drug, and Cosmetic Act, and for other purposes.
- H.R. 3382 *** To provide grants to aid rural business and job creation in rural areas, to provide grants for emergency water assistance projects, and for other purposes.
- H.R. 3387** To provide for the establishment of a coordinated program of promotion and research designed to strengthen the position of the pecan industry in the marketplace, to maintain and expand foreign and domestic markets and uses for improved and native pecans and pecan products, and for other purposes.
- H.R. 3482 *** To provide disaster assistance to private timber producers for the reestablishment of timber stands necessitated by Hurricane Hugo.
- H.R. 3508** To expand the inspection by the Secretary of Agriculture of the Nation's food supply to ensure the safety and wholesomeness of the Nation's supply of fish, shellfish, and other marine and freshwater aquatic food.
- H.R. 3519** To amend the Rural Development Act of 1972 to assist rural counties in developing a comprehensive plan for building a renewable community resource base, fostering youth leadership, increasing productivity over time, and becoming integrated into the global economy.
- H.R. 3530** To improve rural development in the United States.
- H.R. 3540 *** To amend the Disaster Assistance Act of 1989 to clarify provisions relating to disaster payments for nonprogram crops on acres in Presidential disaster areas due to Hurricane Hugo, and for other purposes.
- H.J.Res. 124** To recognize the 75th anniversary of the Smith-Lever Act of May 8, 1914, and its role in establishing our Nation's system of State Cooperative Extension Services.

TANNER, John S. of Tennessee

- H.R. 2734** To inaugurate a comprehensive program of environmental research, development, and demonstration relating to contamination and depletion of ground water and ground water resources; and to establish an Interagency Ground Water Research Committee to improve coordination among Federal agencies and provide assistance for implementation of State management programs.
- H.R. 3164** To amend the Rural Electrification Act of 1936 to permit the prepayment and refinancing of Federal financing bank loans made to rural electrification and telephone systems.
- H.R. 3382** To provide grants to aid rural business and job creation in rural areas, to provide grants for emergency water assistance projects, and for other purposes.

TAUKE, Thomas J. of Iowa

- H.R. 371** To direct a study by the Secretary of Agriculture of the classification of anhydrous ammonia as a poisonous gas for purposes of the Hazardous Materials Transportation Act, and for other purposes.
- H.R. 799** To authorize the Secretary of Agriculture to establish and carry out programs to eradicate the disease of scrapie in the sheep and goat populations of the United States and conduct research regarding scrapie.
- H.R. 1505** To provide financial assistance for the commercialization of agricultural research, and for other purposes.
- H.R. 2209** To enable producers of soybeans to develop, finance, and carry out a nationally coordinated program for soybean promotion, research, and consumer information, and for other purposes.
- H.R. 3071** To consolidate food inspection functions in the Department of Agriculture.
- H.R. 3292** To amend the Federal Insecticide, Fungicide, and Rodenticide Act and the Federal Food, Drug, and Cosmetic Act, and for other purposes.
- H.Con.Res. 140** Directing the appropriate committees of the Congress to give due consideration to the formulation and advancement of a comprehensive package of legislation dealing with the economic development needs of rural communities at the earliest possible date.

TAUZIN, W. J. of Louisiana

- H.R. 371** To direct a study by the Secretary of Agriculture of the classification of anhydrous ammonia as a poisonous gas for purposes of the Hazardous Materials Transportation Act, and for other purposes.
- H.R. 3382** To provide grants to aid rural business and job creation in rural areas, to provide grants for emergency water assistance projects, and for other purposes.

THOMAS, Craig of Wyoming

- H.R. 3164** To amend the Rural Electrification Act of 1936 to permit the prepayment and refinancing of Federal financing bank loans made to rural electrification and telephone systems.

THOMAS, Lindsay of Georgia

- H.R. 425** To amend the Animal Welfare Act with respect to the issuance of temporary restraining orders and injunctions in certain cases.
- H.R. 764** To amend the Agricultural Act of 1949 to allow producers to devote acreage conservation reserve acreage to water storage.
- H.R. 802** Directing the Secretary of Agriculture to formulate proposals to reduce paperwork and recordkeeping required of agricultural producers, to study the feasibility of establishing an electronic system or network to facilitate such reduction, and for other purposes.
- H.R. 1011** To provide for the establishment of the National Commission on Natural Resources Disasters, to provide for increased planning and cooperation with local firefighting forces in the event of forest fires, and for other purposes.
- H.R. 1450** To amend the Perishable Agricultural Commodities Act, 1930, to require commission merchants, dealers, and brokers to label perishable agricultural commodities with the name of the country of origin of such commodities.
- H.R. 1526** To amend the Food Security Act of 1985 with respect to wetlands, and for other purposes.
- H.R. 2042** To amend title V of the Agricultural Act of 1949 to allow producers to provide the appropriate county committees with actual yields for the 1989 and subsequent crop years.
- H.R. 2209** To enable producers of soybeans to develop, finance, and carry out a nationally coordinated program for soybean promotion, research, and consumer information, and for other purposes.
- H.R. 2973** Amending the Food Security Act of 1985 to provide farm program payment fairness and equity to married couples when both the husband and the wife contribute active personal management or labor to the operation of a farm enterprise, and for other purposes.

AUTHOR INDEX

THOMAS, Lindsay of Georgia—Continued

- H.R. 3164** To amend the Rural Electrification Act of 1936 to permit the prepayment and refinancing of Federal financing bank loans made to rural electrification and telephone systems.
- H.R. 3270** Entitled, "The Farm Animal and Research Facilities Protection Act of 1989".
- H.R. 3292** To amend the Federal Insecticide, Fungicide, and Rodenticide Act and the Federal Food, Drug, and Cosmetic Act, and for other purposes.
- H.R. 3382** To provide grants to aid rural business and job creation in rural areas, to provide grants for emergency water assistance projects, and for other purposes.
- H.R. 3387** To provide for the establishment of a coordinated program of promotion and research designed to strengthen the position of the pecan industry in the marketplace, to maintain and expand foreign and domestic markets and uses for improved and native pecans and pecan products, and for other purposes.
- H.R. 3454** To authorize the Secretary of Agriculture to carry out a Forest Stewardship Assistance Program for owners of nonindustrial private forest land, and for other purposes.
- H.R. 3768** To allow the Secretary of the U.S. Department of Agriculture or other appropriate official to protect persons engaged in a lawful hunt within a National Forest or on other lands affected with a Federal interest; establishing an administrative civil remedy against individuals or groups intentionally obstructing, impeding, or interfering with the conduct of a lawful hunt; and for other purposes.
- H.J.Res. 124** To recognize the 75th anniversary of the Smith-Lever Act of May 8, 1914, and its role in establishing our Nation's system of State Cooperative Extension Services.

THOMAS, William M. of California

- H.R. 3270** Entitled, "The Farm Animal and Research Facilities Protection Act of 1989".
- H.R. 3589** To amend the Disaster Assistance Act of 1989 to provide assistance to agricultural producers suffering from earthquakes.

THURMOND, Strom of South Carolina

- S. 1036** To improve the economic, community, and educational well-being of rural America, and for other purposes.

TORRES, Esteban Edward of California

- H.R. 84** To prohibit certain practices in the raising of calves for veal, and for other purposes.
- H.R. 89** To improve the protection of endangered species of wildlife in units of the National Forest System, the national park system, and the National Wildlife Refuge System by increasing the maximum fine that may be imposed for violating posted speed limits in such units.
- H.R. 500** To encourage scientific research and development of technologies relating to recycling, and for other purposes.
- H.R. 987** To amend the Alaska National Interest Lands Conservation Act, to designate certain lands in the Tongass National Forest as wilderness, and for other purposes.
- H.R. 1078** To establish national policies and support and encourage international agreements that implement energy and natural resource conservation strategies appropriate to preventing the overheating of the Earth's atmosphere, known as the "greenhouse effect".
- H.R. 1387** To provide for the inspection of all commercial seafood destined for human consumption in the United States.
- H.R. 2345** To amend section 19 of the Animal Welfare Act (7 U.S.C. 2149).
- H.J.Res. 57** Directing the Secretary of Agriculture to conduct a study of the effectiveness of current laws and regulations in protecting dogs and puppies bred and raised for sale to retail pet stores from inhumane treatment and premature shipment.

TORRICELLI, Robert G. of New Jersey

- H.R. 84** To prohibit certain practices in the raising of calves for veal, and for other purposes.
- H.R. 578** To amend the Animal Welfare Act to prohibit dog racing and dog training involving the use of live animals as visual lures and to make such Act applicable to facilities that are used for dog racing or dog race training.
- H.R. 677** To establish a coordinated National Nutrition Monitoring and Related Research Program, and a comprehensive plan for the assessment of the nutritional and dietary status of the United States population and the nutritional quality of food consumed in the United States, with the provision for the conduct of scientific research and development in support of such program and plan.
- H.R. 987** To amend the Alaska National Interest Lands Conservation Act, to designate certain lands in the Tongass National Forest as wilderness, and for other purposes.
- H.R. 1078** To establish national policies and support and encourage international agreements that implement energy and natural resource conservation strategies appropriate to preventing the overheating of the Earth's atmosphere, known as the "greenhouse effect".
- H.R. 2134** To amend the Federal Meat Inspection Act to authorize the distribution of wholesome meat for human consumption that has been condemned under that Act to charity and public agencies.
- H.R. 2641** To remove aflatoxin contaminated corn in the 1988 or 1989 corn crop from the food chain, to provide indemnification to producers of such corn, and to assure foreign and domestic markets of U.S. corn a safe, high quality product.
- H.R. 2766** To amend the Animal Welfare Act to include mice, rats, and birds within the definition of animals protected under the Act.
- H.R. 3803** To require the Secretary of Agriculture to conduct a study relating to forest resources and open space in the States of New York, New Jersey, and Pennsylvania.

TOWNS, Edolphus of New York

- H.R. 84** To prohibit certain practices in the raising of calves for veal, and for other purposes.
- H.R. 425** To amend the Animal Welfare Act with respect to the issuance of temporary restraining orders and injunctions in certain cases.
- H.R. 500** To encourage scientific research and development of technologies relating to recycling, and for other purposes.
- H.R. 514** To establish labeling and advertising requirements for food or drink which are labeled "lite" or "light" or which make similar comparative claims to describe fat, sodium, or calorie content and for other purposes.
- H.R. 677** To establish a coordinated National Nutrition Monitoring and Related Research Program, and a comprehensive plan for the assessment of the nutritional and dietary status of the United States population and the nutritional quality of food consumed in the United States, with the provision for the conduct of scientific research and development in support of such program and plan.
- H.R. 764** To amend the Agricultural Act of 1949 to allow producers to devote acreage conservation reserve acreage to water storage.
- H.R. 768** To amend the United States Warehouse Act to specifically allow States to require grain elevators with Federal warehouse licenses to participate in State grain indemnity funds or to require collateral security.
- H.R. 873** To amend title V of the Agricultural Act of 1949 to allow producers to rotate program crop acreage bases to substitute crops.
- H.R. 987** To amend the Alaska National Interest Lands Conservation Act, to designate certain lands in the Tongass National Forest as wilderness, and for other purposes.
- H.R. 1078** To establish national policies and support and encourage international agreements that implement energy and natural resource conservation strategies appropriate to preventing the overheating of the Earth's atmosphere, known as the "greenhouse effect".
- H.R. 1137** To amend the Agricultural Act of 1949 to provide for the modification of the milk price support system contingent on the results of a producer referendum.
- H.R. 1387** To provide for the inspection of all commercial seafood destined for human consumption in the United States.

AUTHOR INDEX

TOWNS, Edolphus of New York—Continued

- H.R. 1729 To amend Federal laws to grant the same rights and privileges afforded to blind individuals who depend on seeing-eye dogs to other disabled individuals who depend on guide, hearing, or service dogs, or other animals, to assist them.
- H.R. 2134 To amend the Federal Meat Inspection Act to authorize the distribution of wholesome meat for human consumption that has been condemned under that Act to charity and public agencies.
- H.R. 2213 To designate certain public lands in the State of Idaho as wilderness, and for other purposes.
- H.R. 2228 To amend the Agricultural Act of 1949 to modify the operation of the price support program applicable to milk.
- H.R. 2388 To expand home ownership opportunities for low- and moderate-income families in rural areas.
- H.R. 2641 To remove aflatoxin contaminated corn in the 1988 or 1989 corn crop from the food chain, to provide indemnification to producers of such corn, and to assure foreign and domestic markets of U.S. corn a safe, high quality product.
- H.R. 2766 * To amend the Animal Welfare Act to include mice, rats, and birds within the definition of animals protected under the Act.
- H.R. 2881 To amend the Public Health Service Act to establish a program of block grants to the States for the purpose of consolidating Federal programs with respect to maternal and child health.
- H.R. 3160 To provide additional food assistance to Poland in the form of donated surplus agricultural commodities held in the Commodity Credit Corporation.
- H.R. 3164 To amend the Rural Electrification Act of 1936 to permit the prepayment and refinancing of Federal financing bank loans made to rural electrification and telephone systems.
- H.R. 3292 To amend the Federal Insecticide, Fungicide, and Rodenticide Act and the Federal Food, Drug, and Cosmetic Act, and for other purposes.
- H.R. 3307 To promote political democracy and economic pluralism in Poland and Hungary by assisting those nations during a critical period of transition and abetting the development in those nations of private business sectors, labor market reforms, and democratic institutions; to establish, through these steps, the framework for a composite program of support for East European Democracy; and for other purposes.
- H.R. 3382 To provide grants to aid rural business and job creation in rural areas, to provide grants for emergency water assistance projects, and for other purposes.
- H.R. 3387 To provide for the establishment of a coordinated program of promotion and research designed to strengthen the position of the pecan industry in the marketplace, to maintain and expand foreign and domestic markets and uses for improved and native pecans and pecan products, and for other purposes.
- H.R. 3530 To improve rural development in the United States.
- H.R. 3552 To amend the Agricultural Act of 1949 to foster and encourage a sustainable agricultural system in the United States.
- H.R. 3589 To amend the Disaster Assistance Act of 1989 to provide assistance to agricultural producers suffering from earthquakes.
- H.J.Res. 271 Relating to responsible trade and conservation of tropical forest resources.
- H.Con.Res. 140 Directing the appropriate committees of the Congress to give due consideration to the formulation and advancement of a comprehensive package of legislation dealing with the economic development needs of rural communities at the earliest possible date.

TRAFICANT, James A. Jr. of Ohio

- H.R. 84 To prohibit certain practices in the raising of calves for veal, and for other purposes.
- H.R. 425 To amend the Animal Welfare Act with respect to the issuance of temporary restraining orders and injunctions in certain cases.
- H.R. 500 To encourage scientific research and development of technologies relating to recycling, and for other purposes.

- H.R. 1729 To amend Federal laws to grant the same rights and privileges afforded to blind individuals who depend on seeing-eye dogs to other disabled individuals who depend on guide, hearing, or service dogs, or other animals, to assist them.
- H.R. 2345 To amend section 19 of the Animal Welfare Act (7 U.S.C. 2149).
- H.R. 3382 To provide grants to aid rural business and job creation in rural areas, to provide grants for emergency water assistance projects, and for other purposes.

TRAXLER, Bob of Michigan

- H.R. 371 To direct a study by the Secretary of Agriculture of the classification of anhydrous ammonia as a poisonous gas for purposes of the Hazardous Materials Transportation Act, and for other purposes.
- H.R. 987 To amend the Alaska National Interest Lands Conservation Act, to designate certain lands in the Tongass National Forest as wilderness, and for other purposes.
- H.R. 1472 To establish the Grand Island National Recreation Area in the State of Michigan, and for other purposes.
- H.R. 2209 To enable producers of soybeans to develop, finance, and carry out a nationally coordinated program for soybean promotion, research, and consumer information, and for other purposes.
- H.R. 2228 To amend the Agricultural Act of 1949 to modify the operation of the price support program applicable to milk.
- H.R. 3164 To amend the Rural Electrification Act of 1936 to permit the prepayment and refinancing of Federal financing bank loans made to rural electrification and telephone systems.
- H.J.Res. 124 * To recognize the 75th anniversary of the Smith-Lever Act of May 8, 1914, and its role in establishing our Nation's system of State Cooperative Extension Services.

UDALL, Morris K. of Arizona

- H.R. 37 To authorize the water resources research activities of the United States Geological Survey, and for other purposes.
- H.R. 37 To authorize the water resources research activities of the United States Geological Survey, and for other purposes.
- H.R. 610 To require the Secretary of the Interior to establish a program to insure the stockpiling and replacement of topsoil on public lands and other lands which are moved or covered by surface mining projects, reclamation projects, and other Federal and federally assisted projects, and for other purposes.
- H.R. 987 To amend the Alaska National Interest Lands Conservation Act, to designate certain lands in the Tongass National Forest as wilderness, and for other purposes.
- H.R. 1078 To establish national policies and support and encourage international agreements that implement energy and natural resource conservation strategies appropriate to preventing the overheating of the Earth's atmosphere, known as the "greenhouse effect".
- H.R. 3420 To provide further authority to the Secretary of Agriculture for international forestry cooperation, for tropical forestry cooperation in the South Pacific, and for other purposes.
- H.R. 3620 To clarify the Food Security Act of 1985.
- H.R. 3648 To help Puerto Rico and the Virgin Islands recover from devastation caused by Hurricane Hugo.

UNSOELD, Jolene of Washington

- H.R. 37 To authorize the water resources research activities of the United States Geological Survey, and for other purposes.
- H.R. 37 To authorize the water resources research activities of the United States Geological Survey, and for other purposes.
- H.R. 987 To amend the Alaska National Interest Lands Conservation Act, to designate certain lands in the Tongass National Forest as wilderness, and for other purposes.
- H.R. 1078 To establish national policies and support and encourage international agreements that implement energy and natural resource conservation strategies appropriate to preventing the overheating of the Earth's atmosphere, known as the "greenhouse effect".

AUTHOR INDEX

UNSOELD, Jolene of Washington—Continued

- H.R. 2134** To amend the Federal Meat Inspection Act to authorize the distribution of wholesome meat for human consumption that has been condemned under that Act to charity and public agencies.
- H.R. 3206 *** To maintain a national forest system timber base, and for other purposes.
- H.R. 3207 *** To provide additional incentives to nonindustrial private forest land owners in order to increase the supply of merchantable timber for domestic processing, and for other purposes.
- H.R. 3827** To authorize any State to prohibit or otherwise restrict the exportation from the United States of unprocessed timber from lands owned or administered by that State.
- H.R. 3828** To restrict the export of unprocessed timber from certain Federal lands, and for other purposes.

UPTON, Frederick S. of Michigan

- H.R. 37** To authorize the water resources research activities of the United States Geological Survey, and for other purposes.
- H.R. 37** To authorize the water resources research activities of the United States Geological Survey, and for other purposes.
- H.R. 371** To direct a study by the Secretary of Agriculture of the classification of anhydrous ammonia as a poisonous gas for purposes of the Hazardous Materials Transportation Act, and for other purposes.
- H.R. 987** To amend the Alaska National Interest Lands Conservation Act, to designate certain lands in the Tongass National Forest as wilderness, and for other purposes.
- H.R. 1526** To amend the Food Security Act of 1985 with respect to wetlands, and for other purposes.
- H.R. 2042** To amend title V of the Agricultural Act of 1949 to allow producers to provide the appropriate county committees with actual yields for the 1989 and subsequent crop years.
- H.R. 2209** To enable producers of soybeans to develop, finance, and carry out a nationally coordinated program for soybean promotion, research, and consumer information, and for other purposes.
- H.R. 2258** To minimize the impact of agricultural nitrogen on ground water and surface water quality by establishing a national task force on agricultural best management practices and to amend section 319 of the Clean Water Act.
- H.R. 2386** To amend the Agriculture Act of 1949 to establish eligibility requirements for agricultural commodity price support programs with respect to the delivery of irrigation water.
- H.J.Res. 124** To recognize the 75th anniversary of the Smith-Lever Act of May 8, 1914, and its role in establishing our Nation's system of State Cooperative Extension Services.
- H.Con.Res. 140 *** Directing the appropriate committees of the Congress to give due consideration to the formulation and advancement of a comprehensive package of legislation dealing with the economic development needs of rural communities at the earliest possible date.

VALENTINE, Tim of North Carolina

- H.R. 37** To authorize the water resources research activities of the United States Geological Survey, and for other purposes.
- H.R. 37** To authorize the water resources research activities of the United States Geological Survey, and for other purposes.
- H.R. 84** To prohibit certain practices in the raising of calves for veal, and for other purposes.
- H.R. 425** To amend the Animal Welfare Act with respect to the issuance of temporary restraining orders and injunctions in certain cases.
- H.R. 578** To amend the Animal Welfare Act to prohibit dog racing and dog training involving the use of live animals as visual lures and to make such Act applicable to facilities that are used for dog racing or dog race training.
- H.R. 677** To establish a coordinated National Nutrition Monitoring and Related Research Program, and a comprehensive plan for the assessment of the nutritional and dietary status of the United States population and the nutritional quality of food consumed in the United States, with the provision for the conduct of scientific research and development in support of such program and plan.

- H.R. 987** To amend the Alaska National Interest Lands Conservation Act, to designate certain lands in the Tongass National Forest as wilderness, and for other purposes.
- H.R. 1078** To establish national policies and support and encourage international agreements that implement energy and natural resource conservation strategies appropriate to preventing the overheating of the Earth's atmosphere, known as the "greenhouse effect".
- H.R. 2144** To improve forest management in urban areas and other communities, and for other purposes.
- H.R. 2213** To designate certain public lands in the State of Idaho as wilderness, and for other purposes.
- H.R. 2734** To inaugurate a comprehensive program of environmental research, development, and demonstration relating to contamination and depletion of ground water and ground water resources; and to establish an Interagency Ground Water Research Committee to improve coordination among Federal agencies and provide assistance for implementation of State management programs.
- H.R. 3071** To consolidate food inspection functions in the Department of Agriculture.
- H.R. 3164** To amend the Rural Electrification Act of 1936 to permit the prepayment and refinancing of Federal financing bank loans made to rural electrification and telephone systems.
- H.R. 3270** Entitled, "The Farm Animal and Research Facilities Protection Act of 1989".
- H.R. 3382** To provide grants to aid rural business and job creation in rural areas, to provide grants for emergency water assistance projects, and for other purposes.

VANDER JAGT, Guy of Michigan

- H.R. 371** To direct a study by the Secretary of Agriculture of the classification of anhydrous ammonia as a poisonous gas for purposes of the Hazardous Materials Transportation Act, and for other purposes.
- H.R. 1472** To establish the Grand Island National Recreation Area in the State of Michigan, and for other purposes.
- H.R. 2257** To amend the Potato Research and Promotion Act to provide improved methods of assessment that will finance a more effective marketing research and promotion program and provide for a more effective consumer information program designed to expand markets for potatoes.
- H.J.Res. 124** To recognize the 75th anniversary of the Smith-Lever Act of May 8, 1914, and its role in establishing our Nation's system of State Cooperative Extension Services.

VENTO, Bruce F. of Minnesota

- H.R. 37** To authorize the water resources research activities of the United States Geological Survey, and for other purposes.
- H.R. 37** To authorize the water resources research activities of the United States Geological Survey, and for other purposes.
- H.R. 500** To encourage scientific research and development of technologies relating to recycling, and for other purposes.
- H.R. 677** To establish a coordinated National Nutrition Monitoring and Related Research Program, and a comprehensive plan for the assessment of the nutritional and dietary status of the United States population and the nutritional quality of food consumed in the United States, with the provision for the conduct of scientific research and development in support of such program and plan.
- H.R. 829** To make permanent the authority provided under the Temporary Emergency Wildfire Suppression Act.
- H.R. 987** To amend the Alaska National Interest Lands Conservation Act, to designate certain lands in the Tongass National Forest as wilderness, and for other purposes.
- H.R. 1078** To establish national policies and support and encourage international agreements that implement energy and natural resource conservation strategies appropriate to preventing the overheating of the Earth's atmosphere, known as the "greenhouse effect".
- H.R. 1137** To amend the Agricultural Act of 1949 to provide for the modification of the milk price support system contingent on the results of a producer referendum.

AUTHOR INDEX

VENTO, Bruce F. of Minnesota—Continued

- H.R. 1387** To provide for the inspection of all commercial seafood destined for human consumption in the United States.
- H.R. 2065 *** To provide for studies and planning activities for improvement of tropical forest management, including forest management of insular areas and jurisdictions and public lands of the United States, and for other purposes.
- H.R. 2386** To amend the Agriculture Act of 1949 to establish eligibility requirements for agricultural commodity price support programs with respect to the delivery of irrigation water.
- H.R. 3362** To establish a national policy of "no net loss of forests", to direct the President to work for a declaration of a State of Emergency for Global Forests, to establish forest protection and forest restoration programs as a national priority, to support a global forest resource survey, to create an Endangered Forests Research Initiative, and to initiate a joint United States-Japan effort for global forest restoration.
- H.R. 3420** To provide further authority to the Secretary of Agriculture for international forestry cooperation, for tropical forestry cooperation in the South Pacific, and for other purposes.
- H.R. 3514** To establish within the Department of Agriculture an Office of Integrated Pest Management, and for other purposes.

VOLKMER, Harold L. of Missouri

- H.R. 677** To establish a coordinated National Nutrition Monitoring and Related Research Program, and a comprehensive plan for the assessment of the nutritional and dietary status of the United States population and the nutritional quality of food consumed in the United States, with the provision for the conduct of scientific research and development in support of such program and plan.
- H.R. 829 *** To make permanent the authority provided under the Temporary Emergency Wildfire Suppression Act.
- H.R. 1368 *** To amend the joint resolution entitled a "Joint Resolution to authorize the Secretary of Agriculture to sell timber within the Tongass National Forest", and for other purposes.
- H.R. 2042** To amend title V of the Agricultural Act of 1949 to allow producers to provide the appropriate county committees with actual yields for the 1989 and subsequent crop years.
- H.R. 2065** To provide for studies and planning activities for improvement of tropical forest management, including forest management of insular areas and jurisdictions and public lands of the United States, and for other purposes.
- H.R. 2209** To enable producers of soybeans to develop, finance, and carry out a nationally coordinated program for soybean promotion, research, and consumer information, and for other purposes.
- H.R. 2232** Entitled, "Disaster Assistance Act of 1989".
- H.R. 2408** To transfer certain programs within the Department of Agriculture to a newly established Rural Development Administration, and for other purposes.
- H.R. 2409** To establish an emergency community water assistance grant program for eligible communities adversely affected by the droughts of 1988 and 1989.
- H.R. 2411** To establish new loan rates applicable for loans made for health care and related facilities under section 307(a)(3) of the Consolidated Farm and Rural Development Act.
- H.R. 2412** To authorize the Secretary of Agriculture to establish and maintain a central receiving facility at the Department of Agriculture for the storage and retrieval of data relating to Federal rural development programs.
- H.R. 2467** Entitled the "1988 Disaster Assistance Extension Act".
- H.R. 2869** To amend the Commodity Exchange Act to improve the regulation of futures and options traded under rules and regulations of the Commodity Futures Trading Commission, establish registration standards for all exchange floor traders, restrict practices which may lead to the abuse of outside customers of the marketplace, reinforce development of exchange audit trails to better enable the detection and prevention of such practices, establish higher standards for service on governing boards and disciplinary committees of self regulatory organizations, enhance the international regulation of futures trading, regularize the process of authorizing appropriations for the Commodity Futures Trading Commission, and for other purposes.

- H.R. 3048** To designate the Agricultural Research Service, U.S. Department of Agriculture, animal health research building in Clay Center, Nebraska, as the "Virginia D. Smith Animal Health Research Laboratory".
- H.R. 3270** Entitled, "The Farm Animal and Research Facilities Protection Act of 1989".
- H.R. 3292** To amend the Federal Insecticide, Fungicide, and Rodenticide Act and the Federal Food, Drug, and Cosmetic Act, and for other purposes.
- H.R. 3382** To provide grants to aid rural business and job creation in rural areas, to provide grants for emergency water assistance projects, and for other purposes.
- H.R. 3768** To allow the Secretary of the U.S. Department of Agriculture or other appropriate official to protect persons engaged in a lawful hunt within a National Forest or on other lands affected with a Federal interest; establishing an administrative civil remedy against individuals or groups intentionally obstructing, impeding, or interfering with the conduct of a lawful hunt; and for other purposes.
- H.Con.Res. 126** Urging the President to revoke Executive Order 12072, and thereby enabling the Secretary of Agriculture to properly select the location of federal facilities in compliance with the Rural Development Act of 1972.

VUCANOVICH, Barbara F. of Nevada

- H.R. 578** To amend the Animal Welfare Act to prohibit dog racing and dog training involving the use of live animals as visual lures and to make such Act applicable to facilities that are used for dog racing or dog race training.
- H.R. 998** To authorize the exchange of certain public lands in California and Nevada.
- H.R. 1645** To permit timber sales and related activities on National Forest System lands during a 5-year period of study of the status of the Northern Spotted Owl, and for other purposes.
- H.R. 2066 *** To designate certain National Forest System lands in Nevada as wilderness, and for other purposes.
- H.R. 2388** To expand home ownership opportunities for low- and moderate-income families in rural areas.
- H.R. 3270** Entitled, "The Farm Animal and Research Facilities Protection Act of 1989".
- H.R. 3420** To provide further authority to the Secretary of Agriculture for international forestry cooperation, for tropical forestry cooperation in the South Pacific, and for other purposes.
- H.R. 3768** To allow the Secretary of the U.S. Department of Agriculture or other appropriate official to protect persons engaged in a lawful hunt within a National Forest or on other lands affected with a Federal interest; establishing an administrative civil remedy against individuals or groups intentionally obstructing, impeding, or interfering with the conduct of a lawful hunt; and for other purposes.
- H.Con.Res. 140** Directing the appropriate committees of the Congress to give due consideration to the formulation and advancement of a comprehensive package of legislation dealing with the economic development needs of rural communities at the earliest possible date.

WALGREN, Doug of Pennsylvania

- H.R. 514** To establish labeling and advertising requirements for food or drink which are labeled "lite" or "light" or which make similar comparative claims to describe fat, sodium, or caloric content and for other purposes.
- H.R. 677** To establish a coordinated National Nutrition Monitoring and Related Research Program, and a comprehensive plan for the assessment of the nutritional and dietary status of the United States population and the nutritional quality of food consumed in the United States, with the provision for the conduct of scientific research and development in support of such program and plan.
- H.R. 987** To amend the Alaska National Interest Lands Conservation Act, to designate certain lands in the Tongass National Forest as wilderness, and for other purposes.
- H.R. 2144** To improve forest management in urban areas and other communities, and for other purposes.

AUTHOR INDEX

WALGREN, Doug of Pennsylvania—Continued

- H.R. 2734 To inaugurate a comprehensive program of environmental research, development, and demonstration relating to contamination and depletion of ground water and ground water resources, and to establish an Interagency Ground Water Research Committee to improve coordination among Federal agencies and provide assistance for implementation of State management programs.
- H.R. 3402 To promote political and economic democracy in Poland and Hungary as those countries develop and implement programs of comprehensive economic reform.

WALKER, Robert S. of Pennsylvania

- H.R. 1055 To restore balance among sources of supply for the Nation's sweetener needs, and for other purposes.
- H.R. 2734 To inaugurate a comprehensive program of environmental research, development, and demonstration relating to contamination and depletion of ground water and ground water resources, and to establish an Interagency Ground Water Research Committee to improve coordination among Federal agencies and provide assistance for implementation of State management programs.

WALSH, James T. of New York

- H.R. 371 To direct a study by the Secretary of Agriculture of the classification of anhydrous ammonia as a poisonous gas for purposes of the Hazardous Materials Transportation Act, and for other purposes.
- H.R. 987 To amend the Alaska National Interest Lands Conservation Act, to designate certain lands in the Tongass National Forest as wilderness, and for other purposes.
- H.R. 1078 To establish national policies and support and encourage international agreements that implement energy and natural resource conservation strategies appropriate to preventing the overheating of the Earth's atmosphere, known as the "greenhouse effect".
- H.R. 1729 To amend Federal laws to grant the same rights and privileges afforded to blind individuals who depend on seeing-eye dogs to other disabled individuals who depend on guide, hearing, or service dogs, or other animals, to assist them.
- H.R. 2144 To improve forest management in urban areas and other communities, and for other purposes.
- H.R. 2228 To amend the Agricultural Act of 1949 to modify the operation of the price support program applicable to milk.
- H.R. 2294 Directing the Secretary of Agriculture to provide an adjustment to permit flexibility in crop acreage bases.
- H.R. 2308 To expand home ownership opportunities for low- and moderate-income families in rural areas.
- H.R. 2408 To transfer certain programs within the Department of Agriculture to a newly established Rural Development Administration, and for other purposes.
- H.R. 2409 To establish an emergency community water assistance grant program for eligible communities adversely affected by the droughts of 1988 and 1989.
- H.R. 2411 To establish new loan rates applicable for loans made for health care and related facilities under section 307(a)(3) of the Consolidated Farm and Rural Development Act.
- H.R. 2412 To authorize the Secretary of Agriculture to establish and maintain a central receiving facility at the Department of Agriculture for the storage and retrieval of data relating to Federal rural development programs.
- H.R. 2441 To remove aflatoxin contaminated corn in the 1988 or 1989 corn crop from the food chain, to provide indemnification to producers of such corn, and to assure foreign and domestic markets of U.S. corn a safe, high quality product.

- H.R. 2800 To amend the Commodity Exchange Act to improve the regulation of futures and options traded under rules and regulations of the Commodity Futures Trading Commission, establish registration standards for all exchange floor traders, restrict practices which may lead to the abuse of outside customers of the marketplace, reinforce development of exchange audit trails to better enable the detection and prevention of such practices, establish higher standards for service on governing boards and disciplinary committees of self regulatory organizations, enhance the international regulation of futures trading, regularize the process of authorizing appropriations for the Commodity Futures Trading Commission, and for other purposes.
- H.R. 2801 To amend the Public Health Service Act to establish a program of block grants to the States for the purpose of consolidating Federal programs with respect to maternal and child health.
- H.R. 3048 To designate the Agricultural Research Service, U.S. Department of Agriculture, animal health research building in Clay Center, Nebraska, as the "Virginia D. Smith Animal Health Research Laboratory".
- H.R. 3146 To provide additional food assistance to Poland in the form of donated surplus agricultural commodities held in the Commodity Credit Corporation.
- H.R. 3223 To amend the Animal Welfare Act to protect animal research facilities, and for other purposes.
- H.R. 3279 Enacted, "The Farm Animal and Research Facilities Protection Act of 1989".
- H.R. 3292 To amend the Federal Insecticide, Fungicide, and Rodenticide Act and the Federal Food, Drug, and Cosmetic Act, and for other purposes.
- H.R. 3574 To provide for the coordination of ground water policy within the Department of Agriculture, and for other purposes.
- H.R. 3768 To allow the Secretary of the U.S. Department of Agriculture or other appropriate official to protect persons engaged in a lawful hunt within a National Forest or on other lands affected with a Federal interest, establishing an administrative and remedy against individuals or groups intentionally obstructing, impeding, or interfering with the conduct of a lawful hunt, and for other purposes.
- H.Con.Res. 128 Urging the President to revoke Executive Order 12072, and thereby enabling the Secretary of Agriculture to properly select the location of federal facilities in compliance with the Rural Development Act of 1972.
- H.Con.Res. 109 Directing the appropriate committees of the Congress to give due consideration to the formulation and advancement of a comprehensive package of legislation dealing with the economic development needs of rural communities at the earliest possible date.

WATKINS, Wes of Oklahoma

- H.R. 371 To direct a study by the Secretary of Agriculture of the classification of anhydrous ammonia as a poisonous gas for purposes of the Hazardous Materials Transportation Act, and for other purposes.
- H.R. 802 Directing the Secretary of Agriculture to formulate proposals to reduce paperwork and recordkeeping required of agricultural producers, to study the feasibility of establishing an electronic system or network to facilitate such reduction, and for other purposes.
- H.R. 831 * To provide that the Department of Agriculture shall be known as the Department of Agriculture and Rural Development, to transfer the administration of certain conservation programs from the Farmers Home Administration to the Soil Conservation Service, to transfer the Rural Development Administration within the Department of Agriculture and Rural Development, to transfer the administration of certain rural housing programs from the Farmers Home Administration to the Rural Development Administration, to provide that the Farmers Home Administration shall be known as the Farm Administration, and for other purposes.
- H.R. 2173 To extend disaster assistance to losses due to adverse weather conditions in 1988 or 1989 for those crops planted in 1988 for harvest in 1989.
- H.R. 2300 To enable producers of soybeans to develop, transmit, and carry out a nationally coordinated program for soybean promotion, research, and consumer information, and for other purposes.
- H.R. 2332 Enacted, "Disaster Assistance Act of 1989".

AUTHOR INDEX

WATKINS, Wm. of Oklahoma—Continued

- H.R. 3385 To increase the impact of agricultural storage on ground water and surface water quality by establishing a national soil force on agricultural best management practices and to amend section 214 of the Clean Water Act.
- H.R. 3386 To expand State ownership opportunities for low- and moderate-income families in rural areas.
- H.R. 3388 To amend the Rural Electrification Act of 1936 to permit the improvement and refinancing of Federal financing bank loans made to rural electrification and telephone systems.
- H.R. 3376 Entitled, "The Farm Animal and Research Facilities Preservation Act of 1987"
- H.R. 3382 To provide grants to aid rural business and job creation in rural areas, to provide grants for emergency water treatment projects, and for other purposes.
- H.R. 3386 To recognize the 75th anniversary of the Smith-Lever Act of May 8, 1914, and its role in establishing our Nation's system of State Cooperative Extension Services.

WATKINS, Henry A. of California

- H.R. 307 To amend the Alaska National Interest Lands Conservation Act, to designate certain lands in the Tongass National Forest as wilderness, and for other purposes.
- H.R. 308 To authorize the exchange of certain public lands in California and Nevada.
- H.R. 3389 To designate certain lands in the State of Nevada as wilderness, and for other purposes.

WELCH, Vic of Minnesota

- H.R. 37 To authorize the water resources research activities of the United States Geological Survey, and for other purposes.
- H.R. 37 To authorize the water resources research activities of the United States Geological Survey, and for other purposes.
- H.R. 376 To direct a study by the Secretary of Agriculture of the effectiveness of antitoxin systems as a pest-control gas for purposes of the Insecticide Mitigation Transportation Act, and for other purposes.
- H.R. 307 To amend the Alaska National Interest Lands Conservation Act, to designate certain lands in the Tongass National Forest as wilderness, and for other purposes.
- H.R. 3381 To amend the Agricultural Act of 1949 with respect to the wheat and feed grains programs, and for other purposes.
- H.R. 3389 To enable producers of soybeans in Mexico, Taiwan, and Korea not a nationally coordinated program for soybean promotion, research, and consumer information, and for other purposes.
- H.R. 3387 To amend the Food Research and Promotion Act to provide improved methods of assessment that will insure a more effective marketing research and promotion program and provide for a more efficient consumer information program designed to expand markets for soybeans.
- H.R. 3388 To transfer certain programs within the Department of Agriculture to a newly established Rural Development Administration, and for other purposes.
- H.R. 3389 To establish an emergency community water assistance grant program for eligible communities adversely affected by the drought of 1988 and 1989.
- H.R. 3381 To establish new loan rates applicable for loans made to forest-own and forest-landowners under section 207(a)(5) of the Consolidated Farm and Rural Development Act.
- H.R. 3382 To authorize the Secretary of Agriculture to establish and maintain a central receiving facility at the Department of Agriculture for the storage and retrieval of data relating to Federal rural development programs.
- H.R. 3388 To designate the Agricultural Research Service, U.S. Department of Agriculture, animal health research building in Clay City, Kentucky, as the "Virginia D. Smith Animal Health Research Laboratory."
- H.R. 3381 To amend the Food Security Act of 1985 to require the Secretary of Agriculture to use multiple methods to establish wildlife habitats and nesting areas.

- H.R. 3388 To amend the Rural Electrification Act of 1936 to permit the improvement and refinancing of Federal financing bank loans made to rural electrification and telephone systems.
- H.R. 3376 Entitled, "The Farm Animal and Research Facilities Preservation Act of 1987"
- H.R. 3382 To provide grants to aid rural business and job creation in rural areas, to provide grants for emergency water treatment projects, and for other purposes.
- H.R. 3386 To recognize the 75th anniversary of the Smith-Lever Act of May 8, 1914, and its role in establishing our Nation's system of State Cooperative Extension Services.
- H.R. 3386 Using the President to revoke Executive Order 12072, and thereby enabling the Secretary of Agriculture to properly select the location of Federal facilities in compliance with the Rural Development Act of 1972.

WELSH, Ted of New York

- H.R. 34 To prohibit certain practices in the raising of calves for veal, and for other purposes.
- H.R. 39 To improve the protection of endangered species of wildlife in units of the National Forest System, the national park system, and the National Wildlife Refuge System by increasing the maximum fine that may be imposed for violating posted speed limits in such units.
- H.R. 425 To amend the Animal Welfare Act with respect to the issuance of temporary restraining orders and injunctions in certain cases.
- H.R. 340 To encourage scientific research and development of technologies relating to recycling, and for other purposes.
- H.R. 344 To establish labeling and advertising requirements for food or drink which are labeled "low" or "light" or which make similar comparative claims to describe fat, sodium, or calorie content and for other purposes.
- H.R. 376 To amend the Animal Welfare Act to prohibit dog racing and dog training involving the use of live animals as visual cues and to make such Act applicable to facilities that are used for dog racing or dog team training.
- H.R. 307 To amend the Alaska National Interest Lands Conservation Act, to designate certain lands in the Tongass National Forest as wilderness, and for other purposes.
- H.R. 3376 To establish national policies and support and encourage international agreements that implement energy and natural resource conservation strategies appropriate to protecting the overhauling of the Earth's atmosphere, known as the "greenhouse effect".
- H.R. 3386 To amend the Federal Food Inspection Act to authorize the distribution of wholesome meat for human consumption that has been condemned under that Act to charity and public agencies.
- H.R. 3766 To amend the Animal Welfare Act to include mice, rats, and birds within the definition of animals provided under the Act.
- H.R. 3387 To promote political democracy and economic pluralism in Poland and Hungary by assisting those nations during a critical period of transition and assisting the development in those nations of private business sectors, labor market reforms, and democratic institutions; to establish, through these steps, the framework for a composite program of support for East European Democracy; and for other purposes.

WELSH, Carl of Pennsylvania

- H.R. 307 To amend the Alaska National Interest Lands Conservation Act, to designate certain lands in the Tongass National Forest as wilderness, and for other purposes.
- H.R. 3759 To amend Federal law to grant the same rights and privileges afforded to blind individuals who depend on seeing-eye dogs to other disabled individuals who depend on guide, hearing, or service dogs, or other animals, to assist them.
- H.R. 3381 To amend the Public Health Service Act to establish a program of block grants to the States for the purpose of coordinating Federal programs with respect to maternal and child health.

AUTHOR INDEX

WHEAT, Alan of Missouri

- H.R. 906** To encourage scientific research and development of technologies relating to recycling, and for other purposes.
H.R. 1336 To designate certain lands in the State of Nevada as wilderness, and for other purposes.
H.R. 1362 To provide grants to aid rural business and job creation in rural areas, to provide grants for emergency water assistance projects, and for other purposes.

WHITTAKER, Bob of Kansas

- H.R. 371** To direct a study by the Secretary of Agriculture of the classification of anhydrous ammonia as a poisonous gas for purposes of the Hazardous Materials Transportation Act, and for other purposes.
H.R. 987 To amend the Alaska National Interest Lands Conservation Act, to designate certain lands in the Tongass National Forest as wilderness, and for other purposes.
H.R. 1669 To transfer certain programs within the Department of Agriculture to a newly established Rural Development Administration, and for other purposes.
H.R. 1680 To establish an emergency community water assistance grant program for eligible communities adversely affected by the droughts of 1988 and 1989.
H.R. 1681 To establish new loan rates applicable for loans made for health care and related facilities under section 207(a)(3) of the Consolidated Farm and Rural Development Act.
H.R. 1682 To authorize the Secretary of Agriculture to establish and maintain a central receiving facility at the Department of Agriculture for the storage and retrieval of data relating to Federal rural development programs.
H.R. 1759 Enacted, "The Farm Animal and Research Facilities Protection Act of 1989".
H.R. 1991 To amend the Federal Insecticide, Fungicide, and Rodenticide Act and the Federal Food, Drug, and Cosmetic Act, and for other purposes.
H.R. 1992 To provide grants to aid rural business and job creation in rural areas, to provide grants for emergency water assistance projects, and for other purposes.
H.Con.Res. 126 Urging the President to revoke Executive Order 12072, and thereby enabling the Secretary of Agriculture to properly select the location of federal facilities in compliance with the Rural Development Act of 1972.

WHITTEN, Jamie L. of Mississippi

- H.R. 1366** To expand home ownership opportunities for low- and moderate-income families in rural areas.
H.R. 1668 To designate the Agricultural Research Service, U.S. Department of Agriculture, animal health research building in Clay Center, Nebraska, as the "Virginia D. Smith Animal Health Research Laboratory".
H.J.Res. 124 To recognize the 75th anniversary of the Smith-Lever Act of May 8, 1914, and its role in establishing our Nation's system of State Cooperative Extension Services.

WILLIAMS, Pat of Montana

- H.R. 1637** * To prohibit the sale for export of unprocessed timber from Federal lands west of the 100th meridian in the contiguous 48 States.
H.R. 1775 To establish national policies and support and encourage international agreements that implement energy and natural resource conservation strategies appropriate to preventing the overheating of the Earth's atmosphere, known as the "greenhouse effect".
H.R. 1882 * To prohibit the sale for export of unprocessed timber from Federal lands west of the 100th meridian in the contiguous 48 States.
H.R. 1743 * To amend the Forest and Rangeland Renewable Resources Research Act of 1978 to establish a center for the improved utilization of wood and wood products.
H.R. 1745 * To determine the status of refueling National Forest System lands.

- H.R. 1349** * To direct the Secretary of Agriculture to dismiss frivolous administrative appeals of decisions made by the Forest Service.
H.R. 1827 To authorize any State to prohibit or otherwise restrict the exportation from the United States of unprocessed timber from lands owned or administered by that State.

WILSON, Charles of Texas

- H.R. 84** To prohibit certain practices in the raising of calves for veal, and for other purposes.
H.R. 980 To encourage scientific research and development of technologies relating to recycling, and for other purposes.
H.R. 978 To amend the Animal Welfare Act to prohibit dog racing and dog training involving the use of live animals as visual lures and to make such Act applicable to facilities that are used for dog racing or dog race training.
H.R. 1678 To establish national policies and support and encourage international agreements that implement energy and natural resource conservation strategies appropriate to preventing the overheating of the Earth's atmosphere, known as the "greenhouse effect".
H.R. 1134 To amend the Federal Meat Inspection Act to authorize the distribution of wholesome meat for human consumption that has been condemned under that Act to charity and public agencies.
H.R. 1289 To enable producers of soybeans to develop, finance, and carry out a nationally coordinated program for soybean promotion, research, and consumer information, and for other purposes.
H.R. 1345 To amend section 19 of the Animal Welfare Act (7 U.S.C. 2145).
H.R. 1671 To consolidate food inspection functions in the Department of Agriculture.
H.R. 1664 To amend the Rural Electrification Act of 1936 to permit the prepayment and refinancing of Federal financing bank loans made to rural electrification and telephone systems.
H.R. 1223 To amend the Animal Welfare Act to protect animal research facilities, and for other purposes.
H.R. 1307 To promote political democracy and economic pluralism in Poland and Hungary by assisting those nations during a critical period of transition and abetting the development in those nations of private business sectors, labor market reforms, and democratic institutions; to establish, through these steps, the framework for a composite program of support for East European Democracy, and for other purposes.
H.R. 1382 To provide grants to aid rural business and job creation in rural areas, to provide grants for emergency water assistance projects, and for other purposes.
H.J.Res. 124 To recognize the 75th anniversary of the Smith-Lever Act of May 8, 1914, and its role in establishing our Nation's system of State Cooperative Extension Services.
H.Con.Res. 91 Expressing the sense of the Congress with regard to supporting increased donations of commodities for international hunger alleviation purposes through purchases of agricultural commodities from the United States and developing countries financed by the Government of Japan.

WILSON, Pete of California

- S. 1410** To develop a program to determine potential impacts of climate on agriculture and forestry, to provide for the development of policies designed to address issues of potential climate change, with respect both to developing a capacity for agriculture and forestry to adapt to climate change, and to developing innovative ways to ameliorate climate change, and for other purposes.

WIRTH, Tim of Colorado

- S. 253** To establish a coordinated National Nutrition Monitoring and Related Research Program, and a comprehensive plan for the assessment of the nutritional and dietary status of the United States population and the nutritional quality of food consumed in the United States, with the provision for the conduct of scientific research and development in support of such program and plan.

AUTHOR INDEX

WIRTH, Tim of Colorado—Continued

- S. 1036 To improve the economic, community, and educational well-being of rural America, and for other purposes.
- S. 1610 To develop a program to determine potential impacts of climate on agriculture and forestry, to provide for the development of policies designed to address issues of potential climate change, with respect both to developing a capacity for agriculture and forestry to adapt to climate change, and to developing innovative ways to ameliorate climate change, and for other purposes.

WISE, Robert E. Jr. of West Virginia

- H.R. 514 To establish labeling and advertising requirements for food or drink which are labeled "lite" or "light" or which make similar comparative claims to describe fat, sodium, or calorie content and for other purposes.
- H.R. 1011 To provide for the establishment of the National Commission on Natural Resources Disasters, to provide for increased planning and cooperation with local firefighting forces in the event of forest fires, and for other purposes.
- H.R. 3382 To provide grants to aid rural business and job creation in rural areas, to provide grants for emergency water assistance projects, and for other purposes.
- H.R. 3542 * To amend the Food Stamp Act of 1977 to require that certain children's clothing allowances, and certain costs associated with seeing eye dogs and hearing dogs, be deducted from income for purposes of determining benefits, and for other purposes.
- H.R. 3564 * To amend the Rural Electrification Act of 1936 to make the Rural Electrification Administration and the Rural Telephone Bank more responsive to the needs of rural telephone subscribers, and to accelerate the provision of modern telecommunications technology to rural areas.
- H.J.Res. 124 To recognize the 75th anniversary of the Smith-Lever Act of May 8, 1914, and its role in establishing our Nation's system of State Cooperative Extension Services.
- H.Con.Res. 140 Directing the appropriate committees of the Congress to give due consideration to the formulation and advancement of a comprehensive package of legislation dealing with the economic development needs of rural communities at the earliest possible date.

WOLPE, Howard of Michigan

- H.R. 37 To authorize the water resources research activities of the United States Geological Survey, and for other purposes.
- H.R. 37 To authorize the water resources research activities of the United States Geological Survey, and for other purposes.
- H.R. 89 To improve the protection of endangered species of wildlife in units of the National Forest System, the national park system, and the National Wildlife Refuge System by increasing the maximum fine that may be imposed for violating posted speed limits in such units.
- H.R. 500 To encourage scientific research and development of technologies relating to recycling, and for other purposes.
- H.R. 677 To establish a coordinated National Nutrition Monitoring and Related Research Program, and a comprehensive plan for the assessment of the nutritional and dietary status of the United States population and the nutritional quality of food consumed in the United States, with the provision for the conduct of scientific research and development in support of such program and plan.
- H.R. 987 To amend the Alaska National Interest Lands Conservation Act, to designate certain lands in the Tongass National Forest as wilderness, and for other purposes.
- H.R. 1078 To establish national policies and support and encourage international agreements that implement energy and natural resource conservation strategies appropriate to preventing the overheating of the Earth's atmosphere, known as the "greenhouse effect".
- H.R. 1472 To establish the Grand Island National Recreation Area in the State of Michigan, and for other purposes.
- H.R. 2042 To amend title V of the Agricultural Act of 1949 to allow producers to provide the appropriate county committees with actual yields for the 1989 and subsequent crop years.

- H.R. 2209 To enable producers of soybeans to develop, finance, and carry out a nationally coordinated program for soybean promotion, research, and consumer information, and for other purposes.
- H.R. 2320 To designate certain lands in the State of Nevada as wilderness, and for other purposes.
- H.R. 2386 To amend the Agriculture Act of 1949 to establish eligibility requirements for agricultural commodity price support programs with respect to the delivery of irrigation water.
- H.R. 2467 Entitled the "1988 Disaster Assistance Extension Act".
- H.R. 2734 To inaugurate a comprehensive program of environmental research, development, and demonstration relating to contamination and depletion of ground water and ground water resources; and to establish an Interagency Ground Water Research Committee to improve coordination among Federal agencies and provide assistance for implementation of State management programs.
- H.R. 3099 To provide for the improved management of the nation's water resources.
- H.R. 3143 To establish a national energy policy to reduce global warming, and for other purposes.
- H.R. 3164 To amend the Rural Electrification Act of 1936 to permit the prepayment and refinancing of Federal financing bank loans made to rural electrification and telephone systems.
- H.R. 3362 To establish a national policy of "no net loss of forests", to direct the President to work for a declaration of a State of Emergency for Global Forests, to establish forest protection and forest restoration programs as a national priority, to support a global forest resource survey, to create an Endangered Forests Research Initiative, and to initiate a joint United States-Japan effort for global forest restoration.
- H.J.Res. 124 To recognize the 75th anniversary of the Smith-Lever Act of May 8, 1914, and its role in establishing our Nation's system of State Cooperative Extension Services.

WYDEN, Ron of Oregon

- H.R. 2134 To amend the Federal Meat Inspection Act to authorize the distribution of wholesome meat for human consumption that has been condemned under that Act to charity and public agencies.
- H.R. 2228 To amend the Agricultural Act of 1949 to modify the operation of the price support program applicable to milk.
- H.R. 2257 To amend the Potato Research and Promotion Act to provide improved methods of assessment that will finance a more effective marketing research and promotion program and provide for a more effective consumer information program designed to expand markets for potatoes.
- H.R. 3382 To provide grants to aid rural business and job creation in rural areas, to provide grants for emergency water assistance projects, and for other purposes.
- H.R. 3454 To authorize the Secretary of Agriculture to carry out a Forest Stewardship Assistance Program for owners of nonindustrial private forest land, and for other purposes.
- H.R. 3827 To authorize any State to prohibit or otherwise restrict the exportation from the United States of unprocessed timber from lands owned or administered by that State.
- H.R. 3828 To restrict the export of unprocessed timber from certain Federal lands, and for other purposes.

VATES, Sidney R. of Illinois

- H.R. 84 To prohibit certain practices in the raising of calves for veal, and for other purposes.
- H.R. 425 To amend the Animal Welfare Act with respect to the issuance of temporary restraining orders and injunctions in certain cases.
- H.R. 500 To encourage scientific research and development of technologies relating to recycling, and for other purposes.
- H.R. 987 To amend the Alaska National Interest Lands Conservation Act, to designate certain lands in the Tongass National Forest as wilderness, and for other purposes.
- H.R. 1078 To establish national policies and support and encourage international agreements that implement energy and natural resource conservation strategies appropriate to preventing the overheating of the Earth's atmosphere, known as the "greenhouse effect".

AUTHOR INDEX

YATRON, Gus of Pennsylvania

- H.R. 1055** To restore balance among sources of supply for the Nation's sweetener needs, and for other purposes.
- H.R. 1526** To amend the Food Security Act of 1985 with respect to wetlands, and for other purposes.
- H.R. 2228** To amend the Agricultural Act of 1949 to modify the operation of the price support program applicable to milk.

YOUNG, C.W. Bill of Florida

- H.R. 84** To prohibit certain practices in the raising of calves for veal, and for other purposes.
- H.R. 425** To amend the Animal Welfare Act with respect to the issuance of temporary restraining orders and injunctions in certain cases.

YOUNG, Don of Alaska

- H.R. 1645** To permit timber sales and related activities on National Forest System lands during a 5-year period of study of the status of the Northern Spotted Owl, and for other purposes.
- H.R. 2737** To require the payment of interest on moneys affected by injunctions on Federal timber sales.
- H.R. 3164** To amend the Rural Electrification Act of 1936 to permit the prepayment and refinancing of Federal financing bank loans made to rural electrification and telephone systems.
- H.R. 3382** To provide grants to aid rural business and job creation in rural areas, to provide grants for emergency water assistance projects, and for other purposes.
- H.R. 3420** To provide further authority to the Secretary of Agriculture for international forestry cooperation, for tropical forestry cooperation in the South Pacific, and for other purposes.
- H.R. 3768** To allow the Secretary of the U.S. Department of Agriculture or other appropriate official to protect persons engaged in a lawful hunt within a National Forest or on other lands affected with a Federal interest; establishing an administrative civil remedy against individuals or groups intentionally obstructing, impeding, or interfering with the conduct of a lawful hunt; and for other purposes.

Submitted by USDA, Jan. 13, 1989.

Food Stamp Program. Monthly expenditures for November 1988 and cumulative spending total for the fiscal year 1989 through November, required by sec. 18(b) of the Food Stamp Act of 1977, as amended by P.L. 96-58. Submitted by USDA, Jan. 17, 1989.

General Accounting Office: Interim report on Family Independence Program, a 5-year welfare reform demonstration project, required by Omnibus Budget Reconciliation Act of 1987, P.L. 100-203. Submitted by GAO, Jan. 18, 1989.

USDA: Seventh biannual report on collaborative efforts between the Federal Grain Inspection Service and the Agricultural Research Service to develop new means of grain classification, required by sec. 1672 of Food Security Act of 1985, P.L. 99-198. Submitted by USDA, Jan. 19, 1989.

Food and Nutrition Service: Proposed regulation to change one aspect of Food Stamp Program's quality control system, required by sec. 601(c) of P.L. 96-597. Submitted by USDA, Jan. 19, 1989.

STATUTORY AND SPECIAL REPORTS

Rural Development: Federal Programs That Focus on Rural America and Its Economic Development (GAO/RCED-89-56BR), pursuant to request. Submitted by GAO, Jan. 19, 1989.

Fourth Report of the Commission on Merchant Marine and Defense: Recommendations "A Plan for Action", required by P.L. 98-525. Submitted by Commission, Jan. 20, 1989.

USDA: Notice of approval of proposed purchase for White Mountain, New Hampshire, required by sec. 17(b) of National Forest Management Act, P.L. 94-588. Submitted by USDA, Jan. 23, 1989.

USDA: Report relating to the effects of the 1988 drought on rural businesses and enterprises, required by sec. 333 of Disaster Assistance Act, P.L. 100-387. Submitted by USDA, Jan. 25, 1989.

USDA: Report on fiscal year 1988 construction activities by the Agricultural Research Service, required by sec. 1431(b) of Food Security Act of 1985, P.L. 99-198. Submitted by USDA, Jan. 25, 1989.

USDA: A National Program for Soil and Water Conservation: The 1988-97 Update, required by Soil and Water Resources Conservation Act of 1977, P.L. 95-192. Submitted by USDA, Jan. 25, 1989.

USDA: Report on proposed change in way USDA provides disaster assistance to the Federated States of Micronesia and the Republic of the Marshall Islands, required by Disaster Relief and Emergency Assistance Act. Submitted by USDA, Jan. 26, 1989.

Charter: Perishable Agricultural Commodities Act Industry Advisory Committee Act, required by P.L. 92-463. Submitted by USDA, Jan. 27, 1989.

Charters: Agricultural Policy Advisory Committee for Trade; Agricultural Technical Advisory Committees for Trade, required by P.L. 92-463. Submitted by USDA, Jan. 27, 1989.

Charters: Advisory Committee to Evaluate Management Improvement Proposals of USDA's International Trade Activities; Dietary Guidelines Advisory Committee; National Advisory Council on Child Nutrition; and National Agricultural Cost of Production Standards Review Board, required by P.L. 92-463. Submitted by USDA, Jan. 27, 1989.

Charter: Federal Insecticide, Fungicide, and Rodenticide Act Scientific Advisory Panel, required by P.L. 92-463. Submitted by EPA, Jan. 30, 1989.

Soil Conservation Service: Notice of deauthorization of Chatlin Lake Canal Watershed project located in Rapides and Avoyelles Parishes, Louisiana, pursuant to agreed upon oversight procedures. Submitted by USDA, Jan. 30, 1989.

USDA: Report on current status of demonstration projects to be conducted under the Summer Food Service Program, required by sec. 213 of Hunger Prevention Act of 1988, P.L. 100-435. Submitted by USDA, Jan. 30, 1989.

Commodity Credit Corporation: Report of the President of the Commodity Credit Corporation for the period ending September 30, 1987, required by P.L. 83-480, Agricultural Trade

Development and Assistance Act of 1954, as amended, the National Wool Act of 1954, and Public Laws 99-500 and 99-591. Submitted by USDA, February 1989.

International Trade Commission: U.S. Trade Shifts in Selected Commodity Areas, report of ITC's trade monitoring information support system, pursuant to agreed upon oversight procedures. Submitted by ITC, February 1989.

Agricultural Research Service: Nineteenth Quarterly Report on Selected Research Projects, required by H.Rept. 98-809, the Appropriations on the Agriculture, Rural Development, and Related Agencies Appropriation Bill. Submitted by USDA, Feb. 1, 1989.

Forest Service: Summary of one proposed purchase and two proposed exchanges for Nezperce National Forest, Idaho; White River National Forest, Colorado; and San Bernardino, California, pursuant to agreed upon oversight procedures. Submitted by USDA, Feb. 2, 1989.

Forest Service: Status of land exchange negotiations on establishment of Columbia River Gorge National Scenic Area, required by P.L. 99-663. Submitted by USDA, Feb. 2, 1989.

Energy: Annual Report on the Office of Alcohol Fuels for Fiscal Year 1988, required by sec. 218(c)(1)(A) of Energy Security Act, P.L. 96-294. Submitted by DOE, Feb. 3, 1989.

USDA: Final report on evaluation of Food Stamp Application Matching Systems entitled "Preventing Fraud and Abuse in the Food Stamp Programs: The Use of Computer Assisted Verifications of Applicant Reported Information", pursuant to agreed upon oversight procedures. Submitted by USDA, Feb. 6, 1989.

Forest Service: Notice of revisions in the boundaries of special management areas, required by Columbia River Gorge National Scenic Area Act, P.L. 99-663. Submitted by USDA, Feb. 7, 1989.

USDA: Notice of approval of proposed exchange for Plumas National Forest and Tahoe National Forest, California, required by sec. 17(b) of National Forest Management Act of 1976, P.L. 94-588. Submitted by USDA, Feb. 8, 1989.

USDA: Quarterly report on Commodity Credit Corporation (CCC)-owned inventory as of January 1, 1989, required by S.Rept. 99-438, Agriculture, Rural Development and Related Agencies Appropriation Bill, 1987. Submitted by USDA, Feb. 9, 1989.

USDA: Report to Congress on Egg Products Inspection Act, required by sec. 26 of Egg Products Inspection Act, P.L. 91-597. Submitted by USDA, Feb. 13, 1989.

Forest Service: Final Environmental Impact Statement for the Land and Resource Management Plan for the Eldorado National Forest, required by the 1979 Roadless Area Review and Evaluation Act (RARE II). Submitted by USDA, Feb. 13, 1989.

USDA: Statistical summary for flue-cured and burley tobacco program for 1988, required by sec. 1166 of Food Security Act of 1985. Submitted by USDA, Feb. 14, 1989.

STATUTORY AND SPECIAL REPORTS

Farmers Home Administration: Sounder Loans Would Require Revised Loan-Making Criteria (GAO/RCED-89-9), pursuant to request. Submitted by GAO, Feb. 14, 1989.

Food Stamp Program: Monthly expenditures for December 1988 and cumulative spending total for FY 1989 through December, required by sec. 18(b) of Food Stamp Act of 1977, as amended by P.L. 96-58. Submitted by USDA, Feb. 15, 1989.

Farm Payments: Evaluation of Changes in County Loan Rates (GAO/RCED-89-47BR), pursuant to request. Submitted by GAO, Feb. 15, 1989.

Dairy products used by the Military Services, July-December 1988, required by sec. 202(b) of P.L. 81-429. Submitted by Defense Logistics Agency, Feb. 16, 1989.

Forest Service: Information on the Forest Service Appeals System (GAO/RCED-89-16BR), pursuant to request. Submitted by GAO, Feb. 16, 1989.

Forest Service: Summary of two proposed purchases for Cherokee National Forest, Tennessee, and Francis Marion and Sumter National Forests, South Carolina, pursuant to agreed upon oversight procedures. Submitted by USDA, Feb. 17, 1989.

Federal Crop Insurance Corporation: Report on studies regarding operation of crop insurance program, required by Drought Assistance Act of 1988. Submitted by USDA, Feb. 17, 1989.

Superfund Contracts: EPA's Procedures for Preventing Conflicts of Interest Need Strengthening (GAO/RCED-89-57), pursuant to request. Submitted by GAO, Feb. 17, 1989.

Forest Service: Final Environmental Impact Statement for the Land and Resource Management Plan for the San Bernardino National Forest, required by the 1979 Roadless Area Review and Evaluation Act (RARE II). Submitted by USDA, Feb. 17, 1989.

Fuel Ethanol: Imports from Caribbean Basin Initiative Countries (GAO/NSIAD-89-106), pursuant to request. Submitted by GAO, Feb. 21, 1989.

Inland Oil Spills: Stronger Regulation and Enforcement Needed to Avoid Future Incidents (GAO/RCED-89-65), pursuant to request. Submitted by GAO, Feb. 22, 1989.

Report of the National Commission on Agricultural Finance, required by sec. 501 of Farm Credit Amendments of 1985. Submitted by Commission, Feb. 22, 1989.

USDA: Report on GAO report entitled "Crop Insurance: FCIC Should Strengthen Actual Production History Program Controls", required by Legislative Reorganization Act of 1970. Submitted by USDA, Feb. 22, 1989, and forwarded by Committee on Government Operations.

USDA: Federal Grain Inspection Service's Fourth Quarterly Report on Foreign Grain Quality and Weighing Complaints for the fourth quarter of fiscal year 1988 and all actions taken on previously reported complaints, required by sec. 16(b) of United States Grain Standards Act, as amended. Submitted by USDA, Feb. 22, 1989.

International Trade: Review of FAS Attache Service (GAO/NSIAD-89-73), pursuant to request. Submitted by GAO, Feb. 23, 1989.

USDA: Third annual report documenting the nature and extent of the policies of other governments to assist their agricultural exports and to impede imports of agricultural products from the United States, required by sec. 1132 of Food Security Act of 1985. Submitted by USDA, Feb. 24, 1989.

Charters: Federal Grain Inspection Service Advisory Committee, and Committee of State Foresters, required by P.L. 92-463. Submitted by USDA, Feb. 24, 1989.

Foreign Agricultural Service: Reports received from suppliers of commodities and ocean transportation under Public Law 480, Title I, required by sec. 115(b) of Agricultural Trade and Assistance Act of 1954, as amended. Submitted by USDA, Feb. 28, 1989.

Foreign Agricultural Service: Commitment report for fiscal year 1989 under the Export Credit Guarantee Programs and Status of Export Enhancement Program, pursuant to agreed upon oversight procedures. Submitted by USDA, March 1989.

Public Hearings Before the Commission on Merchant Marine and Defense May 1988 and July 1988; and July-December 1988, required by P.L. 98-525. Submitted by Commission, March 1989.

USDA: Report on USDA's Progress in Implementing the Commodity Distribution Reform Act and WIC Amendments of 1987, required by P.L. 100-237. Submitted by USDA, Mar. 3, 1989.

USDA: An Assessment of a Marketing Loan for the 1989 Soybean Crop, required by sec. 301 of Disaster Assistance Act of 1988, P.L. 100-387. Submitted by USDA, Mar. 3, 1989.

USDA: Report on GAO report entitled "Financial Audit: Farmers Home Administration's Losses Have Increased Significantly," required by sec. 236 of Legislative Reorganization Act of 1970. Submitted by USDA, Mar. 7, 1989, and forwarded by Committee on Government Operations.

USDA: Drought, Food Prices, and Food Assistance Programs Report, required by Disaster Assistance Act of 1988, P.L. 100-387. Submitted by USDA, Mar. 8, 1989.

Office of Technology Assessment: Reports entitled "Enhancing the Quality of U.S. Grain for International Trade" and "Grain Quality in International Trade: A Comparison of Major U.S. Competitors", pursuant to request. Submitted by OTA, Mar. 9, 1989.

Chicago Futures Market: Initial Observations on Trade Practice Abuses (GAO/GGD-89-58), pursuant to request. Submitted by GAO, Mar. 13, 1989.

Federal Crop Insurance Corporation: Report on concerns of mismanagement and inefficiency in the delivery and loss adjusting of crop insurance, required by P.L. 100-202. Submitted by USDA, Mar. 14, 1989.

Pesticides: Economic Research Service's Analyses of Proposed EPA Actions (GAO/RCED-89-75BR), pursuant to request. Submitted by GAO, Mar. 14, 1989.

STATUTORY AND SPECIAL REPORTS

Food Stamp Program. Monthly expenditures for January 1989 and cumulative spending total for FY 1989 through January, required by sec. 18(b) of Food Stamp Act of 1977, as amended by P.L. 96-58. Submitted by USDA, Mar. 15, 1989.

USDA: Report on USDA Human Nutrition Research and Education Activities, required by sec. 1452(b) of National Agricultural Research, Extension, and Teaching Policy Act Amendments of 1985. Submitted by USDA, Mar. 15, 1989.

USDA: 1988 report on Foreign and Domestic Activities of the Meat and Poultry Inspection Program, Food Safety and Inspection Service, required by Federal Meat Inspection Act, as amended by Wholesome Meat Act of 1967 and the Poultry Products Inspection Act, as amended by Wholesome Poultry Products Act of 1968. Submitted by USDA, Mar. 15, 1989.

Financial Audit: Food and Nutrition Service's Financial Statements for 1987 (GAO/AFMD-89-22), pursuant to request. Submitted by GAO, Mar. 15, 1989.

Forest Service: Notice of acquisition of certain lands, required by New Hampshire Forest Management Initiatives Act of 1988. Submitted by USDA, Mar. 16, 1989.

USDA: Second quarterly country and commodity allocation table showing current programming plans for food assistance under Title II of Public Law 480 for fiscal year 1989, required by sec. 408(b) of the Act. Submitted by USDA, Mar. 16, 1989.

1988 Annual Report of the National Agricultural Cost of Production Standards Review Board, required by Agriculture and Food Act of 1981, as amended by Food Security Act of 1985, P.L. 99-198. Submitted by Board, Mar. 17, 1989.

USDA: Report on lamb meat imports, required by sec. 4508 of Omnibus Trade and Competitiveness Act of 1988, P.L. 100-418. Submitted by USDA, Mar. 20, 1989.

Agricultural Trade: Long-term Bilateral Grain Agreements with the Soviet Union and China (GAO/NSIAD-89-63), pursuant to request. Submitted by GAO, Mar. 22, 1989.

USDA: Evaluation of availability and location of Commodity Credit Corporation stocks for emergency livestock assistance, required by Disaster Assistance Act of 1988, P.L. 100-387. Submitted by USDA, Mar. 23, 1989.

USDA: First quarterly report on progress made in implementing recommendations of the Agricultural Trade and Development Missions, required by sec. 5 of Agricultural Aid and Trade Missions Act of 1987. Submitted by USDA, Mar. 24, 1989.

Reserve Accounting: Rural Telephone Bank's Reserve for Losses Due to Interest Rate Fluctuations (GAO/AFMD-89-15), pursuant to request. Submitted by GAO, Mar. 27, 1989.

USTR: Report on Status of Efforts to Negotiate the Elimination of Canadian Wheat Import Licensing Requirements, required by sec. 4501 of Omnibus Trade and Competitiveness Act of 1988. Submitted by USDA, Mar. 27, 1989.

USDA: Quarterly Report on Foreign Grain Quality and Weighing Complaints for the first quarter of fiscal year 1989 and all actions taken on previously reported complaints, required by sec. 16(b) of United States Grain Standards Act, as amended. Submitted by USDA, Mar. 28, 1989.

Agriculture: Progress Made Toward Goals of 1985 Farm Bill (GAO/RCED-89-76BR), pursuant to request. Submitted by GAO, Mar. 30, 1989.

Immigration Reform: Federal Programs Show Progress in Implementing Alien Verification Systems (GAO/HRD-89-62) pursuant to request. Submitted by GAO, Mar. 31, 1989.

Internal Controls: Program to Address Problem Meat and Poultry Plants Needs Improvement (GAO/RCED-89-55), pursuant to request. Submitted by GAO, Mar. 31, 1989.

Farmers Home Administration: Final rule on credit reports on individuals, pursuant to agreed upon oversight procedures. Submitted by USDA, Mar. 31, 1989.

Foreign Ownership of U.S. Agricultural Land Through December 31, 1988, required by sec. 5 of Agricultural Foreign Investment Disclosure Act of 1978. Submitted by USDA, April 1989.

Interim Report of the Commission for the Improvement of the Federal Crop Insurance Program, required by Federal Crop Insurance Commission Act of 1988. Submitted by Commission, Apr. 3, 1989.

USDA: Notice of approval of exchanges for Lassen National Forest and Shasta National Forest, California, and Green Mountain National Forest, Vermont, required by sec. 17(b) of National Forest Management Act of 1976, P.L. 94-588, as amended. Submitted by USDA, Apr. 4, 1989.

USDA: Foreign Ownership of U.S. Agricultural Land, Annual Report through December 31, 1988, required by P.L. 95-460. Submitted by USDA, Apr. 4, 1989.

Charter: Advisory Committee on Swine Health Protection, required by P.L. 92-463. Submitted by USDA, Apr. 10, 1989.

Farmers Home Administration: Annual report on secondary market's operations and market's impact on farmers' access to capital at reasonable rates and terms, required by title VIII, subtitle B of P.L. 100-233, Agricultural Credit Act of 1987. Submitted by USDA, Apr. 10, 1989.

USDA: Third quarterly commodity and country allocation table showing current programming plans for commodity assistance under Titles I/III of Public Law 480 for fiscal year 1989, required by sec. 408(b) of the Act. Submitted by USDA, Apr. 12, 1989.

Farmers Home Administration: Proposed rule on sale of inventory property, pursuant to agreed upon oversight procedures. Submitted by USDA, Apr. 12, 1989.

USDA: Notice of transfer of fiscal year 1989 funds within the P.L. 480 program from Titles I/III account to Title II account, required by Rural Development, Agriculture, and Related Agencies Appropriations Act for 1989. Submitted by USDA, Apr. 12, 1989.

International Trade: Long-term Bilateral Grain Agreements and Grain Countertrade (GAO/NSIAD-89-91), pursuant to request. Submitted by GAO, Apr. 14, 1989.

STATUTORY AND SPECIAL REPORTS

- Food Stamp Program.** Monthly expenditures for February 1989 and cumulative spending total for FY 1989 through February, required by sec. 18(b) of Food Stamp Act of 1977, as amended by P.L. 96-58. Submitted by USDA, Apr. 14, 1989.
- Forest Service:** Notice of summary of one proposed purchase and two proposed exchanges for Gifford Pinchot National Forest, Washington, and Colville and Kaniksu National Forests, Washington, pursuant to agreed upon oversight procedures. Submitted by USDA, Apr. 17, 1989.
- Forest Service:** Notice of proposed exchange for Mark Twain National Forest, Missouri, subject to appeals under Weeks Law, required by sec. 17(b) of National Forest Management Act of 1976, P.L. 94-558. Submitted by USDA, Apr. 17, 1989.
- Office of Management and Budget:** Draft bill entitled Farm Credit Improvement Act of 1989 submitted to ensure that Agricultural Credit Act of 1987 is implemented as Congress and the Executive Branch intended in two respects. Submitted by OMB, Apr. 17, 1989.
- USDA:** Report of Agricultural Trade and Development Mission to Algeria and Tunisia, required by Agricultural Aid and Trade Missions Act, as amended. Submitted by USDA, Apr. 18, 1989.
- USDA:** Report on Farmland Protection Policy Act, required by sec. 1546 of P.L. 99-198. Submitted by USDA, Apr. 19, 1989.
- International Trade Commission:** Competitive Conditions in the U.S. and World Markets for Fresh Cut Roses, required by sec. 4509 of Omnibus Trade and Competitiveness Act of 1988. Submitted by ITC, Apr. 20, 1989.
- Farmers Home Administration:** Proposed rule on Self-help Technical Assistance Grants, pursuant to agreed upon oversight procedures. Submitted by USDA, Apr. 20, 1989.
- Agricultural Research Service:** Twentieth quarterly report on research progress in the Agricultural Research Service, required by Agriculture, Rural Development, and Related Agencies Appropriation Bill, 1985, H.Rept. 98-809. Submitted by USDA, Apr. 21, 1989.
- Foreign Agricultural Service:** Final rule amending the regulations governing ocean transportation bidding procedures for the Public Law 480, Title I program, required by the Act. Submitted by USDA, Apr. 21, 1989.
- Federal Timber Sales:** Legislative and Administrative Assistance Provided to Timber Purchasers (GAO/RCED-89-117), pursuant to request. Submitted by GAO, Apr. 21, 1989.
- Water Pollution:** Improved Monitoring and Enforcement Needed for Toxic Pollutants Entering Sewers (GAO/RCED-89-101), pursuant to request. Submitted by GAO, Apr. 25, 1989.
- USDA:** Food and Nutrition Service's research and evaluation plan for fiscal year 1989, required by H.Rept. 100-690. Submitted by USDA, Apr. 27, 1989.
- Food and Nutrition Service:** Interim rule dealing with the imposition of civil money penalties in lieu of permanent disqualification for trafficking in food stamps, required by sec. 12(b)(3) of P.L. 100-619. Submitted by USDA, Apr. 27, 1989.
- Federal Crop Insurance Corporation:** Summary of business report for January, February, and March 1989, required by S.Rept. 97-566. Submitted by USDA, Apr. 28, 1989.
- Charter:** Second Renewal Charter of the Commission's Financial Products Advisory Committee, required by secs. 9(c) and 14(b)(1) of Federal Advisory Committee Act. Submitted by CFTC, Apr. 28, 1989.
- Charter:** National Advisory Committee on Microbiological Criteria for Foods, required by P.L. 92-463. Submitted by USDA, May 2, 1989.
- USDA:** Semiannual report on types and amounts of commodities to be made available for distribution under the Temporary Emergency Food Assistance Program, required by sec. 1564 of Food Security Act, P.L. 99-198. Submitted by USDA, May 3, 1989.
- USDA:** Notice of approval of proposed exchanges for Willamette and Siuslaw National Forests, Oregon; Kaniksu National Forest, Idaho, required by sec. 17(b) of National Forest Management Act of 1976, P.L. 94-588. Submitted by USDA, May 4, 1989.
- Somalia:** Observations Regarding the Northern Conflict and Resulting Conditions (GAO/NSIAD-89-159), pursuant to request. Submitted by GAO, May 4, 1989.
- Federal Agricultural Mortgage Corporation:** Underwriting Standards Issues Facing the New Secondary Market (GAO/RCED-89-106BR), pursuant to request. Submitted by GAO, May 5, 1989.
- USDA:** Quarterly report on Commodity Credit Corporation (CCC)-owned inventory, required by S.Rept. 99-438, Agriculture, Rural Development and Related Agencies Appropriation Bill, 1987. Submitted by USDA, May 8, 1989.
- USDA:** Draft bill to authorize Secretary to adjudicate claims from volunteers for damage or loss of property, required by Volunteers in the National Forests Act of 1972. Submitted by USDA, May 8, 1989. Executive Communication 1225.
- Farmers Home Administration:** Report on loan restructuring requests processed by FmHA, required by Agricultural Credit Act of 1987. Submitted by USDA, May 9, 1989.
- Financial Integrity Act:** Actions Needed to Correct ADP Internal Control Weaknesses (GAO/IMTEC-89-11), pursuant to request. Submitted by GAO, May 9, 1989.
- Forest Service:** Summary of proposed purchase for White Mountain, New Hampshire, pursuant to agreed upon oversight procedures. Submitted by USDA, May 9, 1989.
- Charter:** Third Renewal Charter of the Commission's Agricultural Advisory Committee, required by secs. 9(c) and 14(b)(1) of Federal Advisory Committee Act. Submitted by CFTC, May 9, 1989.
- Food Stamp Program.** Monthly expenditures for March 1989 and cumulative spending total for the fiscal year 1989 through March, required by sec. 18(b) of the Food Stamp Act of 1977, as amended by P.L. 96-58. Submitted by USDA, May 15, 1989.

STATUTORY AND SPECIAL REPORTS

- Farm Finance:** Participants' Views on Issues Surrounding Chapter 12 Bankruptcy, (GAO/RCED-89-142BR), pursuant to request. Submitted by GAO, May 15, 1989.
- Charter:** National Advisory Council on Maternal, Infant and Fetal Nutrition, required by P.L. 92-463, the Federal Advisory Committee Act. Submitted by USDA, May 17, 1989.
- Federal Crop Insurance Corporation:** Summary of business report for April 1989, required by S.Rept. 97-566. Submitted by FCIC, May 23, 1989.
- Farmers Home Administration:** Final rule concerning use of applicant certification statements, pursuant to agreed upon oversight procedures. Submitted by USDA, May 24, 1989.
- Forest Service:** Summary of proposed exchange for Arapaho National Forest, Colorado, pursuant to agreed upon oversight procedures. Submitted by USDA, May 25, 1989.
- Charters:** Ouachita National Forest, LeFlore County, Oklahoma, Multiple Use Advisory Council, and Winding Stair Tourism and Recreation Advisory Council, required by P.L. 92-463. Submitted by USDA, May 26, 1989.
- USDA:** Notice of approval of exchange for Manistee National Forest, Michigan, required by sec. 17(b) of National Forest Management Act of 1976, P.L. 94-588. Submitted by USDA, May 26, 1989.
- Foreign Agricultural Service:** An analysis of the degree of overlapping information on agricultural trade in U.S. Department of Agriculture Reports, required by sec. 4206 of Omnibus Trade and Competitiveness Act of 1988. Submitted by USDA, May 26, 1989.
- Animal and Plant Health Inspection Service:** Animal Welfare Enforcement for Fiscal Year 1988, required by sec. 25 of the Animal Welfare Act. Submitted by USDA, June 1989.
- USDA:** Report on effects of including dockage and foreign material as grading factor for wheat, required by P.L. 100-518. Submitted by USDA, June 1, 1989.
- Central America:** Humanitarian Assistance to the Nicaraguan Democratic Resistance (GAO/NSIAD-89-152), pursuant to request. Submitted by GAO, June 1, 1989.
- Environmental Protection Agency:** Semiannual report on activities of the Inspector General of the Environmental Protection Agency for the period October 1, 1988, to March 31, 1989, required by sec. 5(b) of Inspector General Act of 1978. Submitted by EPA, June 1, 1989.
- Forest Service:** Summary of proposed purchase and proposed exchange for Sawtooth National Forest, Idaho, and Helena National Forest, Montana, pursuant to agreed upon oversight procedures. Submitted by USDA, June 5, 1989.
- Forest Service:** Notice of proposed exchange for Mark Twain National Forest, Missouri, required by sec. 17(b) of National Forest Management Act of 1976, P.L. 94-558. Submitted by USDA, June 5, 1989.
- Crop Production:** Outlook for Post-Drought Recovery During 1989 (GAO/RCED-89-161BR), pursuant to request. Submitted by GAO, June 6, 1989.
- USDA:** Animal Welfare Enforcement Report, required by Animal Welfare Act. Submitted by USDA, June 6, 1989.
- USDA:** Report on use of authorities established under the Commodity Credit Corporation (CCC) Charter Act to provide intermediate credit financing and other trade assistance for the establishment of facilities in importing countries to improve handling, marketing, processing, storage and distribution of imported agricultural commodities and products; increase livestock production in order to enhance demand for U.S. feed grains and increase markets for U.S. livestock and products, required by sec. 4505 of Omnibus Trade and Competitiveness Act of 1988. Submitted by USDA, June 8, 1989.
- National Agricultural Research and Extension Users Advisory Board:** Appraisal of Proposed 1990 Budget for Food and Agricultural Sciences, required by P.L. 95-113. Submitted by Board, June 9, 1989.
- Justice:** Report concerning the activities of the Attorney General and the Secretary of Agriculture in expediting investigations under the National Forest Systems Drug Control Act, required by sec. 15003(2) of P.L. 100-690. Submitted by Justice, June 9, 1989.
- Food and Nutrition Service:** Federal Review Program Report of School Food Authorities, pursuant to agreed upon oversight procedures. Submitted by USDA, June 12, 1989.
- Charters:** Advisory Committee on Universal Cotton Standards and Cooperative Forestry Research Advisory Council, required by P.L. 92-463. Submitted by USDA, June 14, 1989.
- USDA:** Draft legislation to amend the National School Lunch Act and Child Nutrition Act of 1966, required by the Act. Submitted by USDA, June 14, 1989.
- Farmers Home Administration:** Status of Participation in the Interest Rate Reduction Program (GAO/RCED-89-126BR), pursuant to request. Submitted by GAO, June 15, 1989.
- Food Stamp Program:** Monthly expenditures for April 1989 and cumulative spending total for the fiscal year 1989 through April, required by sec. 18(b) of Food Stamp Act of 1977, as amended by P.L. 96-58. Submitted by USDA, June 15, 1989.
- Food and Nutrition Service:** Corrections to report entitled "Feeding the Homeless: Does the Prepared Meals Provision Help? Report to Congress on the Prepared Meals Provision", pursuant to agreed upon oversight procedures. Submitted by USDA, June 15, 1989.
- Federal Crop Insurance Corporation:** Interim Report of the Commission for the Improvement of the Federal Crop Insurance Program, pursuant to agreed upon oversight procedures. Submitted by USDA, June 15, 1989.
- USDA:** Study of adjustments to loan premiums and discounts to encourage the production and marketing of high quality grain, required by sec. 3 of United States Grains Standards Act Amendments of 1988. Submitted by USDA, June 16, 1989.
- Charter:** Citizens' Advisory Committee on Equal Opportunity, required by P.L. 92-463. Submitted by USDA, June 16, 1989.

STATUTORY AND SPECIAL REPORTS

Charter: Plant Variety Protection Advisory Board, required by P.L. 92-463. Submitted by USDA, June 16, 1989.

USDA: Notice of efforts to research and develop effective quarantine treatments for imported citrus, pursuant to agreed upon oversight procedures. Submitted by USDA, June 16, 1989.

Agricultural Marketing Service: Notice of request under Freedom of Information Act to release names and addresses of producers who participate in Federal marketing order for cranberries, required by sec. 1663 of Food Security Act of 1985, amending the Agricultural Marketing Agreement Act of 1937. Submitted by USDA, June 16, 1989.

Farmers Home Administration: Implementation Issues Concerning Four Sections of the Food Security Act (GAO/RCED-89-71), pursuant to request. Submitted by GAO, June 19, 1989.

Forest Service: Legal descriptions and maps for Wambaw Creek Wilderness, Hell Hole Bay Wilderness, Little Wambaw Swamp Wilderness, and Wambaw Swamp Wilderness, South Carolina, required by P.L. 96-560. Submitted by USDA, June 20, 1989.

Farmers Home Administration: Proposed rule on NonProgram (NP) Loans, pursuant to agreed upon oversight procedures. Submitted by USDA, June 21, 1989.

Farmers Home Administration: Final implementation of farmer program loan provisions of the Disaster Assistance Act of 1988, required by P.L. 100-387. Submitted by USDA, June 23, 1989.

Farmers Home Administration: Notice of status of implementation of appeals process in debt restructuring provisions of Agricultural Credit Act of 1987, required by P.L. 100-233. Submitted by USDA, June 25, 1989.

USDA: U.S.-Irish Cooperation in Agriculture: Implementation of Section 1420 of the Food Security Act of 1985, required by P.L. 99-198. Submitted by USDA, June 28, 1989.

USDA: Proposal for modifying the rate of Federal payments to State welfare agencies that are operating effective food stamp employment and training programs, required by sec. 404(e) of P.L. 100-435. Submitted by USDA, June 30, 1989.

Recommendations and Findings to Improve the Federal Crop Insurance Program: Principal Report of the Commission for the Improvement of the Federal Crop Insurance Program, required by Federal Crop Insurance Commission Act of 1988. Submitted by Commission, July 1989.

USDA: Report on the Dairy Promotion Program, required by sec. 301 of P.L. 98-180. Submitted by USDA, July 1, 1989.

Drinking Water: Safeguards Are Not Preventing Contamination From Injected Oil and Gas Wastes (GAO/RCED-89-97), pursuant to request. Submitted by GAO, July 5, 1989.

Forest Service: Summary of conservation easement purchase proposed by Forest Service for Wallowa-Whiteman, Oregon, pursuant to agreed upon oversight procedures. Submitted by USDA, July 6, 1989.

Dairy Termination Program: An Estimate of Its Impact and Cost- Effectiveness (GAO/RCED-89-96), pursuant to request. Submitted by GAO, July 6, 1989.

Food Stamp Program. Monthly expenditures for May 1989 and cumulative spending total for the fiscal year 1989 through May, required by sec. 18(b) of the Food Stamp Act of 1977, as amended by P.L. 96-58. Submitted by USDA, July 8, 1989.

Food Assistance: USDA's Implementation of Legislated Commodity Distribution Reforms (GAO/RCED-89-179), pursuant to request. Submitted by GAO, July 11, 1989.

USDA: Notice of revised estimates and transfer of fiscal year 1989 funds within the P.L. 480 program from the Titles I/III account to the Title II account, pursuant to agreed upon oversight procedures. Submitted by USDA, July 12, 1989.

Food and Nutrition Service: Fiscal Year 1988 Summary of Food Stamp Quality Control Error Rates, required by Food Stamp Act of 1977, as amended. Submitted by USDA, July 12, 1989.

Farmers Home Administration: Report of IRS Opinion on Tax Consequences of 1987 Agricultural Credit Act relating to potential tax implications of loan restructuring, required by P.L. 100-233. Submitted by USDA, July 13, 1989.

Charter: Mount St. Helens Scientific Advisory Board, required by P.L. 92-463, the Federal Advisory Committee Act. Submitted by USDA, July 13, 1989.

Department of Justice: Interim final regulations for the Replenishment Agricultural Worker (RAW) Program, required by P.L. 99-603. Submitted by Justice, July 14, 1989.

Dairy Imports: Issues Related to Chocolate Products (GAO/RCED-89-159BR), pursuant to request. Submitted by GAO, July 18, 1989.

Soil Conservation Service: Whites Creek Watershed plan in Mississippi, required by P.L. 83-566. Submitted by USDA, July 18, 1989. Executive Communication 1428.

Farmers Home Administration: Proposed rule to amend offset regulations, pursuant to agreed upon oversight procedures. Submitted by USDA, July 19, 1989.

Farmers Home Administration: Final rule on elimination of obsolete insurance expiration notice forms, pursuant to agreed upon oversight procedures. Submitted by USDA, July 19, 1989.

USDA: Report of the Agricultural Trade and Development Mission to Kenya and Cote d'Ivoire, required by Agricultural Aid and Trade Missions Act. Submitted by USDA, July 19, 1989.

USDA: Report on selected provisions as contained in the Foreign Assistance Act, pursuant to request. Submitted by USDA, July 19, 1989.

USDA: Eighth biannual report on collaborative efforts between the Federal Grain Inspection Service and the Agricultural Research Service to develop new means of grain classification, required by sec. 1672 of P.L. 99-198. Submitted by USDA, July 20, 1989.

STATUTORY AND SPECIAL REPORTS

- USDA:** Second Quarterly Report on progress made in implementing the recommendations of the Agricultural Trade and Development Missions, required by sec. 5 of Agricultural Aid and Trade Missions Act of 1987. Submitted by USDA, July 21, 1989.
- Forest Service:** Summary of proposed purchase in Gifford Pinchot National Forest, Washington, pursuant to agreed upon oversight procedures. Submitted by USDA, July 24, 1989.
- USDA:** Quarterly report on Commodity Credit Corporation (CCC)-owned inventory, required by S.Rept. 99-438, Agriculture, Rural Development and Related Agencies Appropriation Bill, 1987. Submitted by USDA, July 25, 1989.
- Farmers Home Administration:** Proposed rule governing debt settlement of loans serviced by the Community Program and Business and Industry Division, required by sec. 1309 of Food Security Act of 1985, P.L. 99-198. Submitted by USDA, July 26, 1989.
- USDA:** Fourth quarterly commodity and country allocation table showing current programming plans for commodity assistance under Title I/III of Public Law 480 for fiscal year 1989, required by sec. 408(b) of the Act. Submitted by USDA, July 28, 1989. Executive Communication 1545.
- Food Safety and Inspection Service's Performance-Based Inspection System (GAO/T-RCED-89-53),** pursuant to request. Submitted by GAO, July 31, 1989.
- Forest Service:** Summary of proposed purchase and proposed exchange for Siuslaw National Forest, Oregon, and Flathead National Forest, Montana, pursuant to agreed upon oversight procedures. Submitted by USDA, Aug. 1, 1989.
- Agricultural Research Service:** Quarterly report on research progress for the period April 1 to June 30, 1989, required by H.Rept. 98-809, Agriculture, Rural Development and Related Agencies Appropriation Bill, 1985. Submitted by USDA, Aug. 1, 1989.
- Federal Crop Insurance Corporation:** Summary of business report for May and June 1989, required by S.Rept. 97-566. Submitted by USDA, Aug. 2, 1989.
- Financial Audit:** Commodity Credit Corporation's Financial Statements for 1988 and 1987 (GAO/AFMD-89-83), pursuant to request. Submitted by GAO, Aug. 4, 1989.
- USDA:** Five-year Strategic Plan for Water Quality as recommended in President's 1990 budget proposal to Congress, pursuant to agreed upon oversight procedures. Submitted by USDA, Aug. 9, 1989.
- School Lunch Program:** Buy American Procedures at Schools with Cash or Credit in Lieu of Food (GAO/RCED-89-183), pursuant to request. Submitted by GAO, Aug. 9, 1989.
- Environmental Protection Agency:** Final rule entitled "Federal Insecticide, Fungicide and Rodenticide Act (FIFRA); Good Laboratory Practice Standards", pursuant to agreed upon oversight procedures. Submitted by EPA, Aug. 10, 1989.
- Commission for the Improvement of the Federal Crop Insurance Program:** Principal Report, Recommendations, and Findings, required by Federal Crop Insurance Commission Act of 1988. Submitted by Commission, Aug. 10, 1989.
- Forest Service:** Report on status of land exchange negotiations with private landowners on Columbia River Gorge National Scenic Area, required by P.L. 99-663. Submitted by USDA, Aug. 10, 1989.
- Federal Crop Insurance Corporation:** Summary of business report for July 1989, required by P.L. 97-566. Submitted by USDA, Aug. 11, 1989.
- Forest Service:** Summary of one proposed purchase and one proposed exchange for Gifford Pinchot National Forest, Washington, and Deschutes National Forest, Oregon, pursuant to agreed upon oversight procedures. Submitted by USDA, Aug. 11, 1989.
- USDA:** Notice on comments on interim rule, Civil Money Penalties in Lieu of Permanent Disqualification for Trafficking, required by Hunger Prevention Act, P.L. 100-435. Submitted by USDA, Aug. 11, 1989.
- Food Stamp Program.** Monthly expenditures for June 1989 and cumulative spending total for fiscal year 1989 through June, required by sec. 18 of the Food Stamp Act of 1977, as amended by P.L. 96-58. Submitted by USDA, Aug. 15, 1989.
- USDA:** Report on activities of the Secretary of Agriculture and the Attorney General in expediting investigations related to drug activity within the National Forest System, required by sec. 15003(2) of the National Forest System Drug Control Act of 1986, P.L. 100-690. Submitted by USDA, Aug. 15, 1989.
- USDA:** Horse Protection Enforcement Report for Fiscal Year 1988, required by sec. 11 of Horse Protection Act. Submitted by USDA, Aug. 17, 1989.
- Welfare Reform:** Alabama's Demonstration Project (GAO/HRD-89-129BR), pursuant to request. Submitted by GAO, Aug. 17, 1989.
- Federal Grain Inspection Service:** Management Plan, pursuant to agreed upon oversight procedures. Submitted by USDA, Aug. 17, 1989.
- Immigration Reform:** Potential Impact on West Coast Farm Labor (GAO/HRD-89-89), pursuant to request. Submitted by GAO, Aug. 17, 1989.
- Office of Personnel Management:** Notice of approval of personnel management demonstration project submitted by Secretary of Agriculture, required by title VI of Civil Service Reform Act of 1978. Submitted by OPM, Aug. 18, 1989.
- Information Management:** Issues Important to Farmers Home Administration Systems Modernization (GAO/IMTEC-89-64), pursuant to request. Submitted by GAO, Aug. 21, 1989.
- USDA:** Quarterly Report on Foreign Grain Quality and Weighing Complaints for second quarter of fiscal year 1989, required by sec. 16(b) of United States Grain Standards Act, as amended. Submitted by USDA, Aug. 21, 1989.
- USDA:** Annual report of spot check inspections of Canadian potato shipments entering U.S., required by sec. 1704 of Food Security Act of 1985. Submitted by USDA, Aug. 24, 1989.

STATUTORY AND SPECIAL REPORTS

USDA: Notice of approval of proposed acquisitions for Mark Twain National Forest, Missouri; Hoosier National Forest, Indiana; and San Bernardino, California, required by sec. 17(b) of National Forest Management Act of 1976, P.L. 94-588. Submitted by USDA, Aug. 29, 1989.

USDA: Third Quarterly Report of Complaints and Inquiries from Foreign Buyers and others concerning Grain Inspected and Weighed under U.S. Grain Standards Act, as amended, for fiscal year 1989, required by sec. 16(b) of United States Grain Standards Act, as amended. Submitted by USDA, Aug. 29, 1989.

USDA: Annual report on overseas donations of Commodity Credit Corporation stocks of agricultural commodities, required by sec. 416(b) of Agricultural Act of 1949, as amended. Submitted by USDA, Aug. 29, 1989.

Forest Service: Summary of one proposed purchase and two proposed exchanges for National Forests in Florida; Gifford Pinchot National Forest, Washington; and Apache, Tonto and Prescott National Forests, Arizona, pursuant to agreed upon oversight procedures. Submitted by USDA, Aug. 30, 1989.

Forest Service: Summary of proposed exchange for Bankhead National Forest, Alabama, required by sec. 17(b) of National Forest Management Act of 1976, P.L. 94-558. Submitted by USDA, Aug. 30, 1989.

Commerce: Report on U.S. merchandise trade developments with detailed commodity statistics on U.S. bilateral trade with 84 countries and 13 regions for the years 1984-1988, pursuant to request. Submitted by DOC, Aug. 31, 1989.

Soil Conservation Service: Soil and Water Conservation Research and Education Progress and Needs, required by Food Security Act of 1985. Submitted by USDA, September 1989.

Foreign Agricultural Service: Commitment report for fiscal year 1989 under the Export Credit Guarantee Programs and Status of Export Enhancement Program, pursuant to agreed upon oversight procedures. Submitted by USDA, September 1989.

Environmental Protection Agency: Assessing Human Health Risks from Chemically Contaminated Fish and Shellfish: A Guidance Manual, pursuant to agreed upon oversight procedures. Submitted by EPA, September 1989.

Commodity Futures Trading Commission: Fiscal Year 1989 Integrated Five Year Information Resources Management Plan, pursuant to agreed upon oversight procedures. Submitted by CFTC, Sept. 1, 1989.

Farmers Home Administration: Implications of the Shift from Direct to Guaranteed Farm Loans (GAO/RCED-89-86), pursuant to request. Submitted by GAO, Sept. 11, 1989.

Federal Crop Insurance Corporation: Summary of business report for August 1989, required by P.L. 97-566. Submitted by USDA, Sept. 12, 1989.

Agricultural Stabilization and Conservation Service: Evaluation of four options for providing drought assistance to producers, required by S.Rept. 101-41, Dire Emergency Supplemental Appropriations and Transfers, Urgent Supplementals, and Correcting Enrollment Errors Act of 1989. Submitted by USDA, Sept. 12, 1989.

Forest Service: Proposed purchase for Daniel Boone National Forest, Kentucky, required by sec. 17(b) of National Forest Management Act of 1976, P.L. 94-558. Submitted by USDA, Sept. 13, 1989.

USDA: Notice of transfer of fiscal year 1989 funds within the P.L. 480 program from Title I/III account to Title II account, required by Rural Development, Agriculture, and Related Agencies Appropriations Act for 1989. Submitted by USDA, Sept. 13, 1989.

Joint Council on Food and Agricultural Sciences: Report on Fiscal Year 1991 Priorities for Research, Extension, and Higher Education, pursuant to agreed upon oversight procedures. Submitted by Joint Council, Sept. 14, 1989.

Agricultural Stabilization and Conservation Service: Report on grain loan activity through July 31, 1989, pursuant to agreed upon oversight procedures. Submitted by USDA, Sept. 15, 1989.

Food Stamp Program. Monthly expenditures for July 1989 and cumulative spending total for the fiscal year 1989 through July, required by sec. 18 of the Food Stamp Act of 1977, as amended by P.L.s 96-58, 100-46, and 101-45. Submitted by USDA, Sept. 18, 1989.

Commodity Credit Corporation: Summary of loan activity and operating results through July 31, 1989, pursuant to agreed upon oversight procedures. Submitted by USDA, Sept. 19, 1989.

Disaster Assistance: Crop Insurance Can Provide Assistance More Effectively Than Other Programs, pursuant to request. Submitted by GAO, Sept. 20, 1989.

USDA: Second Resources Conservation Act appraisal on the conditions and trends of soil water, and related resources on nonfederal land in the United States in the 1980s, required by Soil and Water Resources Conservation Act of 1977. Submitted by USDA, Sept. 21, 1989.

Charter: Nez Perce National Historic Trail Advisory Council, required by P.L. 92-463, the Federal Advisory Committee Act. Submitted by USDA, Sept. 21, 1989.

Forest Service: Summary of three proposed exchanges for Kaniksu National Forest, Nezperce National Forest and Coeur d'Alene National Forest, Idaho; Flathead National Forest, Montana; and Mt. Baker-Snoqualmie National Forest, Washington, pursuant to agreed upon oversight procedures. Submitted by USDA, Sept. 21, 1989.

Forest Service: Notice of proposed exchange for Chequamegon National Forest, Wisconsin, required by sec. 17(b) of National Forest Management Act of 1976, P.L. 94-558. Submitted by USDA, Sept. 21, 1989.

Commodity Futures Trading Commission: Memorandum and appendices from the Division of Trading and Markets regarding review of the Chicago Board of Trade's July 11, 1989 soybean futures emergency action, required by sec. 8(b) of Commodity Exchange Act. Submitted by CFTC, Sept. 21, 1989.

STATUTORY AND SPECIAL REPORTS

- Parks and Recreation: Maintenance and Reconstruction Backlog on National Forest Trails (GAO/RCED-89-182),** pursuant to request. Submitted by GAO, Sept. 22, 1989.
- USDA: Report on commodity distribution activities,** required by Hunger Prevention Act of 1988, P.L. 100-435. Submitted by USDA, Sept. 25, 1989.
- Agricultural Marketing Service: Notice of request under Freedom of Information Act** to release names and addresses of Massachusetts producers participating in marketing order for cranberries, required by sec. 1663 of Food Security Act of 1985. Submitted by USDA, Sept. 27, 1989.
- Agricultural Marketing Service: Interim report of the Perishable Agricultural Commodities Act Industry Advisory Committee,** required by P.L. 100-414. Submitted by USDA, Sept. 27, 1989.
- USDA: Third Quarterly Report on progress made in implementing the recommendations of the Agricultural Trade and Development Missions,** required by sec. 5 of Agricultural and Trade Missions Act of 1987. Submitted by USDA, Sept. 29, 1989.
- Soil Conservation Service: Notice of approval of expansion for Buckeye Hills Resource Conservation and Development (RC&D) area in Ohio,** pursuant to agreed upon oversight procedures. Submitted by USDA, Sept. 29, 1989.
- Food Assistance Programs: Nutritional Adequacy of Primary Food Programs on Four Indian Reservations (GAO/RCED-89-177),** pursuant to request. Submitted by GAO, Sept. 29, 1989.
- USDA: Soybean marketing loan study for the 1990 crop,** required by sec. 301 of Disaster Assistance Act of 1988, P.L. 100-387. Submitted by USDA, Oct. 2, 1989.
- Commodity Futures Trading Commission: Rules relating to leverage transactions,** required by sec. 109 of Futures Trading Act of 1986. Submitted by CFTC, Oct. 2, 1989.
- Farm Credit Administration: Draft language amending the assessment authorities of the Farm Credit System Insurance Corporation,** required by Agricultural Credit Act of 1987. Submitted by FCA, Oct. 5, 1989.
- USDA: Progress report on the Tongass National Forest on negotiations to bring about changes in APC's existing long-term timber sale contract on the Tongass National Forest,** pursuant to agreed upon oversight procedures. Submitted by USDA, Oct. 6, 1989.
- Air Pollution: EPA's Efforts to Control Gasoline Vapors From Motor Vehicles (GAO/RCED-90-21),** pursuant to request. Submitted by GAO, Oct. 6, 1989.
- Environmental Protection Agency: Cancellation Order for Pesticide Product Registration(s),** required by sec. 4(i)(5)(D) of Federal Insecticide, Fungicide, and Rodenticide Act, as amended. Submitted by EPA, Oct. 10, 1989.
- USDA: Report on ways to respond to the need for agricultural commodities in Poland,** pursuant to agreed upon oversight procedures. Submitted by USDA, Oct. 10, 1989.
- USDA: First annual report on long-term agricultural trade strategy for fiscal year 1990,** required by sec. 4201 of Omnibus Trade and Competitiveness Act of 1988. Submitted by USDA, Oct. 10, 1989.
- Commission for the Improvement of the Federal Crop Insurance Program: Monthly report for September 1989 on the extent to which recommendations of the Commission have been implemented and the level of participation in the program by producers,** required by Federal Crop Insurance Commission Act of 1988. Submitted by Commission, Oct. 11, 1989.
- USDA: Notice of approval of exchanges for Ottawa National Forest, Michigan, and Croatan National Forest, North Carolina,** required by sec. 17(b) of National Forest Management Act of 1976, P.L. 94-588. Submitted by USDA, Oct. 12, 1989.
- Economic Research Service: Profile of farms benefiting from the 1982 farm commodity programs,** pursuant to agreed upon oversight procedures. Submitted by USDA, Oct. 12, 1989.
- Forest Service: Summary of three proposed exchanges for Tonto, Apache, Prescott, and Sitgreaves National Forests, Arizona; and Apalachicola and Choctawhatchee National Forests, Florida,** pursuant to agreed upon oversight procedures. Submitted by USDA, Oct. 13, 1989.
- USDA: Notice of approval of purchase for Nantahala National Forest, North Carolina,** required by sec. 17(b) of National Forest Management Act of 1976, P.L. 94-588. Submitted by USDA, Oct. 15, 1989.
- USDA: Report on total value and quantity of imported raw and processed agricultural products,** required by sec. 4502 of Omnibus Trade and Competitiveness Act of 1988, P.L. 100-418. Submitted by USDA, Oct. 16, 1989.
- Food and Nutrition Service: National Advisory Council on Commodity Distribution, 1989 Annual Report,** required by P.L. 100-237, Commodity Distribution Reform Act of 1987. Submitted by USDA, Oct. 16, 1989.
- USDA: Notice of transfer of fiscal year 1989 fund within the P.L. 480 program from the Titles I/III account to the Title II account,** required by the Act. Submitted by USDA, Oct. 16, 1989.
- Food Stamp Program: Monthly expenditures for August 1989 and cumulative spending total for the fiscal year 1989 through August,** required by sec. 18 of Food Stamp Act of 1987, as amended by P.L. 100-460, Rural Development, Agriculture and Related Agencies Appropriation Act, and P.L. 101-45, Dire Emergency Supplemental Appropriations and Transfers, Urgent Supplementals, and Correcting Enrollment Errors Act of 1989. Submitted by USDA, Oct. 17, 1989.
- FCIC: Review of Reimbursement Rates and Costs Incurred by the Federal Crop Insurance Corporation for the Federal Multiple-Peril Crop Insurance Program,** pursuant to agreed upon oversight procedures. Submitted by USDA, Oct. 18, 1989.
- Rural Development: Feasibility of Requiring Larger Water Pipes in FmHA Water Projects (GAO/RCED-90-40),** pursuant to request. Submitted by GAO, Oct. 24, 1989.

STATUTORY AND SPECIAL REPORTS

USDA: Notice of approval of exchanges for Clearwater National Forest, Idaho; Apalachicola National Forest, Florida; and Bienville, DeSoto, Mississippi, required by sec. 17(b) of National Forest Management Act of 1976, P.L. 94-588. Submitted by USDA, Oct. 24, 1989.

National Commission on Agriculture and Rural Development Policy: Draft report on agricultural policy, required by Food Security Act of 1985. Submitted by Commission, Oct. 25, 1989.

U.S. Department of Agriculture: Interim Report on Ways to Enhance Management (GAO/RCED-90-19), pursuant to request. Submitted by GAO, Oct. 26, 1989.

Forest Service: Summary of one proposed purchase and five proposed exchanges for Chattahoochee-Oconee National Forest, Georgia; Six Rivers National Forest, Stanislaus National Forest, Eldorado National Forest, California; and Gifford Pinchot National Forest, Washington, pursuant to agreed upon oversight procedures. Submitted by USDA, Oct. 30, 1989.

USDA: Notice of request under the Freedom of Information Act to release names and addresses of all growers who participate in the Federal marketing order for cranberries, required by sec. 1663 of Food Security Act of 1985, amending the Agricultural Marketing Agreement Act of 1937. Submitted by USDA, Oct. 31, 1989.

Joint Council on Food and Agricultural Sciences: Request from Council to postpone biennial update of the Five-Year Plan for the Food and Agricultural Sciences, required by sec. 1407(G) of P.L. 97-98. Submitted by USDA, Nov. 1, 1989.

Securities and Exchange Commission: Fifty-Fourth Annual Report, 1988, pursuant to agreed upon oversight procedures. Submitted by SEC, Nov. 2, 1989.

Air Pollution: National Air Monitoring Network Is Inadequate (GAO/RCED-90-15), pursuant to request. Submitted by GAO, Nov. 2, 1989.

Milk Pricing: New Method for Setting Farm Milk Prices Needs to be Development (GAO/RCED-90-8), pursuant to request. Submitted by GAO, Nov. 3, 1989.

Air Pollution: Improved Atmospheric Model Should Help Focus Acid Rain Debate (GAO/RCED-90-14), pursuant to request. Submitted by GAO, Nov. 3, 1989.

Charters: Advisory Committee on Universal Cotton Standards, National Advisory Committee on Futures and Options Trading, National Advisory Council on Rural Development, National Commission Dairy Policy, National Panel on Cost Effectiveness of Fuel Ethanol Production, Pacific Crest National Scenic Trail Advisory Council, and Varroa Mite Negotiated Rulemaking Advisory Committee, required by P.L. 92-463, the Federal Advisory Committee Act. Submitted by USDA, Nov. 6, 1989.

Energy: Research, Development, Demonstration, Testing, and Evaluation Five-Year Plan for Environmental Restoration and Waste Management, pursuant to agreed upon oversight procedures. Submitted by Energy, Nov. 7, 1989.

Crop Insurance: Private Company Loss Adjustment Improving, but Overpayments Still High (GAO/RCED-90-32), pursuant to request. Submitted by GAO, Nov. 7, 1989.

USDA: First quarterly commodity and country allocation table showing current programming plans for commodity assistance under Title I/III of Public Law 480 for fiscal year 1990, required by sec. 408(b) of the Act. Submitted by USDA, Nov. 7, 1989.

Forest Service: Notice of proposed exchange for Wasatch-Cache National Forest, Utah, required by sec. 17(b) of National Forest Management Act of 1976, P.L. 94-588, as amended. Submitted by USDA, Nov. 7, 1989.

Administration of the Federal Ban on Exports of Unprocessed Federal Timber (GAO/T-RCED-90-8), pursuant to request. Submitted by GAO, Nov. 7, 1989.

Forest Service: Summary of three proposed exchanges for Inyo National Forest, California, Kootenai National Forest, Montana, and Wenatchee National Forest, Oregon, pursuant to agreed upon oversight procedures. Submitted by USDA, Nov. 8, 1989.

USDA: Quarterly report on Commodity Credit Corporation (CCC)-owned inventory, required by Agriculture, Rural Development and Related Agencies Appropriation Bill, 1987, S.Rept. 99-438. Submitted by USDA, Nov. 9, 1989.

Forest Service: Final Environmental Impact Statement for the Land and Resource Management Plan for the Ochoco National Forest and Crooked River Grassland filed with Environmental Protection Agency, required by National Forest Management Act of 1976. Submitted by USDA, Nov. 14, 1989.

Farm Finance: Financial Condition of American Agriculture as of December 31, 1988 (GAO/RCED-90-49BR), pursuant to request. Submitted by GAO, Nov. 15, 1989.

Farm Programs: Conservation Reserve Program Could Be Less Costly and More Effective (GAO/RCED-90-13), pursuant to request. Submitted by GAO, Nov. 15, 1989.

Food and Nutrition Service: Report entitled Dynamics of Food Stamp Program Participation, pursuant to agreed upon oversight procedures. Submitted by USDA, Nov. 17, 1989.

Food and Nutrition Service: Report of research literature on food stamp program participation and recommended ways to obtain better insight into why some who are eligible for the program choose not to participate, pursuant to agreed upon oversight procedures. Submitted by USDA, Nov. 17, 1989.

USDA: Report to Congress entitled "Cooperatives and Rural Development", required by Senate Appropriations Committee fiscal year 1989 report language. Submitted by USDA, Nov. 17, 1989.

Food Stamp Program. Monthly expenditures for September 1989 and cumulative spending total for the fiscal year 1989 through September, required by sec. 18 of Food Stamp Act of 1977, as amended. Submitted by USDA, Nov. 17, 1989.

Agricultural Research Service: Quarterly report of selected research projects for the period July 1 to September 31, 1989,

STATUTORY AND SPECIAL REPORTS

- required by Committee on Appropriations on the Agriculture, Rural Development, and Related Agencies Appropriation Bill, 1985, H.Rept. 98-809. Submitted by USDA, Nov. 17, 1989.
- U.S. Department of Agriculture, Status of the Food and Agriculture Councils Needs to Be Elevated (GAO/RCED-90-29),** pursuant to request. Submitted by GAO, Nov. 20, 1989.
- Office of Special Counsel: Report of findings and conclusions of Secretary of Agriculture of allegations of violations and regulations of gross waste of funds at the United States Forest Service, Talladega National Forest, Montgomery, Alabama,** required by Whistleblower Protection Act of 1989.
